

No Retaliation, Interference or Backlash Prayer Clause Updated 9-8-24

Vicki Goforth Parnell

Father God, in Jesus Christ's Name I ask You to place my prayers and all I do this day and night under the barrier of stealth and invisibility (Psalms 91:1; John 10: 31-39; Luke 4:29-30; John 14:14) under the shadow of your Almighty wing. So I can fully accomplish all You have called me to do for Your glory in Jesus Christ's mighty all-powerful Name.

I decree and declare standing on Job 22:28 that there will not be any retaliation, backlash, Interference, and such like from the kingdom of darkness in any form directly, indirectly, hidden, known or randomly in all existence known to God, because God exists everywhere. I bind now the evil spirits of retaliation; backlash and interference themselves too and all sub demons standing on Matthew 10:9;18:18; Luke 10:19 & James 4:7.

All attempts of any kind of the aforementioned attacks by the kingdom of darkness shall be sentenced and judged immediately up to and including destruction of all owned territory and trade routes implicated and the permanent removal of all titles, Inheritance, status, positions, prestige, calling, ranks, abilities, and such like.

Also, all participants where applicable from the kingdom of darkness of the spiritual type, if they're no longer needed for God's divine plan to be fulfilled and are to be immediately bound in everlasting chains,(Jude 1:6) irons, and fetters.(Psalms 105:18) And to endure heavy loads and grievous torment, and whatever else is just and right, handed down from the Courts of Heaven.

For those who are savable and of a human nature with a human soul where applicable receive the gospel of Jesus Christ which I present to you right now. Jesus Christ came in the flesh. He was born of a virgin.He gave his life on Calvary and rose again on the third day. He died for your sins.Do you accept Jesus Christ as your Lord and Savior? Choose now. Choose wisely. If they choose to accept Jesus Christ here and now confessing Him openly as their Lord I ask they be granted forgiveness and mercy on all charges in Jesus Christ's name.

If any person or participant is not savable then I petition for the immediate disgracing of such individual or individuals with all hidden secrets revealed, (Luke 8:17;12:2-3) Then I ask for their removal and death. (Exodus, 22:18; Leviticus 20:27; John 14:13-14; Matthew 1:7-8) according to the written word of God, for He knows those who are His and will be His.

I pray their silver cord of life be cut and severed immediately with the holy fire of God, Their removal and/or death/deaths shall aid now the children of God and eventually those left behind.

All of these types that are still needed who are still unrepentant but savable I ask for the total disgracing of them in every way, form, fashion in the past, present and future... in all of Father God's knowledge and existence because He exists everywhere. Once they have fulfilled their divine part of God's plan I ask for their immediate removal and/or deaths if they still are unrepented of their sins.

I also bind daily/nightly all fallen angels, nephilim, demons including all operatives of the kingdom of darkness who have been assigned to attack directly, indirectly, or randomly attack my family, the my lovely Jesus Ministry, myself and such like and all that pertains in any way to us in all your knowledge of how Father God because you are all knowing. The enemy is not. This will restrain and restrict them from any attacks Father God that You do not allow but doesn't remove them to the pit until their needed assignments for your end time days are fulfilled.

I programmed this into my day/night commanding the morning in Jesus Christ Name, making it effective immediately while invoking his name, His Holy Spirit, His Word and His blood upon this prayer in all existence known to God because he exists everywhere.

I pray, declare and confess this in faith through the power of the invincible Son of God Jesus Christ my Lord and Savior.Amen
