

I Am A God Moved By Love 5-17-25 @ 1:13 PM

“Daughter, speak. Daughter of Mine, speak My truth. What has light to do with darkness? What fellowship does My true children have to do with the world? Besides living until I return? I come for a spotless, clean Bride. I have extended My mercy to allow the last few to come in, Daughter. To get themselves ready; their garments ready. Their bridal attire clean and spotless before for Me, their Bridegroom, their Lord, their Savior. I am Jesus Christ, Son of God, Son of the Living God. I extended My mercy.

What is mercy? Unmerited love. Unconditional love. This allotted time of mercy, as I have been speaking with you, Daughter, is about to transpire to its end. My children say they understand My mercy and My love, but most do not, Daughter. Most Do Not. They bask and relish in My love when it's directed to them, but when it's directed to some of My other children then they get upset, Daughter. They call My truth speakers liars because I choose to do things differently, out of love. Out of love, Daughter, when I am moved by love. I AM Love.

I have given examples in My Word showing how I can be moved when one of My children petitions for Me to do otherwise. I have given every example man needs to gain an understanding of how I operate in his mind, his ability to understand. Many say when I speak, it will happen; it's ironclad, it's guaranteed to happen. Never realizing if I'm moved by love, I Myself may decide to change that happening because I'm moved by love. And when My children cry, when My children petition, when My children bring up My Word and My promises...I am moved by love.

My covenant, My agreement. My Father and I, Our covenant is One. We are One. That supersedes all, all other covenants, all other agreements, all other structures of power. So when My children cry out, when My children plead for mercy for their lost loved ones; when My children petition, even reminding Me like Amos and Moses, and others of My people and My servants of old, even some of the younger of the current generation of how, if I move My hand, will the world not think our God is powerless? Your God is not powerless. I Am All Powerful.

And I have weighed and weighed and weighed the cost and the balances. I extended mercy because mercy must always be extended, when asked, to fulfill the requirements of justice. Those requirements have been met, Daughter. So when this last remnant of time upon your world expires, of mercy given, you will go into the 7 Year Tribulation... the last second of My time, Father's time. You have not long, children. You have not long.

I Am Moved By Love. I am moved by love, and many of you need to repent for your lies and hateful thoughts when things do not turn out as you suppose it were to do when you do not seek further for clarity, asking Me is this Me or has My child, My son, My daughter, have they missed it? I Am GOD. I'm not held to your standards. I do not operate as you think I should. I operate in what is just and fair for My creation. All involved: My children; My world.

You're selfish children and you're lazy. You don't want to take the time to seek it out or pray about it. Those of Mine who are spiritually aware and attuned to the spirit realm, knew that something had shifted and went into praying (this is referring to when the 3 Days of Darkness was supposed to come at Purim), while many wagged their fingers. And I'm not just talking

about My Daughter delivering this message. I'm talking about many others. You're all the same, like the Pharisee you profess you love Me and profess to love My Father. But when it upsets your apple cart, as you say in the world, and your apples get spilt when you had them neatly in a row, everything planned, everything in position, you've got it down to the very last; not allowing any room for My mercy and My love. Then you scream, rant, and cry; attack the deliverer of the word when you don't seek Me for My truth.

I have allowed for these things to be foretold, step by step, because My Daughter and others now are seeking to know MY HEART. To know My heart is to know My mind. And those that truly seek and are not afraid and will not be thrown off because I allowed them to see My every decision and move in some things, these are My Faithful Ones. These are those when something changes, instead of shaking their fist at Me and saying, "God, You lied," they get down on their knees and they ask Me, "What happened? What happened? Were You moved by love? What happened? What happened?"

Woe to those that will tear, bite, bicker, gossip, slander, and murder spiritually your brothers and sisters in Jesus Christ. Woe to you, I say. I'm keeping a record. If you don't repent, this will be held against you on Judgment Day. Woe to you, I say, self-righteous children of Mine who think you know My ways better than I know Myself. When My truth makes you uncomfortable, when My truth pricks your conscience, when My truth makes everything you believed in a lie, then we're getting past deception of the world. You're getting past the deception of the fallen ones. You're getting past the deceptions of veils.

You've been told all your lives, this generation, that if I speak it's a done deal. It IS a done deal, but if I, being GOD, if I do choose to change how I do something, I will do it whether you like it or not. I am the Creator; you are the created. Why am I saying this? Why am I having My Daughter deliver this? Because your second is running out. There will be no more 4th of July celebration for America/Babylon, in freedom. Hear Me now, children. Hear Me now. You're Second Is Expiring...Get on your knees and repent! Get on your knees and repent NOW! Get on your knees and repent, for surely I shall leave you behind.

And most of you who would not live for Me now, will certainly not live for Me later. You will embrace Antichrist and his ways. Repent now. Repent now. Repent now. Tick tock, tic toc, tick tock...No more time is given. I say repent now. Repent now, O World, repent now. I'm coming after a pure Bride.

I say again, mercy's requirements have been filled. Mercy's requirements have been filled. When this time is over, this allotted time, into the Tribulation of 7 years you shall go, World. You shall go, World. And children of Mine, if you find yourself there; it's by your own choice. I have done everything to bring you home into My loving arms. It is your choice to sin or not. Hear Me children, it is your choice to sin or not. It is your choice to walk with the crowd, or to turn around and walk the straight and narrow path. It is your choice to separate from these false churches and these false teachers and these false, false, false of everything.

Get in My Word and you will know the truth. Get in My Word...STUDY. Study how I talked to My children of old. How I talked to Isaiah, how I talked to Amos, how I talked to Jeremiah and

Ezekiel. Study and see if I am not a God that will change My mind if I do choose, being your judgment's still coming, but in a different way. Study how I talked face to face with Moses. Study how I talked face to face with Abraham. Study. Study it, children, and learn cause you're in error. You're in error. You're in error and you're walking in the spirit of error, and you don't even realize it because you're too puffed up in your self-pride to think that you could be deceived in any way.

I have called you to be humble; I have called you to repent. I have called you to live a life of servitude and sacrifice, not a life that's full of godlessness, of shaking hands with the world, making agreements with them and laying in the bed with them. Come out and be a separate people. Hear Me. Hear ME. HEAR ME! Come Out and be a Separate People. You have not long. Children of Mine, Disobedient Children, Obedient Children: Stay clean. Stay clean. Stay clean or be left behind by your own choice.

I Am a GOD moved by Love. I Am a GOD moved by Mercy. And I Am a GOD that doesn't answer to you or your ways of how I should perform. I Am GOD and you are not, stiff-necked rebellious children. Repent, Repent!

Daughter, you will share every word of this, even though you already said, "I don't want to have to share this." You will do it; you will not walk in disobedience before Me. "Yes, Lord." Now Daughter, try and test this word. "Spirit that said this, do you confess Jesus Christ as your Lord? And I know no demon; no enemy can say that." "I do, Daughter. I Am Lord of All. My Father made Me Lord of All because We are One." "Spirit that said this, do you believe Jesus Christ is the Son of God, who came to this earth as both God and man?" "Yes, I believe with all that's in Me because I Am He. I walked this earth as a man and as God. I Am the Savior and the Lord of All. I have come to give life and give it more abundantly, but that abundant life does not mean living in the world and enjoying its pleasures. You can enjoy this world without becoming a part and sinning. That is what I expect of My children. That is what I expect of a clean Bride. That is what I expect for those who will rise up to meet Me in the air, and if you can't do that, children; you will be left behind. I'm done, Daughter. I'm done."
