

I Will Unleash My Wrath 4-7-25@4:22 PM Shared 4-8-25

Daughter. Daughter, I speak to you this night, this day, this night. Hear Me, what I say, Daughter. It's through My Holy Spirit you will be led to My truth always. And I hear you. I hear you, Daughter, pleading My Blood as My Holy Spirit prays through you. This is good sound wisdom, because you are correct. The enemy cannot get through My Blood, pass through the Blood line. Now hear Me, Daughter, hear Me. Voice be strengthened.

Hear Me, Daughter, hear Me. This is the hour, the Hour of Trial. The Hour of Testing. It has come upon your nation and world. Hear Me, Daughter, hear Me. It is that time. Mercy granted to My children ready and waiting, and those suffering. Mercy granted to them. Before the allotted time, Daughter, the rogue nuclear devices, all ten will have detonated. And all ten will have decimated that area because wicked is this nation that you live in. But there are those like you, holy and righteous, who surrendered their lives to Me, who have been crying out. This was why mercy was granted. Mercy was granted. Mercy was granted. Mercy was granted.

Now mercy is granted for those waiting for My return. I say this, Daughter: It starts now. Now, Daughter, your now. In New York City, in its Manhattan borough. I will decimate that city. That evil, evil city, where underground they traffick the children. Where underground, they sacrifice, they rape, and they abuse them, and they drain their blood; take their adrenochrome. Yes, Daughter they do all this from the babies firstborn all the way to where they are screaming and yelling. I'm tired of it! I'm tired of hearing the innocent cry out, as in done, Daughter. I am done! I am done. Now if they want to do this, they'll do their own children. They'll take their nephilim children and they'll try to pull adrenochrome from them. And they will try to pull it from their own evil seed, because I'm taking Mine out of here! I'm taking the innocent out of here, both young and old, those with child-like minds. I'm taking them with Me. They are Mine. They are Mine. They are Mine. They Are Mine!

And then I'm going to deliver upon this earth My wrath. My Wrath. My Wrath I've stored up for this time, as I patiently waited for My children to come, for the world to repent. And they have refused. I'm taking the babies out of even the wombs of the innocent. Children left that are not innocent, that are nephilim, that are of evil DNA... this is what you will see left on the earth. Those who have reached the age of accountability, as young as 5 years old for some, most for not, because I will not take no evil, wicked thing into My Heaven. I will not. After purging it of Lucifer and the fallen angels, it's outside in the courts, the Outer Courts, where they're allowed in when they were making accusations against My children. They will never set foot in New Jerusalem. It's for Mine. It's for Mine. It's for Mine. It's for Mine. And I have made it better than what you ever imagined. Each piece is made and carved in love, from Me and My Father, with the help of My Angels and Cherubims. All of Heaven has helped prepare this, for great is our love for those who are Mine and the Father's.

I long to be with My children, Daughter. I long with all that's in Me to have them finally here, out of this wicked, evil world. But when mercy cries out. When one cries out not realizing the delay, I am moved. I am moved. I am moved. But if they saw what's waiting for them, they would let go of this world and trust Me for all they've prayed about.

And now, Daughter, I pour out My Wrath. My Wrath has been stored up and reserved for this time, and the Wrath of My Father. There will be no mercy given to the wicked, but it rains on the just and the unjust. I unleash My Wrath now. It's time for Me to get My children. And it's time for those left behind to start running for their lives. Whether you serve Me or not, if you're even connected somehow to the past of going to church, having somebody that accepted Jesus Christ, Me, into their heart; you're in danger of being killed on the spot. For such shall be the hatred for My Name, because it will be made to appear that it is the Christians that have caused the darkness, and that have caused so much woe in this world. When sin, sin is the cause, and the fallen ones.

I'm going to pour My Wrath out, Daughter. I'm going to pour it out, and there'll be not one stone left unturned when I am done. And I will melt this world more than I have with this fire I've sent already. I will shake this world. I will turn it upside down. My Black Rock is almost fully demagnetized. When I re-enter this firmament with all power and glory of My Father, with My Heavenly Angels, that's it. It will no longer be magnetized. Nor will it be re-magnetized. And it will cause destruction on the earth, far and wide, and the air will be removed. The wind will be removed, just as I have said in My Word. My Angels will ensure this. Wrath is what awaits. That wrath is what those will endure. Even those left behind will have to go... live through it because it was their choice not to repent, but I will still help those who are truly Mine.
