HEARING FROM GOD

INTRODUCTION

The Bible says we should walk circumspectly because the days are evil. The devil is the master of deceit and he can make things appear to be what they are not. He has misled many people and they ended up making the wrong choices that lead to regrets.

To avoid ending up in frustration and regrets, every believer needs to hear from God one way or the other. This book teaches us how to overcome spiritual blindness and deafness and begin to hear God clearly.

CHAPTER 1

HEARING FROM GOD

People who are "spiritually awake" always hear from God and they receive divine revelations. But people with slumbering spirit will never have a clear dream. They will never see a vision although it is by our spirits that God speaks to us. But to them, it seems that God is deaf and dumb. These people with slumbering spirits are deaf and blind and as such, they cannot hear.

ABSOLUTE OBEDIENCE

Although we don't talk much about Ananias today, but he was the man who prayed for Saul of Tarsus, later Aposyle Paul, to receive the baptism of the Holy Spirit. So Paul should be referring to him as his father in the Lord. Ananias' ministry may look irrelevant now, but he did a fantastic job for Christianity. He was praying in his house and God came to him and said: "Ananias". God called him by name and he answered "yes, here I am". God said "arise". Specific instructions, no ambiguity, "go to a street which is called Straight and enter a house, there you will find one man called Saul praying, lay your hands on him so that he might receive his sight and be filled with the Holy Ghost.

When Ananias heard this he said, God I am sorry, what did you call his name? God said "Saul". And then he said, "The man that has been arresting Christians. His purpose for coming here is to arrest Christians and kill them. I am sorry sir, I don't think I want to die yet." God said "No", go; for this purpose, have I raised him up to be light unto the Gentiles. For I must show him what great things he

must suffer for my sake". Ananias went just like that! And what the Lord said, he met it so. Wouldn't it be wonderful if we were like Ananias? But a lot of people don't want to work themselves up to that level.

In Numbers chapter 12, we see several ways that God talk to people. At least if you truly are a born-again Christian and you have received the baptism of the Holy Spirit, God should be able to talk to you in one of these ways, unless your speaking in tongues is fake. If it is true baptism in the Holy Spirit that you have received, there are some ways that God will be talking to you.

WHEN GOD SPEAKS

In Numbers 12:6, the Bible says,

"And He said, hear now my words; if there be a prophet among you, I the Lord will make myself known to him in a vision"

God can talk to you in a vision. "I will speak to him in a dream"

He can talk to somebody in a dream. Numbers 12:7-8 says,

"But my servant Moses is not so, who is faithful in all my house, with him will I speak mouth to mouth even apparently, and not in dark speeches;"

So God can speak to some people in dark speeches. You can now see levels of prophets. God can talk to you in dark speeches if that is the level of your spirit, God can speak to you in visions if that is the level of your spirit. He can speak to you in the dreams if that is the level of your spirit. People who are awake can have dreams or revelations or visions, as in the case of Ananias in the book of Acts.

SPIRITUAL EYES

Won't it be good if you could be hearing from the Lord, regularly and constantly? You should be able to commit even the smallest thing in your life to

the Lord and get a direct, straight answer. You must be able to ask God, "Should I wear this headgear? Should I use this cap? Should I use these wristwatches? Should I wear these shoes?" And simple details like that.

God has to be able to speak to you, but the problem is that your ears are deaf, the eyes are blind and your spirit is not sensitive. If you turn the searchlight of the Holy Spirit on yourself, God might help you to locate some things making the spirit to be weak. People say that the same sun that melts the candle makes the clay strong. So the problem that will knock somebody down and the person will not be able to rise up again is the same problem another person will overcome easily.

I. THE HOLY SPIRIT AND INSPIRATION

When your spirit is awake, ideas will be blossoming in your mind. Creative ideas will come out from within you and you will discover new ways of doing things. But people with slumbering spirits will not have fresh ideas about anything. They are like what some people use to play spiritual games. They are the kind of people who hear messages of eternal judgment, holiness and things that ought to challenge them, but they go out as if they heard nothing. They are the people who go out from under the anointing of God's words and do the opposite of what they have heard. They are the people who still embarrass us by their actions despite all the messages they have heard. It is because the spirit is sleeping and if it is not woken up, that is exactly how the spirit will arrive at the judgment seat of God and end up in hellfire.

2. PROTECTION FROM DISEASES AND SICKNESSES

Our spirit protects us from diseases and sicknesses. Proverbs chapter 18:14 says,

"The spirit of a man will sustain his infirmity"

It is your spirit that will sustain any infirmity. Proverbs 17:23 also says,

"a merry heart doeth good like medicine, but a broken spirit drieth the bones".

When the spirit is sick inside, or is sleeping, any kind of junk can be deposited

on it. Spirits that are awake throw off sicknesses. They can never be sick because sicknesses bounce off them like a football. But those who slumber in the spirit go down under every sickness that the devil throws at them. Somebody told me that it seemed as if any new weapon in the kingdom of darkness is first tried on him. This is because his spirit is slumbering. The problems of such people become the dominating center of their lives. They don't have what is called, "the see through ability or the stamina to wait before the Lord and have lasting joy". One function of the spirit is to protect us; if somebody's spirit is sleeping, then all kinds of negative things will be happening to the person.

3. HOLISTIC LIVING

What stops us from stealing other people's things is our conscience. When you have the knowledge of the Lord, that knowledge reveals that certain things are wrong and should not be done, but mere knowledge never keeps anyone from sinning. That is why Christianity differs from other religions. The Bible says that as many as received Him, to them He gave the power to become the sons of God.

You may know all the rules of "thou shall not" just as other religions will tell you what not to do. But the power not to do those thing may not be available. You know that something is wrong, yet you do it. What will you do? So the knowledge of the Lord does not keep anybody from sinning.

For example, the fear that what you are doing may be discovered does not keep you away from committing adultery for example. But when your conscience is there, no matter how humble you are when you are doing something really bad, the "policeman" called conscience will talk. It will talk quietly, and you may shut it up. But when you have an awakened spirit, you know that some kind of things should not be done and you do not do them. But the sleeping spirit will not have enough check to do something before trouble happens.

Such people are only aware that they have made mistakes when it is already too late. These are the problems when a spirit is slumbering. Some people complain that they cannot pray for a long time. It is probably because the spirit is sleeping and you need your spirit for serious praying.

CHAPTER 2

PRINCIPLE OF HEARING FROM GOD

He that hath an ear let him hear what the Spirit saith unto the churches. Rev 3:22

God Almighty our creator has put two ears in your body to hear. The hearing that God meant in the Bible passage above is spiritual hearing, not physical.

The most important need of any serious child of God is hearing clearly from God. When you begin to hear from God, progress will begin in your life. When you begin to hear from the devil, destruction begins. It is great period in your life the day you hear from God clearly, plainly and on daily basis.

When God begins to talk to you, the enemies will lose their hold against you. What others run after will not make any meaning to you. When you begin to hear from God, faith rises in your heart. When you begin to hear God, you will stop doubting.

When you begin to hear God, things will begin to happen. You will begin to enjoy praying because you will immediately get reply to your prayers. Having one way communication will be boring, but when you receive immediate reply, you will be motivated. You are created to fellowship and talk with your Creator.

God is missing your fellowship. You need to be able to hear clearly from the Lord your God.

Hearing God's voice does not come automatically. The Adam's nation is born deaf. Therefore, hearing God's voice has to be learnt. The key to God's blessing is hearing and obeying His voice.

One of the greatest diseases among Christian believers is the inability to hear what God is saying clearly. Many people roam around the house of different prophets because they themselves cannot hear what God is saying. The day you begin to discern God's voice is a great day in your life. God wants you to be able to communicate freely with Him.

God wanted to speak with the Israelites one on one but when Moses came they chose Moses to be communicating with God, which is a tragedy, because God wanted the Israelites to be communicating with Him one on one. The Israelites technically relinquished their privileges to Moses.

If you can consecrate your life and be serious with God and God opens your eyes, you will be amazed that you are better than those prophets you visit for prayers. The Bible says;

And the LORD came down in a cloud, and spake unto him, and took of the spirit that was upon him, and gave it unto the seventy elders: and it came to pass, that, when the spirit rested upon them, they prophesied, and did not cease. But there remained two of the men in the camp, the name of the one was Eldad, and the name of the other Medad: and the spirit rested upon them; and they were of them that were written, but went not out unto the tabernacle: and they prophesied in the camp. And there ran a young man, and told Moses, and said, Eldad and Medad do prophesy in the camp. And Joshua the son of Nun, the servant of Moses, one of his young men, answered and said, my lord Moses, forbid them. And Moses said unto him, Enviest thou for my sake? Would God that all the LORD's people were prophets, and that the LORD would put his spirit upon them! Num 11:25-29

What does God communicate?

1. Revelation
2. Inspiration
3. Illumination.

Revelation: is when God reveals something to you. Revelation is when you remove a veil from something so that you can see what is inside.

Inspiration: When the anointing of the Holy Spirit falls upon you and thing that are not clear to you becomes clearer. That is what inspiration means.

Illumination: When God opens your understanding, you understand beyond what you can comprehend. God opens your understanding faculty through illumination.

Without being led by God in life and in service you will miss your divine targets. Without hearing from God it is not possible for you to know God's will. If God can open your eyes and see a glimpse of your glorious destiny, you will not sin again. You will drop all the iniquities in your life. All those sins you are committing are just dulling the sword of your destiny.

Anything done outside the will of God is wasted efforts and destiny. Receiving information from God is the root of spiritual life. In my former church, we struggled to make the church grow but all to no avail. One night, I was sleeping and God revealed to me that myself and other members of the Church gathered together and we were praying and fighting against one man. The man was very tall and dark. We tried all we could, to fight him but the more we fought, the stronger he became.

At a point, we all took horsewhip to beat the tall man but it was not effective. Later God spoke to my ears and said, "Son go out of this church because I have not placed the salvation of this church in your hands". When I woke up, I never went back to the church again.

The church sent thirteen delegates to me to beg me that I should come back but I refused. Out of the thirteen, ten are in MFM now. Revelation is the root of spiritual life. Knowing God's will is the straight path to spiritual life.

You need to hear from God clearly and plainly. Do you want to hear from God? Do you have an unfortunate encounter with the Lord? Have you been visited by the Almighty? The question is not about your position in the church. The question is not whether you came from a Christian home or not. The question is, have you had an unforgettable encounter with the Lord? Have you met the Lord?

If you have met the Lord, you will know you have an encounter. You will know when you have met God. If you have met the Lord, the next question is; how did you meet the Lord? Was it in your praise and worship, preaching or praying? What day is it? Do you have a record of the point of when He met you?

Many believers of today are second-hand disciples. When you have an encounter with God, you will not complain about loneliness, because His communication with you will satisfy the longings of your heart. You will want to hear directly from the Lord.

It is different when somebody tells you about the Lord and it is different when you have a personal encounter with him. Majority of present day believers are just second-hand Christians. For you to have an effective power in your life, you must go first class in your prayer life.

Christianity is not a ritual; Christianity is not about services, grammar or ceremony. Christianity is not about second hand knowledge. The power deficiency of the Church is due to the fact that most Christians do not have the first hand encounter with God. You must be able to hear clearly from God. Every Christian can and should know how to hear from God. If you don't hear from God, your spiritual life will be tainted and stunted.

Hearing from God is not for spiritual giants alone. God wants you to experience daily communication with Him. That is why He is concerned. It is abnormal for Christians not to hear God's voice. The good news of the scriptures is this. The Bible says;

And they shall not teach every man his neighbour, and every man his brother, saying, Know the Lord: for all shall know me, from the least to the greatest. Heb 8:11

Ninety-nine percent of Christians do not hear God speaking to their spirit. God speaks to your spirit, not your brain. The human mind is like a market place. God communicate with the inner core of the mind. He speaks to the spirit. The Bible says the spirit of man is the candle of the Lord (Prov. 20:27). The spirit speaks to you and talks back to you.

There is a brother who was about to go to his work place. He decided to pray before leaving. He had taken his bag and he started praying. The Lord told him to continue to pray for another twenty minutes. He was still praying and God told him to continue further but he refused and he left without the instruction of God. When he boarded the bus going to Oshodi, he slept off. By the time he woke up, he found himself in a thick forest among ritual killers.

He was naked because he was the next person to be dealt with. He began to pray and the ritual killers told him to stop. Suddenly, he remembered a scripture that says, "If I perish, I perish". He began to speak in tongues and everywhere was in disarray. A whirlwind, blew. He felt somebody took hold of his hand and escaped from the forest. When he got to the main I road, he was alone, the person beside him had disappeared. That was when he discovered that he was in Ore, Benin road. That day God communicated but he abandoned God's voice and he landed in trouble.

It is a dangerous thing when your spiritual monitor is dead. In your physical life, you can communicate with a person verbally by waving your hand, nodding the head and a certain way of looking and gesticulation. God has a way of communicating with you. God can talk to you face-to-face the way he talks to Adam and Moses.

God can speak to you by a voice or in a dream. The only disadvantage about divine dreams is that you have to be asleep before it occurs. God talks to you through open visions which means you are not asleep but you just see the picture of what He is showing. God can talk to you through closed vision, which means when you are praying, you see some things. In fact, all your physical senses will

be suspended until the vision clears off.

God can talk to you by sending His angels. God can talk to you by making reference to passages in the Bible. God can talk to you through anointed messages and teachings. God can talk to you through anointed counselling. God can talk to you through anointed music or anointed meditation.

God can talk to you through your conscience. Your conscience is the "policeman" guarding your soul. The voice of your conscience is the voice of God. If you allow your conscience to be incubated by the Holy Spirit, your conscience will speak to you clearly.

God can talk to you through the burden of your heart. He can talk to you through divine ideas. He can talk to you through internal understanding. God can speak to you through inner and outer voices. God can talk to you through closed outer voices, just like He spoke to Samuel and Eli who slept just a little away from Samuel, but did not hear Him speak. God can talk to you through the still small voice.

Man is made up of body, soul and spirit. The Bible says;

The spirit of man is the candle of the LORD, searching all the inward parts of the belly. Prov 20:27

For what man knoweth the things of a man, save the spirit of man which is in him? Even so the things of God knoweth no man, but the Spirit of God. 1 Cor 2:11

It is the spirit that is inside the man that knows the secrets and depth of the heart of man. God speaks to your spirit. God informs your spirit and the spirit will now pass the information to your mind. The spirit has a voice, the voice is what people call the conscience. The conscience of your spirit gets born again. As you train it with the word of God through regular prayers, the spirit will know how to obtain information from God. The Bible says;

For thus saith the Lord GOD, the Holy One of Israel; in returning

and rest shall ye be saved; in quietness and in confidence shall be your strength: and ye would not. Isa 30:15

A time to rend, and a time to sew; a time to keep silence, and a time to speak; Eccl 3:7

Quietness and silence is essential to receive information from God. If your life is too noisy, you will not know when God is speaking to you.

WHAT YOU NEED TO DO TO HEAR GOD CLEARLY

1. Make sure you have a living encounter with God.
2. Cultivate the habit of prompt obedience to the Lord. The longer you delay from obeying God, the harder it becomes to hear from Him. Lot's wife disobeyed God and she faced the consequences. Namaan was asked to go to river Jordan, though it looks very foolish to him, but it is the word of God. Noah was building an ark on a dry land. It looks foolish,. but it is the word of God.
3. Be careful what you hear. Don't listen to gossips. Don't have friends who will pull down your spiritual life.
4. Take time to meditate deeply on the word of God. The Bible says;
This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success. Josh 1:8
5. Receive the baptism of the Holy Spirit. You need to get baptised of the Holy Ghost with the evidence of speaking in tongues. If you do not, your spiritual life will be dull.
6. Receive the gift of the Holy Ghost.
7. Don't judge people by what you see with your physical eyes.
8. Always pray fervently. God is satisfied with somebody who prays for fifteen minutes with body, soul and spirit than somebody who prays for three hours without any seriousness or focus.

All believers must at least have one way by which God will speak to them

regularly. It is therefore important for you to take decisive actions that will remove all blockages to hearing God's voice.

PRAYER POINTS

1. My Father, I want to see you appear in the name of Jesus.
2. ***Lay your right hand on your head and pray, the following prayer points aggressively.***
I command spiritual cataract to clear out of my spiritual eyes, in the name of Jesus.
3. Everything blocking my ears from hearing from God, clear off in the name of Jesus.
4. Hindrances to divine communication clear out of my life in the name of Jesus.

CHAPTER 3

SPIRITUAL SENSITIVITY

One of sign of the immaturity in the Christian life is dullness of hearing.

Luke 24:25

Then he said unto them, O fools, and slow of heart to believe all that the prophets have spoken:

Jesus was in the midst of the disciples. He spoke to them but they did not recognize Him. He called them fools because they were dull of hearing.

One serious disease that is so rampant amongst Christians is being dull of hearing. Only the physical ear is hearing, the inner spiritual one is deaf. No man is as blind as the one who refuses to see. No man is as deaf as the one who refuses to hear. That is why Jesus said he who has hears, let him hear (Rev. 3:22).

Surely, you can hear and yet not hear. Spiritual dullness is indeed a serious problem. If you can pray that dullness out of your spiritual and prayer life, you will become a prophet. Without being sensitive in the spirit, certain things will go wrong.

Matthew 13:15

For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes, and hear with their ears, and should understand with their heart, and should be converted, and I should heal them.

Acts 28:27-28

For the heart of this people is waxed gross, and their ears are dull of hearing, and their eyes have they closed; lest they should see with their eyes, and hear with their ears, and understand with their heart, and should be converted, and I should heal them. Be it known therefore unto you, that the salvation of God is sent unto the Gentiles, and that they will hear it.

In the above passage, Paul said some very harsh words to the Jews and these words are still very relevant today.

Hebrews 5:11-12

They shall perish; but thou remainest; and they all shall wax old as doth a garment; And as a vesture shalt thou fold them up, and they shall be changed: but thou art the same, and thy years shall not fail.

Prayer is the greatest power on earth. Prayer is the key to God's treasure house. Prayer is the only thing which the devil cannot do. There can be substitute for many things we do in the house of God, but there is no substitute for prayer. We may decide not to preach and just write a sermon. But prayer cannot be avoided. There may be substitute for singing but there is no substitute for prayer. The man or woman who can really pray has nothing to fear.

Prayer succeeds when all other things fail. Prayer does not die. You may think it is not being answered, but something is going on. The awesomeness of the power of prayer has not been adequately utilized by modern man. Men go to God for help when they become helpless. Therefore the school of prayer has a large number of students. Unfortunately although the number of students in this school is so large there are also a large number of dull students in this school of

prayer.

Thousands fail at the school of prayer every day. The Bible says when Moab has gone to his high places and fails, he would come back to God's sanctuary to pray but will not prevail. Prayer is not a mechanical operation. Prayer is not a parrot-like agenda. It is the Holy Spirit that should teach us what and how to pray at any given time.

Herein lies the problem. Without being spiritually sensitive, this would be impossible. When you are not spiritually sensitive, you will not be able to pray targeted prayers that will yield maximum results. If a person is dull in the spirit realm, the enemy will prey on that person and weaken that person's prayer altar.

You need to carefully note the statements below:

1. **Without spiritual sensitivity, we could become fools and pray in the spirit realm.**
2. **Spiritual sensitivity empowers you to scan the environment to detect satanic in-roads.** It is a tragedy when evil is around you and you are not aware. Spiritual sensitivity includes awareness of your spiritual environment. By the time Jesus got to the Garden of Gethsemane, He told them that the power of darkness was on the prowl.
3. **Without being spiritually sensitive, you could be groping in the dark.** Many years ago a very beautiful lady brought a man she wanted to marry. But as they were coming in, there was a vision. In that vision the hand of the man looked bigger than it was supposed to be and his hand was on the head of the sister. I asked her if that man was her friend and she said yes. I then instructed her to go and pray again but she refused and they went ahead with the marriage. The incident occurred many years ago. Presently, the sister is dead and she was killed by the man. He gave her a blow in the stomach one day when they were fighting. Without spiritual sensitivity, you could become the friend of a serpent.
4. **Without spiritual sensitivity, we will be mocked by the enemy.**
5. **Spiritual sensitivity is the outflow of a regular communion with the**

Holy Spirit.

- 6. Spiritual sensitivity enables a man to get information from his dreams.** Dreams are spiritual monitors. The teaching of the Scripture about dreams is very clear. God talks to people through dreams. If you are spiritually dull, you will become a victim of manipulation in the dream.

When the host goeth forth against thine enemies, then keep thee from every wicked thing. If there be among you any man, that is not clean by reason of uncleanness that chanceth him by night, then shall he go abroad out of the camp, he shall not come within the camp:
Deuteronomy 23:9-10

Once you begin to have wet dreams and discharge of semen, you are about to be defeated unless you wake up and start fighting.

- 7. Dullness of the heart is a prayer killer that has killed the prayer life of so many people.** This is why we must be spiritually sensitive. The Bible says that as many as are led by the spirit of God are the sons of God (Rom 8:14). When you are praying with spiritual sensitivity it will enable you to take decisions that will not jeopardize your life or the lives of other people. It is like possessing a spiritual antenna that can pick up the wavelength of the Holy Spirit.
- 8. Spiritually sensitive people generally understand prophetic actions.** In the battle of life, sometimes you need prophetic actions to overcome the battle. A prophetic action is a divine prescription. It is a divine directive. If you act upon it, it will bring your prayer from the level of petition to the realm of answers. A person could pray without answers if he is not sensitive enough to find out the prophetic action that must be undertaken. For example, Hannah had no breakthrough until she took an action and vowed to give Samuel her son to God.

When Elisha saw that the axe-head sank, the prophetic action he took was to cut a stick and throw it to the river. Then the axe-head came up. When Elijah saw that the waters of the land were bitter he had to pour in salt to heal the land. The

instruction that was given to Naaman to go and dip himself seven times and he would be made whole was a prophetic action. Moses threw ashes into the air and it became boils on the bodies of the people. That was a prophetic action.

Elijah lay on the corpse of the widow's son. That was a prophetic action. Jesus said to the blind man, "Go and wash yourself in the pool of Bethsaida". That was another prophetic action. Those are actions normally taken by men who are sensitive in the spirit realm. Sometimes, you need those prophetic actions to overcome your battles.

Prophetic actions defy natural explanation. It could appear to be meaningless, but it has to be done without questioning. When you are spiritually sensitive, you will know the prophetic action that is relevant to your situation.

9. Without spiritual sensitivity, our lives may be cut short prematurely by powers of darkness. Ninety percent of those who die everyday do not die at their appointed time. Their lives are cut short.

I remember a brother who was driving home from a prayer meeting. As he went on, there was an impression in his heart telling him to park the vehicle. He refused. After some time, the voice told him again to park the vehicle but he refused again. After sometime with that voice pressurizing him to park, he decided to park. As he parked, the vehicle behind him moved forward. A few minutes later the brother began to hear gun shots. The owner of the vehicle was shot dead and the vehicle was taken away. They threw his corpse on the road. When the brother got there, he began to praise the Lord. If he had not been sensitive in the spirit, he would have been wasted.

10. Dullness of hearing has killed many believers before their time. A man who was not prayerful was going to travel but his wife was very prayerful. The wife told him not to embark on that journey because she felt very uncomfortable about it. She physically tried to stop the man from going but she did not succeed. Then she started praying. When the man got to the Airport, he was tired so he slept off. They announced his flight but he did not hear. By the time he woke up, he saw that the plane is already in the sky. He was so angry and fought everybody at the Airline for not alerting him by waking him up. He got home and also

fought his wife. Later, he learnt through the nine o'clock news cast that the plane had crashed. It was then he began to beg his wife to forgive him or displaying a rare sense of spiritual sensitivity and for saving his life.

11. **Praying with spiritual sensitivity means that you can recognize burdens on the heart.** The deeper our concentration, the more easily we can hear direct instructions from the Holy Ghost. This is why very sensitive assignments in the spirit realm are always given to serious-minded people. The Holy Spirit sharpens our sensitivity. The Holy Spirit being an intercessor Himself, knows how to intercede for us.
12. **Prayers made with dullness of the spirit can hardly get maximum results.** If a student is dull in class he cannot make progress in his academic life. The same thing applies in the school of prayer. If you are dull in the spirit realm, you cannot grow in your prayer life.
13. **Spiritual sensitivity is sharpened by night prayers.** When you are praying with spiritual sensitivity, you will be aware of when satanic activity is at its highest. You will be able to understand the situation of satanic manipulations around you when you are spiritually sensitive.
14. Spiritual sensitivity is the ability to receive messages from the Holy Spirit that would guard and guide you. The Holy Spirit is the spirit of the living God.

Whither shall I go from thy spirit? or whither shall I flee from thy presence? If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there. If I take the wings of the morning, and dwell in the uttermost parts of the sea; Psalm 139:7-9

As far as the Lord is concerned, both darkness and light are the same thing.

How do we get out of the cage of dullness of hearing?

1. **You must be a broken vessel.** Your yes must be your yes and your NO must be your NO and the Almighty will be able to trust you anywhere you are.

2. **You must be born again.** This is non-negotiable. There are many people who go to church yet they are very far from being born again.
3. **You must have a channel of divine communication.** The most important need of any serious child of God is to hear from God. The most important thing in any situation is, "Is there any word from the Lord?" It is when you begin to hear from the Lord, that your progress as a Christian and as a minister begins. A lot of people have to pray spiritual deafness out of their ears because the problem is not that God is not speaking. He is speaking, but we do not hear. The Bible says God is a great communicator. The fact that you do not hear God speak is a very bad signal showing that He is not happy with you in some areas.
4. **You must be one hundred percent obedient to the Lord.** You must follow any instruction God gives you to the letter. This is very important. When you are with the Lord, ninety nine percent obedience is disobedience. What God wants is total obedience.
5. **You must be filled with the Holy Ghost.** It is not only the baptism of the Holy Ghost that you need. You need to be filled with the Holy Ghost be in regular communion with the Holy Spirit.
6. **You must have a prayer and fasting voltage that is high.**
7. **You must repent from every known sin.** Every known sin will put dirt on your spiritual monitor, and you will not be able to see clearly.
8. **You must be Biblically literate.** You must know the word of God. You must be an addict of the Bible.

The Lord is not under any obligation to discuss with rebellious children. The fact that a believer could follow a stranger shows that he is not hearing from God. It means that out of the three main voices that speak to man, the voice of man, the voice of the devil and the voice of God, you cannot recognize any. I counsel that you should not get married until you can differentiate these voices, and you know which belongs to God.

All believers must have a way through which God talks to them. God can talk to you through your conscience. That conscience is the detective inside us that queries us when we do something wrong. That conscience is the voice of the Spirit. When you do something bad, your conscience will tell you that this is wrong. It is actually the voice of God. The reason why He is so silent in so many lives is because our lives are dirty. The deeper you are in God, the louder that voice of conscience becomes. When you get born again and the Holy Spirit comes into you, He will take charge of that voice and will be using it to talk to you. Everybody has the inner voice.

You must have one way through which God talks to you. God can talk to you through reference to passages in the Bible. God can talk to you through a burden in your heart. God can talk to you through impressions in your heart. God can talk to you through an inward witness. God can speak to you through an inner and outward voice.

The voice of God spoke to Saul asking him why he was persecuting Him. He heard it in his ears. God came into the tabernacle at night and called Samuel and he heard. Eli who was sleeping in that same tabernacle did not hear and Samuel thought the voice was loud enough for Eli to hear. He ran to Eli and asked if he was calling him but he said no. This incident took place three times and the third time, the Bible says Eli perceived that God was calling the boy. Eli had heard that voice before, but something had happened to him. The voice had been cut off from his ears. He had become dull of hearing. So he lectured Samuel on how he could hear from God from whom he himself did not hear anymore. This include shows that you can be a bus conductor in the spirit calling in passengers while remaining at the doorstep yourself. Beware!

God can talk to you through dreams. It is good for God to talk to you through dreams, but the trouble with the dream is that you have to fall asleep before you can have it. You can not have an emergency before you and say you have to fall asleep before hearing from God.

God can talk to you in open spiritual visions.

God can talk to you in formats that others would know that you have seen a trance or a vision. You must be able to have a method through which He can talk

to you. Get rid of dullness in the school of prayer today.

CHAPTER 4

THE MYSTERY OF SPIRITUAL ENLIGHTENMENT

The best that can happen to your life on this earth is for you to receive a revealed knowledge from God, the kind of knowledge your colleagues don't have, the kind of knowledge your competitors don't have and the kind of knowledge that when other people are crying and rolling on the ground, you will be smiling and laughing because you know that all will be well.

Matthew 13:11.

He answered and said unto them, because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given.

It is the mysteries in the above passage that we call revelation knowledge. Not everybody will have it. It is the knowledge given to you by the Holy Spirit which no other person knows about. Revelation knowledge is knowing what others do not know. It is knowledge from heaven that gives you courage to walk inside fire, like the three Hebrew children.

SEEING INTO THE FUTURE

Revelation knowledge is the seed of the future which God drops in your soul that is known to you alone. It is the knowledge that makes you sing praises when

others are crying. Revelation knowledge is that knowledge that gives you confidence when others are doubting. It is so paramount in your spirit that it makes you to know that you shall have the last laugh over every enemy.

The Bible talks about the secret of the Lord. That is what is known as revelation knowledge. It is information that allows you to work closely with God. It is to uncover and unveil God's mind to you. It is spiritual understanding, divine and spiritual education which is far above the human brain. It is having access to the mysteries of God. It is not what you learn from reading the Bible and not what you know with your five senses of seeing, hearing, smelling, tasting and touching.

DIVINE INFORMATION

It is information revealed to you by a divine information source. God knows all things and is willing to reveal to us everything we want to know. What makes the difference is spiritual maturity, which is not the ability to preach or speak. It is the ability to hear. The problem with many believers is that they don't know what is really affecting them. They cannot hear any information about the problems they have. But if you don't have accurate information, you cannot carry out accurate spiritual sharp shooting. The Bible says if you do not ask, you will not receive and if you ask amiss, you will not receive, too.

John 11:41-43.

Then they took away the stone from the place where the dead was laid. And Jesus lifted up his eyes, and said, Father, I thank thee that thou hast heard me. And I knew that thou hearest me always: but because of the people which stand by I said it, that they may believe that thou hast sent me. And when he thus had spoken, he cried with a loud voice, Lazarus, come forth.

Jesus offered praises by the graveside. When you are able to see what others cannot see, you won't be moved by the crisis that is threatening anyone else around you. You will start singing praises in the open grave while others are crying out their intestines. You will be praising God by the grave, because you are seeing a miracle while others are seeing a dead entity.

What you say in the front of an open grave is a reflection of who you see and what you know. Your reaction to the storms of life depends largely on what you see or whether you know the Master who can calm the storms of life. This knowledge that will make you start singing praises by the graveyard is what the Bible calls revelation knowledge. This was what happened when Elisha and his servant were surrounded by the Assyrian host who came to arrest them. The servant of Elisha panicked because he was seeing the crisis, but had no revelation knowledge to know the result. The servant panicked but Elisha was calm.

Elisha saw that the entire mountains were filled with horses and chariots of fire, so he had no cause to be afraid. He told his servant not to be afraid because "Those that are with us are more than those with them." By the time Elisha prayed and his servant's eyes were opened and he saw the chariots of heaven gathered round the mountain, his worry fizzles out.

REVELATION KNOWLEDGE

What was that information Elisha had that made him so confident when his servant was panicking? It is what the Bible calls revelation knowledge.

The same thing happened when Jesus wanted to cross to the other side in the boat. As far as He was concerned, He already saw Himself at the other side. The disciples saw something else entirely. They saw themselves being eaten up by fishes. Because of what they saw, they panicked. The respective reactions of Jesus and His disciples had to do with what they saw. Paul was in the ship and many fellow travelers had already thrown their entire luggage into the sea. The place was already very dark and they stopped eating. However, Paul was able to stand and told them that there was no problem. What Paul had was revelation knowledge.

There was a man. Anytime he slept, he usually dreamt of his mother attacking him. He thought that all his problems were from his mother and he took a very harsh and unreasonable decision: He quietly went to the room of his mother one night and strangled her to death, believing that once she was dead, his problems would be over. Two months later another woman in the next compound confessed to witchcraft. The first confession she made was that she

was the one in charge of the brother's case and that she was the one that was coming to him at night with the mother's face. For the first time, he knew the source of his problem. But he had killed his mother.

If you don't have revelation knowledge, you will make unpardonable mistakes and you can take decisions that will eventually destroy you. No matter what you are doing, whether it is business or anything, revelation knowledge from the Lord will take you to the top. It will make others run after you but will not catch up with you. It will give you ideas that no one else has even thought about.

HOW TO ACQUIRE REVELATION KNOWLEDGE

How do we go about getting this kind of knowledge?

1. You must fear God so that you will be able to receive the kind of knowledge that will move your life forward.
2. Ask God to take over your faculties. You can not do anything by your own initiative. It is only when the spirit of God incubates your brain that it becomes an instrument of heaven.
3. You must develop a teachable attitude. Revelation is given only to those with an attitude of humility. It is normally withheld from the arrogant and the proud. If you have promoted yourself above your own level, or you have overestimated yourself, you will not receive revelation knowledge.
4. Pray for spiritually open eyes.
5. Pray that God should show you the secret behind the problem you are facing. Pray enquiry prayers. Ask God to show you the solution to the problem you are facing.

Psalm 25:14

The secret of the LORD is with them that fear him; and he will shew them his covenant.

6. You need to pray to be cleansed by the blood of Jesus. If you want to receive divine revelation knowledge, you need to prepare yourself by repentance and cleansing of the heart. You need to pray that the blood of Jesus should cleanse your heart. Repent of all your sins and ask for the cleansing by the blood.

CHAPTER 5

DEVELOPING SPIRITUALITY

Genesis 13:10-11

And Lot lifted up his eyes, and beheld all the plain of Jordan, that it was well watered every where, before the LORD destroyed Sodom and Gomorrah, even as the garden of the LORD, like the land of Egypt, as thou comest unto Zoar. Then Lot chose him all the plain of Jordan; and Lot journeyed east: and they separated themselves the one from the other.

In the above passage, Lot made a choice that affected the totally of his destiny.

Deuteronomy 30:19

I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:

Death and life, blessing and curses are choices.

Joshua 24:15

And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve

the LORD.

Proverb 1:19

So are the ways of every one that is greedy of gain; which taketh away the life of the owners thereof.

You have an opportunity to choose either the fear of the Lord or you hate His knowledge.

1 Corinthian 6:12

All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any.

1 Corinthian 10:23

All things are lawful. for me, but all things are not expedient: all things are lawful for me, but all things edify not.

THE GIFT OF CHOICES

God has no policeman moving around, asking us to read our Bibles. He has no enforcer that will force you to go to church or pay your tithes. He has no policemen that will monitor you to ensure that you live a holy life. When He created man, He made him superior to all other creatures. He gave man the power and privilege of choice. He gave him the dangerous gift called choices. Up till now, the Lord respects that privilege of choice which he has given to us. He will not force us. With that privilege of choice, He has also given unto man the terrible responsibility of abiding by the result or the consequences of his choices.

FACTS ABOUT CHOICES

1. **Our choices affect more than ourselves.** The choices you make will affect the destiny of millions of other people. The choices you make can result in the destruction of those surrounding you. There is a mystery behind choices which we need to understand. The Bible says Moses

chose to suffer than to enjoy the palace of Pharaoh.

2. **Of all creation only man can say yes or no to God.** This is a great problem indeed. God spoke to the sea to raise trouble against Jonah, the sea obeyed. He spoke to the fish to swallow Jonah. It obeyed. But when God told Jonah to go to Nineveh, he said no. The amount of yes you say to God is the amount of progress your life will enjoy spiritually.
3. **Wrong choices can make the good to become the enemy of the best.** Once a wrong choice is made, you block your way from the good choice.
4. **Some choices are good, some are better, and some are the best.** I pray that in your life, you will always make the best choices, in the name of Jesus.
5. A good choice may not be God's choice and a good idea may not necessarily be God's idea.

A WRONG CHOICE

A woman chose to leave a church in anger because she claimed that the pastor was not anointed. She had to pray for about three years before her husband started following her to this church, then she decided to go to another church. The negative words she was speaking at home also made her husband to leave the church and decide not to go to any other church. One day, when the woman came back from work, she found that her husband was dead drunk. He had drunk until he could not stand up. This had been his problem before they started going to their former church. She was alarmed and now called the pastor of the old church she left and narrated the whole situation to him. The pastor told her that she should not bring her husband to him for prayers because she said he was not anointed. Two days later the husband was drunk again and picked up his gun, shot his wife and his three children. A wrong choice led to the elimination of the whole family. Of course, the government arrested the man and killed him.

6. Every choice you make, be it good or bad, has a consequence.
7. If you choose the beginning of a road, then you have chosen the place it

would lead to.

8. If you decide not to choose, you have still made a choice.
9. **Every short-sighted choice always results in disappointment.** When you choose because of today without thinking of the future, there is a problem awaiting you.
10. **You are who you are today because of the choices you made yesterday.** Your choices establish a pattern and a foundation for your life. Who we are tomorrow will be determined by the choices we make today. We need to be very careful. Happiness and sadness are choices. You could be friendly in an unfriendly environment. It is a choice. Changing is also a choice. The combination of your choices determines the choice of your destiny.
11. **As a person that God has created with a divine agenda, your choice would determine other people's destiny.** Nothing great was ever done without somebody taking a decision.
12. **There are three choices every young person must never get wrong.** If they get them wrong, they will become miserable old men or women. The first choice is the choice of your master. The second choice is the choice of your mission (on earth). The third choice is your marriage. Never get these choices wrong.
13. Anybody who has not learnt to say no will be a weak and wretched person as long as he or she lives.
14. **Choice is the strongest principle of growth.**

As a result of Lot's choice, he suffered sorrow and hardship and he lost all his wealth in the land of Sodom and Gommorah. His wife also became a pillar of salt. All these terrible things happened because of a choice he made one day.

One day, David chose to commit adultery with Bathsheba and the consequences of that choice resulted in his son's death, in his daughter being raped by her half-

brother, in his children killing themselves, in his son Absalom shaming him publicly by sleeping with his concubines, and in David losing the kingdom temporarily to Absalom. This is the power of choice. Many of us are suffering now because of the choice we made many years ago. The mystery of choices has destroyed so many destinies.

CHOICES AND INFLUENCE

Some choices which greatly affect our lives are highlighted below.

1. **Choosing whom to marry.** This will to a great extent determine your degree of greatness in life. It will have a permanent bearing on your children and their emotional well-being. The choice is irreversible.
2. **Choosing Jesus, You can choose to follow Jesus or not to follow Him.** The decision to follow Jesus would greatly affect your life. It is the most important decision you can make in life. Once you don't choose Jesus, you are already working in deficit.
3. **Choosing your friends.** Having close friends who are very prayerful can be a wonderful experience. The Bible says that wrong friends can be a curse. If your closest friends are deficits, you also would be a deficit. The Bible says if you walk with the wise, you will be wise; but if you work with the foolish, you will be foolish.
4. **Choosing a career.** Even from the worldly viewpoint, your choice of a career is important.
5. **Choosing the level of your spirituality.** Spirituality is no longer a luxury, but something you must engage in. All kinds of terrible and satanic revivals take place these days and you must grow.
6. **Choosing where to live. It was this choice that made Lot to make his mistake.** To him, it was a sound decision but it was a poor, moral decision. You should not base where to live on what you can afford because there are many modern-day Sodom and Gommorah.
7. **Choosing how to spend your time.** Time, they say is. not a friend of

anybody. I was taught a poem back in primary school which says, "Tick says the clock, tick, tick. What you have to do, do quick."

HOW TO MAKE WISE CHOICES

1. **Ask others for advice.** There is wisdom in seeking counsel of others who have gone before one. There are two great sources of advice for believers: the Bible and older, mature Christians. Don't hesitate to ask others what you don't know. Ask questions and don't keep quiet. A closed mouth is a closed destiny.
2. **Ask for divine wisdom before you engage in anything.** God promises to give wisdom to all those that ask. Fill your prayers with request for wisdom to make wise choices. Ask for revelation knowledge from the Almighty.
3. **Commit your choices to the Lord.** If you have already made wrong choices, you need to pray for God's help to treat the consequences of your choice. If you need to repent, you should repent. There are many choices which once you make are irreversible, such as marriage choice. You need to sit down and ask God for grace, mercy and power to help.

However, those choices you can make now do not stop you from the consequences of your action. There will still be consequences attached to that choice you have made.

14. I take the shield of faith to quench every fiery dart of the enemy, in the name of Jesus.
15. I run into the name of the Lord which is a strong tower and I am safe, in the name of Jesus.
16. Father Lord, always make me drink from Your everlasting well of joy, in the name of Jesus.
17. Thank God for the new spiritual height He has lifted you to, in the name of Jesus.

CHAPTER 6

PRAYER AND SPIRITUAL GOALS

Prayer is the key to the realm of victory when you are fighting the battles of life. Prayer is the only key that can give you victory and bring peace to a broken home. Prayer is the only key that will open gates to usher you into a realm of unprecedented breakthroughs.

Prayer is the key that will open a divine house where everything you need will be available for you. If prayer is so vital, why then do people refuse to get enrolled in the school of prayer?

It is because the devil is fighting against their prayer. If there is anything the devil is fighting in your life, it is your prayer life. One thing the devil cannot stand is a believer's prayer altar. Whatever takes away your prayer life has taken away your most potent weapon of fighting the devil.

The devil hates prayer for a number of reasons.

1. **Apart from the fact that he cannot pray, prayer inflicts serious injuries on him:** Prayer is a blow which makes the believer to bruise the head of the serpent. The more you pray, the more damage you will do the enemy.

"And I will put enmity between thee and the woman, and between thy

seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." Gen 3:15

2. **The devil cannot pray:** You must. recall the fact that satan fell from a great height and lost several privileges. He cannot pray, so each prayer effort made by a believer is a thorn in his flesh.
3. **The devil knows that prayer will take you to a realm where you will abide in Christ far above all powers and principalities.** The moment you become too hot for the devil to handle, the more you will be able to soar like an eagle to a realm where no evil can befall you.

"Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come:" Eph 1:21

4. **The devil does not want you to pray because it is only in the field of prayer that the. enemy's defeat will occur:** Prayer places the enemy under defeat

"And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen." Roman 16:20

Mark 9:17-29

"And one of the. multitude answered and said, Master, I have brought unto thee my son, which hath a dumb spirit; And wheresoever he taketh him, he teareth him: and he foameth, and gnasheth with his teeth, and pineth away: and I spake to thy disciples that they should cast him out; and they could not. He answereth him, and saith, O faithless generation, how long shall I be with you? how long shall I suffer you? bring him unto me. And they brought him unto him: and when he saw him, straightway the spirit tare him; and he fell on the ground, and wallowed foaming. And he asked his father, How long is it ago since this came unto him? And he said, Of a child. And oftentimes it hath cast him into the fire, and into the waters, to destroy him: but if thou canst do any thing, have compassion on us, and help us Jesus said unto him, If thou canst believe, all things are possible to him that believeth. And

straightway the father of the child cried out, and said with tears, Lord, I believe; help thou mine unbelief. When Jesus saw that the people came running together, he rebuked the foul spirit, saying unto him, Thou dumb and deaf spirit, I charge thee, come out of him, and enter no more into him. And the spirit cried, and rent him sore, and came out of him: and he was as one dead; insomuch that many said, He is dead. But Jesus took him by the hand, and lifted him up; and he arose. And when he was come into the house, his disciples asked him privately, Why could not we cast him out? And he said unto them, This kind can come forth by nothing, but by prayer and fasting."

Prayer is a singular weapon which you can make use of to win the battles of life. Life is a battle. The world is a battlefield. All those who want to succeed in life must enrol in the school of spiritual warfare.

There are situations in life that human intelligence and talent cannot handle. University professors, successful business men and women often come across situations that have completely perplex them. In my ministerial travels around the world, I have come across various weird situations, I have come across someone who has a combination of both male and female organs. I have seen important people in the society who are impotent. I have come across a woman with a talking pregnancy, I have seen a woman with overdue pregnancy. I have seen celebrities who can boast of a truckload of charms yet are swimming in the ocean of troubles.

Indeed, we live in a weird world. The truth is that survival is impossible without prayer. There are two realms in which we live:

1. The Physical
2. The Spiritual

There is no denying the fact that the spiritual rules the physical. It is not possible to graduate in the school of life without passing a compulsory course in the school of prayer. If you fail to experience mastery in the school of prayer, you have failed in the most vital area. One of the most amazing revelations is that we

spend over 90% of our time in the physical while the spiritual is left with 10%.

Think about being given a key that opens all doors, what will you do with that key? Prayer is the key that opens all doors, it is the one key that will work for you, the other keys will prove ineffective. It is a key that will open the door of sound health, prosperity, success, promotion, etc, when human beings deny your access.

11. I bulldoze my way into breakthroughs this month, in the name of Jesus.
12. Thank God for answering your prayers.

KNOWING THE SECRETS

INTRODUCTION

God says we should call on Him and He will answer us and show us great and mighty things which we did not know before. God's ways are higher than our ways and His thoughts higher than our thoughts. When we know the secret things of God, we become celebrities. We don't need to know everything. But only one secret will launch us into stardom. This book will open unto you the door of God's secrets.

CHAPTER 1

KNOWING THE SECRETS

Deuteronomy 29:29 says:

"The secret things belong unto the LORD our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law."

There are many things in this world, but there are some the Bible classified as secrets. Those secret things belong to the Lord Almighty.

Let us examine another Bible passage: John 18:37:

Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice.

In the Bible passage above, Pilate asked Jesus Christ a direct question. The best definition of destiny can be found in this Bible passage. Destiny has so many definitions and entails a lot of things.

What is destiny?

It means the divine knowledge about what you are placed on earth to do or to accomplish. When somebody has done something and you prefer that he has done

it is called destiny.

Destiny means your ordained contribution to the world. Every human being has been asked to make contributions on earth. Destiny is that one thing you must do. It means that you are born for just one purpose. That purpose is your destiny. Your destiny is God's agenda for you.

Psalm 31:15 says:

My times are in thy hand: deliver me from the hand of mine enemies, and from them that persecute me.

And Jeremiah 29:11 says:

For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

Destiny means finding your place in the world. The earth is like a market place where some people know what they want and some do not know what they want. So many people are completely confused. Some are being diverted by the enemy. They are distracted by all kinds of forces.

YOUR PLACE IN DESTINY

Destiny is where you fit in in the divine scheme of things on earth. It is the instruction that heaven has loaded into you and you must manifest on earth.

Rom 8:19 says:

For the earnest expectation of the creature waiteth for the manifestation of the sons of God.

1 Cor. 12:7:

But the manifestation of the Spirit is given to every man to profit withal.

Destiny is the divine prophetic agenda for your life. Every human being has a

divine prophetic agenda. This means the reason why you were born. It means God's purpose for your life. It is what has been written in the book of God for your life. The Bible says, "The Son of man goeth as it is written of him but woe unto him who betrays the Son of man."

Psalm 40:7 says:

Then said I, Lo, I come: in the volume of the book it is written of me.

Matthew 26:24:

The Son of man goeth as it is written of him: but woe unto that man by whom the Son of man is betrayed! it had been good for that man if he had not been born.

Mark 9:13:

But I say unto you, That Elias is indeed come, and they have done unto him whatsoever they listed, as it is written of him.

Mark 14:21:

The Son of man indeed goeth, as it is written of him: but woe to that man by whom the Son of man is betrayed! good were it for that man if he had never been born.

John 12:16:

These things understood not his disciples at the first: but when Jesus was glorified, then remembered they that these things were written of him, and that they had done these things unto him.

Acts 13:29:

And when they had fulfilled all that was written of him, they took him down from the tree, and laid him in a sepulchre.

Heb 10:7:

Then said I, Lo, I come (in the volume of the book it is written of

me,) to do thy will, O God.

Destiny is what God has in mind about your life. It is your divine road map.

Psalm 16:11:

*Thou wilt shew me the path of life: in thy presence is fulness of joy;
at thy right hand there are pleasures for evermore.*

Psalm 25:4-5:

*Shew me thy ways, O LORD; teach me thy paths. Lead me in thy
truth, and teach me: for thou art the God of my salvation; on thee
do I wait all the day.*

Exodus 33:18:

And he said, I beseech thee, shew me thy glory.

The greatest truth is that a lot of men and women are out of their divine destinies and positions. There is no kind of prayer you can pray for a monkey to survive in the water. There is no prayer you can pray for a fish to depart from the waters and survive on a tree. Once you are out of your divine destiny the enemy has every right to attack you.

A MYSTERY

The enemy has the right to deal with you and mess you up if you operate outside the divine script. The enemy has the right to turn your life upside down, irrespective of your career or profession if you are not working according to His divine will. When God does not say yes to what you are doing, that thing will not succeed. Many years ago, one sister came to me and said she wanted to get married. I asked if she had prayed. She said she had prayed and that there was peace in her heart. I asked her if she was really settled on the marriage, she said she was not really sure, that I should give her prayers.

The first day she said those prayers, the Lord revealed to her in the dream that intending bridegroom who was physically a very tall man was spiritually a dwarf

up to the point that she had to bend to hold his hands at the altar during their wedding. She told me the dream and I told her that the man was going to be a baby husband. I counselled her to pray again seriously before making up her mind to marry the man. I am not sure she listened to my counsel. Right now, the sister is left with just one eye because the husband had damaged the other eye while beating her.

THE CHART

When the Lord ordained a person to be a pastor and he is busy with the vocation of a distributor of soaps, banana and juice, and he wants to succeed, this will not be possible. Such a person will fail because he has not done what the Lord ordained for his destiny.

Ezekiel 7:19 says:

They shall cast their silver in the streets, and their gold shall be removed: their silver and their gold shall not be able to deliver them in the day of the wrath of the LORD: they shall not satisfy their souls, neither fill their bowels: because it is the stumblingblock of their iniquity.

Ezekiel 14:7 says:

For every one of the house of Israel, or of the stranger that sojourneth in Israel, which separateth himself from me, and setteth up his idols in his heart, and putteth the stumblingblock of his iniquity before his face, and cometh to a prophet to enquire of him concerning me; I the LORD will answer him by myself.

Many years ago, the vice principal of a school, who had a degree in education, started to borrow money from junior teachers before the end of the month. She got so confused. However, when she prayed desperately to God, the Lord revealed to her that she was going to succeed through planting and selling of vegetables. She followed the voice of the Lord and within a year, a woman who used to borrow money built two houses of her own. She succeeded because she had been correctly positioned in the realm of her divine destiny.

BLIND ALLEYS

When I was in England, a friend of mine begged me to accompany him to the airport to welcome his wife. I did and when we got to the airport, we waited for the aircraft to arrive. When it arrived, my friend brought out the picture of a woman. I asked him about the picture and he said it was his wife. I was so surprised that I asked him, "My friend, so you did not know her before?" He said was posted to him. In the end, we saw the lady. My friend jumped on her and took her home. He did not know her character.

Three months later, I went to my friend and met him crying and saying that he wanted to commit suicide. I asked why and he said the lady had run away with a German.

GOD KEEPS SECRETS

God is a secret keeper. He has secrets. When you have access to His secrets they will bring you uncommon success. God's ways are higher than our ways. His thoughts are higher than our thoughts. When you know the secrets of Him whose thoughts are very high, then you will get outstanding results.

God knows all things and is willing to reveal beneficial things to you.

Jeremiah 33:3 says:

Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.

Your placement in life depends on the amount of the secrets of God you know.

There are many divine mysteries and divine secrets. As far as the Bible is concerned, God prospers people through instructions. The more of His secrets you know, the more outstanding and resounding your success will be. It is the secrets of God that will make you to overcome all the obstacles of your life. God keeps secrets, especially when it defies human logic. He keeps secrets especially when He knows that they will be misused.

GOD REVEALS

God keeps secrets to draw you to Himself. He keeps secrets to help you be the head and not the tail. He keeps secrets and reveals them to His children so that they can prosper.

Daniel 2:22 says:

He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him.

The secret things belong to the Lord our God. But those things which are revealed are revealed to us and our children.

Deuteronomy 29:29 says:

The secret things belong unto the LORD our God: but those things which are revealed belong unto us and to our children for ever; that we may do all the words of this law.

When the secret of the Lord is in your bosom, His confidence comes into your life.

Job 29:4-6 says:

As I was in the days of my youth, when the secret of God was upon my tabernacle; When the Almighty was yet with me, when my children were about me; When I washed my steps with butter, and the rock poured me out rivers of oil.

DIVINE OPERATIONS

When you are operating, using the secrets of the Most High, faith comes to your life and you will never give up. You will refuse to be discouraged by any situation. Any obstacle the enemy places on your way will become a stepping-stone to success.

When you have access to the secrets of the Lord, your problems will have solutions. When you have access to the secrets of God, your destiny will explode. But here lies the problem. The Bible says, "Seek and ye shall find,

knock and the door shall be opened unto you, ask and it shall be given unto you" (Matt. 9:7). God's duty is to conceal. It is left for you to find out. When God declares you a man or woman of destiny, whose life should be a blessing to millions of people, but you discover that you are still struggling to be blessed, then something is wrong somewhere. You are yet to discover God's plan for your life.

DREAMS AND REVELATIONS

When you pray consistently and regularly and you have dreams and revelations of what is supposed to be happening in your life and these things are not happening, then there are some secrets you need to know. When you are supposed to be a goldmine but you can hardly put one and two together to succeed, then there is a secret you need to know. It is a tragedy when your enemy knows you but you do not know who you are. It is a tragedy when you are running away from an enemy who is supposed to be running away from you.

You need to pray to God to reveal His secrets to you. What are the divine secrets you need to know to move your life forward? In which areas should you concentrate?

SECRET KEYS

- 1. You need to know certain secrets concerning who you are. John was asked who he was.** He said he was the voice of him who was crying in the wilderness. Do you really know who you are?
- 2. You need to know your divine position.** You need to locate your divine position because ninety nine per cent of what it takes to succeed is correct positioning. You are here on earth for a divine agenda. You are created for a purpose and it is your responsibility to discover the responsibility which God has given to you. You must find out your placement in life. God has planted something in you to display and you must display it to the world. Every man who does not know his divine agenda will lose focus. Once focus is lost, the person will collect the salary advance of backwardness and failure. But the moment he or she discovers his or her appointed place, the destiny will explode. That is why the enemy tries everything to keep a man from his or her appointed

place. God called Abraham to arise and become the father of nations. Joseph was called to preserve the nations. Moses was called to deliver God's people from bondage. Paul was called to be a light to the Gentiles. What are you called to do?

3. **You need to know your horse of destiny.** The Bible says it is not good for the servant to ride on a horse while the prince is trekking.

Ecclesiastes 10:7 says:

I have seen servants upon horses, and princes walking as servants upon the earth.

You need to know the horse that will take you to your divine destiny.

PRAYER POINTS

1. Any power that has tied down my destiny, break loose from my life, in the name of Jesus.
2. Wherever the enemy have programmed into my star to destroy my destiny, O God, arise and manifest your power, in the name of Jesus.
3. Every witchcraft power, toying with my destiny, die, in the name of Jesus.
4. O God of Elijah, attack my Red Sea, in the name of Jesus.
5. My Father, reshuffle my environment to favour me, in the name of Jesus.
6. My Father, if I have been disconnected from the socket of my destiny, reconnect me by fire, in the name of Jesus.
7. My Father, whatever you have not positioned into my life, wipe them off, in the name of Jesus.
8. O God, arise and dismantle the poison in my foundation, in the name of Jesus.
9. Negative circumstances affecting my progress, bow, in the name of Jesus.
10. I curse the spirit of backwardness in my life, in the name of Jesus.
11. Every witchcraft register bearing my destiny, catch fire, in the name of Jesus.

12. Every power delaying the manifestation of my breakthrough, die, in the name of Jesus.
13. O God, arise and re-arrange my circumstances to bring me into glory, in the name of Jesus
14. Every proclamation of the powers of darkness against my life, die, in the name of Jesus.
15. O God, arise and package testimonies for me, in the name of Jesus.

CHAPTER 2

SECRETS YOU MUST KNOW

Victory is your inalienable right. Jesus has purchased your victory on the cross. You must possess your possessions. The following steps will make you victorious. They are secrets you must know.

1. **You must kill your doubt and exercise your faith:** Your reasoning and logic will in most cases feed your enemies and make them strong. In most cases too, faith is hindered by human logic and the way you reason. Your logic cannot help you and will always ask you: "Can God do this? How is this possible?" That is why sometimes, too much of academic logic causes trouble. You will always be tempted to examine everything academically.

Matthew 19:26 says:

But Jesus beheld them, and said unto them, with men this is impossible but with God all things are possible.

Jesus said unto him, if thou canst believe, all things are possible to him that believeth.

You therefore need to kill your logic and your doubt and exercise your faith. The Bible says, "All things are possible." Matthew 9:22 says: "But Jesus turned round and when he saw her, He said, Daughter be of good comfort. Thy faith hath made thee whole." And the woman was made whole from that hour. He said, "Thy faith hath made thee whole." So if your faith at this moment says that

you will see your Pharaoh no more, that faith will make sure you don't see him any more. If you have been having some recurring problems and your faith declares that the problems will be no more, it shall be so. That is what the Bible says.

Verse 29 of the same chapter says, "Then touched he their eyes saying, "According to your faith, be it unto you". And their eyes were opened." Jesus said and is still saying, "According to your faith."

When Jesus saw their faith, he said unto the sick of the palsy, son, thy sins be forgiven thee.

So Jesus saw the faith of the people that brought their sick friend. The man could not exercise any faith, but Jesus used the faith of his friends to heal him. So your faith can help somebody else.

In several places, Jesus told those He healed that their faith had made them whole.

Mark 5:24:

And he said unto her; Daughter; thy faith hath made thee whole.

Luke 7:50:

And he said to the woman, thy faith hath saved thee go in peace.

Luke 17:19:

And he said unto him, Arise, go thy way: thy faith hath made thee whole.

Luke 18:42:

And Jesus said unto him, receive thy sight; thy faith hath saved thee.

It is faith that accomplishes the impossible. Do you want the Lord to say, "You

shall see them no more?" Then kill your doubt and exercise your faith. The Bible says, "Call on the Lord and he will answer."

2. **You can pray for the anointing of the Holy Spirit:** Isaiah 10:27 says that the anointing will break the yoke of the enemy. When the anointing comes, all the yokes will be broken. A lame man was brought to a meeting and he was sitting in front and was praying for the anointing power of God to come down. When the mighty power of God came down on the congregation, this man fell flat on the ground, such that many people laughed at him. Some people went to him and were asking him to arise and walk, in Jesus name. They did not know that the man had already been healed. He only fell under the anointing power of God. Soon he jumped up and began to run. The anointing fell upon him and all his yokes fell off.

God said unto Moses that the Egyptians and the Pharaoh that he saw that day, he would see them no more. But note that the Bible says, "Without faith it is impossible to please God." I am yet to identify any kind of problem that God can not solve. There is no problem befalling you now that God cannot solve. If God could raise up the dead, then nothing else would be impossible for Him to do. We have a God who cannot fail. Now you have to say the following prayers with aggression.

PRAYER POINTS

1. Father Lord, choose me for special blessings today, in the name of Jesus.
2. God, have mercy on me today, in Jesus' name.
3. Father Lord, open the book of remembrance of my blessings and remember me for good today, in Jesus' name.
4. Father Lord, let every demon and evil spirit harassing me run out of their hiding places, in the name of Jesus.
5. I reject the spirit of the tail and I claim the spirit of the head, in the name of Jesus.
6. Father Lord, reorganise my life to confuse all enemies of my breakthroughs, in the name of Jesus.

7. I reject every spirit of the valley, in the name of Jesus.
8. You spirit of failure, my life is not your candidate, in the name of Jesus.

CHAPTER 3

YOUR MOUTH AND YOUR VICTORY

Spiritual warfare is not fought with carnal weapons. Its major weapon is prayer. Prayer is verbalising your way to victory. God has set you up as a soldier so that you can declare war against the enemy.

If you examine the wickedness of the enemy, you will become angry in your spirit and institute a serious verbal war against him. Unlike physical warfare, spiritual warfare is carried out with the mouth. You can speak destruction to the camp of the enemy with your mouth.

VENGEANCE AND JUDGEMENT

One duty you can carry out with your mouth is to declare war and execute judgement against your enemy.

Psalm 149:7-9 says:

To execute vengeance upon the heathen, and punishments upon the people; To bind their kings with chains, and their nobles with fitters of iron; To execute upon them the judgment written: this honour have all his saints. Praise ye the LORD.

You can deal with any power that has vowed to constitute itself as a satanic

roadblock between you and the fulfilment of your destiny. You should not allow such a power to rob you of your blessings. You can deal with any power that has vowed that as long as a roadblock is in place, you will not cross a particular line. For such a power, you must execute vengeance.

FETTERS OF IRON

You can bind the evil kings behind the roadblocks on the pathway of your destiny. You must also bind their nobles with fetters of iron. The fetters of iron are with you right now. We are not referring to a weapon that you must look for somewhere. The weapon is with you right now. The Bible tells us that God's children are given this privilege.

Psalm 149:9 says:

To execute upon them the judgment written: this honour have all his saints. Praise ye the LORD.

The weapon is more handy than what you could ever imagine. The greatest problem today is that many believers are yet to discover their weapons, not to talk of utilising them. Ignorance has remained the greatest reason that many believers are defeated on the field of battle.

LAZY SAINTS

Many Christians who should have been experts in spiritual warfare are busy running to prophets and going to mountains. Rather than use the weapon that God has made available, they are looking for someone who will ascend or descend on their behalf.

Romans 10:6-7 says:

But the righteousness which is of faith speaketh on this wise, Say not in thine heart, Who shall ascend into heaven? that is, to bring Christ down from above: Or; Who shall descend into the deep? that is, to bring up Christ again from the dead.

The Bible says that your mouth is your weapon of victory. When you open your

mouth with holy anger, the power behind your problems shall be disgraced and destroyed. No satanic roadblock can stand the power of verbal warfare. Through your mouth you can command every roadblock mounted by the enemy to be removed.

MOVE YOUR MOUNTAIN

A roadblock can be likened to a mountain. To deal with your mountain, you must follow the biblical guidelines concerning how to deal with a mountain.

Mark 11:22-24 says:

And Jesus answering saith unto them, Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

A roadblock stands in people's way just the same way a mountain stands between people and their breakthroughs. A mountain is a stumbling block. It is anything that hinders you from actualising your dreams. It is anything that makes it impossible for you to achieve your goals in life.

THE STUMBLING BLOCK

A mountain is any roadblock that blocks your way and makes the passage impossible. The Bible commands that you should say to the mountain: "Be removed." Satanic roadblocks need to be spoken to and commanded. Verbal warfare is real. You can command the stumbling block of offence to give way.

You can command the satanic stronghold which the enemy is using to block your way to be removed. It will not only be removed, it must be cast into the sea of forgetfulness. You can get angry in your spirit and teach the enemy a never-to-be-forgotten lesson.

When you command your stumbling blocks or mountains to be removed without dealing a final blow on them, the enemy can stage a comeback. You need to apply the two-edged sword of vengeance against the stumbling block of the enemy. You must use one stone to kill two birds. Your prayer command should be:

1. Be thou removed.
2. Be thou cast into the sea.

NO MORE AFFLICTIONS

Spiritual warfare is an interesting topic. You must not only scatter the enemies with your prayers. You can also issue a command saying, "no regrouping and no regathering." When you command that the mountain should be cast into the sea, you are preventing the enemy from staging a comeback. The Bible says, "Affliction shall not rise up the second time."

Nahum 1:9 says:

What do ye imagine against the LORD? he will make an utter end: affliction shall not rise up the second time.

THE ARROW OF DELIVERANCE

The key to your total victory is in your hands. God has placed the arrow of your total deliverance in your hands. The farther you shoot, the more pronounced your victory shall be.

You must learn how to pray sharp-shooting prayers. The enemy knows your strength and fire power. It is the desire of the enemy that you remain in ignorance. He also wants you to do nothing even when God has endowed you with uncommon authority and power over him.

THE DEMONIC PERSONALITY

A man of God once had a revelation that turned his life around. The Lord appeared to him and taught him deep lessons concerning the mysteries of

victory. The revelations were fantastic. The Lord spoke face to face with him. The pastor had unfettered access to the mysteries which were not expounded to anyone else.

As the pastor was enjoying the revelations, all of a sudden, a dark figure came between him and Jesus. The Lord was still teaching him deep things but he was no longer hearing as the demonic personality had mounted an evil roadblock.

The pastor became sad and was confused for several minutes. He wondered why the Lord did not deal with the evil personality or command it to be stricken by the thunder of God. He issued a prayer command and the evil personality fell down. Then he could see and hear from the Lord again.

The first question the pastor asked Jesus was: "Lord, why did You not deal with the evil personality for me?" The Lord gave him a thought-provoking answer: "Son, if you had not dealt with the evil personality, I would not have done anything. If you read my word it says: Behold I give unto you power (Luke 10:19). The authority is in your hands. You only need to use it." That is a great lesson.

Are there satanic roadblocks on your way. You must rise up gallantly as a soldier and command the fire of God to burn them to ashes. Enough is enough. Evil roadblocks must be dealt with. The prayers below will function as a bulldozer if you pray them aggressively.

PRAYER POINTS

1. Every problem that defies solution in my life, blood of Jesus, destroy them, in the name of Jesus.
2. Every power resisting the power of God in my life, I attack you with the thunder fire of God, in the name of Jesus.

CHAPTER 4

THE TONGUE OF FIRE

James 3:6 says:

And the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell.

The above Bible passage makes it clear that as small as your tongue is, it can shape your future.

Numbers 14:28 also says:

Say unto them, As truly as I live, saith the LORD, as ye have spoken in mine ears, so will I do to you.

Whatever you say with your mouth that you can have, you will have. Whatever you say shall one way or another return to you. Your destiny is settled by what you say. Whatever you say determines how far you go in life. Your mouth is the control room of your life. It is the pilot of your life's aircraft, therefore you cannot rise above what you say.

Isaiah 45:23 says:

I have sworn by myself the word is gone out of my mouth in righteousness, and shall not return, That unto me every knee shall

bow, every tongue shall swear.

WORDS!

Words always return to their speakers, but in some situations, they will not return until they do what you ask them to do. The words you speak are living things. They are messengers on specific assignments.

Psalm 107:20 says:

He sent his word, and healed them, and delivered them from their destructions.

Words can be sent on errands and they can return to their sender.

WHEN WORDS BOUNCE BACK

When do words return to the senders?

1. Words return when they are unable to achieve the purpose whether evil or good for which they were pronounced from the lips. The mouth is therefore a weapon of warfare. Luke 10:5-6 says:

And into whatsoever house ye enter, first say, Peace be to this house. And if the son of peace be there, your peace shall rest upon it: if not, it shall turn to you again.

Words are not the mere sounds you hear. They are born like babies and they become autonomous beings when they are born. John 6:63 says:

It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

Words are spirit beings. Every house that you see is an expression of he who inhabits it. Likewise you are an expression of what inhabits you. Prov 4:23 says:

Keep thy heart with all diligence; for out of it are the issues of life.

Just like the utterances of some words can bring light the utterances of some can bring darkness. Words are spirits and they are of different kinds. There are words of love, there are words of faith, there are words of fear, there are words of doubt, and there are words of lust. All of them are spirits.

EVIL ENTITIES

Just like the word of God brings life, the word of evil brings evil and evil entities bring death. When the spirit of God entered into the life of Ezekiel, it was as a result of hearing the word of God. This means that an evil spirit can gain entrance to your life through an evil word.

Verbal exchanges are active spiritual exchanges. Communication is an exchange of spirit between two parties. God spoke to Moses and there was a transaction of spirit. That spirit entered into Moses and the face of Moses started glowing with the glory of God. A new spirit entered into Moses through the words he was hearing. If Moses had been talking to satan, evil would have entered into his life. Luke 1:40 says:

And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost.

CANCEL CURSES

You need the hand of God that will cancel those curses you have uttered into your life. You need the hand of God to erase the curse inherited from the womb. When you quarrel with anyone, you are exchanging the spirit of quarrel because your words are trafficking spirits.

If a baby herbalist is quarrelling with a giant herbalist, the words of the giant herbalist will definitely have a more powerful effect over the words of the baby herbalist.

A SPIRITUAL TRANSACTION

SPIRITUAL TRANSACTION

Verbal exchanges between a pregnant woman and another woman could have an effect on the baby in the womb. The spiritual transaction can make the unborn baby to leap for joy. The words of the women would not return to them empty. If by chance somebody curses you and you are a spirit-filled child of God, the curse will have no effect on you, but if you are not a child of God, it will affect you. If you are a man of peace and somebody speaks peace into your life but at the time you are in a sinful disposition, the peace will have no landing place in your life. It will go back to the sender.

You need to pray the prayer of conversion of curses. Deuteronomy 23:5 says:

Nevertheless the LORD thy God would not hearken unto Balaam; but the LORD thy God turned the curse into a blessing unto thee, because the LORD thy God loved thee.

If you are a child of God and you love the Lord, and you take to heart the words of God you hear, if any evil power or witchcraft doctor places a curse on you, it will be converted to blessings. Because you have not received the curse, it goes back to the sender.

MULTIPLE CURSES

A lot of people multiply curses on themselves. They issue curses on people who are not qualified to accept curses and the curses go back to them. In that way they accumulate curses upon themselves. Bad words are not balloons that will float away. They are spiritual entities.

Many of the curses that people are seeking deliverance from now are not from other people. They are from the curses they issue everyday which come back to them.

Many prayer warriors who are not born again pray Holy Ghost fire against the enemy, whereas they are the enemies themselves. Have you been speaking or issuing curses on people? Have you been speaking malicious words against other people? Have you been calling people names? Unless you repent and break those curses, they shall return to you. Luke 6:38 says:

Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over; shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.

WORKS OF DARKNESS

The only thing God wants you to curse is the works of darkness and they will accept those divinely pronounced curses because they are evil. There is also nothing wrong if you curse evil plantations and foundational blockages. It is better to bless human beings than to curse, because if you bless them and they cannot receive the blessing, it will be the curse of evil to them, but your blessing will come back to you. But when you issue curses and the person does not receive them, they will come back to you.

WORDS ARE SPIRITS

Words are spirits and not mere sounds. Words go on assignments. They are spirit messengers. When they are dispatched, they carry out the assignments, whether good or bad, for which they were conceived in the womb of the heart and released through the mouth.

You have to be careful with the words you create today, whether good or bad, because if they don't fulfil the agenda, they come back to you.

Many have been cursing themselves for years. There is nothing like playful curses. If you call a child a bastard, he will soon behave like a bastard or the arrow of bastard will come back to you.

- You need to pray some prayers that will erase self-imposed curses.
- You need to pray repentance prayers concerning how you have misused your mouth.
- You need to pray curse-prevention prayers. If you release blessings, blessing will come to your life; if you release curses, curses will surely come into your life.

Being innocent does not save you from attacks. being ignorant will not save you from attacks. When you have been cursed from the womb and you accept such a curse, you need yoke-breaking prayers to deliver you from the curse.

Ask the Lord to forgive you and repent from your known sins so that God can heal, deliver and cure the curses of your life to loose their hold on your life.

PRAYER POINTS

1. Every secret curse issued against me while I was in the womb, break, in the name of Jesus.
2. Rivers of my life, be diverted from evil altars, in the name of Jesus.
3. Every conscious or unconscious self-imposed curse, break, in the name of Jesus.
4. Witchcraft curses, my life is not your candidate, backfire, in the name of Jesus.
5. Let my spiritual sight and eardrum receive healing, in Jesus' name.
6. I will not lose my calling, in the name of Jesus.
7. You the enemies of the gospel in my life, be paralysed, in the name of Jesus.
8. I reject every spiritual pollution, in the name of Jesus.
9. Lord, put into my hand the gift that will elevate my calling, in the name of Jesus.
10. Lord, let the anointing of the Holy Spirit break every yoke of backward movement in my life, in the name of Jesus.
11. I reject the spirit of the tail, I choose the spirit of the head, in the name of Jesus.
12. I reject any demonic limitation to my progress, in Jesus' name.
13. Lord, give unto me the key to good success, so that anywhere I go, the doors of good success will be opened unto me, in the name of Jesus.
14. Lord, let the anointing to excel in my spiritual and physical life fall on me, in the name of Jesus.
15. I reject the anointing of non-achievement in my handiwork, in the name of

Jesus.

16. Let all those circulating my name for evil be disgraced, in the name of Jesus.

CHAPTER 5

MEETING GOD IN YOUR DREAMS

And Jacob went out from Beer-Sheba, and went toward Haran. And he lighted upon a certain place, and tarried there all night, because the sun was set; and he took of the stones of that place, and put them for his pillows, and lay down in that place to sleep. And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it. And, behold, the LORD stood above it, and said, I am the LORD God of Abraham thy father; and the God of Isaac: the land whereon thou liest, to thee will I give it, and to thy seed; And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed. And, behold, I am with thee, and will keep thee in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of. Gen 28:10-15

The above Bible passage makes it clear that God can appear in your dream. And when God appears in your dream, your life changes forever. The Bible also tells us that God appeared to Jacob to reveal his destiny to him. The Bible says;

And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed. And, behold, I am with thee, and will keep thee in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of. Gen 28:14-15

God revealed what is going to happen to Jacob in his future to him in a dream in just one day. Another example of the revelation through dreams in the Bible is Joseph's experience. Joseph is a real dreamer. The Bible says;

And Jacob dwelt in the land wherein his father was a stranger, in the land of Canaan. These are the generations of Jacob. Joseph, being seventeen years old, was feeding the flock with his brethren; and the lad was with the sons of Bilhah, and with the sons of Zilpah, his father's wives: and Joseph brought unto his father their evil report. Now Israel loved Joseph more than all his children, because he was the son of his old age: and he made him a coat of many colours. And when his brethren saw that their father loved him more than all his brethren, they hated him, and could not speak peaceably unto him. And Joseph dreamed a dream, and he told it his brethren: and they hated him yet the more. And he said unto them, Hear, I pray you, this dream which I have dreamed: For, behold, we were binding sheaves in the field, and, lo, my sheaf arose, and also stood upright; and, behold, your sheaves stood round about, and made obeisance to my sheaf. And his brethren said to him, Shalt thou indeed reign over us? Or shalt thou indeed have dominion over us? And they hated him yet the more for his dreams, and for his words. And he dreamed yet another dream, and told it his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me. And he told it to his father, and to his brethren: and his father rebuked him, and said unto him, what is this dream that thou hast dreamed? Shall I and thy mother and thy brethren indeed come to bow down ourselves to thee to the earth? And his brethren envied him; but his father observed the saying. Gen 37:1-11

Joseph had a dream that revealed his future. God revealed to Joseph how he was going to prosper more than his brethren and the dream helped him as a guideline to his destiny.

Joseph the father of Jesus Christ had a dream that saved him from a lot of problems and trouble.

The Bible says;

But while he thought on these things, behold, the angel of the Lord appeared unto him in a dream, saying, Joseph, thou son of David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Ghost. And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins. Matt 1:20-21

God revealed to Joseph how the baby was going to escape from danger and God also instructed him on how to save the baby.

In the book of Acts 2:17, the Bible says;

And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: Acts 2:17

The Bible passage makes it clear that there are Holy Ghost inspired dreams. By the time a person is sixty years old, the person had spent about twenty years sleeping. We spend one-third of our lives sleeping. If you are thirty years old that means you have spent about 10 years of your life sleeping. Dreams come when you sleep. Those dreams that come into your sleep for one third of your years on earth must be taken seriously.

In the dream, your spiritual life is being displayed to you. In your dreams, everything that is in the spirit realm is being revealed to you. Even if you don't understand the dream, it is still giving you information. A dream is an important compass for your destiny. The revelation knowledge that you need to overcome

your problems is made available in the dream.

In your dream, your spiritual life is exposed and you can see into the spirit realm. That is why it is very bad if you don't dream at all. If you don't dream, it is a problem. Indeed, if you don't dream, it means that the enemy has removed your spiritual monitors. The enemy does not want you to know your destiny if your spiritual monitor is removed. When your spiritual monitor is removed, then you are spiritually dead.

The world as it is today is what dreamers have made it. Those who dream that the world should be like this made the world like this. In fact, the world is controlled by dreamers.

I came from a poor family but I used to dream of seeing myself in the classroom of white people. And in the village where I grew up, there were no nursery schools. The first time I saw a white man in my village was when they came to repair a bridge. But then, I never knew that God was showing me my future until I went abroad for my doctorate degree.

If you key into the dreams which God revealed to you in your sleep, you will never have problems making it in life. Your dreams could save you from death. Your dream could also save you from disaster.

Sometimes when you read for an examination, God always revealed the questions that will come out but if you are not the type that remembers and observes on time, you will not know that the questions God revealed to you are the exact questions that will come out in your question papers.

You can meet God in your dream. The dream of Joseph took him from the prison to the palace. Even when he was put in the pit, he knew that was not his destiny. When he was in Portiphar's house, he knew also that his destiny would not stop there.

Every man or woman who wanted uncommon success must have his own Joseph's dream. Your Joseph's dream is the heavenly picture about your life that God is showing you. You need to begin to see into your future. Your Joseph's

dream shows you what you ought to be. Your Joseph's dream is a recorded video film of your correct life in the spirit. Your Joseph's dream is your divine destination on earth.

Your Joseph's dream will show you what God wants you to become and what you should become. Your Joseph's dream has nothing to do with your family background. The dream of Joseph promoted him. In these last days, God will be giving His people inspired dreams.

There are various kinds of dreams you can have.

1. You can have dreams that will warn you.
2. You can have dreams that will give you information.
3. You can have dreams that will transform you.
4. You can have dreams that will catapult your destiny.
5. You can also have dreams that will waste you.

A dream can be divine, a dream can be satanic. Unfortunately, ninety percent of the dreams that you have are satanic and bad dreams. If you do not cancel the satanic dreams sometimes, the divine dreams will not come.

I remember when I was in the University, there was this tough course called Organic Chemistry. This course is so voluminous that I had two notebooks for one course. The first notebook was filled and the second notebook was half-filled. Somehow someone stole the first notebook and I was left with the second notebook. That day, I felt dejected and I kept on wondering how I would read for the examinations.

Fortunately, when I slept, the Lord revealed to me that all I needed to read was the second half-filled notebook. So when I woke up, I read the second notebook and on the examination day, not a single question was taken from the notebook that was asked. That was how God showed me the question in my dream and I had distinction in that course.

There was a time, I got a scholarship to study abroad for 36 months or three years. The course I went for was not just Molecular Biology, it was Biology at

molecular level which is very hard. I was the only black man in that class for the course. Normally, this course was supposed to be taken for four to five years. But I did it in three years.

For three years, I had just one day holiday. After two years, my supervisor called me and advised me to go home and visit my parents. When I got home, I prayed and the Lord revealed to me in the dream that I was at the Muritala Mohammed Airport, Lagos Nigeria and my flight was called but before I could get there, the plane had gone. So when I woke up and I went to school, I told my supervisor that I do not want to go home like he advised.

Later when people travelled home on holidays, there was a coup and the airport was shut down for two months. That was how some people could not go back to the U.K. The Lord revealed to me in my dreams that I should not go. If I had gone, I would not be able to complete my course because I knew the family which I came from and I knew where I was going.

Dreams can prevent you from making a big mistake. If you key into a divine revelation given to you. When I got my scholarship, I had a dream that one of my cotenants where I lived took my passport and was urinating on it. So when I got the visa and ticket, I did not tell anybody until the day I was going. When I told them, they were surprised. They were also amazed at the way I dressed and the bag I carried. I decided to go without any one escorting me because I had already dreamt of what would happen if anyone does so.

You have to get to a level where you encounter God in your dream.

Why does God use dreams to communicate?

1. **Most people live a very noisy life:** Everywhere is full of noise: at the bus stop, in your work place and even when you are coming back. The only quiet time is when you sleep and God uses that opportunity to communicate.
2. **When you are asleep:** Sleep is second to death. When you are asleep, your mind cannot battle God again. When you are asleep, the spiritual realm will be revealed to you and God can caution and also instruct

you. When you start with dreams, it will lead to vision. God will show you deep things when you are sleeping.

But there are some conditions. For God to appear in your dream, you must:

1. **Become God's friend:** Daniel was a friend of God. Moses was a friend of God. Joseph was a friend of God. You must become God's friend like Enoch. Enoch was so close to God that God took him away and He did not allow Enoch to die. It is a tragedy to become a friend of the devil because the devil is out to destroy. When God is your friend, He will come and talk to you regularly.
2. **Deal with your thought life.** You must deal with your dirty and stinking thoughts.
3. **Clear away excess baggage of sins.** It is difficult sometimes but you must clear it away for the sake of your destiny.
4. **Ask God for a divine dream.** Once you have encountered God and He has spoken to you, no human being can oppose you unless that person wants to die.
5. **You must kill your bad dreams.** You must kill them. What normally brings bad dreams is sin. So you must cancel all your bad dreams. If you have sex in the dream, it is a bad dream because sex is made for physical life and not for dreams.

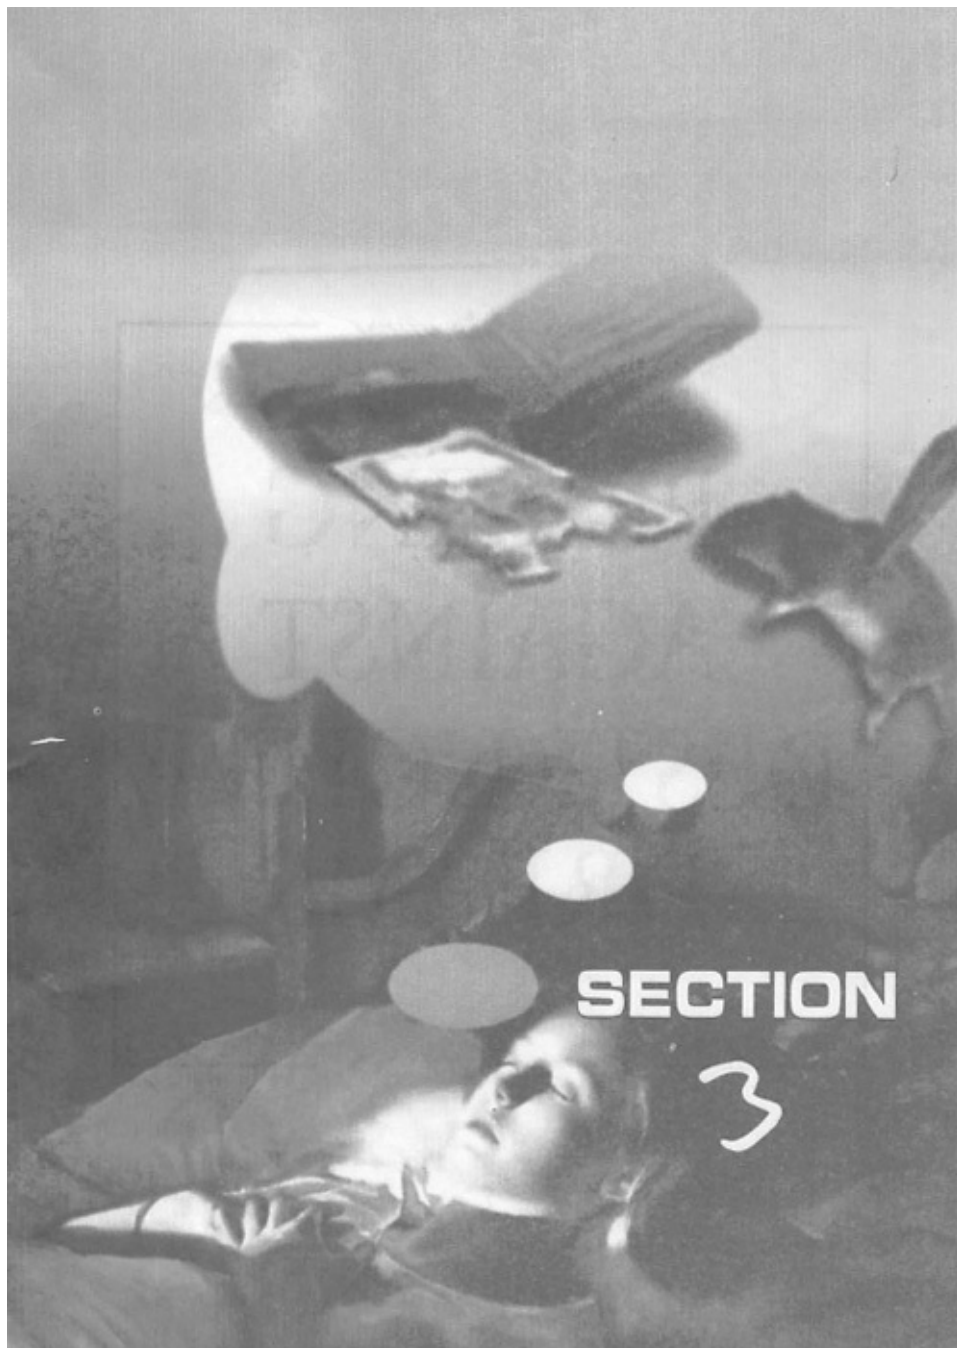

If you constantly eat in the dream, it is a bad sign, you must cancel that dream. When you see yourself being bitten by animals in your dreams, then your enemies are against you. Any dream of a serpent is a bad dream. Deal with such dreams thoroughly.

The last step towards meeting God in your dream is to kill the bad dreams. Life is like a container, what you fill inside it, determines the destiny. Make use of good dreams today. Kill bad dreams. Re-invent your destiny through dreams.

PRAYER POINTS.

PRAYER POINTS:

1. Enemies of my Joseph's dream, die, in the name of Jesus.
2. Anti-progress dream, die, in the name of Jesus.
3. O God arise, appear in my dreams, in the name of Jesus.
4. Every power that wants me to suffer what my parents suffered, die, in the name of Jesus.
5. I fire back every arrow fired into my brains, in the name of Jesus.

**PRAYING AGAINST
DESTRUCTIVE DREAMS**

INTRODUCTION

Many of the things people are going through were planted in their lives years back in dream. These are destructive dreams. Many of the sicknesses troubling people today were planted in their lives through dreams. The enemy can also introduce automatic failure mechanism into people's lives through these kinds of dreams.

This book will teach you how to confront and dismantle these powers.

CHAPTER 1

PRAYING AGAINST DESTRUCTIVE DREAMS

Let us start with some Scriptures. The first one is the popular Matthew 13:25 which says, "But while men slept, his enemy came sowed tares among the wheat, and went his way." Why did the enemy choose the hour of sleep? Because that is the hour when people are least alert, and at that hour, which is usually at night, a lot of evil activities take place.

The devil did an evil plantation and went his way. Many of the things that we battle now are things the enemy planted years ago and went away. Notice that he did not wait to water what he planted. He is a bad farmer who plants seeds and immediately the condition of the victim's life makes it suitable for the seeds that will grow.

Another Scripture is Job 33:13-18: "

Why dost thou strive against him? For he giveth not account of any of his matter. For God speaketh once, yea twice, yet man perceiveth it not. (Because man cannot perceive after God has spoken once or twice, what does He do?) In a dream, in a vision of the night, when deep sleep falleth upon men, in slumbering upon the bed; then he openeth the ears of men, and sealeth their instruction. That he may withdraw man from his purpose, and hide pride from man. He

keepeth back his soul from the pit, and his life from perishing by the sword."

These things can happen in the dream. Your ears can be opened for divine instructions.

There may be a decision you want to take and God may say, "Do not take that decision," to keep your soul from perishing in the pit. Again you can see the terrible nature of ignorance. A brother had a dream in which someone injected him with a needle/syringe. When he woke up, he felt a slight pain in his leg and just rubbed the leg with his hand and went his way. After a few weeks, he became very ill. By the time a test was carried out, it was revealed that he had HIV. With a little bit of knowledge, he would have saved himself from problem.

Note these important statements:

1. The realm of dream is as important as the physical realm.
2. Dreams are means of communication. As you are dreaming, you are also a product of your dream.
3. It is dangerous to ignore your dreams, because they are monitors showing you what is going on in your spiritual life.
4. Your dreams never lie. You may not understand what they mean, but they will not tell you lies.
5. Your dreams can reveal your past and your future.
6. Your dreams can reveal to you your enemies that are gathered against you.
7. Every dream contains a message although you may not understand it.

The points above are reasons satan is very interested in influencing our dreams and why he attacks people in the dream. He also inflicts failure in the dream and introduces what we call automatic failure mechanism into people's dreams. He sometimes transforms into an angel of light to deceive people in their dreams. So no matter what happens, every dream has a message for you. A dream may look disorganized or appear as nonsense, but it has a message. God uses dreams as a way of saving His people from danger and as a way of revealing to His people the enemy that they are facing. The enemy knows that once he can influence

your dreams, he can influence so many things in your life.

Many years ago, I spent sometime praying for a sister. As she got home on the first day of the prayer, she had a dream in which she found herself in front of a mighty king sitting on a giant throne. The king said to her, "You, who asked you to go to that church for prayer? Who asked you to go and see that man? If you go there again, I will bury your glory. Don't you know that you are a queen?" That was the first time she had that kind of dream. The king further told her that to show her that she belonged to the satanic kingdom they were going to wipe off her dream memory. From that day, she was no longer able to remember her dreams and the enemy was now able to deal with her terribly. I want you to understand that the evil seeds the enemies plant in the dream could sometimes take 20, 10, 5, .3 or 2 years to manifest. As a child of God, if you do not arrest and destroy those seeds, the fault is yours.

There are people who do not dream at all. They have to pray deliverance prayers to deliver their dream lives. Because if the enemy wants to destroy them, they will not know and if God wants to bless them, they will not know.

There are different classes of dreamers:

1. **In the first class are those whose dreams are erased:** They dream, but when they wake up from sleep they cannot remember the dreams.
2. **The meaningless dreamers:** Those whose dreams seem to be meaningless.
3. **The vagabond dreamers:** Today they see themselves in Sokoto, tomorrow in London, etc. They are just roaming in the spirit.
4. **The occultic dreamers:** These are people who are always meeting strange and dangerous figures.
5. **The dream dreamers:** The strength of the enemy is so great on these people that even when they sleep, they will be dreaming inside their dreams.
6. **The troubled dreamers:** They are always in trouble in the dream, either being chased by masquerades or by animals.
7. **The reverse dreamers:** If they dream that somebody was giving them money it means that somebody will steal their money. Anything they see, it

is the opposite that will happen.

8. **Those who have nightmares.** These set of people are always having frightening and terrifying dreams.
9. **The prophetic dreamers:** I pray that this will be your lot, in Jesus' name.
10. **The manipulated dreamers:** These are the types of dreamers who see their enemy as their friend and their friend as their enemy.
11. **The oppression dreamers:** This means that the dreamer is always oppressed. He wakes up and would not want to sleep again.
12. **The night visioner.**
13. **Witchcraft dreamers:** These are always at a meeting with strange people and doing strange things.
14. **The sleep walkers:** They wake up, walk about and go back to sleep and will think it is a dream.
15. **The constant evil result dreamers:** Anytime they say they have a dream, you can be 100 per cent sure that the dream is bad and the result will be terrible.
16. **The instant manifestation dreamers:** Anytime they dream, the event will immediately come to pass.
17. **The permanent dreamers:** Whenever they sleep or doze off, even in a bus, they will dream. If they sit on a chair, they will dream.
18. **The open-eyed dreamers:** This category of people dream even while their eyes are wide open.
19. **The moon dreamers:** Anytime there is full moon they ascend into the land of dreams.

Whatever dream you have is influenced by certain factors. I want you to understand these factors.

1. **The first thing that has a terrible influence on your dream life is how much of flesh controls your life.** The more your life is under the control of the flesh, the more terrible your dream will be.
2. **Your level of purity:** If you live a holy life there are certain dreams you will not be having. But if you live a dirty life, you will be having negative dreams on regular basis.

3. **The kind of company you keep, your kind of friends:** These will determine the type of people that will people your dream.
4. **Your foundation or your background:** Of course if you come from the foundation of idolatry or ancestral worship, most of your dreams will along these areas, and will be dominated by ancestral powers.
5. **Being under any curse or evil covenant:** If you are labouring under any curse or evil covenant, your dream life will be troubled and strange.
6. **The kind of enemy you have:** If you have a Pharaoh kind of enemy who does not want to let God's people go, know for sure that you will be running helter-skelter in the dream.
7. **The level of the word of God in you:** It is a day of tragedy when you are confronted with evil in your dream and you cannot quote the word of God against your adversary.
8. **What you eat and drink:** Certainly if you drink a little bit of alcohol and you are hiding it, spirit wife or spirit husband will wait for you to get drunk and will deal with you.
9. **Environmental factors:** There are cursed houses or houses with evil foundation. No one has good dreams in such houses; it will always be very terrible dreams.

I remember that as young Christians, we were asked to go and pray for an old widow in her house. I had never entered that kind of house. It was as if every prayer we prayed bounced back upon our heads. We sang praise songs and our voices went off. We tried to shout, but something was pushing our voices down. I was surprised. Although we were quite young then, we had prayed elsewhere but that was the first time we noticed that kind of thing. I then asked the Holy Spirit what the matter was and He said, "Look up"! As I looked up, I saw a dried vulture hung right there at the centre of the ceiling as a decoration, and the Holy Spirit said, 'Look at it, unless it is removed, there will be oppression in this place.' So, if you live in that kind of house, your dream life will be affected.

10. **Evil cultural practices:** There are some cultural practices that can affect our dream life.
11. **Your past sexual associates:** A demonic girlfriend or boyfriend you left 20 or 15 years ago may have an effect on your dream life. If you slept with an occult person, it will have an effect on your dream life.

12. **Past involvement in the occult.**
13. **The level of parental spirituality:** If you come from a home where the parents are very prayerful, their prayers have a protective or shielding power and can affect your dream life positively.
14. **Sickness and illness:** If you are sick, it will affect your dreams.
15. **The level of satanic oppression:** The kind of dream that somebody who is being oppressed by three enemies has will be different from that which somebody who is being oppressed by 20 to 25 enemies will have.
16. **Having incisions on your body:** If you have incisions on your body, they will affect your dream life.
17. **Worry and anxiety:** If you are always worried, anxious or tensed up, your dreams will reflect this.
18. **Level of deliverance:** If your deliverance is not complete, the enemy will use the areas that are left as a regular ladder to come in and torment you.
19. **Sleep disturbances:** If your sleep is always disturbed, of course, it will affect your dream life. Only very few people have the capacity to continue a dream after somebody wakes them up and they go back to sleep.
20. **Your position in God's agenda:** This will, to a large extent, affect your dream life.
21. **Your level of brokenness:** If you are a broken Christian, completely sold out to the Lord, there are many negative things that will not be part of your dream at all.
22. **The power of the strongman behind your problem:** If there is a very powerful strongman pursuing you, you will see the effect in your dreams.
23. **Looseness with the opposite sex:** This can give spirit spouses access to your spiritual, hence your dream life.
24. **The level of anointing of God upon your life.**

What are destructive dreams, the kind of dreams you should never ignore or joke with? I want to go give you very few examples. What I am going to say now may be what has happened to you in the past. The interesting fact about them is that you can prayerfully reverse them and deal with them. You can also

prayerfully fast forward and deal with similar things that may happen in the future. It is only in the spiritual world that it is possible to do this.

I remember a sister who observed that up to the age of 38 years nobody had talked to her about marriage. So she started to pray. The first night she had a dream. The Lord took her back to when she was 15 years old. She recalled the dream and dealt with it and thereafter she had an open door. The principle of the Bible is very clear: "Whosoever asks shall receive; whosoever knocks, the door shall be opened unto him. If you do not ask, God will just be looking at you. Ignorance is not an excuse. Ignorance destroys with terrible effect.

I shared this before. When I was in the United States of America, a Nigerian woman had a dream that a white woman came into her living room and said to her, "Go and bring your wedding gown and your wedding ring." She went in and brought them and gave them to the white woman. When she woke up, she told her husband about the dream and he said, "Do not worry, it is one of those things." If she had a little bit of knowledge she would have said, "Lord, last night, I had a dream: a white woman came here and asked for my wedding gown and wedding ring and I gave them to her. Lord, right now, I arrest that woman and I repossess my wedding gown and wedding ring. I cancel every power working against my marriage, in the name of Jesus." With this simple, two-minute prayer, she would have cancelled that dream, but because of her ignorance, she did not do that. Within six months, she was back in Nigeria. A white woman had taken over her marriage. What her husband said that she should not worry about eventually happened.

WHAT ARE THE KINDS OF DESTRUCTIVE DREAMS THAT WE SHOULD NOT JOKE WITH?

1. **Sex in the dreams:** Do not joke with this at all. It is a destructive dream. Immediately you find it happening regularly, you should quickly take serious action.
2. **Eating in the dream:** Such food will cause problems for you in the physical.
3. **Being shot in the dream:** This means there are some spiritual assassins looking for you. You should arrest them or ask them to turn their guns on

themselves.

4. **Attack by animals:** When an animal watches you and attacks you, it is a destructive dream. The person may not even wake up alive to recount or recall the dream.
5. **Losing your Bible in the dream:** You are asked to minister and you cannot find your Bible. Or someone says, "Open to the book of Matthew," and you looked for your Bible and could not find it until you woke up. The enemy wants you to backslide and if you do not fight back on time, he will take away that Bible from your hand. Let me tell you something, a person could be born again for 25 years, but it would not take the devil a minute to get rid of him if he is not careful.
6. **Seeing corpses, dead relatives or dead people:** This is a destructive dream. Your spirit man is trying to tell you that you are already being counted amongst the dead. You should fight back because the Bible says the living have nothing to do with the dead.
7. **Going back to a former school or a former house or taking again an examinations that you have already passed:** These are dreams of retrogression. The enemy wants to take you back either to Egypt or from prosperity to poverty.
8. **Walking bare-foot:** This means acidic poverty. It also means that the enemy wants to destroy your marriage.
9. **Driving, walking or climbing without getting to the destination:** This shows that the enemy wants you to engage in profitless hardwork.
10. **If you find yourself locked up and there is no way out.** The enemy is trying to cage you and stop helpers from locating you.
11. **If you see yourself wearing a black cap, a black hat or scarf or a black headgear.** This means there is a demonic authority over your life. You should not joke with this at all.
12. **Being naked in the dream:** This means the enemy wants to fire the arrow of shame at you. You should not allow this to happen.
13. **Wearing rags:** This means chronic poverty.
14. **Seeing yourself aimlessly visiting a market:** A market is the final destination of mad people in our environment. Once a mad man gets to the market there is serious trouble. You should not joke with this kind of dream at all.

15. **If you see yourself carrying on your head a load you do not understand or a load which you do not know its content:** Do not joke with this at all, it is a destructive dream.
16. **When you see somebody playing with your hair or cutting it off, or you notice that it has been shaved or that you have gone bald.** Do not joke with this kind of dream at all.
17. **When you find yourself swimming:** If in real life you cannot swim, and you find yourself swimming in the dream, this means your life is under the control of marine powers.
18. **Working as a slave in a farm or as a house help:** This means the enemy wants to demote to the lowest level in life.

WHAT IS OUR PROTECTION AGAINST DESTRUCTIVE DREAMS?

1. We need to constantly draw a circle of the blood of Jesus around our lives.
2. Cancel what should be cancelled and reverse what should be reversed. You have the opportunity to do so now. One beautiful thing about God is this: Sometimes He gives you an opportunity to reverse a particular thing or situation. It is for you to quickly take advantage of the opportunity. Sometimes He may even allow evil to happen but if you appeal to Him, He can say, "Okay, that is what I said before but because of what you did now, I will not do it again."

Prophet Elijah issued a prophecy against Ahab, it was a terrible prophecy. When Ahab heard it, he shivered, and on getting home, he broke down, put on a sackcloth, poured ashes on his body and wept. And God said to Elijah, "Go back and tell him that because of his repentance, what I said would happen will still happen, but not in his days. It will happen after his days."

Beloved, there is a reason we are looking at these things. There are still many things the Lord would like to do for us this year, but spiritual alertness is necessary. You need to know where you are and you need to know how to pray. Everyone needs to pray very seriously to reverse what the devil has sown. The Bible says, "While men slept his enemy came and sowed tares and went his way." We should pray concerning the bad seed of the enemy, because if they are

not removed, many people will suffer from the cradle to the grave, not knowing that they are just fighting with plantations that can be removed with simple commands. Many of the sicknesses that trouble some people were planted in the victim's lives while they were asleep.

ENCOUNTER WITH CHRIST

If you have not yet surrendered your life to Jesus, the enemy will have a field day with your life in the dream. He can paralyze, he can maim and he can steal from you. He can turn your life upside down. He can dip his hand into your body and remove any organ. He can cage your life.

If you want to surrender your life to Jesus, make this positive confession. Say: "Father, in the name of Jesus, I come before you now. I confess that I am a sinner. Lord, forgive me and cleanse me with your blood. Lord Jesus, come into my life, take control of my life, in Jesus name."

When you are saying the prayers that follow, and you feel like rain is pouring on your head or if you start feeling dizzy, do not worry. The important thing is that everything that the Father has not planted in your life shall be rooted out and thrown into the fire. Since the Father did not plant it, it is qualified for the fire.

PRAYER POINTS

1. Every seed of darkness planted in my life in the dream, die, in the name of Jesus.
2. Every satanic dream I had in my past that is now affecting my future, die, in the name of Jesus.
3. Every power hunting for my star in the dream, what are you waiting for, die, in the name of Jesus.
4. Every arrow of death fired against me in my dream, backfire, in the name of Jesus.
5. (***Lay your right hand upon your head***). Every dream sponsored by witchcraft powers, die, in the name of Jesus.
6. Every strongman delegated to my dream, hear the word of the Lord: Appear

now and kill yourself, in the name of Jesus.

7. O you Earth, hear the word of the Lord: open up and swallow every strongman afflicting my destiny, in the name of Jesus.
8. All evil dreams against my destiny, be reversed, in Jesus' name.
9. Thank the Lord for He has done it, in Jesus' name.

CHAPTER 2

NULLIFYING DESTRUCTIVE DREAMS

In Job 33:14-18,

"For God speaketh once, yea twice, yet man perceiveth it not. In a dream, in a vision of the night, when deep sleep falleth upon men in slumberings upon the bed. Then He openeth the ears of man, and sealeth their instruction that He may withdraw man from his purpose, and hide pride from man. He keepeth back his soul from the pit, and his life from perishing by the sword."

The greatest danger a man faces spiritually happens during his sleep. The bible says in Matthew 13:25 that, "while men slept his enemies came." Every normal person have one form of dream or the other and these dreams are important to his or her life. A lot of havoc have been done by the enemies through dreams. Many medically incurable diseases have been deposited through dreams. Many have been initiated into all kinds of terrible things through dreams. It is a serious matter when a person cannot recollect his or her dream. It is even worse if the person cannot recall his dreams. God gives messages through those dreams and if you miss them, the enemies' presence and activities would be hidden. So forgetting dreams on a regular basis is a very serious spiritual disease. And many terrible defeats happen when someone forgets his dreams. Dreams are occurrences in the spiritual that we see its manifestations in the physical realm and we wonder what has gone wrong.

A sister had a dream that somebody woke her up and this person undressed and began to defecate on her head and it was one week to her wedding. The second day, the family of the groom came to the house, and said, "The marriage is cancelled; we are no longer interested again." They said, "we have gone to find out somewhere and they told us that if our son marries your daughter, he would never prosper." That was how this unfortunate event was initiated by evil dreams and it resulted in cancellation of a marriage.

The enemy has therefore used dreams to confuse and to terrorize people particularly dreams about marriage, business, financial matters, spirit duties etc. But there is a class of dreams that are known as destructive dreams, if you don't know how to nullify them or how to command them to evaporate from your spirit before they begin to crystallise or manifest, it is a serious matter indeed and this is why you have to take this information very serious.

DREAMS YOU SHOULD NOT JOKE WITH

- 1. Dreams of self-duplication:** If you have a dream and you see someone looking exactly like you, that is a replica of yourself, stealing your virtues and carting away good things from your life; this is a destructive dream.
- 2. Violent sex with pains on waking up and you know that you have been violated.** If you wake up from having a dream and physically find the semen on your body, it is a destructive dream. It is the work of spiritual armed robbers to defile, to pollute and to manipulate you. This is an evidence of terrible spirit wife or husband. Those who have this kind of dream constantly are always sick with migraines, headaches, impotence, fibroid, cancer and all kinds of pains. If you are a sister and you have been having that kind of dream or you had a dream that somebody was forcefully sleeping with you and he had two sexual organs; both male and female organs; this is another destructive dream you should not joke with.
- 3. Getting married to relatives or an unknown person.** In the dream, You joke with this kind of dream. This dream makes your spirit man available for all kinds of manipulations. It could lead to marital delay, mental disturbance and blockages.

4. **Dreaming that you are always in discussion with dead people.** The implication is that eaters of flesh and drinkers of blood are in a rage against your life. The terminators and waster demons are after you already. It is evidence that dark powers are speaking death to your life or speaking death to your activities.
5. **Finding yourself as a slave or a househelp.** It means your spirit man has been dispatched on errand. Don't be too surprised if you find yourself being unexplainably tired or fatigued.
6. **If you dreamt that your body parts are not functional,** you need serious prayer to prevent spiritual and physical amputation.
7. **If you dreamt of ants or insects moving all over your body or in your compound,** that is poverty and all round affliction.
8. **Finding yourself inside aggressive rain falling and you try to run for cover but there was no place to run to.** That is evidence of terrible bombardment of attacks, manifested in rain-like afflictions.
9. **If you dreamt that you were toothless.** It means loss of motivation.
10. **If you are dreaming that you are looking older than your age.** It means you are being drained physically and spiritually.
11. **If you dreamt that you were fighting a nonhuman creature.** It means that satanic soldiers and all kinds of geographical locations have been assigned to contend with your destiny.
12. **If you find yourself flying without wings to unknown places or being pursued by some creatures.** It means that you are living double unconscious lives, there is evil dedication speaking against you or your destiny is under violent pursuers.

Decree this prayer with fire in your voice, "Powers that pursued me in my dream, die, in the name of Jesus."

13. **Flies following you in the dream.** It is an attack by Beelzebub powers; that is, they want to make the person dead while living.
14. **You dreamt of strange marks all over your body.** It means the enemy has marked you out for harm or destruction.
15. **If you have ever dreamt that you were crying in your dream to real life.** That cry to real life is an agenda of sorrow, a release of melancholic spirit against your life.
16. **Wearing hair attachments in the dream.** It means your glory is being replaced or your benefits are being exchanged for another less glorious one.
17. **When you see yourself in a long queue.** It means the spirit of delay.
18. **When you find yourself in the cemetery or in the hospital.** That is an agenda of infirmity and untimely death.
19. **When you find yourself eating unclean animals.** It is an agenda of pollution into your life and destiny.
20. **Seeing yourself drinking dirty water from a dirty river.** It is the pollution of your financial source and your breakthrough.
21. **When you see yourself being attacked by a strange dogs or you see dogs licking your body.** It is sexual attack.
22. **When you see yourself breast-feeding strange children.** It means that your virtue is being withdrawn or siphoned away from you.

The devil is so interested in influencing our dream life. All these dreams explained above are some of the destructive dreams that humans experience while asleep.

There are many categories of demons. Some dreams leave you the way they found you, some dreams add value to your life. Solomon had a dream that added

value to his life. Joseph had a dream that added value to his life. Some dreams are neutral, they don't harm you neither do they help you, they are just there. There are some dreams however that steal from its victim. Some dreams are purposely used to destroy. There is a difference between a dream to steal from you and a dream to kill.

23. When you dream about corpses or you see yourself attending funeral services; these are destructive dreams.

24. Seeing yourself being hacked off or chained, it is a destructive dream.

25. Finding yourself begging for food or alms is a destructive dream.

26. When you find yourself wearing rags or torn clothes, it is a destructive dream.

27. When you find yourself driving a vehicle that suddenly stopped or you saw cows or bulls, pursuing you, or unknown person beating you up, these are destructive dreams.

28. When you find yourself bitten by evil animal. This is another destructive dream.

DEPARTMENTS OF DREAM

a. The root of that dream

b. The journey of that root

c. Fruit or consequence of the dream

When you have any of these destructive dreams, you need to attack the three departments. The first and the most important place to wage war is at the root. The root is the origin. After attacking that root, what you have done is to cut off the source of power to ensure that it doesn't happen to you again. But you can't stop there, you must quench the journey. Attack the fruit or its consequence.

HOW DO YOU DO IT?

1. When you have a destructive dream, don't panic. Calmly, take the offensive, just grab the number one weapon, which is the name of Jesus as your combination shield and your battling ram (Phil. 2:9).
2. Plead the blood of Jesus and claim protection from the host of darkness (Rev. 12:11).
3. Pick your third weapon which is the "Rebuke of the Lord." Rebuke satan and his host and take authority over them, in the name of Jesus (Jude 1:7).

When you use these three weapons, and you are still not satisfied, you can now go on to use other weapons that nullify the evil dreams. By the time you employ half of these weapons, the destructive dreams would have been dealt with.

WEAPONS TO NULLIFY DESTRUCTIVE DREAMS

1. The name of Jesus.
2. The blood of Jesus
3. The fire of God
4. The word of God
5. The angels of God
6. Praying in tongues
7. The chain of God
8. Thunder and lightening
9. The whirlwind of the Lord
10. The sword of God
11. The cutlass and grass of God
12. The rebuke of the Lord
13. Brimstone
14. The rods
15. Traps and nets of God
16. Horrible tempest

17. Carpenters
18. Hunters and fishers of the Lord
19. Great heat
20. Great earthquakes
21. The battle axe of God
22. The hammer of God
23. Blindness
24. The arrow of God
25. The gunshot of the Almighty
26. The razor of God

If you are still not happy with these weapons and you want to overkill, then you can learn how to pray the prayer of the Psalmist in Psalm 109.

- a. O Lord, prepare their instruments of death.
- b. O Lord, ordain arrows against them
- c. O Lord let them fall into the pit that they have dug
- d. O Lord let their net catch their legs
- e. O Lord let them be brought to confusion.
- f. Let the angels of the Lord pursue them day and night.
- g. Let the ground swallow them up
- h. Let them be dashed to pieces.
- i. Let their mischief return upon their own head.
- j. Let the Lord swallow them up in anger.
- k. Let their ways be dark and slippery

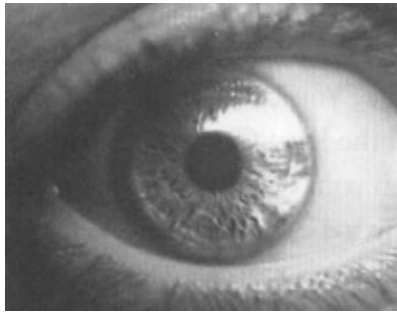

HOW CAN YOU OPERATE ALL THESE?

1. You need to surrender your life to Jesus.
2. You need to repent from every known sin

3. You need to wage war against evil dreams

PRAYER POINTS

1. Negative dreams, hear the word of the Lord, my life is not your candidate, die, in the name of Jesus.
2. Dreams of spiritual bullet, you are liars, backfire, in the name of Jesus.
3. Every dream disease, die, in the name of Jesus.
4. Dream curses, break, in the name of Jesus.

CHAPTER 3

DEALING WITH SPIRITUAL BLINDNESS

When you get on the wrong side of God, He can send a deep sleep or the spirit of slumber upon you and your eyes will be closed. When God strikes you with blindness there will be palpable darkness everywhere.

Once your spiritual eyes are closed, terrible things happen. As believers, your neighbours are supposed to be afraid of you because they know that you can see. That is the level God wants you to get to. You need to open your eyes. If they are open, you need to pray for them to be opened more.

Jer. 1:11-19

Moreover the word of the LORD came unto me, saying, Jeremiah, what seest thou? And I said, I see a rod of an almond tree. Then said the LORD unto me, Thou hast well seen: for I will hasten my word to perform it. And the word of the LORD came unto me the second time, saying, What seest thou? And I said, I see a seething pot; and the face thereof is toward the north. Then the LORD said unto me, Out of the north an evil shall break forth upon all the inhabitants of the land. For, lo, I will call all the families of the kingdoms of the north, saith the LORD; and they shall come, and they shall set every one his throne at the entering of the gates of Jerusalem, and against all the walls thereof round about, and

against all the cities of Judah. And I will utter my judgments against them touching all their wickedness, who have forsaken me, and have burned incense unto other gods, and worshipped the works of their own hands. Thou therefore gird up thy loins, and arise, and speak unto them all that I command thee: be not dismayed at their faces, lest I confound thee before them. For, behold, I have made thee this day a defenced city, and an iron pillar, and brasen walls against the whole land, against the kings of Judah, against the princes thereof, against the priests thereof, and against the people of the land. And they shall fight against thee; but they shall not prevail against thee; for I am with thee, saith the LORD, to deliver thee.

For the LORD hath poured out upon you the spirit of deep sleep, and hath closed your eyes: the prophets and your rulers, the seers hath he covered. Isaiah 29:10

The Bible makes it clear that there is a God that issues blindness unto those who get on His wrong side.

Having the understanding darkened, being alienated from the life of God through the ignorance that is in them, because of the blindness of their heart: Ephesians 4:18

WHY YOU NEED SPIRITUAL DIAGNOSIS

When do you need your eyes to be open?

1. To know whether you are of God or not.
2. You need to know that there are human beings who are not really human beings.
3. There is a barrage of lying spirits operating and perpetrating wickedness. The lying spirits have deceived and destroyed so many people. They have done all kinds of havoc around everywhere. The Bible says for many shall come in my name saying, "I am Christ" and shall deceive many.
4. You need your eyes to be open because you need to test every spirit whether they be of God or satan.

5. You need your eyes to be open so that you will not associate with the enemies of God.
6. The counterfeit spirit is warring against the genuine.
7. There are enemies who specialise in disguises. There are enemies who specialise in masquerading. There are enemies that can pretend so much that you may not be aware of their schemes. The Bible says the devil himself will pretend to be "an angel of light". You need your eyes to be open because you have an enemy who specialises in disguise and to who likes masquerade.
8. The spirit of deception has led many people astray.

A long time ago, there was a Jesus of Oyingbo in Nigeria. In 1964, he claimed that he would not die, that he was the Holy Spirit. He died. There was a Jesus of Agege and he too died.

The spirit of slumber is a terrible spirit. When God ordains slumber, there will be total chaos.

But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them. 2 Cor 4:3-4

And the disciples came, and said unto him, Why speakest thou unto them in parables? He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given. For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath. Therefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand. And in them is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear; and shall not understand; and seeing ye shall see, and shall not perceive: For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes, and hear with their ears, and should understand with their heart, and should be converted, and I should

heal them. Matt 13:10-15

The Bible passage above makes it clear that, as a result of the closed eyes, the disciples could not see. They could not hear, they could not understand.

SPIRITUAL BLINDNESS

The heart is where all spiritual blindness starts. It is not everybody who looks that sees. It is not everybody who sees that perceives. It is not everybody who perceives that understands. It is not everybody who understands that can apply what he understands.

A lot of people come to the house of God but they cannot see. Their eyes are closed. Some people attend MFM but they cannot see. Their eyes are closed. Some people attend MFM but they do not understand what they are taught. This is the mystery of closed eyes.

I had a father-in-the-Lord who died at the age ninety five. An incident happened when he was at the age of eighty five. There was a particular family who had fourteen children. All of them had died. Then not too long, they had another child which was the fifteenth child. The man of God was in his house when all of a sudden, the Lord revealed to him that he should go to the family who had just had a baby girl. God told the man of God to go to this particular family.

A SUPERNATURAL RESCUE

When the man of God got to the entrance of the house, he saw a beautiful young lady. She was naked and was trying to rush out of the house. But the spirit of God told the man of God to grab the lady and he grabbed her. The young lady started struggling with the man. When she could no longer struggle, the husband came and took her and they all went to the flat where the couple just had a baby girl.

When they got there, they found the baby dead and the couple was crying. But immediately they saw the man of God, they were happy and relieved because they believed that the man of God could pray but they were also confused because he was holding a naked lady.

The man of God told the couple to go out and he faced the lady and asked who she was. She said she was the familiar spirit that had been troubling the family all these years and she was the one killing all the children. The man of God commanded her to stop the killing. The mysterious, naked lady laid on the baby girl and disappeared and the baby girl woke up and started crying. The couple rushed in and shouted "Hallelujah". But the lady that entered the baby girl was the same girl that died years ago. The little girl became a grown girl, ready to marry. The man that got married to her is dead.

REVELATION KNOWLEDGE

When your eyes are opened, it is then you will have I what the Bible calls revelation knowledge. God talks by revelation and God prospers people through revelation. Revelation is an uncovering; revelation opens your eyes, revelation means an unveiling. When you receive a revelation, you will now decide a cause of action. The more divine revelation you have, the better your life will become and the faster you will fulfil your destiny.

Revelation knowledge is knowledge given to you by the Holy Spirit. It is personal and divine information. Revelation knowledge makes you to know what you did not know. It makes you to know the deep things of God.

SPIRITUAL DISCERNMENT

A woman brought her son to me for deliverance. The boy was very thin and looked like he was going to die. The woman had taken him everywhere for healing all to no avail. When she brought the boy to me, I asked what the boy did to her. She answered and said, "So you can see?" What happened was that in her witchcraft meeting, she was asked to "donate" her son for ritual killing and sacrifice but she did not want to because that was her only child. However, they had eaten up the boy's liver. But the medical report said the kidney, liver and everything was perfect.

A woman also brought her son, a student of the University of Lagos, Nigeria. The boy was like vegetable. He had been taken to so many places but no solution. When he was brought to me and I prayed, I asked him just one question. The question was who did he sleep with? The boy told me to tell the mother to go out. I asked the mother to excuse us.

The boy narrated how he went to the lagoon front at night and saw a lady sitting on the ground. He had never met the lady before but he began to talk to her, and ended up sleeping with the strange lady. After the immorality, the creature entered back into the lagoon. Due to this act, half of his life had been taken into the water.

What does "open eyes" mean?

It means the power to see into the unseen. The power to know all kinds of spirits that operate in a place. It means the power to see things for what they really are because most things you see are not what they seem to be. There is more behind it. It is one thing to see men as men and it is another to see men as trees. It is another thing to know the kind of person standing before you.

Beloved, you need to open your eyes now because these days, men and women are going into deep into the occult. So you need to open your eyes and know who is who and to be able to challenge whatever power they brought against you.

If you are a pastor and your eyes are not opened, you will waste a lot of time and energy because most people that come for counselling cover up a lot of things and most of them disguise.

It is possible to increase the quality and the quantity of the revelation of God in your life. It is possible to increase the quality and the quantity of your vision, your dream and the voice of God talking to you.

There are five ways by which you can increase the revelation knowledge.

1. **Spiritual hunger.** When you hunger for divine revelation. When you are hungry for it, after the mind of God, when you are spiritually hungry, you move the purpose of God forward.
2. **Quality prayer:** Spend quality time praying to God.

3. **Bible study:** Dip yourself into the word of God.
4. **Fasting.** When you fast and pray, you increase your vision. Your dream and your revelation knowledge are improved.
5. **Brokenness.** When you are broken, God will begin to open your eyes.
6. **Tarrying before God.** When you spend time seeking God, He will guide you by your conscience, by the written word of God, by visions, by revelation, by a voice talking to you, and you will begin to feel God's presence in your life.

CHAPTER 4

EVIL DREAM, DIAGNOSES AND TREATMENT

Before starting any treatment, every good doctor needs to carry out a diagnosis to identify what is going on. This will enable him to know what to treat, whether it is malaria, typhoid or yellow fever or meningitis. He wants to find out before giving treatment. This message will give you not only the description, but also diagnoses and treatment of evil dreams.

In Job 33:15-18 says,

"In a dream, in a vision of the night, when deep sleep falleth upon men, in slumbering's upon the bed. Then he openeth the ears of men and sealeth their instructions.

That He may withdraw man from his purpose, and hide pride from man. He keepeth back his soul from the pit, and his life from perishing by the sword."

Those few verses above are talking about the power, the importance and the centrality of dreams. Are the enemies harassing you through dreams? God in His infinite mercy designs for a man to have dreams during sleep. In the bible, over one hundred and twenty dreams are mentioned. By the time you are sixty years old, you would have spent twenty years sleeping or probably dreaming. Dreams are crucial in the human life. There are some dreams you think are dreams but

they are actually vision of the night. Dreams are revelations to man, a little portion of his activities in the spirit realm. The dream life is like a show of a man's activities in the spirit world. They are images from the spiritual world; they are one's spiritual monitors. No dream is a useless dream. Your dream reveals your deepest objective. You may not be able to interpret it, but it is saying something. If you thoroughly understand it, it helps you to deal with your spiritual life.

The dream life is therefore something that should not be ignored by anybody who is interested in deliverance, prayers and healing. But there is one method by which you can tell whether the dream you have had is good or bad; all you need do, is to check the end of that dream. If it ends badly, it is a bad dream; if the end is good, although there were terrible things before, maybe they were pursuing you and all of a sudden you hid somewhere and they couldn't catch you, it has ended well, so that is good. But at the same time, it is warning you to be careful and to be strong, because the enemies are not supposed to be pursuing you, you are supposed to be pursuing them, until they beg you to turn back. There are multitude of dreams that men pushed away because they do not know the meaning which later backfired to cause havoc in their lives.

Food in the dream: if a person is eating dry meat or fish in the dream, this is a manipulation by witches and wizards to cage him and introduce sickness into his body. It is also a very clever way to give him human flesh to eat thereby making him to partake in the devils' table unconsciously. The bible says, "there is a table of the Lord and also the table of the devil". All those food served by night caterers in the dream are very wicked entities, whose agenda it is to weaken a person's spiritual life, cause weaknesses and then introduce strange sicknesses into the body. This is how evil powers programme things into peoples' body to disable them from carrying out spiritual exercise again. Bible reading and praying become very difficult.

If you are reading this book now, and they have fed you with fish or meat in the past? Today, the God of Elijah shall deliver you, in the name of Jesus.

WHAT IS THE WAY OUT OF THESE EVIL DREAMS?

Immediately you have such dreams, wake up and ask Holy Spirit to purge you.

Then learn how to resist the enemy and attack them back by using your spiritual weapons. This is why any member of Mountain of Fire who can read the English and Yoruba languages, must go and get a copy of the book titled "*101 Weapons of Spiritual Warfare*". It is one of the most powerful and blessed books that God has bestowed unto this ministry, and that has helped thousands of people. The book describes several spiritual weapons of warfare. When you try weapon number one and the enemy is still standing, then you use weapon two. By the time you get to weapon number forty, the enemy will bow to your superior spiritual power.

If you eat porridge in your dream, this is the enemy giving you excreta to eat and to paralyze your spiritual life and introduce the spirit of unexplainable hatred to your person. What is the way out? You must command the blood of Jesus to purge your stomach in the spirit realm. You must cleanse your entire blood system with the blood of Jesus.

When you are eating rice or beans in the dream, this is the most popular way by which the devil introduces lesser demons into people's lives to weaken their spiritual abilities and power.

If they are feeding you with solid food such as potatoes, eba, cassava, fufu, pounded yam, amala, these are poisons to cause terrible and incurable diseases. What is the way out? You need to ask the Holy Spirit to purge you. Tell the devil that, no weapon that is fashioned against you will prosper. Then you now key yourself into the school of power. When next they bring their food, you will ask the person who brought it to sit down in the name of Jesus and begin to eat what they have brought for you to eat.

Eating plantain or banana, whether they are ripe or not is poison introduced by the devil's camp into a person's body. This will make the person to lose interest in anything that has to do with his or her spiritual destiny. The way out of this is to ask the Holy Spirit to purge you. Renounce the devil and his wicked works. Confess that you are a child of God and no man can pluck you out of the house of God.

Eating sand or dust in the dream is the devil's attack to cause spiritual heaviness and lower your spiritual stamina. Treatment; ask the Lord to strengthen you and

to replace and restore all the power that have leaked out of your body.

Eating at a party where you know those who are attending or not means spiritual distractions. Treatment; you will have to destroy the devils in your life in the name of Jesus. You stand up from that dream and scatter that party and ask the Holy Spirit to shift your attention away from the things of the world.

Climbing mountains with great difficulty and strength in the dream means the enemy is bringing difficult situations against you and hindering your success. He wants you to toil and labour very hard and yet not to succeed. What do you do? You command that mountain to move into the sea and ask the Holy Spirit to lead you into your place of destiny.

If there is a mountain obstructing your way, command the mountain to move. If you are dreaming of seeing yourself on the mountain and you came down with fear or you are on top of a bridge somewhere and you are looking down with fear, this is the devils' attack to pull you down from your high position, either material, financial, physical or spiritual. What is the way out? Ask the Holy Spirit to carry you to your desired place. Reject every call of demotion upon your life. Refuse to come down. Respond like Elijah responded. When they told him: "Man of God, come down!" He said, "no, I will not come down but instead of me coming down, let fire come down." And fire came down.

If you had a dream of descending from mountain and you slipped on your foot, this is hindrances to a peaceful life. What is the way out? Ask the Holy Spirit to smoothen and strengthen your rough path.

When you had a dream of obstacles like vehicles, rivers, waters or giants crossing your way, this means you have hindrances assigned to keep you from reaching your desired destination. This is obstruction to prevent you from reaching your destined. What do you do about these? Ask the Holy Spirit to send ministering angels to remove the obstacles and to barricade and, laminate your life, with the fire of God, so that they do not trouble you anymore.

When you are dreaming of being held up in traffic, these are still hindrances preventing you from getting to where God wants you to get to at the right time.

What is the treatment for this? Ask the Holy Spirit to blow the siren of fire and clear the hindrance away from you.

If you are dreaming of being pre-occupied, you are tilling the ground, digging the ground or working like a house maid or house boy somewhere. This is the spirit of slavery; it is a dream from the pit of the hell. What do you do? Ask the Holy Spirit to make you conscious of what to do at the right time. Begin to command your lost position to be restored. Also ask the Holy Spirit to send ministering angels to help you.

Nursing a strange baby in the dream is a hindrance programmed by what the bible calls "the strange children". Treatment: Bind the baby and rebuke the spirit of bondage. Throw out the baby into the fire and resist every form of affliction targeted against you. Rebuke the strange children and command the fire of God on all forces that are sucking virtue out of you.

When you are dreaming of hearing unwanted sound, this is distraction and provocation unto anger. Treatment: Command the fire of God upon the instrument generating the sound. Command fire to go to their base or source and command calmness and quietness into your environment.

When you are dreaming of whirlwind blowing around you, this is destruction by troubles and restlessness. Treatment; rebuke the whirlwind; rebuke the raging storm in the name of Jesus.

If you are praying for yourself or you are praying for somebody else and you suddenly become weak and debilitated, unable to pray again or your tongue is becoming heavy. This implies that, the enemies attacking you in the dream are already inside, unfortunately, many of us are looking for them outside. What do you do in this situation? Rebuke the evil spirit. Command your tongue to loosen and break every yoke that is upon you. Deal with the enemies using your weapons of war.

Here are the ten major weapons of spiritual warfare you can use;

- i. The name of the Lord
- ii. The blood of Jesus

- iii. The fire of God
- iv. The angels of God
- v. The hammer of God
- vi. Divine carpenters
- vii. Sulphur
- viii. Brimstone
- ix. Whirlwind
- x. Hornets

These are the weapons God has given to us which we rarely use. Perhaps you are dreaming that somebody is discussing with you, but what the person is saying is meaningless and causing wasting of time. This is a plot to distract you. It is an hindering spirit. Bind them, cast them out and decree your life to receive fresh fire.

WHAT TO DO?

1. You need to surrender your life to Jesus Christ.
2. You need to receive the baptism of the Holy Spirit.
3. You need to know your spiritual weapons and put them to use.
4. You need to pray for the spirit of interpretation so that you can understand what you are seeing.

The Bible says in Matt. 13:25,

"But while men slept, his enemy came and sowed tares among the wheat and went his way".

Many people have suffered terribly as a result of being completely ignorant of what the devil does while men sleep and what he does in their dream. Dreams are our spiritual monitoring system. They show us what happens in the spirit realm. Dreams are spiritual channels of receiving messages of the happenings in the spiritual world. But it should be noted that dreams can come from God, dreams can come from man and they can also come from the enemy.

In the scriptures, Joseph, Pharaoh, Nebuchadnezzar, Jacob, Solomon, Apostle Paul, Pilate's wife, all had dreams that affected and transformed their lives. Some people do say they do not dream at all; this is not true. They dream, but the devil wipes it off their spiritual monitor. Some have been so blinded in their spirit man that when they wake up, they don't remember what they saw. Many evil seeds are being planted at night through dreams. Sometimes, this begins right from infancy and grows with them over the years now making them to have the baptism of failure, baptism of defeat, baptism of hindrances. So, many people's vehicle of destiny had been destroyed severely when they were attacked and damaged in the dream. Nothing works for them in the physical. It is important for you to know that evil men observe sleepless nights; evil agents do not sleep in order to fulfil their agenda of stopping men from moving forward.

This is why I pray, that, every unfriendly friend, projecting evil into your dream, shall die violently in the name of Jesus.

When someone who is already married is dreaming that she is wearing a wedding garment, it is an attack against her marital life, she will find life; very hard in that marriage.

If you are single and you find that somebody stole your wedding garment or you notice blood on that garment or you notice that it is torn, then your marital destiny will be very difficult unless you take decisive actions. If it is a sister or a brother, he or she may find it very difficult to settle down in marriage. Sometimes, it is an attack against the courtship or it is targeted to unduly prolong it.

WHAT IS THE TREATMENT?

You act fast in prayer and put on the Holy Spirit fire and go on assignment to ensure that your wedding garment is properly returned and all that need to be repaired is repaired. Then claim God's promises for your marriage.

If you dreamt of somebody stealing your bible, this is a serious attack against your spiritual life. It is an attempt of the devil to paralyze your Christian life, and it is a stepping stone to lukewarmness and backwardness. You must resist it in Jesus' name and command the Holy Spirit to bring back the bible from those

who stole it.

Any dream of things being stolen from you especially mobility materials like motorbike, car, bus, engine, is a satanic attempt to ground you physically and spiritually and make your Christian life difficult.

WHAT IS THE TREATMENT?

You need to resist the devil and put the Holy Spirit in action; then decree that the carpenters of God should go and recover those things that were stolen from you.

I pray for you, that all the good things they have stolen from you in the dream since you were in your mother's womb, by the power in the blood of Jesus, recover them now, in the name of Jesus.

If you are dreaming that they are stealing your shoes or slippers, any dream about shoes represent marriage. Attack on your shoes or attack on your slippers is an attack on your spiritual progress. If you lose one of the shoes or somebody stole it, it is an attack on your marital life.

WHAT IS THE TREATMENT?

You must rebuke the devil that is acting against your spiritual life and cover yourself with fire of the Holy Ghost and ask the Holy Ghost to get your shoes back for you.

I am praying for somebody, that, every good thing you have lost, repossess it, in the name of Jesus.

If you dreamt of your home being burgled and important papers and documents removed, that is spiritual emptiness and a serious attack on your spiritual life.

WHAT IS THE TREATMENT?

Put the Holy Ghost on assignment and arrest all the burglars and restore all your stolen properties.

If you are dreamt that you are farming and the plants are stunted and withered, these are dreams of poverty and failures.

WHAT IS THE TREATMENT?

Ask the angels of God to fertilize the farm. Ask the Holy Spirit to pour His rain upon the farm. Pray on your financial and spiritual life.

When you dreamt that you are going back to your former house where you were before you got married; you are going back to your primary school where they are sitting with small chairs, you are going back to your former university where you graduated many years ago; you are going back to your former secondary school; you are going back to your apprentice shed or shop you left many years ago. Those are dreams of retrogression. The enemy wants you to go back to square one. We call them, the Kadesh Barnea dreams; dreams going around about in circles.

WHAT TO DO?

1. You need to surrender your life to Jesus
2. You need to know that God in His kindness is telling you what is going on.

God runs a school in the middle of the night and the school is the University of Dreams. Many of us live very noisy lives. The only time we are quiet is when we are sleeping. In the sleep, God is able to bring things to us so that we can see what is going on. This is an area that we cannot afford to make a mistake. It will be a tragedy if we do not address it. One major tragedy is, when something happens you start saying, "but I dreamt about it", it is a tragedy to have dreamt about it and to leave it unaddressed, thereby allowing it to manifest negatively.

Job 33:15-17,

"In a dream, in a vision of the night, in slumbering upon the bed. Then he openeth the ears of men, and sealeth their instructions that he may withdraw man from His purpose and hide pride from man. He keepeth back his soul from the pit, and his life from perishing by the sword."

We started this teaching in other series by looking at specific dreams. When you dream that a bunch of key is stolen from you, it is an agenda of the devil to attack your authority and for you to lose your blessings. What to do is to rebuke the devil that is acting against your spiritual life and cover yourself with the fire of the anointing and ask the Holy Spirit to get your keys back for you.

I am praying that any key that has been stolen from you in the dream, will be recovered back in the name of Jesus.

If you are dreaming that you are in the farm and the crops are not growing, this is a dream of poverty and failure

WHAT DO YOU DO TO TREAT THE DREAM?

Command the angels of God to fertilize the farm, ask the Holy Spirit to pour rain upon the farm and pray for financial and spiritual blessings and well-beings.

If you see yourself farming and you have thorns and wheat all over the farmland; these are hindrances to financial and spiritual well-being. Treatment: ask the angels of God to remove the thorns and the wheat and rebuke all hindrances against your life.

When you dreamt that you are having poor harvest, these are hindrances to your financial and spiritual progress. You need to resist the devil. You need to reject the poor harvest. You need to command plenty and abundance upon your life. At the same time, you must ensure that you pay your tithe and offering properly and promptly.

When you discover in your dream that you seem to have lost something valuable, maybe luggage, documents, property, shoes, bags; these are the activities of spiritual robbers sent against you. The bible says, "the thief comes to steal, to kill and to destroy". You need to pray and ask the Holy Spirit to recover everything you have lost.

If you dream of missing a child or a relative, maybe your husband, or your wife; this is a very serious dream and it signifies death and the enemy is planning

something bad.

Treatment: Rebuke the spirit of death upon the person and ask the Holy Spirit to revive him or her.

If you dreamt that you were nursing an unknown child or you don't know where the child has come from; this means trouble, distraction and disturbance. You have to rebuke that spirit and command the baby to be removed from your life. You should be very careful and ensure that you don't forget to address this kind of dreams.

Have you been dreaming of masquerades in your dream? It is a terrible dream. Masquerade in the dream means ancestral powers and witchcraft powers and they cause frustration and restlessness. You need to rebuke the powers of witches and wizards. You need to break free from ancestral bandages. You now use your authority and the authority of God to torment them. You need to paralyze them and shoot them with the arrow of God. You need to rebuke the spirit of fear and call the fire of God upon the masquerades.

Anyone that has ever been beaten by masquerade or being pursued by one is under the attack of ancestral powers.

Attacks by dogs or being bitten by dogs in the dream; this is an attempt to poison a person physically and spiritually. It is a very dangerous phenomenon and if care is not taken, can lead to death. Many of the attacks by dogs are initiated through sex. If you sleep with the wrong person, or with an occultic person, then you may be attacked by the spirit of dogs.

Treatment: Remove the dogs and cover your body with the blood of Jesus, and ask the Holy Spirit to treat your wound. After this, command the blood of Jesus to remove every pollution and defilement that has been introduced into your life.

When someone is being chased by dogs, this is an attempt by powers of darkness in all their might to attack such life. It is an agenda to keep a person from fulfilling his or her destiny, to distract him and to make him to run helter skelter.

WHAT YOU ARE GOING TO DO?

Rebuke the dogs. Bind them and shake them out with gunshot and arrows of God. Command the bullets to go back to the sender. Lay your hands on your waist and cast them out from your waist regions.

When you dream that a dog is licking your body, it means you have a covenant with sexual demons. In that wise, apart from praying for yourself, you need to go for deliverance and bind every Jezebel spirit and direct them back to the senders.

When you dream that you are being attacked by a cat, this is an attempt to infect your body with an incurable disease and it is a witchcraft attack.

Treatment: Rebuke the cat and plead the blood of Jesus over the wound that they have inflicted over your body and ask the Holy Spirit to treat you.

Any attack by a cat against you in the dream is a major attempt to scare you away from your goodness. You should resist them, bind them and cast them out.

When you are dreaming and you found that you were knocked down by a vehicle or by an animal: this is an agenda to kill you physically and to cripple your spiritual life. Treatment: Ask the Holy Spirit to treat your wound. Resist them and attack them with the spiritual weapons we have given to you before or listed in the course of these teachings. Get a copy of *101 Spiritual Weapons*. If you try one weapon, and it is not working, try another weapon; this is very essential for anyone attacked in the dream regularly.

When a person is being terrorized by a serpent; these are the powers of darkness in all its height; their agenda is to keep and scare you away from achieving your goodness. Any dream of serpent-attack should not be taken lightly at all. You need to rebuke the serpent, in the name of Jesus; use the spiritual weapons against the serpent. Ensure that you receive enough anointing to be able to attack the serpent and kill the serpent in that dream. Command the blood of Jesus to flow into your blood stream and to purify you.

If you are dreaming of having a vehicle accident, this is an attempt to infect you,

to punish you and to kill you and also an agenda to bring pain into your body. When you wake up from such dream, recall the vehicle, and ask the angels of God in charge of your health to treat you.

When you dream of destruction of property by fire, storm or by wind, this is a dream of calamity that you need to stand against immediately. You need to decree calmness unto that storm. You need to command the blood of Jesus to rain upon the fire and redeem your destroyed property. When you dream of seeing important documents being burnt by fire; it is an agenda of the enemy to destroy your plans and frustrate your way and destabilize your future. Ask the Holy Spirit to redeem your file.

If you dream of seeing yourself walking in a slippery road; it means serious temptation is coming your way which may lead to your fall. You need to ask the Holy Spirit to put that road in order and make it workable with ease for you.

When you dream of missing your way; this means hindrance towards reaching your destiny and frustration of your effort. You need to ask the Holy Spirit to lead you into your destination. You need to bind the vagabond spirit.

When you dreamt that you were travelling and the journey was becoming longer than usual and you did not arrive when you should have arrived, it means the spirit of detention and delay. Ask the Holy Spirit to shorten the journey and to disgrace every power delaying you.

When you dreamt of being shot; this means affliction, poverty, wretchedness and sickness. Reverse that gunshot in the name of Jesus. Ask the ministry of the angels to minister treatment to you. Command the bullet to go back to the sender.

If you dreamt of somebody putting rags on you; this is an attempt to put sickness and poverty on you. Ask the Holy Spirit to remove the rags and clothe you with a royal robe.

Seeing yourself naked in a dream is a terrible thing; it means disgrace, insecurity, sexual attack by spirit wife and spirit husband and health problems.

Ask the Holy Spirit to clothe you and to remove evil garment of disgrace from your life and command the evil garment to catch fire.

If you dreamt of falling into a pit; this is spiritual imprisonment and captivity and an attempt by the enemy to make you stand still so that there is no progress.

Dreaming of seeing your hat, head-gear or dress being blown away from your head or your body; means disgrace, loss of either husband or somebody that is dear to you or the head of your household. You need to rebuke that whirlwind and ask the Holy Spirit to restore your cap, your hat or your dress.

Dream of seeing things like houses, vehicles being destroyed; this is the spirit of destruction, you need to command the whirlwind that is causing it to go back to the senders and ask the power of God to reconstruct the damaged items.

Any dream of your credentials being stolen should be taken very seriously. Once it is stolen in the spirit realm, you will not be able to work with that certificate. Command the Holy Spirit to search for the thief and collect your stolen certificate back; then you take a step further again, call for the arrest of that thief.

When you dreamt and see yourself carrying a heavy load and nobody offers to help you; this represents loads of problems trying to weigh you down. You need to undertake aggressive prayer and fasting to deal with it. Reject the load, ask the Holy Spirit to remove them from you. Command the blood of Jesus to cover the totality of your life.

When you dream and someone is frustrating and discouraging you in the dream; it is an agenda to put evil load on your life to distract and to frustrate you. So, reject the counsel of the enemy, command success into your life. Any evil exam that they set for you that you are failing, nullify that evil exam.

When you see yourself cooking and the food is not done and you found that as you are cooking the pot is leaking, the enemy is trying to frustrate you. You must let the Holy Spirit do that cooking for you and command what you have lost to be returned.

Perhaps you are dreaming and you see yourself travelling somewhere with a vehicle and it developed a fault: this is an attack on the wheel of your progress or on your moving forward. Ask the angel of God to repair that vehicle, to put the vehicle back into good condition and rebuke the enemy.

When you dreamt of darkness or walking in darkness; it symbolizes a tendency for you to fall into a grievous sin that would lead you astray. Command the light of God to shine upon your life, command the light of God to lead you. You should do the same thing when you found that you were in the light before and the light went off; this is an attack on your spiritual life, don't take it gently at all.

When you find yourself being attacked by creatures like crocodiles, alligators and lizards; this is an attack of Leviathan spirits upon your life. These are demons responsible for mental illness and malfunctions. They are the ones responsible for stubbornness and misfortunes. They are the ones responsible for forgetfulness of dreams. You need to rebuke them, you need to cancel all their plans over your life. You need to use the weapons of God. You need to use the fire of God. You need to use the hook of the Holy Spirit. You need to use the blood of Jesus. You need to use the thunder of God. You need to use the arrow of God; these are not dreams to take lightly.

If you are dreaming that they are omitting your name from an important list, maybe a list of admission, employment or contract, this is a great hindrance against your progress. You need to nullify that counsel, in the name of Jesus. Ask the Holy Spirit to destroy the evil list the enemy is preparing for you and prepare a good list that would include your name. Deal with the enemy behind the matter with the weapon of God. Likewise, when you notice that they are making a list of good things and they are not calling your name, you should react against it spiritually.

Have you ever dreamt that somebody was flogging you; whether it is your parent, uncle, brother, sister, friend or teacher? This is an attack on your personality. The devil is attempting to destroy your reputation, to put you to shame or to afflict your body. Ask the Holy Spirit to run the enemy off and pay them back in their own coin. Ask the Lord to heal you. The bible says, "they would fight against you, but they would not prevail."

When you are receiving dirty currency notes, torn and rough currency in the dream, it is a contamination of your finances leading to financial wastages. The treatment is to bind and rebuke the spirit of mammon and destroy the evil money by fire.

If you found yourself bleeding through any part of your body, this is witchcraft attack; the enemy is trying to suck your blood either to cause physical or spiritual death. You should command your blood to receive the blood of Jesus and render the evil blood that has come across your own blood, useless. Ask the Holy Spirit to fill your own blood.

When you find that you are losing your hair in the dream; it is a sign of the removal of glory and honour, done to create humiliation, disrespect or tribulation for you. You need to ask the Holy Spirit to bring your hair back and restore your hair from wherever they have taken it to.

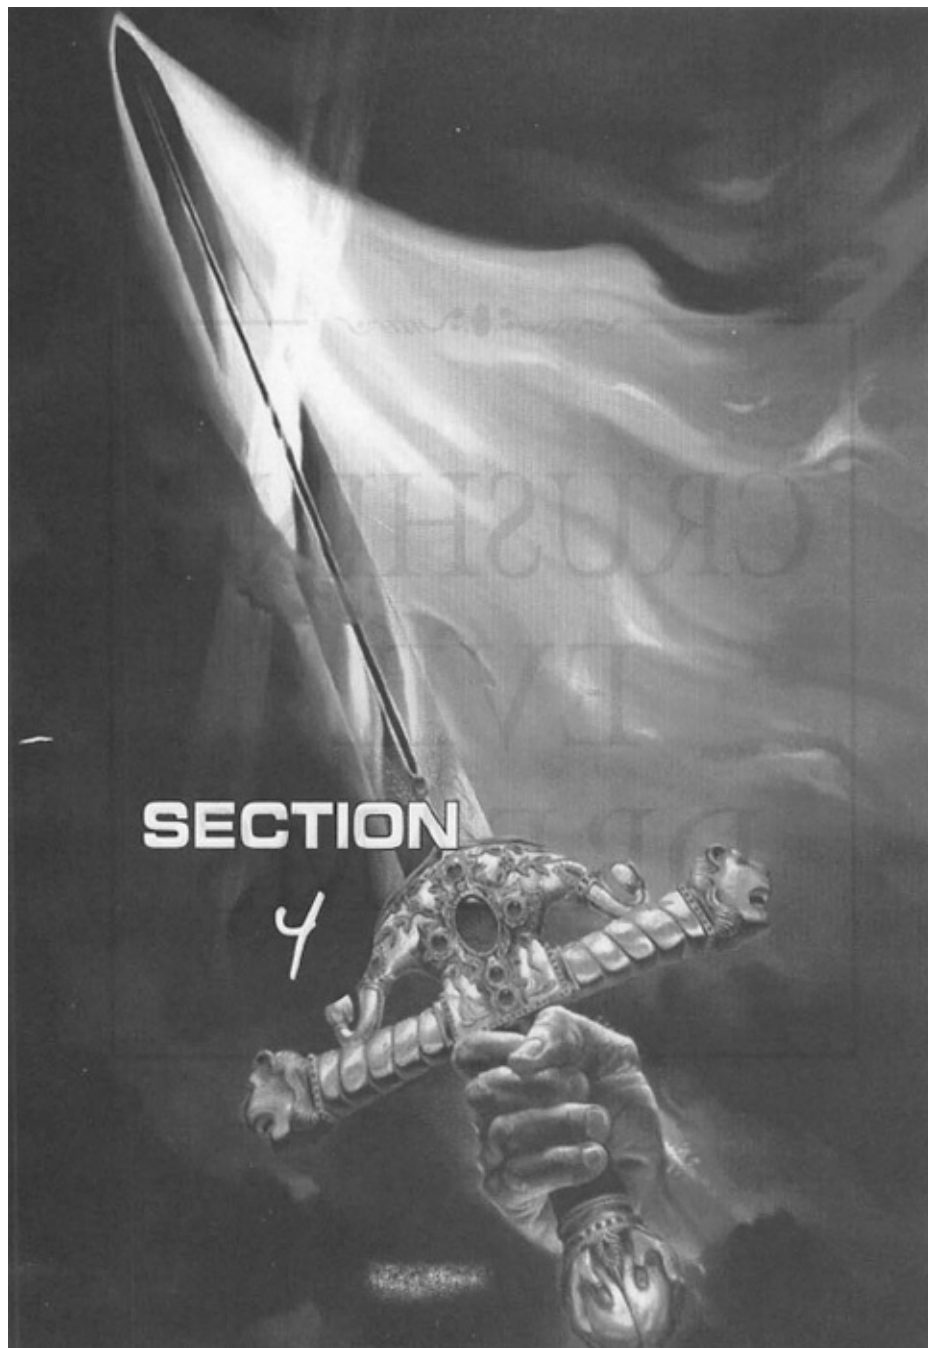

When you see yourself gorgeously dressed in a costly costume and you are dancing and playing with somebody you don't know, that means, you have a covenant with familiar spirits. You have been unconsciously initiated. Break off from this evil covenant and move the way God wants you to move.

In conclusion, anyone who wants to deal with satanic dreams must be born again. He must receive spiritual warfare training. He must be able to attack the root of the dream and the consequences of that dream, the journey of that dream and most importantly, the person has to be filled with the Holy Ghost. When there is sufficient fire in your life, certain dreams will not find space in your spiritual orbit.

CRUSHING EVIL DREAMS

INTRODUCTION

One of the strongest spirits battling mankind, especially the black man, is the spirit of poverty. This spirit originates in the spirit realm and gains ground in the physical because the spiritual realm controls the physical realm. Poverty dreams are capable of truncating the journey of prosperity once they have been programmed in the demonic world.

In this section, you will be taught how to overcome these demonic attacks.

CHAPTER 1

CRUSHING THE DREAMS OF POVERTY

The spiritual realm controls the physical realm. Whenever poverty is programmed in the demonic world, it is actualised in the physical realm. There are dreams of poverty. These negative dreams are capable of truncating the journey of prosperity. The Bible teaches that God wants us to experience all-round prosperity.

3 John 1:2

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.

The Bible passage above makes it clear, that there are three levels of prosperity and also three levels of poverty. The three levels of prosperity are:

1. Financial Prosperity
2. Health Prosperity
3. Soul Prosperity

The three levels of poverty are:

1. Financial Poverty

2. Health Poverty
3. Soul Poverty

Also in the book of 2 Corinthians, the Bible says:

2 Corinthian 8:9

For ye know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich.

One of the strongest spirits battling the black man is the spirit of poverty. There are many rich men, but few of them got their wealth from the Lord. Majority of them are spending the currency of hell fire bought with their soul. From my experience in the deliverance ministry, ninety percent of the children who are possessed with evil spirits come from poor homes. Poverty is not only the absence of money, it is the absence of idea and foresight. Poverty has no respect for your age. Poverty has demoting powers.

Poverty results in a terrible flow of violence. The mother of crime is poverty. The mother of all negative revolutions is poverty. A man can work himself into poverty and he can also pray himself out of poverty. There is generational poverty, which goes from one generation to another generation. Real poverty is actually spiritual in nature. When Jesus Christ was on earth, He had no bank account, but He was the richest man, because He had powers to get everything He wanted.

Beloved, money is not everything. Money can buy you a comfortable bed, but it cannot buy you sleep. Money can buy you a house, but cannot buy you a home. Money can buy you chairs in the church, but cannot buy you salvation.

Money can buy you many expensive books, but it cannot buy you an exceptional brain. Money can buy you all kinds of things that your soul desires, but it cannot buy your soul. The poorest man in the world is not the man without money, but the man without vision. The field of poverty is an aggressive battlefield. If you do not have physical money but you are spiritually rich, then, you have everything, because your spiritual wealth will get you everything you want.

There are twenty-two kinds of poverty. The twenty-two kinds of poverty are:-

1. Chronic poverty
2. Transient poverty: Money moves in and out without profit
3. Geographical poverty
4. Absolute poverty: Poverty in all spheres of life
5. Mental poverty: when your brain is not working properly, you can be financially rich and mentally poor.
6. Emotional poverty: When you get carried away with small things.
7. Spiritual poverty: Lack of vision, dreams and lack of salvation.
8. Financial poverty
9. Poverty of ideas: When you do not have positive ideas.
10. Poverty of good friends: When you lack good friends.
11. Poverty of power: When you have no power.
12. Poverty of peace: Of all the gifts that God gave to man, peace is the best. When you have peace, you can make progress.
13. Poverty of knowledge (Ignorance).
14. Defence poverty.
15. Destiny poverty.
16. Poverty of good dreams.
17. Poverty of principles: When you have no principles.
18. Verbal poverty.
19. Poverty of imagination.
20. Poverty of health.
21. Poverty of character.
22. Poverty of attitude: Your attitude is your mindset. It is your disposition, your mental state and your outlook. Your attitude is your inclination or your posture. If you have negative attitude, then you are really a poor person. Your attitude can either heal you or break you. Your attitude can make you a success or a failure. Your attitude can see every set back, as a temporary inconvenience.

When you are rich in attitude, you will welcome changes. When you are rich in attitude, you will be optimistic and forward-looking all the time. Attitude is more important than money and more important than circumstances surrounding you. It is more important than your education, your appearance and what people say about you.

Dreams are your spiritual monitors. They tell you what is going on in your life in the spirit realm. A dream is a revelation. It is like a window that opens the spirit realm. There are over one hundred poverty dreams.

1. Dreaming of doing odd jobs. It shows that you have a covenant with slavery, bondage and servitude.
2. Dreams of falling from great heights.
3. Dreams of falling into a pit.
4. Dreams of seeing yourself in a cage.
5. Dreams of being chained.
6. Dreams of seeing yourself in dirty places.
7. Dreams of climbing mountains and you did not get to the top.
8. Dreams of seeing yourself in your former house.
9. Dreams of seeing yourself in your former school.
10. Dreams of writing examinations that you have passed before.
11. Dreams of urinating on your hands or legs.
12. Dreams of seeing yourself in rags or tattered dresses.
13. Begging for alms in the dream.
14. Drowning in a river in the dream.
15. Seeing rats all over your house or eating your food in the dream.
16. Dreams of being arrested by the police or some evil powers.
17. Dreams of seeing unknown powers, demanding for your property or your belongings.
18. Dreams of being summoned before an evil court
19. Dreams of being questioned for your progress.
20. Dreams of seeing yourself as a slave, housemaid or house boy.
21. Dreams of being regularly raped.

22. Dreams of receiving evil letters or news.

27. Dreams of being asked to sign evil documents.
28. Dreams of being showed animals; goats or dogs about to be sacrificed.
29. Dreams of being flogged or pursued.
30. Dreams of being made to serve manual punishment.
31. Dreams of being told that inanimate objects represent you.
32. Dreams of seeing your property on fire.
33. Dreams of seeing an unknown person coming into your facility and demanding for it.
34. Spending money lavishly in the dream.
35. Putting on tattered shoes in the dream.
36. Walking about barefoot in the dream.
37. Having wares unsold in the dream.
38. Dreams of seeing your property being auctioned.
39. Dreams of seeing your pockets leaking.
40. Dreams of losing substantial sum of money.
41. Dreams of suffering from the hands of pick- pockets.
42. Dreams of seeing termites attacking your property.
43. Dreams of looking for your property.
44. Dreams of finding yourself with counterfeit money.

All these are poverty dreams. If you have been having such, you need serious prayer warfare. Anything existing in the physical can be blocked in the spiritual realm. Do you frequently have one of these poverty dreams? Then, you need serious prayers.

When poverty has reached the highest level, then, it begins to attack the potentials of a person. Once those potentials are under attack, the person comes

down. Education does not change you from your poverty level. When you educate a man without Christ, then, he is a clever devil. If you do not wage war against the poverty in your life, it will come back and plague you. Until you hate poverty with perfect hatred, poverty will not hate you. The battle against poverty is a tough one. In order to fight against it, you must prepare for war.

PRAYER POINTS:

1. O heaven of my prosperity, open by fire, in the name of Jesus
2. Enemies of my comfort, die, in the name of Jesus.
3. Poverty dreams, die, in the name of Jesus.
4. Every evil bird swallowing my prosperity, die, in the name of Jesus.

CHAPTER 2

CRUSHING THE POWERS OF THE NIGHT

Luke 22:53,

"When I was daily with you in the temple, ye stretched forth no hands against me, but this is your hour and the power of darkness."

There is an hour of the power of darkness, Jesus confirmed it, "this is your hour". He told them the hour of the power of darkness."

In Job 34:20,

"In a moment shall they die, and the people shall be troubled at mid night and pass away: and the mighty shall be taken away without hand."

It is in the night that even the mighty can be taken away without a hand. There is a period call the night. The night time is a satanic conference time. The night time is when the enemies deliver their reports. The night time is when the enemy restrategizes. The night time is when the enemies are taking decisions that will affect people including Christians. The night time is when the enemies renew their evil covenants. The night time is when the most aggressive curses are issued against people's lives. The night time is the time for the most potent satanic sacrifices.

I have been around for a while and I have travelled to so many places in this country; you might have seen it, but I have not seen where someone carries sacrifices in the day time to the cross road, I have not seen one. Normally, they deliver those sacrifices in the middle of the night. The night time is the time the enemies supervise problems, the burdens and the yokes they are going to place on people. The night time is when the enemies supervise the punishments and yokes to be placed in some peoples' lives. This is why you find someone sleeping with a healthy body but wakes up with infirmities. They have loaded him with evil arrows in the night. The night time is the time enemies determine the fate of many people.

I decree that every night activity against your life by satanic kingdom shall come to nothing, in the name of Jesus.

The night time is the time of spiritual baton exchange. That night time is the time of dark duty changes. The night time is a time of dark meeting initiation. It is the time they initiate people consciously or unconsciously. The night time is the time of evil shift. All creatures and powers that are unworthy of light works at night. No wonder Jesus said, "while men slept his enemies came" (Matt. 13:25). The night time is the covenant time for most open-gathering. The night time is the time for handing-over notes by workers of the day to the workers of the night. The night time is a time of spiritual traffic. The night time is a time of intense darkness and a time of very wicked attacks. The bible says, "it is the hour that the mighty is taken away without hands" (Job 34:20).

WHAT ARE THE POWERS OF THE NIGHT?

1. Witchcraft
2. Sorceries
3. Enchanters
4. Diviners
5. Spirit wives and spirit husbands

6. Satanic ministers

7. Night caterers.

I had a friend many years back. Anytime he had something important to do; the night before it, some powers would come to fill him with palm wine and once he drank that palm wine, anything he wanted to do would collapse. There was a day he had an interview, he prepared for the interview but in the night, the night caterers arrived with a keg of palm wine. They fed him so much that his tummy was full. When he opened his eyes, he could still feel the taste of the palm wine in his mouth. When he got to the interview venue, the meeting was to take place on the fourteenth floor at 8.00am, my friend got there, pressed number thirteen on the lift button the lift came down, he entered it, got to floor number thirteen and got stuck. He got inside the lift by 10.00am, and the engineers did not succeed in getting him out of the lift until 5.00pm. By this time, the interview was over and they could not reschedule another one for him. The expatriate who came to conduct the interview flew out that night. That was how his life was going. Then he had a beautiful lady he wanted to marry. The day before the wedding again, the palm wine servers came and gorge him. The bottom line is this: my friend could not get to the wedding venue. First, he had an accident; he was pushed into the gutter. The bride was crying in the church by the time the man arrived in church five hours later, as the pastor had concluded that he would not come.

8. The evil summoners

9. The occultic powers. All those who read magic books.

10. Fallen angels.

11. Familiar spirits

12. Spiritual armed-robbers

13. Powers from the moon

14. The terrors of the night

15. Pestilence that walks in darkness

16. Demon idols

17. Dead spirits or spirit of the dead.

Jesus made us to understand that, "while men slept his enemies came."

Isaiah 29:15 says,

"woe unto them that seek deep to hide their counsel from the Lord and their works are in the dark, and they say, who seeth us? And who knoweth us?"

Those are the powers of the night, they operate what we call floating spirit. These are the spirits of heaviness, spirit of continuous sadness, spirit of crying, spirit of death, spirit of dejection, spirit of discouragement, spirit of sleeplessness, spirit of self-pity, spirit of sorrow, spirit of suicide, spirit of torment, spirit of anger, spirit of stealing and robbery, spirit of dream deception, spirit of gossip, spirit of hardness of the heart, spirit of hatred, spirit of murder, spirit of retaliation, spirit of violence, spirit of sexual perversion, spirit of false spirituality, marine. recruiters, spirit of fantasy lust, harlotry, masturbation, spirit of infirmity, spirit of spiritual blindness.

When Jesus called His disciples, the bible says, "He gave them power against unclean spirits" (Matt. 10:1). We need to learn how to receive power against the powers of the night. We need to learn how to pray prayers against the powers of the night. Why did Jesus choose the night to pray in order to choose His disciples? When He was going on Mount of Transfiguration, why did He choose to go and pray with three disciples at night? Very simple bible question; there are some kinds of prayers that can only be prayed in the night. The bible says, "will God not avenge His servant who cries unto Him day and *night*? (Luke 18:7)" The same prayer if you pray it in the day will be of no effects, why? The council that is holding the meeting in the headquarters of darkness would have closed business. What is the point of attacking a meeting after has been closed? You did not attack their meeting places, when they took their decisions at exactly 1.00am. After they have closed at 1.00am and everything stamped you

now begin to pray the prayer you should have been praying in the night.

I pray that every gathering of darkness against you shall scatter in the name of Jesus.

That is why it is good when an evil meeting is going on against you and for you to wake up and begin to pray to destabilize their plans. When an evil instruction has been passed against you at night, they are only coming as messengers in the day to observe whether what they did worked, but if you kill them in the night, you will not see them in the day time. It is normally when we sleep that this host of hell plan their operation using the powers of the instrument of the night. So it is a mystery of survival to pray in the night. Most of the demons rest during the day because they can only draw power in the night. If you bind them in the day, you are wasting your time.

WHAT TO DO

1. Surrender your life to Jesus
2. Desire that you must possess your possession.
3. Determine that you must withdraw their hands from your affairs
4. Pray violently to possess back your possession.

PRAYER POINTS

1. Powers of the night attacking my destiny, die, in the name of Jesus.
2. Satanic night caterers, I am not your candidate, die, in the name of Jesus.
3. Arrows of the powers of the night, back fire, in the name of Jesus.
4. Coven powers assigned against me, scatter, in the name of Jesus.
5. Angels of war, hear the word of the Lord, pursue my pursuers, in the name of Jesus.
6. Any power projecting evil into my dream, die, in the name of Jesus.
7. O God arise by fire and by force and make me unstoppable, in the name of Jesus.

8. Powers planning to stop my light from shining, you are a liar, die, in the name of Jesus.
9. Every demonic foundation troubling my destiny, clear away, in the name of Jesus.
10. O God arise and increase my speed, in the name of Jesus.
11. Every evil hand layed upon my life, catch fire in the name of Jesus.
12. Every conscious and unconscious appointment that you have formed with the hour of darkness, I terminate them now in the name of Jesus.

CHAPTER 3

OVERCOMING DEMONIC NIGHT ATTACKS

Since the realm of dreams is an all important realm, and most of the attacks received in the night come from dreams, we must focus our attention on demonic night dreams.

Many of the problems we see during the day are programmed, completed and delivered at the hours of the night. Most of the terrible things people experience during the day, are programmed during the hours of the night. These are the activities of the night raiders. That is why the night remains the best time we can pray the most successful prayers.

Any battle won in the night is the victory of the day and any battle lost in the night is the beginning of defeat for the day.

"For they sleep not, except they have done mischief; and their sleep is taken away, unless they cause some to fall. For they eat the bread of wickedness, and drink the wine of violence." Proverb 4:16-17

NIGHT RAIDERS

The Bible talks about the night raiders. When somebody is hungry and eats, he or she becomes satisfied. A natural human being have some food that he or she

likes. Some people like pounded yam, some like rice. But the food of the night raiders is wickedness. They are satisfied and derive pleasure in carrying out wicked acts. Their own water is violence. If you have this kind of power to confront, you must be fully armed.

"Terrors take hold on him as waters, a tempest stealeth him away in the Night." Job 27:20

Those are the kind of things that go on at the hours of the night; tempest, stealing. The devil comes to steal and to destroy.

SLEEP CASUALTIES

A lot of people lose many things in their sleep. This is why, in the dream, if somebody collects money from you; you must not take it kindly. As a woman, if you sleep and somebody takes one of your shoes, and could not see it, it is a serious matter especially a married woman.

Many people have lost their prosperity in the dream. The hours of the night tempest, stealing, e.t.c are the order of the day for the night raiders.

"In a moment shall they die, and the people shall be troubled at midnight, and pass away: and the mighty shall be taken away without hand." Job 34:20

When you sleep, the night raiders can take away anything without an effort. This is the reason a lot of people die in their sleep and some wake up with a lot of troubles are deposited in their dream.

The doctor knows how to prevent different kinds of diseases and sicknesses. In the day, they are mighty, they know the right things to employ, but in the night, with all their medical knowledge, the night raiders can programme sickness in the body, which cannot be diagnosed. Then medical knowledge and technology will be useless.

A lawyer knows how to argue and win cases. They are good in their knowledge

on how to quote the law, but in the hours of the night, they will see themselves being arraigned before an evil judge and they will not be able to open their mouth to argue anything.

THE EVIL JUDGE

This reminds me of a very wealthy man who saw himself being arraigned before an evil judge one night. By the time the man looked closely at the judge, it was his own nine-year old daughter.

She gave the verdict. What was the offence of the man? She said he used to give her brothers and sisters good meat but always gave her ordinary beef. The man promised to give her good meat from that time onward, but she said it was too late and delivered the judgement.

When the man woke up, he was never himself again. He did not remember the dream again. The man became insane and things began to go wrong for him. But after deliverance and hot prayers, the man came to himself and was able to recollect what really happened before the evil experience. Mighty people can be arrested effortlessly in the night.

EVIL PROGRAMMES

A lot of evil transactions go on at night. The evil night raiders go about to flag off their wickedness and programme evil into people's lives. At night, we have what is called "terror by night". There are powers that go about at night with terror. We have what is called "pestilence", which is like a disease or a plague. They work in darkness. So if you are the kind of person who likes to walk in darkness and roam about aimlessly at night, or you are the kind of person who likes to visit the disco houses at night, pepper soup joints and all kinds of bad places with red bulbs, where you will not see the face of the person next to you, there are pestilences in such environments.

Pestilences walk about in darkness. There is also the power that smites by the moon. The moon can smite. When the moon smites, somebody, he becomes mad. That is why when you see somebody who is mad, many of their cases are not medical. An experienced deliverance minister will know that the power that

should be contended with is the power of the moon.

The power that controls madness is programmed inside the moon. So when you are conducting deliverance prayer for a person with a mad spirit, the power controlling that spirit of madness stays in the moon. This can be found in Psalm 121:6.

Who are the night raiders?

1. They are marine powers. These are the night raiders that go about recruiting people; familiar spirits, forest demons etc. They are the night raiders. This reminds me of a young couple who got married in the city and decided to spend the honey-moon in the village. They travelled down to their village. In the middle of the night, while sleeping, they began to hear steps from the gate. They heard the sound of someone opening the gate. Before this time, there was a bombardment of noises, but all of a sudden, there was quietness every where.

The personality came in through the window. The woman saw the personality staring at her, but she was glued to the bed and could not say anything. After a while, that evil personality went away. When they woke up in the morning, they ran away from the village. They did not stay for the honey-moon again, but the deed had been done. The seed had been planted.

The following month, when this woman saw her menstrual period, what was coming out of her was maggots, instead of the normal blood. It was maggots. That was what the night raiders planted in her.

2. We have forest demons that wander in the night, moving from one place to the other. That is why if you are the type that goes about carrying prostitutes, you cannot be free from them. Most of the ladies you see standing in the dark making passes at you are night raiders.

3. They are wandering spirits. Evil spirits can impersonate and they may be the spirit of the dead.

A man gave such a wicked personality a ride. He saw the woman by the road side, carried her and she said, "Okay, you can follow me to my house". It was the woman that took the man to her house. When the man got to the house, the place was well-furnished and was looking beautiful. In the middle of the night, when they were about to start committing sexual immorality, they had a knock on the door, and the man asked the woman who it was. Who could be knocking at that time of the night.

She said it was her husband. The man said, "but you told me you were not married". She said she was married. The man asked what they were going to do. The woman said she did not know. The man suggested that he should go under the bed but she said the man would look under the bed. What about inside the wardrobe? She said immediately he entered, that would be the first place he would open to hang his clothes.

He asked the woman what he should do then. She said the only option was for him to jump through the window of the first floor apartment. The man agreed because he wanted to save his life. He jumped through the window and by the time his legs touched the ground, he found himself in a local cemetery in Lagos.

He checked where he jumped from but could see nothing. He began to walk from the cemetery to the gate. As he was coming, the people that were looking after the cemetery saw him and thought he was a ghost; they started raining incantations on him.

The man told them that he was not a ghost. He began to narrate his ordeal. They told him to go and do something about his life because that month, he was the seventh person that kind of thing had happened to. That was the work of the night raiders.

4. The night raiders are wandering spirits, evil angels and wicked personalities on evil assignments. They are ancestral spirits and satanic spies which go about to spy. When you are in your house and you see a wall gecko, do not take it lightly, some of them are spies. They stare at you but immediately you turn, they take cover. They are evil spies.

5. **Dream Manipulators.** These are evil night raiders that manipulate dreams. They will show you something but it is another that is meant. They will turn good dreams to bad dreams. They will show your enemies as your friends and friends as enemies. They are dream manipulators.
6. **Drinkers of Blood and Eaters of Flesh are night raiders.** These steal blood from people. A man slept and a personality came with two kegs, plugged a hose on him and began to drain his blood. One keg was filled and when the person was filling the second keg, the man woke up and he was never himself again. He was feeling lifeless and there was pain on the spot where the hose was plugged to drain his blood. Some people could just sleep and wake up and be staggering as if there is no life in them again and may even collapse. This is the evil handiwork of the night raiders; drinkers of blood and eaters of flesh.
7. **Spirits from the second heaven or demonic idols.** These are night raiders that go about to torment people's lives. These evil night raiders' visits are terrible. They are for evil assignments and very few people can boast of not being tortured by them when they visit at night.

I had an experience several years ago. They came to call me to pray for a lady that was blind. She became blind just like that, right inside her bedroom. Her boy-friend gave her something to put inside water to bathe. Immediately the water touched her body, she became blind.

Eventually, the man confessed that he did not know the thing could be like that. In his confession, the boy said he did not want the lady to leave him because she was very beautiful. So he went to a marabout to get a charm for love so that the lady would not leave him, but unknown to him, another thing was given to him. This is what happens to those who patronise marabouts and demonic prophets, who collect so-called anointed things, holy water, and all kinds of things, including anointed handkerchiefs.

Eventually, this lady was introduced to me. When I saw her, I said, "I will not pray for you today, please come back tomorrow. I want to pray about it, and seek the Lord". So that day, I was the only one in the whole duplex. In the middle of

the night, I woke up to pray to ask God about the predicament of this lady. All of a sudden, I heard footsteps climbing the staircase.

These are night raiders who go about to visit people in the middle of the night. Terrible problems that come against many are mostly programmed and executed at these hours of the night. These night raiders deposit things in the lives of people before they leave. When they come at that hour of the night, they have some evil deposits that they leave behind. You must pray against these powers.

PRAYER POINTS:

1. Let any witchcraft curse working against me be revoked, by the blood of Jesus.
2. Every decision, vow and covenant of household witchcraft affecting me, be nullified by the blood of Jesus.
3. I destroy with the fire of God, every weapon of witchcraft used against me, in Jesus' name.
4. Any material taken from my body, now placed on witchcraft altar, be roasted by the fire of God, in the name of Jesus.
5. I reverse every witchcraft burial fashioned against me, in the name of Jesus.
6. Every trap set for me by witches, begin to catch your owners, in the name of Jesus.
7. Every witchcraft padlock fashioned against any area of my life, be roasted, in the name of Jesus.
8. Let the wisdom of my household witches, be converted to foolishness, in the name of Jesus.
9. Let the wickedness of my household enemies overturn them, in the name of Jesus.
10. I deliver my soul from every witchcraft bewitchment, in the name of Jesus.
11. Any witchcraft bird flying for my sake, fall down and die and be roasted to ashes, in the name of Jesus.
12. Any of my blessings traded out by household witches, be returned to me, in the name of Jesus.
13. Any of my blessings and testimonies swallowed by witches, be converted to

hot coals of fire of God and be vomited, in the name of Jesus.

14. Any strongman representing me in the register of inherited failure, fall down and die, in the name of Jesus.

CHAPTER 4

DECELERATING POWERS DECELERATING DREAMS

Psalm 84:7,

*"They go from strength to strength; every one of them, in Zion
appeareth before God."*

The scripture above says, "they go from strength to strength", it didn't say they go from weakness to weakness. The bible says, "behold, I give unto you power to tread upon serpents and scorpions and over every power of the enemy and nothing shall by any . means harm you" (Luke 10:19). Deceleration is the opposite of acceleration. To decelerate is to slow down the rate of somebody's advancement.

Recently, I came back from South Africa where we went to dedicate an MFM church in Pretoria. Some events happened there that moved me to tears; we were at the final night of the crusade and there was a white woman who said, "I must see Dr. Olukoya". She insisted so much that they had to bring her to me" When I saw her, I said, "what can I do to help you?", she said, "I was driving somewhere and I saw the poster of this crusade and your name, Dr. Olukoya, So I told my driver to turn back. That is how drove to crusade, After this, she put her hand in her handbag and brought out a tattered copy of "Command the Morning". She said, "since I laid my hand on this book, my life has changed and everything I have lost, I have repossessed them". She said, "they disappointed me in my

church, but with this book, I discovered that I can be my own pastor"?.

It moved me to tears, why? Because there are people who come to the Mountain of Fire and Miracles Ministries, even members and pastors who have not even read any of the books published here. Those who do not even come to Mountain of Fire buy the books and get breakthroughs. Some for the first time.

I want to encourage you every member of Mountain of Fire to get addicted to the books published in the ministry, which they are not using, that are blessing so many people. Certainly, if you are a business man and you are not making millions, it is because you refused to command the morning and praying feverently. If you hold the book 'Command the Morning' and you wake up when the other religious people are shouting on their microphone and you begin to command your own morning; what you are doing is to take over the authority of that day and then your business will move. This is because the business world is a witchcraft world; it is the survival of the fittest and it involves money. Men go into the occult to divert other peoples' blessings. If only you will be disciplined enough to wake up by 5.00am, take up your copy of 'Command the Morning', and begin to command, you will take over the day. You take the market away from the unbelievers divert their customers to yourself over the day. With this, you will increase your speed.

I pray that the Lord will open our understanding in the name of Jesus.

The only thing some people need to make progress, to move ahead and to become an environmental transformer and to re-write their family history is for the Almighty to increase their speed. They are already doing the right things, but with an increase in their speed, their lives will change.

The only thing some people need to get to the next level, is for heaven to lay hands on them, and give them divine acceleration.

- To accelerate is to catch up and pass others in achievement.
- To accelerate is to do better than others
- To accelerate is to get the upper hand.

- To accelerate is to outshine others.
- To accelerate is to move ahead in achievement.
- To accelerate it to catch up and beat others and move ahead of them.

I decree upon your life, receive power to outrun those that are ahead of you.
 Receive power for divine acceleration!
 Receive power for divine assignment!
 Receive power to walk while others are crawling!
 Receive power to run while others are walking!
 Receive power to fly while others are running, in the name of Jesus!

The story of Esther in the bible changed within fourteen days; the story of blind Batimaeus in the bible changed within hours; after thirty eight years of affliction the story of the sick man by the pool of Bethesda changed within hours. It took only twenty four hours for Job's nine months suffering to end. Your life shall prove that the God of Elijah is on duty. No matter how long it takes, your life shall be a mysterious wonder.

When you have divine acceleration, you become a sign and a wonder. When you have divine acceleration, you will outshine those who have started long before you. When you have divine acceleration, you become a standard-setter and you become a pace-setter. When you have divine acceleration, those who saw you before and those that see you now, will begin to argue, that is not the person.

There are some powers known as decelerating powers, this is why you need power to trample upon them.

Exod.14:24,

"And it came to pass, that in the morning watch the LORD looked unto the host of the Egyptians through the pillar of fire and of the cloud and troubles the host of the Egyptians. And took off their chariot wheels, that they drove them heavily, so that the Egyptians said, let us flee from the face of Israel; for the LORD fighteth for them against the Egyptians."

To decelerate is to slow down. What are these decelerating powers?

1. Problem expanders
2. Star hijackers
3. Destiny killers
4. Money swallowers
5. Head manipulators

There was a time, we recommended some people for visa to travel and when they got to the embassy, one of the people we recommended was asked, "What is your name?" He said, "I am John the Baptist". They said to him, "The letter from the Mountain of Fire did not point out that anybody here is John the Baptist". They asked him again, "what is your real name? He said, "I am Pastor John the Baptist of course," they didn't issue him the visa. This is because he was attacked.

What we're saying today is a serious matter. The fact that you are a pastor is not relevant to some forces. There are powers, that have no respect for the anointing unless you know what to pray.

6. There are progress arresters.
7. Satanic ministers who confuse people and give them unscriptural things to do. For instance, they ask people to pray on urine and to drink it. Asking for chicken, goat all kinds of things; they ask people to take their clothes, nakedly and throw it into the waters. Asking for sex before prayer can be answered; and there are some people who always fall into the hands of these fake satanic ministers.

I was invited to a church many years back. I was ministering at the pulpit and the Lord said, "Son, there is a lady here who slept with a minister, unless the lady comes out and repent, she would die within seven days". After the service, I was

expecting one lady, but to my greatest surprise, I saw thirty four ladies all deceived by satanic ministers.

When you are dreaming of going back to your old schools; it is a decelerating dream. Seeing dead relatives is a decelerating dream. Wearing old clothes is decelerating dream. Going back to one's place of birth is a decelerating dream. Playing with friends that you have not seen for a long time is a decelerating dream. Climbing a mountain and not getting anywhere is a being inside a driverless vehicle, being lost in a forest or in the wilderness, seeing yourself always at the same spot or inside the same building, but you can't see the building physically, being held down by oppressive and powerful forces are all

decelerating dreams.

Taking exams you have already passed physically in the dream is a decelerating dream. Seeing yourself back in your primary school is a decelerating dream, seeing corpses, coffins, attending funeral services is a decelerating dream. Being handcuffed or chained, walking bare-footed, hair of somebody being removed. You are trying to cross a river, but you cannot. You are in the market, but not buying anything; you see yourself travelling abroad and you are being deported. These are decelerating dreams.

WHAT TO DO?

1. You need to first of all surrender your life to Jesus
2. You need to pray accelerating prayers.

PRAYER POINTS

1. I receive divine acceleration, in the name of Jesus.
2. Powers pressing down my head, die in the name of Jesus.
3. Powers slowing down my progress, die, in the name of Jesus.
4. Decelerating powers, I am not your candidate, die, in the name of Jesus.
5. In the wonderful name of Jesus Christ, I release the anger of God against any enchanter, native doctor, witch doctor and sorcerer, assigned to attack my life, in the name of Jesus.
6. You the candle of the wicked, I put you off by fire, in the name of Jesus.
7. O God arise, distribute sorrow into the camp of my enemies, in the name of Jesus.
8. O God arise, and let every handwriting against me wither, in the name of Jesus.
9. Where is the Lord God of Elijah? Arise, swallow my stubborn, enemies, in the name of Jesus.
10. Every decelerating power of your fathers' house, that is slowing down your progress, shall be swallowed today, in the name of Jesus.

11. I speak with the spirit of a prophet into your life that the Lord shall increase your speed, in the name of Jesus.
12. O God arise in the thunder of your power and let my level change in the name of Jesus.

CHAPTER 5

THE DANGERS OF DREAMS POLLUTIONS

In Matt. 13:25,

"but while men slept, his enemy came and sowed tares among the wheat and went his way."

When something is being polluted or defiled in the spirit realm, it will manifest in the physical as hatred, bad luck, backwardness, stagnation, rejection, lack of progress, being passed over or being put down where they are supposed to lift you up. It may result in a situation where good things miss the person and bad things will be magnetises the person.

Houseflies are attracted to dirty, smelly and unhygienic things around a place. There are houseflies in the spirit realm. It is called Beelzebub spirit which means the Lord of the flies. Once a person is like that, he/she finds good things passing all over him/her as if the person is not there.

I am praying "that any power asking good things to pass you by, shall be buried today, in the name of Jesus."

Many times, the enemy does not come to kill, but sometimes to steal, to pollute, to misdirect or to pull down. Dreams are spiritual monitors, they are pictures of occurrences in the spirit realm. Dreams and visions are very powerful and

wonderful when they come from God. Read the book of Genesis and you will see how God revealed things to people through their dreams. So, dreams and visions are wonderful when they come from God. But dreams are terrible:

1. When they come from carnality.
2. When they come from the deceitfulness of the flesh.
- 3.. When they come from the sinfulness of the heart.
4. When they come from satan.

Under the banner of dreams, a lot of things happen, but one terrible thing that happens is pollution and defilement. There are tests to know whether your dream are polluting dreams or not.

TESTS TO NOTE IF YOUR DREAMS ARE POLLUTED OR NOT

1. Is the dream scriptural? If it is not, it is polluted.
2. Does the dream draw you closer to God? If it doesn't, it is polluted dream.
3. Does it leave you confused? If so, it is polluted dream.
4. Does it edify? If it does not edify you, it is polluted dream.
5. Does it bring you into bondage? If it does so, it is polluted dream.
6. Is the Holy Spirit confirming it? If the Holy Spirit is not confirming it, it is a bondage dream.
7. Does it bring unholy fear? You are afraid because it is scaring you. Then it is a filthy dream.

Any life that has been polluted through the dream would receive the cleansing of the blood of Jesus, in Jesus' name.

The following are also dreams of pollution:

- i. Sexual intercourse in the dream.
- ii. Women with male organ sleeping with a fellow woman.
- ii. Constant semen discharge in your sleep.
- iv. Feaces all around you.
- v. Sleeping or wedding with animals.
- vi. Rubbing of your body with urine or feaces.
- vii. Seeing yourself drinking dirty water.
- vii. Swimming in dirty water.
- ix. Being raped in the dream.
- x. Strange babies in the dream.
- xi. Drinking another person's blood.
- xii. Spiders, scorpions, owls, vultures or any other unclean animal attacking you

These dreams are destructive and bring bad luck. Shout this prayer loud and clear, "Arrows of bad luck, fired against me in my dream, backfire in the name of Jesus."

I had a friend who spent eight years studying for his Ph.D. Unfortunately, this Ph.D work of ten years, may not exceed one hour of examination by the panel of examiners which decides whether you get it or you don't get it. After eight years of hard work, the night before the Ph.D interview, he had a dream, the sixth wife of his father called him and said, "kneel down". The man knelt down. The woman opened her skirt, urinated on his head and said, "Go" and he went. When he got to the venue of interview the next day, he saw the white man who was going to interview him, he said, "Good morning sir", the man did not answer. It was as if he came to fight him. At that level, he knew there was problem when the man did not talk to him at all. He now said, "go and bring all the work that you have done", and for the next one hour the man was looking at them one after the other. This man had over six hundred pages and he was looking at them one

by one. Then he got to one, he said, "This one is wrong, so you had failed", and that was it. Until he went back to prayers, his life did not make any meaning.

- Dreaming of incisions being put in your body is pollution.
- Dreaming of nakedness is pollution.
- Dreaming of squeezing blood out of your menstrual pad is pollution.
- Having sexual intercourse with parents is pollution.
- Seeing yourself in the coffin is pollution.
- Eating spoiled food is pollution.
- Pregnant man is pollution.
- Having increasingly senseless dream and nightmares is pollution.
- Vomiting in the dream is pollution.
- Dirty clothes in the dream is pollution.
- Wearing rags in the dream is pollution.
- Being spat upon in the dream is pollution.
- Bed wetting is pollution.
- Seeing sores on your body in the dream is pollution.
- Seeing yourself being romanced in the dream is pollution.
- Seeing load or red object is pollution.
- Seeing babies being stolen is pollution.
- Evil water flowing around you is pollution.
- Seeing yourself drowning in a river is pollution.
- Being flogged or pursued are all pollution.

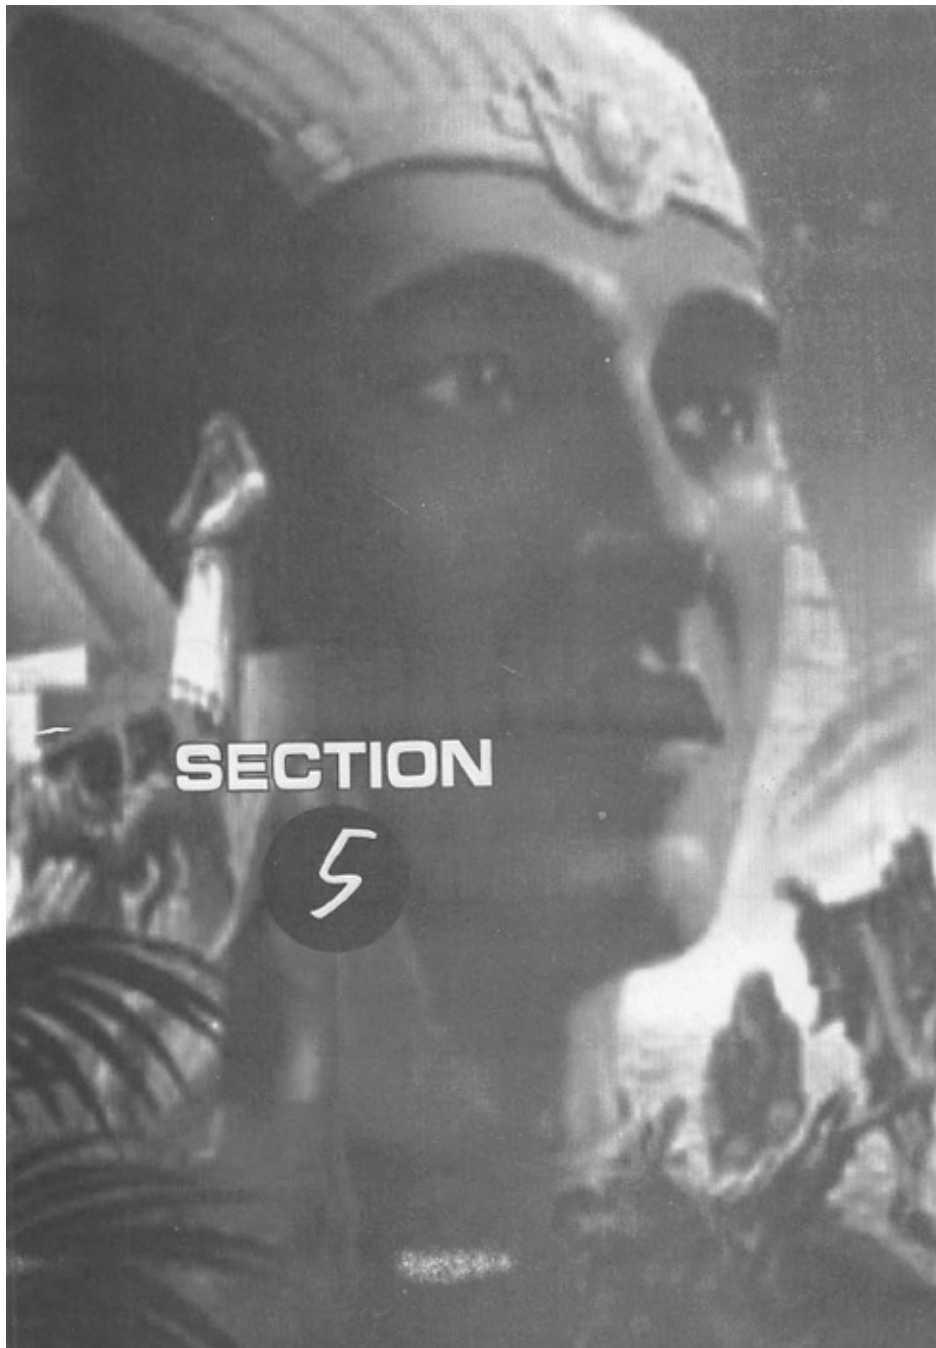

WHAT TO DO:

1. You need to surrender your life to Jesus.
2. You need to renounce these evil dreams.
3. You need to dissolve their tokens.
4. You need to possess your possessions.
5. You need to barricade your life against these polluting or defiling kind of

dreams.

PRAYER POINTS

1. Buried virtues in the dream, stolen virtues in the dream, I recover you by fire, in the name of Jesus.
2. Dream polluters, I am not your candidate, your time is up, die, in the name of Jesus.
3. Powers of the night attacking my dream life, your end has come, die, in the name of Jesus.
4. Holy Ghost, arise deliver me from satanic detention, in the name of Jesus.
5. Arrows disallowing the gathering of my prosperity, die, in the name of Jesus.
6. Detention of domestic witchcraft, I am not your candidate, die, in the name of Jesus.
7. Arrows of darkness fired into my body, go back to your sender, in the name of Jesus.
8. Every witchcraft pot hindering my life, thunder of God, scatter them, in the name of Jesus.
9. Stranger of darkness planted into my body, catch fire, in the name of Jesus.
10. Every battle glued to my life by the enemy, back fire, in the name of Jesus.
11. Powers monitoring my breakthrough in the dream, you are a liar, die, in the name of Jesus.
12. Owners of witchcraft pollution in my destiny, die, in the name of Jesus.

A PROPHETIC DREAMER

INTRODUCTION

It is God's wish that in the last days, His people shall dream divine dreams. A dream can guide your steps and keep you out of danger. God can give you information about your destiny through dreams. Every dream has a message. This book will help you to have your Joseph's dreams and benefit from them.

CHAPTER 1

ARE YOU A DREAMER OR A VISIONER

A dreamer has a lot of disadvantages. His greatest disadvantage is that he has to sleep before he receives information. For example, if a situation that requires urgent spiritual attention is happening at his place of work, he would fail woefully because there would not be time for him to go somewhere and sleep to receive a revelation. Unfortunately, 90 percent of Christians who claim to be filled with the Holy Spirit these days can be classified as "glorified dreamers."

When you are moving below the level that God wants you to move, you will not be able to withstand the storm and waves that will come against you.

Your spiritual visual power determines how far you go in life. When your spiritual perception is sharp, you will mount with wings as an eagle. In this chapter, we shall consider what it takes to be a dreamer or a visioner. The Bible said an interesting thing about the Holy Spirit. It says,

"The wind bloweth where it listeth, and thou hearest the sound thereof, but cannot tell whence it cometh, and whither it goeth: so is everyone that is born of the Spirit." John 3: 8

The above scripture simply means that immediately you get born again and filled

with the Holy Spirit, it is impossible for the powers of darkness to trap you.

They can hear the sound of your movement, but they will not know where you are going or where you are coming from. So is everyone that is born of the Spirit.

The greatest detective in the world is the Holy Spirit. No matter how clever you are, or how hidden a thing is, the Holy Spirit will bring it to light, and before Him, no man can hide.

"And it shall come to pass in the last days, saith God, I will pour out my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions and your old men shall dream dreams." Acts 2:17

Here we see two categories of people; the young men and the old men. The young men are supposed to see visions, while the old ones are to dream. That is, visions to the young and dreams to the old.

WHY VISIONERS ARE BECOMING DREAMERS

Why is it that those that God expects to be visioners are dreamers? You may think that it is impossible for everybody to see visions. In the Bible, we have the story of where Moses was praying for some people and the Lord took part of the spirit which was upon Moses and distributed it to the elders and they began to prophesy. But there were two men who were not in that meeting, but their spirits were there. Even though they were not physically present at the venue of the meeting, they followed what was happening in the spirit, and they caught the overflow of the anointing. Immediately the overflow got to them, they too began to prophesy.

Somebody ran to Moses and said, "Moses, stop them, they are not supposed to be prophesying like the rest of us." Moses said, "Would to God that all of you were prophets, then there would not be problems again." Would to God, too, that all those who claim to be filled with the Holy Spirit are visioners, instead of dreamers, there would be less problems.

THE IMPORTANCE OF CLARITY

Most times, dreams lack clarity. Sometimes, some people come to me to say, "Man of God, I saw myself at the back of a Mercedes Benz, with a brother sitting beside me. I was wearing a white gown that looked like a wedding gown, but I was not sure and the brother, too, was wearing something that looked like a wedding suit. I wonder if God is. telling me he is my husband." I always tell them that they should be serious because they are not going to get married in the dream. These are the problems with the dreamers.

A lot of people have been confused by some people who rub charms on their eyes and claim to see visions. Sometimes, the person rotates and dances under the influence of smoke, incense and drums, gyrate an over the place. Immediately the person begins to gyrate and twist, demons possess the person and use him as a point of contact to release the information already decided in witchcraft meetings about people in the congregation. They collect these evil prophecies, thinking they are words of God to them.

SPIRITUAL LAZINESS

The reason many people fall victim is because they are spiritually lazy. If they can discipline themselves and wait more on the Lord, they would find that seeing vision is not a big deal like many people think. Many believers who are supposed to see visions are not seeing anything.

A lot of people have lost their money, cars and other things to so-called visionaries. How can a person build a house for two million naira and a so-called prophet would say he should sell it to him for 50,000.00 naira, because he can see vision?

A man went to a church where a woman was commanded to go into the spirit to find out what was wrong with him. The woman danced round the place and when she finished, she said that the man was having problems because he was being fried in the same pot used for frying bean cakes. They tried to bring him out of the pot, but could not. The man ran to an MFM church. I made it clear to him that he had entered into some evil covenants by allowing a possessed woman to prophesy upon him. So he had additional problem to the one that took him there.

Ignorance about the Holy Spirit causes all kinds of riots in the spirit world. Unfortunately, the Holy Spirit is a person most believers do not know.

WHO IS THE HOLY SPIRIT?

The Holy Spirit is the third person in the Godhead. He is a person and not a thing. Many people have no problem visualising God the Father and God the Son, but when we talk about God the Holy Spirit, they get lost. Many people think of God the Father as one old man, sitting somewhere and looking at all of us. God the Son is easy for them to identify. Many people know that Jesus the messiah who came to the world as the man of sorrow, man of Galilee, man from Nazareth, etc.

The Holy Spirit is not easily identified by many; But He is really a Person, and since He is a personality, He can speak to you, open your eyes, and open your ears. He is the executive agent of God on earth today. When Jesus was going away, He said to His disciples, "If I do not go, the Holy Spirit will not come. I go but I will send you another comforter". This means that Jesus is a comforter: He said, "I will send another one, that is, the Holy Spirit."

THE SPIRIT'S GUIDANCE

The Holy Spirit is not just speaking in tongues, which is a manifestation that you have received at His baptism. He is more than that. He is not just an experience, a feeling or an emotion. The kind of spirit that you can not control cannot be said to be the Holy Spirit. The Holy Spirit is the Spirit of God. He is a person who can give information, who can guide and direct you.

A sister prayed that God should show her the secret behind her problem. As she was praying, she saw a man of God who came to her and commanded that the wedding ring on her finger should be removed. He was so aggressive and he forcefully removed the ring from her finger; and immediately she woke up. When she woke up, the Physical wedding ring on her hand was twisted. This confirms the act that a person who cannot see would put on the material of his enemy without knowing. Such a person would use the material of his or her enemy to decorate himself, or herself without knowing it.

When you cannot see, you will wear things manufactured by your enemy, take medicine prepared by your enemy and eat his food, because you cannot see beyond your nose. God does not want to operate like that. Some people come for counselling; crying and saying, "I don't know why I invested in this business. I didn't know that the person is a dupe." I always asked if they asked the Holy Spirit about the investment before they went into it. They did not ask, because they cannot even hear from Him. So, they end up suffering.

INITIMACY WITH THE HOLY SPIRIT

You must get close to the Holy Spirit and begin to talk to Him like a friend and a companion. That is why we pray for the grace of our Lord Jesus. Christ, and the sweet fellowship of the Holy Spirit. When the Holy Spirit becomes your friend, seeing visions would not be a big deal. Visions are just one of those things that He shows His friends. The Holy Spirit is now the one operating the plan of God on earth. He is the one that can reveal the hidden treasures of the kingdom of God.

God's Holy Spirit is the most valuable asset of Christian living. So it is wrong to regard the Holy Spirit as just speaking in tongues, or shaking or twisting. It is more than that.

THE HOLY SPIRIT IN THE BIBLE

In the book of Genesis, we find the Holy Spirit doing the work of creation. In Exodus, we find Him empowering people to do great things. In Judges, He gives power to fight battles. In 2nd Kings, you see the Holy Spirit giving double portion of power. In Jeremiah, you find Him as the Spirit of fire. In all the books of the Bible, you find the Holy Spirit, doing one thing or the other.

The question is, are you really ready to surrender your life to the Holy Spirit, to do what He wants to do with you? If your answer is 'yes', may I caution you that He will be your senior partner, He will not take second place. He will be the one giving the instructions. If you are not ready to carry out His instructions, then you are not ready yet to receive Him. That is, you want to remain a dreamer.

Some people plan to fail, they plan to remain in a particular level all their lives.

Such people are not interested in the mountaintop life, so they do not surrender to the Holy Spirit. But immediately you open up to the Holy Spirit and say, "Holy Spirit, I surrender myself to you. Reveal yourself to me," and you do it honestly, things begin to happen. It may mean you abstaining from certain things.

The Holy Spirit may ask you to stop doing certain things. He may ask you to stop using your make-up, jewelry, etc. He may ask you to re-organize your life pattern. He may ask you to do extensive night vigils or go to places you do not want to go. The problem is a lot of people are afraid of being led by the Holy Spirit, therefore, they have become occasional vessels in His hands.

THE POWER

The witch or familiar spirit has not been created that would trap a person filled with the Holy Spirit. Just like the wind is mysterious in action, so is a person filled with the Holy Spirit. He or she cannot be controlled by the powers of darkness. Just like the wind is powerful in movement, the movement of someone filled with the Holy Spirit is also powerful. Just like the wind is invisible in action, the same thing will happen in your life once you are filled with the Holy Spirit. Just as the wind is penetrating in action, you too will be like that when you are filled with the Holy Ghost.

Beloved, are you ready for the Holy Spirit? Do you really want to leave the department of the dreamer and become a visioner? If your answer is yes then you must open up to the Holy Spirit. The beauty of a life filled with the Holy Spirit is that the powers of darkness may see you, but will not be able to predict your action. If you operate like the wind, you cannot be trapped. But there is a very bitter word of lamentation which can be used to describe the present-day Christian. In Hosea 7:8-9, it says: *"Ephraim, he hath mixed himself among the people; Ephraim is a cake not turned. Strangers have devoured his strength, and he knoweth it not: yea, grey hairs are here and there upon him, yet he knoweth not"*.

We thank God for the Bible, for it makes us to understand that there is no age limit in getting filled with the Holy Spirit. If a child is ready, God will fill him up, likewise an adult that is ready. Whoever is ready gets filled up. God can

never be partial.

CHAPTER 2

WHEN YOUR VISION IS BLURRED

"Ephraim, he hath mixed himself among the people; Ephraim is a cake not turned. Strangers have devoured his strength, and he knoweth it not: yea, gray hairs are here and there upon him, yet he knoweth not." Hosea 7:8-9

Many people have mixed themselves up with the world. Some have mixed themselves up with what we call spiritual nonentities, while others are unturned bread, that is, they remain in the same department every year. Anyone who looks at the spiritual state of the present church will know that a lot is wrong. Many people come to services, yet, there is no change in their lifestyle. Many put up different attitude in the church and different attitude outside. Many come to meetings and receive miracles but they do not come across the God of miracles. They have miracles, but do not have the miracle worker.

Many people have a lot of people around them that would never follow them to church because their life style does not glorify Jesus. How can a person convert his neighbour's wife when he is busy making passes at her? How can a person convert someone he is consuming alcohol with? It gives me a lot of concern when I realise that some people will not get to heaven because they do not want to, not that heaven is not opened, it is, but they just do not want to go in.

THE RANE OF CARNALITY

THE DANCE OF CARNALITY

Some people are carefree with everything in life, including matters of heaven. This is the reason many present-day Christians are still afraid of demons, charms, incantations, enchantments, etc. They cannot withstand these things because there is sin in their lives and they know that the devil can see it. There are many people who attend church services but lack simple faith in God. They bind the spirit of headache with paracetamol in their pocket, yet, they want the miracle. Many come to meetings but they find it very difficult to conquer sin.

A man prayed in agony, asking God to change his life. He cried to God for power to enable him live a holy life. Suddenly, a voice sounded from heaven and said, "You have to wrestle. You must fight your flesh and conquer it. Don't expect me to conquer your flesh for you." You have to determine in your spirit that your flesh shall not overcome or dominate your life. It is a personal decision. It is so easy for a lady who allows herself to be put in the family way to say, "It is this man that messed up my life." But she has forgotten that she gave him her full co-operation, without which it would not have been possible.

SPIRITUAL GAMBLERS

Many people cannot hear God's voice. To many, God is distant. They just come to the church to gamble. Therefore satan is killing many people prematurely. Many do not have independent faith, they have become spiritually static. Many would drink concoction, take injections, drink holy water, use anointing oil, and also do deliverance at the same time; they have become gamblers, because the Holy Spirit has no free flow in their lives.

The Holy Spirit you receive should not be just to speak in tongues or to pray when you are scared at night. It is to communicate with Him as a friend. When the Holy Spirit becomes your friend, it is then He will open your eyes and you can see things for yourself. This is why it is very important to pray that whatever is breaking down your communication with the Holy Spirit should be melted away.

BIBLE DISPENSATIONS

The Bible dispensations can be divided into three:

1. **The dispensation of the tabernacle:** This was the period when the Israelites built tabernacles in the wilderness. Then, God was inside the tabernacle and not in, their lives. So they messed up. Anytime they wanted to see God, they entered into the tabernacle. Nobody knew much about the devil then. That is why in the Old Testament, you do not see much of the devil. He was able to operate in hiding. But when you get to the New Testament, you see the Man of Galilee who came around and began to expose the devil.
2. **The dispensation of the Son:** That is, Jesus Christ: He came physically, did His redemptive work and said, "I am going away, but I shall I come back. I will send you the Holy Spirit who will be staying with you and teaching you all things. He shall be your friend." As a Christian, if you are not close to this Friend that the Lord has given us, you will have problems.
3. **The dispensation of the Holy Spirit:** The Holy Spirit is the executive agent of God's programme on earth now.

HINDRANCES TO VISIONS

1. **Demonic activities:** If you are involved in demonic activities, forget about being a visioner. You will become a permanent dreamer.
2. **Unconfessed sins:** If you have unconfessed sins in your life, forget the school of the visioners. You will remain a dreamer until you confess all your sins
3. **Lack of true repentance:** When you have not truly repented, forget the school of the visioners, because you will still be a dreamer.
4. **Unforgiveness:** If there are some people that you can never forgive, forget the school of visioners.
5. **Pride.**
6. **Fear:** If fear is in your heart, you will remain in the school of dreamers.
7. **Unbelief and doubt.**
8. **Lack of concentration:** Some people's minds roam around. They do not really follow anything through. Such people remain in the school of dreamers.
9. **Refusing to release yourself totally to the Holy Spirit.**

10. **Refusal to honour your parents:** This will also keep you in the school of dreamers.

YOUR VISION

The choice is yours now. Joshua said to the Israelites, "Choose you this day, whom you shall serve, whether the idols your fathers were worshipping in the wilderness or the Lord God" (Joshua 24:15). He also made a confession. He said, "But as for me and my house, we shall serve the Lord."

PERSONAL CHOICE

You must depart from the school of dreamers. Your eyes must open, so that you can receive divine revelation. Remember, it is a matter of personal decision. If you decide to put an end to blind christian life, God will open your eyes. If you say, "Enough of spiritual life of the valley," God will catapult you to the mountain top. It is necessary to confess to the Lord any hidden sin that can hinder you. God has promised to fill all the vessels that are ready. So readiness is the condition.

PRAYER POINTS

1. O, Lord, manifest your presence in my life, in the name of Jesus.
2. Let the rain of the Holy Spirit fall upon me now, in the name of Jesus.
3. O Lord, let your mantle of power fall upon me, in Jesus' name.
4. Holy Ghost, fill me, in the name of Jesus.

7. I remove myself from every evil spiritual bus-stop, in the name of Jesus.

CHAPTER 3

YOUR DREAM AND YOUR DESTINY

"And Jacob went out from Beer-sheba, and went toward Haran. And he lighted upon a certain place, and tarried there all night, because the sun was set; and he took of the stones of that place, and put them for his pillows, and lay down in that place to sleep. And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it. And behold, the LORD stood above it, and said, I am the LORD God of Abraham thy father, and the God of Isaac: the land whereon thou liest, to thee will I give it, and to thy seed; And thy seed shall be as the dust of the earth and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed. And behold, I am with thee, and will keep thee in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of." Gen 28:10-15

The above Bible passage makes it clear that God can appear in your dream. When that happens, your life changes forever. The Bible also tells us that God appeared to Jacob to reveal his destiny to him. The Bible says:

"And thy seed shall be as the dust of the earth, and thou shalt

spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed. And, behold, I am with thee, and will keep thee in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of." Gen 28:14-15

God revealed what was going to happen to Jacob in the future to him in a dream, in just one day. Another example of the revelation through dreams in the Bible is Joseph's experience. Joseph was a real dreamer. The Bible says:

"And Jacob dwelt in the land wherein his father was a stranger, in the land of Canaan. These are the generations of Jacob. Joseph, being seventeen years old, was feeding the flock with his brethren; and the lad was with the sons of Bilhah, and with the sons of Zilpah, his father's wives: and Joseph brought unto his father their evil report. Now Israel loved Joseph more than all his children, because he was the son of his old age: and he made him a coat of many colours. And when his brethren saw that their father loved him more than all his brethren, they hated him, and could not speak peaceably unto him. And Joseph dreamed a dream, and he told it his brethren: and they hated him yet the more. And he said unto them, Hear, I pray you, this dream which I have dreamed: For, behold, we were binding sheaves in the field, and, lo, my sheaf arose, and also stood upright; and, behold, your sheaves stood round about, and made obeisance to my sheaf. And his brethren said to him, Shalt thou indeed reign over us? or shalt thou indeed have dominion over us? And they hated him yet the more for his dreams, and for his words. And he dreamed yet another dream, and told it his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me. And he told it to his father; and to his brethren: and his father rebuked him, and said unto him, What is this dream that thou hast dreamed? Shall I and thy mother and thy brethren indeed come to bow down ourselves to thee to the earth? And his brethren envied him; but his father observed the saying". Gen 37:1-11

Joseph had a dream that revealed his future to him. God revealed to Joseph how he was going to prosper more than his brethren and the dream helped him as a guideline to his destiny.

Joseph, the father of Jesus Christ, had a dream that saved him from lots of problems and trouble.

The Bible says:

"But while he thought on these things, behold, the angel of the Lord appeared unto him in a dream, saying, Joseph, thou son of David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Ghost. And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins". Matt 1:20-21

God revealed to Joseph how the baby was going to escape from danger and God also instructed him on how to save the baby.

In the book of Acts 2:17, the Bible says:

"And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams:" Acts 2:17

This Bible passage makes it clear that there are Holy Ghost-inspired dreams. By the time a person is 60 years old, the person has spent 20 years sleeping. We spend one third of our lives sleeping. If you are thirty years old, that means you have spent 10 years of your life sleeping. Dreams come when you sleep. The dreams that come into your sleep for one third of your years on earth must be taken seriously.

IN THE MIRROR

In the dream, your spiritual life is being displayed to you. In your dreams, everything that is in the spirit realm is being revealed to you. Even if you do not understand the dream, it is still giving you information. A dream is an important

compass for your destiny. The revelation knowledge that you require to overcome your problems come in the dream.

In your dream, your spiritual life is exposed and you can see into the spirit realm. That is why it is very bad if you do not dream at all. If you do not dream, it is a problem. Indeed if you do not dream, it means that the enemy has removed your spiritual monitor and does not want you to know your destiny. When your spiritual monitor is removed, then you are spiritually dead.

A DREAMER'S WORLD

The world, as it is today, is what dreamers have made it. Those who dream that the world should be like this, made it what it is. In fact, the world is controlled by dreamers.

If you key into the dreams which God reveals to you in your sleep, you will never have problems making it in life. Your dreams could also save you from death. Your dream could save you from disaster.

Sometimes, when you read for an examination, God can reveal the questions that will come out, but if you are not the type that remembers and observes on time, you will not know that the questions God revealed to you are the exact questions that appear in your question papers.

You can meet God in your dream. The dream of Joseph took him from the prison to the palace. Even when he was put in the pit, he knew that was not his destiny. When he was in Portiphar's house, he knew also that his destiny would not stop there.

CHAPTER4

YOUR JOSEPH'S DREAM

Every man or woman who wants uncommon success must have his or her own Joseph's dream. Your Joseph's dream is the heavenly picture about your life. You need to begin to see into your future. Your Joseph's dream shows you what you ought to be but you are not. Your Joseph's dream is a video film of your correct life in heaven. Your Joseph's dream is your divine destination on earth.

Your Joseph's dream will show you what God wants you to become and what you should become. Your Joseph's dream has nothing to do with your family background. The dream of Joseph promoted him. In these last days, God will be giving His people inspired dreams.

There are various kinds of dreams you can have.

1. You can have dreams to warn you.
2. You can have dreams that will give you information.
3. You can have dreams that will transform you.
4. You can have dreams that will catapult your destiny.
5. You can also have dreams that can waste you.

A dream can be divine, a dream can be satanic. Unfortunately, 90 percent of the dreams you have are satanic and bad dreams. If you do not cancel the satanic

dreams, the divine dreams will not come.

There was a time I got a scholarship to study abroad for 36 months or three years. The course I went for was not just Molecular Biology, it was Biology at the molecular level, which is very hard. I was the only black man in that class for the course. Normally, this course was supposed to be taken for four to five years, but successfully complete it in three years.

Dreams can prevent you from making a big mistake if you key into the divine revelation given to you. When I got my scholarship, I had a dream that one of my co-tenants took my passport and was urinating on it. So when I got the visa and ticket, I did not tell anybody until the day I was going. They were surprised at the way I dressed and the bag carried. I decided to go without any one escorting me, because I had already dreamt of what would happen.

You have to get to a level where you encounter God in your dream.

Why does God use dreams to communicate?

1. **Most people live a very noisy life.** Everywhere is full of noise; at the bus stop, in your work place and even when you are coming back. The only quiet time is when you sleep and God uses that opportunity to communicate.
2. **When you are asleep.** Sleep is second to death. When you are asleep, your mind cannot battle God again. When you are asleep, the spiritual realm will be revealed to you and God can caution and also instruct you. When you start with dreams, it will lead to vision. God will show you deep things when you are sleeping.

But herein comes a great problem. For God to appear in your dream, you must:

1. **Become God's friend:** Daniel was a friend of God. Moses was a friend of God. Joseph was a friend of God. You must become God's friend like Enoch. Enoch was so close to God that God took him away and He did not allow Enoch to die. It is a tragedy to become a friend of the devil because

the devil is out to destroy. When God is your friend, He will come to talk to you regularly.

2. **Deal with your thought life.** You must deal with your dirty and stinking thoughts.
3. **Clear away excess baggages of sins.** It is difficult sometimes but you must clear it away, for the sake of your destiny.
4. **Ask God for a divine dream.** Once you have encountered God and He has spoken with you, no human being can oppose you, unless that person wants to die.
5. **You must cancel your bad dreams.** What normally brings bad dreams is sin, so you must cancel and kill all your bad dreams. If you have sex in the dream, it is a bad dream, because sex is made for physical life and not dreams.

If you constantly eat in the dream, it is a bad dream, you must kill that dream. When you see yourself being bitten by animals in your dreams, then your enemies are against you. Any dream of a serpent is a bad dream. Deal with such dreams thoroughly.

The last step towards meeting God in your dream is to kill the bad dreams. Life is like a container; what you put inside determines the destiny. Make use of your good dreams today. Kill the bad dreams. Reinvent your destiny through dreams.

PRAYER POINTS:

1. Enemies of my Joseph's dream, die, in the name of Jesus.
2. Anti-progress dream, die, in the name of Jesus.
3. O God arise, appear in my dreams, in the name of Jesus.
4. Every power that wants me to suffer what my parents suffered, die, in the name of Jesus.
5. I fire back every arrow fired into my brains, in the name of Jesus.

CHAPTER 5

YOUR FUTURE AND YOUR DREAMS

"And he said, Hear now my words: If there be a prophet among you, I the LORD will make myself known unto him in a vision, and will speak unto him in a dream". Num 12:6

God speaks through dreams. He communicates with us in dreams. It will be a wonderful experience if God can speak to you in your dreams. God is not talkative. He does not waste His words. He means what He says and He says what He means. There is a man in the Bible called Jacob. The Bible says:

"And Jacob went out from Beer-sheba, and went toward Haran. And he lighted upon a certain place, and tarried there all night, because the sun was set; and he took of the stones of that place, and put them for his pillows, and lay down in that place to sleep. And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it. And, behold, the LORD stood above it, and said, I am the LORD God of Abraham thy father, and the God of Isaac: the land whereon thou liest, to thee will I give it, and to thy seed; And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed. And, behold, I am with thee, and

will keep thee in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of And Jacob awaked out of his sleep, and he said, Surely the LORD is in this place; and I knew it not".
Gen 28: 0-16

Jacob was a man who was in a mess. He ran away from home for fear of being killed. He ran away from a man called Laban. Laban was a fraudulent man. Laban dealt with Jacob. He changed Jacob's salary ten times and gave him the wrong wife. Jacob was confused and at that point, he had a dream. If your life is in a mess, God can come to you in your dream with a solution. God revealed the destiny of Jacob to him in his dream. Jacob had a dream that changed his life forever.

THE MASTER DREAMER

The most popular dreamer was Joseph. The Bible says:

"And when his brethren saw that their father loved him more than all his brethren, they hated him, and could not speak peaceably unto him. And Joseph dreamed a dream, and he told it his brethren: and they hated him yet the more. And he said unto them, Hear, I pray you, this dream which I have dreamed: For, behold, we were binding sheaves in the field, and, lo, my sheaf arose, and also stood upright; and, behold, your sheaves stood round about, and made obeisance to my sheaf And his brethren said to him, Shalt thou indeed reign over us? or shalt thou indeed have dominion over us? And they hated him yet the more for his dreams, and for his words. And he dreamed yet another dream, and told it his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me. And he told it to his father, and to his brethren: and his father rebuked him, and said unto him, What is this dream that thou hast dreamed? Shall I and thy mother and thy brethren indeed come to bow down ourselves to thee to the earth? And his brethren envied him; but his father observed the saying". Gen 37:4-11

Joseph had a dream that showed him his future. He saw his future and it was that

dream that guided his future. When his brethren threw him into the pit, he knew that was not the end of his destiny. Through this Bible passage, you can see that the Almighty communicates through dreams. The Bible says:

"But while he thought on these things behold, the angel of the Lord appeared unto him in a dream, saying, Joseph, thou son of David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Ghost". Matt 1:20

"But when Herod was dead, behold, an angel of the Lord appeareth in a dream to Joseph in Egypt", Matt 2:19

JESUS AND DREAMS

Jesus Christ was taken to Egypt because of a dream. It is good to know that when Jesus left Israel, he came to Africa. The Bible says:

"But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams". Acts 2:16-17

The Bible makes us to understand that there will be Holy Ghost-inspired dreams. If you begin to have Holy Ghost-inspired dreams, there is no way you will not overcome or overshadow your contemporaries. If you begin to communicate with God in your dreams, by the time you wake up, your ideas will change positively.

By the time a person is 60 years old. He would have slept for 20 years. One third of a person's life is spent sleeping. Dreams are visions during sleep and it is sad to abandon what occupies one third of one's life. A dream is a revelation to man of a portion of the activities of the spirit realm. A dream is a spiritual monitor that tells you what is going on in your life in the spirit realm. I can tell you that 99 percent of the revelational knowledge you need to overcome your problems can be received in the dream. God can reveal everything to you in the dream. To be informed is to be transformed. As you have knowledge, you will begin to

recover.

VEHICLES OF REVELATION

Dreams are means of revelation and it is a central way God has chosen to communicate with you.

Through dreams, God can convey to you the plans of your destiny. God can convey to you the destiny of your family, your nation and your career. In these last days, dreams are part of prophetic outpouring of God's power upon His people. Your Joseph's dreams must come to pass. The dream of Joseph took him from prison to palace. Any man who is in a mess needs to dream the dream of Joseph. Any man who wants uncommon success must have his own personal Joseph's dream. Your Joseph's dream allows you to see your future. Your Joseph's dream is the heavenly picture of your destiny shown to you. Your Joseph's dream is the awareness of what you are supposed to be, but you are not. Your Joseph's dream is the divine goal planted into your spirit. Your Joseph's dream is your divine destination on earth.

THE MOUNTAIN TOP

Your Joseph's dream is the mountain top from which you can see your destiny from afar. Do you have a problem in your life? You need your Joseph's dream. Your Joseph's dream is the light that will shine in your way when you are in a valley of difficulty.

A sister prayed and had a dream where God brought her two-year-old son and also a 20-year-old young man. Both of them were placed side by side. God said to her, "This your son, in the next 20 years, this is the way he will be. When he clocks 20 years, he will engage in what he is not supposed to, and he will end up in a bad life. But if you don't want him to be like this, there is a friend of his that comes to look for him, stop that friend from seeing him". The sister woke up and took heed of what the Lord said. Later, at about 20 years of age, the boy that the sister stopped from coming to visit his son was shot at the bar beach for armed robbery. If the boy had followed this friend, it would have been a tragedy for the woman and her family.

YOUR REAL DESTINY

Your Joseph's dream is the embodiment of your destiny. You need your Joseph's dream because there are treasures in the market place of your life you need to discover. In the last days, God's people shall dream divine dreams and you must key your way into this. The Lord whom you serve shall suddenly come into His temple.

Many years ago, when I was still in school, we had a course called Organic Chemistry. This course was very difficult. A test was given at the end of the year. This course was in two big notebooks. The first note book was very filled. The second was about half-filled. We were supposed to write exams. But before the exams, I had a dream where I saw an angel of God in white garment. He brought two notebooks to me. He kept notebook one at the back and gave me notebook two. I forgot about the dream. One day, I went for lectures but unfortunately, somebody stole my notebook one. There was nothing to read for the examination for the part.

MY EXPERIENCE

I panicked because nobody was ready to give me a copy of the stolen notebook. I went home dejected. But I took my second notebook and I began to read and also prayed. Then the Lord reminded me of my dream. That was how I read only notebook two. On the day of the exam, question papers were distributed, but to my surprise, none of the questions came out from notebook one, which was double of notebook two that I read. At that level, I felt sorry for the man that stole my notebook one.

A dream can chart your ways, guide your steps and give you information about your destiny. It is the will of God that you dream the dream of your destiny, but it is the agenda of the enemy for you not to have such dreams. Some people have nightmares instead of divine dreams. Some even have dreams that will move them backwards instead of dreams that will take them forward. Every dream has a message. There is no dream that does not have a message. You need to be a friend of the Lord, so that He can communicate to you in your dream. If you are a friend to iniquity and sin, those are things you will see in your dreams. Make friends with God and you will to begin to have divine dreams.

PRAYER POINTS:

1. Enemies of my Joseph's dream, die, in the name of Jesus
2. Dreams that will change my life, manifest, in the name of Jesus.
3. Dreams of detention and demotion, die, in the name of Jesus.
4. My Jacob's dream, arise and located me, in the name of Jesus.
5. Witchcraft appearance in my dream, you are a liar, die, in the name of Jesus.

Battle Cry Ministries... equipping the saints of God

God Bless.

ABOUT THE AUTHOR

Dr. D. K. Olukoya is the General Overseer of the Mountain of Fire and Miracle Ministries and The Battle Cry Christian Ministries.

The Mountain of Fire and Miracle Ministries Headquarters is the largest single Christian congregation in Africa with attendance of over 120,000 in single meetings.

MFM is a full gospel ministry devoted to the revival of Apostolic signs, Holy Ghost Fireworks, miracles and the unlimited demonstration of the power of God to deliver to the uttermost. Absolute holiness within and without as spiritual insecticide and pre-requisite for heaven is openly taught. MFM is a do-it-yourself Gospel Ministry, where your hands are trained to wage war and your fingers to do battle.

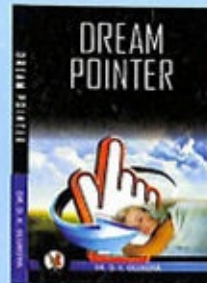

Dr. Olukoya holds a First Class Honours degree in Micro-Biology from the University of Lagos and a PhD in Molecular Genetics from the University of Reading, United King. As a researcher, he has over seventy scientific publications to his credit.

Anointed by God, Dr. Olukoya is a prophet, evangelist, teacher and preacher of the Word. His life and that of his wife, Shade and their son Elijah Toluwani are living proofs that all power belongs to God.

ABOUT THE BOOK

Satan is the master of deceit and is still in the business of misleading people. But God says when we call upon Him; he will show us all we need to know. He can guide us through dreams and keep us out of danger.

This book teaches us how to wage war against destructive dreams and gives us prayer points that will crush every poverty dream in our lives.
