

## **The Time of the Beast Has Arrived 10-31-25@4:41 PM**

The time of the beast, the time of the beast, the time of the beast, the time of the beast has come. Has come, daughter, has come to your world. The beast rises, the beast rises, daughter. He is unleashed. The spirit of the beast locked away until the time of Antichrist. He shall be pulled through, he shall come through, during the 3 days of darkness. I shall unlock the abyss, allowing what I call forth to be allowed to be pulled through or released. The time of the beast has arrived upon your world. The time of the beast has arrived upon... your.... world.

Dark clouds, brooding clouds of despair and destruction cover your world, as the darkness descends that I've called forth as righteous judgment but given in mercy. Repent, clean yourself up. I'm coming, I'm coming and I will not be stopped. I come when My Father says, not when the world plans, not when people thinks it should come. I come... and I come now and I bring swift justice, righteous, holy, glorious justice. I shall administer it as quickly as I cut off the head of Babylon.

You ask Me, daughter, is this the time? Has it changed? Is it this night, that turns over till tomorrow's day? Yes, yes, yes! Now you're asking Me, is that your day or My day, Lord? Both, daughter. When the two worlds merge, I will have granted the kingdom of darkness access into your physical one. Physically and spiritually unleashed, unhindered, unrestrained, except for what My children still fight.

That's why it is important, daughter, that everyone you can lock up, that you can send to the abyss, requesting it to be held there till the time it's thrown into the lake of fire, this is wisdom. I have been teaching you how to war and others like you, daughter, so that My children left behind will not be decimated or destroyed at the very beginning.

That they have time to form a close relationship with Me and for the roots to grow deep, and they can face with unwavering faith the challenges that lay ahead of them. Many will endure until the end, daughter. Many will, but it's not going to be easy.

It is in this time you will see who are really Mine and who are not. Even after I've come to My bride. Why do I say this? Because I say, let the weak say I am strong. I will be their strength. I will be their help. I will be their companion. I will be their strong tower. I will be their comforting hand when their life is taken. I will even be their joy at that moment of time.

The beast rises, daughter, he has arrived. He's standing at the portal waiting for entrance into your world, and this is one that I will grant so that My Father's will and what has been written and foretold comes to pass. Is it not so? Is it not so that this earth shall not pass away until every jot and tittle is fulfilled of the Written Word? Daughter, I am that Word and I will see it fulfilled by My Father's command.

Take courage in Me, daughter, take courage in Me, take courage in Me, daughter, I haven't abandoned you and I refuse to do so. Nor is it in My being to be able to do that to those who are

Mine. I love you, daughter and I'm proud of you. You have the mindset, even though at times it falters, that you can do all things through Me, because you have learned and I have proven Myself true to you time and time again. I'm not stopping now, daughter. I've just begun to show you how true a God, a Savior, the spiritual Husband I am. Hold on to Me, daughter, as I hold on to you.

I say no harm will come to you, but you're about to see some great atrocities that if not for Me shielding your mind, you would not be able to comprehend or understand. You have My mind, daughter, you have My mind. Let this rise up in you and become a zeal for holy judgment. The beast rises, daughter, he has arrived.
