

## **Concerning Prayer and casting out demons/spirits/devils in Jesus Christ's Name.**

I'm speaking to those who have accepted Jesus Christ into their hearts as their Lord. Please pray about all of this and try the spirits in Jesus Christ's Name of what I am saying. This is concerning demon spirits and how to pray wisely and effectively in Jesus Christ's Name.

### **Prayer Strategies in Jesus Christ's Name**

If you are dealing with someone you love, know, or are called to pray for them that hasn't accepted Jesus Christ into their hearts in which demons/spirits may be involved please see if these recommendations will help you in Jesus Christ's Name.

Repent before you take any offensive actions against the enemy so there is no way he can gain access to attack you or your prayers become ineffective because of some unknown unrepented sin. Sin is an open door (agreement/covenant) that when not repented of lucifer...satan and their forces can access as they please in one's life of both saint and sinner.

Please pray and ask to be placed under the barrier of stealth and invisibility or call it under the shadow of the Almighty's wing (Psalms 91) This is in case any spying spirits or spirits within any unsaved near you hears your prayers and the enemy begins a counter attack even before you finish praying in Jesus Christ's Name.

I recommend you pray that there will be absolutely no retaliation, backlash, interference, disobedience, random attacks, traps or such like in any form be sent that's known to God by lucifer, satan's kingdom of darkness for this prayer in God's His existence because He exists in all things and is everywhere as I do now also for this writing in Jesus Christ's Name. (Job 22:28; 2 Corinthians 2:11)

To increase the power of your prayers also include verses of scripture in them because you're praying the power of Jesus Christ the living Word out into all existence over your situation and circumstances and in addition your praying in the power of His Name as Heir and joint heir of the kingdom of God. (Isaiah 55:11; Philippians 2:9-11. John 1:1; 14)

### **Casting out demons/devils information**

You don't want to attempt to cast out any demons/devils/spirits in a person's life that hasn't repented and accepted Jesus Christ into their hearts as their Lord because if you do and they do not repent afterwards or at a later time the demon/demons will return with 7 more. (Matthew 12:43-45) The only exception I know of currently and varies from situation to situation is concerning the strongmen evil spirits/demons of illnesses & infirmities that at times can be cast

out (especially concerning those mental related illnesses) beforehand. Then the person needs to be led to repent and accept Jesus Christ into their hearts as Lord at this time. Lead them also to renounce the kingdom of darkness (the devil, lucifer, satan etc.) and break all covenants/ agreements and such like known and unknown that Father God in Heaven knows of in Jesus Christ's all-powerful Name because if not then at some time then 7 more evil demon spirits can come in return with the original one/ones.

\*\*\*\*\*Please always remember Jesus Christ was striped for all our infirmities/ sicknesses and diseases. If you're in His will and your His child then healing has been made for you by His stripes. (Isaiah 53:5; 1 Peter 2:24; Psalms 107:20)\*\*\*\*\*

Once the person has repented then as sweet Holy Spirit leads the demons/spirits/devils can be cast out in Jesus Christ's Name.

### **Prayer in general for the unsaved**

When dealing with an unsaved person in the authority of Jesus Christ as His child you can bind those evil spirits/demons talking to them so that Jesus Christ can speak and deal with their heart without any interference from the enemy. (Matthew 18:18; Luke 10:19; James 4:7; Romans 8:14-17) (Again, you need to earnestly repent beforehand so your prayers are not ineffective because the enemy has access to your life by known or unknown sin not repented of.)

Pray for the stony heart to be softened to one of flesh made ready to accept Jesus Christ as their Lord (Ezekiel 11:19; 36:26) and for the sweet Holy Spirit to convict them of their sins and bring them to a place of repentance where they will need to make a choice to accept Jesus Christ or not as their Lord. (John 16:5-15; 1 Corinthians 2:10)

You can also pray against and bind the voices spoken through devices, weapons and such like to not be heard such as the Voice of God weapon and such like that the enemy utilizes through governments until the time that Jesus Christ speaks to the person and they make their choice to accept Him or not.

Again I ask all who read this to please try and test it in Jesus Christ's Name. See if it lines up with the Holy Word of God. Be wise in Jesus Christ when dealing with the enemy who is crafty and subtle but very brutal in their attacks. But....Isaiah 54:17....God bless.

Stay under the all-powerful Blood of Jesus Christ and under the shadow of the Almighty's wing. Lord willing with His help that's where you will find me.
