

Babylon Harlot Of All Harlots 5-19-25 @ 1:42PM

“Oh, Lord, I love You. I praise You, I submit to You. You’ve called me here to pray. If You have something, I’m here.” “The time has come, Daughter, to further separate the sheep from the goats, and the fat sheep from those that’s been abused and trodden. My dividing line has been drawn for quite a while now. It takes true repentance of heart to be pure and spotless before Me. I say TRUE repentance of heart, in which there is a change afterwards in your life.

I send destruction. I send righteous destruction upon a godless world and nation, your nation of Babylon. Can you see it, O World, how I’ve divided prideful Babylon? Take notice. Take notice, or you will be next. Can you not see where they’re trying to pull a string here and a string there, trying to hold it together to keep Babylon from crumbling?

Economically, she has already collapsed. I told you this, Daughter. I told you famine was coming. I told you, Daughter, I warned My people; I warned through other children than just you. Did they listen? Some.

The water is about to become tainted, Daughter. The water is about to become poisoned. Do not fear, My children, what they put in the atmosphere. When you trust in Me and My blood, you are safe. The enemy is trying to cast a fear, a veil of fear, upon this world; shadowing over it with all these things that they’re doing. Yes, they’re doing, but My blood, My Name is enough to destroy the works of the enemy’s hands. And they know it.

Many people warning saying they’re warning in My Name, warning to prepare My people, are trying to rouse fear. Fear. Fear causes torment. Fear shatters. Fear causes the mind to not work correctly. Fear is a spirit, a foul spirit from the pits of Hell—a demon. Though there are many that operate in the spirit of fear, having mastered many talents of deception and lies and things that would tear down My people, My creation, My beloved mankind.

When My children understand, truly understand the power in MY NAME, I have been given a name above all names. I Am GOD. I Am My Father’s Son; We are One, yet We are separate. So within Me lies the power of the Living GOD. I Am His Son.

These things will be exposed; do not fear what’s in the fog. Do not fear what’s in the contrails, the chemtrails. Do not fear what’s in the water. Do not fear what’s in the food. Bless it and give thanks in My Name, and eat. Eat knowing that I will take care of you and I will preserve you. Because, children, you’ve been eating this for many, many years and you did not realize it.

Manipulation in the food supplies, manipulation in the water, manipulation in the drinking of all that you drink. Manipulation in the earth, so that even things, beasts such as cows, goats that give you cheese and milk, chickens for eggs, their meat; all mutated, all modified. There’s nothing left but blessing and thanking Father God and Me for what you have to have pure, unadulterated food and drink; air to breathe. Your air is poisoned, I told you this. Your air is poisoned. But My children can breathe deeply into their lungs and have the pure air like I created it, if they will walk in faith in My Name and believe I’m able to do this for them. I will meet you at your faith. I will meet you at YOUR faith.

Cast down fear. Cast down fear, bind it, and cast it away from you because, My children, you are more than overcomers, but you have to walk in the power of My Name and let the Holy Spirit, My Spirit, My Holy Spirit that was in Me. My Father's Spirit, rise up in you and lead you and guide you. Quit trying to do this on your own. Quit trying to figure it out. Quit trying to discern if I'm real or not. I am real. I Am real. I Am the Savior of this world and what I mean by quit trying to discern; you know I'm real, but then you go back in your mind and say, "Can He do that? Will He do this for me? Will He?" I Am GOD. I Am My Father's Son. My body was created with His DNA. He is Me and I Am Him. I Am the Word made into flesh; therefore when I speak it is done. I do My Father's will.

Hear Me children:
Quit wavering.
Quit wavering.
Quit wavering.

I have warned you to prepare. I warned you that war is coming to Babylon and other places. Many of you had started and then because it has not started yet, the war and all these things, you've stopped. Now you'll have to pay higher prices just to get a small supply. You are foolish for not trusting Me. Did I not show Joseph and Pharaoh 7 years of plenty; 7 years wanting? You're about to go into the 7 year Tribulation and there will be want and leanness like never before. Especially for you, Babylon; especially for you, My harlot bride.

But I will still, I will still show compassion and love on those who will return to Me and those that come for the first time after they realize they've missed My return, because I love all My children. I love all My creation. If not for those of My obedient children who began preparing, not knowing if they would be here or not, whether it's for the Left Behind, as you call them Daughter, or the Tribulation Saints, however you want to call them; you would be without food. You would be without water. You would be without drinks. You would be without a place to stay, unless you hide in the caves, and that's the first place they're coming for.

My children who have prepared and are Bride-Ready, I say: Thank you. Thank you, because I will take and I will bless like I did the loaves of bread and the fishes. Some of your places I shall hide and use as safe camps, even in Babylon, till the time they're removed in what you now call the Second Exodus before Babylon sinks. And I WILL sink her. She is filthy; she is lewd. She has led the whole world astray in her adulterous ways. I see what you do to the children! I see what you do to the trading of souls. I see what you do with the deception and witchcraft, O Babylon, Harlot of all harlots. Your destruction has already begun.

President Trump is trying to pull, to hold the whole nation together by shoestrings, and I'm burning them on both ends. Cause I Am GOD and you shall surely fall, Babylon-America. Get your house in order and be prepared, I say, O America, O Babylon. You shall have fireworks, but not the kind you expect before the 4th of July. You shall not celebrate another Independence Day in freedom. You will not, O whorish Babylon.

I'm about to stop all supplies coming into Babylon. Children, hear Me. I'm about to stop ALL supplies coming into Babylon. And your nation's in distress in so many ways trying to grow gardens in soggy water or no rain at all. Just one of the many things that's come forth. Read My Word. Read My Word. Read My Word and see what happened to Israel and to Judah, and you will know this is fair and just because you're far worse than they ever were, O Babylon. Before you get into the 2nd year of Tribulation, Babylon, your people will be eating other people. This is, this is the curse that comes when a nation forgets Me, their Holy GOD."

Please take this to Jesus Christ in prayer. Try, test, and discern it.
