

Prayer for revealing hidden enemies,
covering technology with no retaliation

(Partial from Daniel Duvall and the rest by Vicki Goforth Parnell)

I seal this prayer in the blood of Jesus speaking it under the barrier of stealth and invisibility as I hide myself under the shadow of the Almighty's wing and go undetected as Jesus has done. (Psalms 91:1: John 14:12; Luke 4:29-30)

I declare and decree there will not be any form of retaliation, interference, backlash or enemy powers sent against my ministry, family, and friends from the kingdom of darkness of any type in all existence of God because God exists everywhere in Jesus Christ's name. In Jesus Name, I bind the spirit of retaliation itself and all its underlings that fall into this category of demons/fallen angels. (Matthew 18:18)

This includes such like as in charms, spells, curses and etc. and request heavenly angels to be sent down and ensure not one spiritual or physical being goes against this decree without immediately being brought to heaven for swift judgment and sentencing in all that is fair and just in Jesus' eyes for he is the righteous judge of all. (John 5:22; 27)

I also wipe the memory of any evil monitoring spirits or physical enemies who might have read this before I fully inserted the no retaliation clause including the computers and all backup copies of any nature in all creation in Jesus' name.

I am petitioning for all physical and spiritual possessions including financial accounts, social media site, internet sites and access be shielded under the blood of Jesus Christ from all enemies' hands, devices, schemes and such like. I am praying and asking this under leading of the sweet Holy Spirit of Jehovah God who sits in heaven ruling and reigning in righteousness. (John 14:13-14) Again, without any retaliation from the enemy!

I break all the power of all minding reading or control, as well as all psychic prayers, satanic prayers, thought, power, warfare, stalking, watchers, sickness, pain, curses, spells and torment coming against myself or any of those mentioned above. I also deprogram every charm and such like by dismantling all demons, declaring they will not do as they have been summoned to do and canceling their assignments. Next, I bind them in everlasting chains (Jude 6) and cast all demons bound into the abyss.

I speak a matrix of heavenly gold in the form of a faraday cage over all technology involved, shutting

down all wave-based attacks on my technology and such like known and unknown. I declare that all technology-related work will be blessed and free. I command every evil spirit, human agent and such like.

I return love to any human agent deceived into carrying out any assignments against all mentioned above and against all my/our technology whose names are written in the Lamb's Book of Life.

Father God, I stand on Luke 8:17; 12:2-3 and Ecclesiastes 12:4 in Jesus' almighty name and petition that every "Judas Iscariot" type person, place, thing or being whether it be physical or spiritual that has been hidden and masquerading in our lives, families, businesses, ministries and such like for the glorious light of Father God's glory to be shined upon them and reveal them for who they really are immediately in Jesus' name.

I ask for warring angels to escort them out of all afore-mentioned areas of our lives and up to heaven's courts for immediate judgment and sentencing. If any are savable then I offer them the gift of salvation of eternal life through Jesus Christ who came to this earth as both God and man. If they accept him into your hearts and truly repent of their sins declaring Jesus came from a virgin birth, died

for man's sins and rose victoriously on the 3rd day then I will welcome them with open arms into this glorious kingdom of Father God and Jesus Christ.

If any fail to repent then be disgraced with all the other person, places, things and beings of physical, spiritual, mechanical or mutated variant and I request and petition Heaven's courts with Jesus as my advocate to judge and sentence them immediately with his fair and righteous judgment with the immediate removal of all enemies known and unknown out of all I am petitioning for in the might name of Jesus Christ.

I also request the spiritual evil beings of the fallen angels, principalities, powers, rulers of darkness of this world spiritual wickedness in high places including any other known or unknown participants such as human agents or hybrids for example.

In Jesus' mighty name I declare war on the enemy and plead the blood of Jesus over all I am petitioning for. Be our fortress Oh, God and our strong tower. Our hiding places of Psalms 91.

I pray this in Jesus' mighty name while invoking the name of Jesus that contains Father God, Jesus the Son and the Holy Spirit including all of heaven

because Jesus is the mighty King over the angels in heaven.

I seal this prayer in the Blood of Jesus in the existence of all that God exists in, because he exists everywhere in Jesus Christ's mighty Name.

This is effective immediately and I do this in the authority of Jesus Christ and none other as his child, heir and daughter of Father God's kingdom.

Amen.
