

## Walking in His Righteousness

It is his righteousness that makes us holy but to keep ourselves clean and spotless in my understanding is by walking in humble obedience to Jesus Christ and letting him lead our paths. (Proverbs 3:5-6) (Micah 6:8) We must put him first in our hearts above all others and love him above everyone and everything. (Mark 2:30) (Matt. 10:37)

We need to seek him in all our ways and repent when the Holy Spirit shows us a wrong or sin we have committed. (Matthew 6:33, Proverbs 8:17) We know in his word that even Christians can sin and need to repent or 2 Chronicles 7:14, Lamentations 3:40 & Revelation 3:19 wouldn't be found in his word. All are proof that we as humans at times may fall into sin. If this happens then we need to get back, run to Jesus and start again.

We as Christians are called to crucify this flesh and not walk in its lustly desires. (Galatians 5:4, Romans 5:12-13) We do this by resisting satan and the dark kingdom after submitting ourselves to God in Jesus Christ's mighty name. (James 4:7-8) We need to continually be praying and building our personal relationship with him. It's imperative.

Jesus Christ is our friend and just like any kind of friendship we need to talk with each other or we can become alienated from one other. (John 15:15) Study his word. (2 Timothy 2:5) Read it out loud or listen to it by cd or a Bible app. Faith comes by hearing and hearing by the word. (Romans 10:17) This will help build up our most holy faith in him. (Jude 1:20)

In addition, we will get to know our Savior more and more through his word because he is the word made flesh. (John 1:14) But in all these things we still need to pray in Jesus Christ's wonderful name and ask the sweet Holy Spirit to show us, for each individual's life, what we need to do to please him in all our ways and to walk humbly before him in his love. (John 14:26; 16:13)

All this is possible if we simply ask Jesus to help us in his name, then follow what he has to say. And that my friend is found written in the pages of his holy word, our Holy Bibles. I pray this helps. I included the verses as the Lord has led me to do so all can stand on them if they so choose. But please don't just use these alone. Search out his word for more because inside the beautiful pages are promises upon promises for those who truly love and serve him. Please pray about this and see how our lovely Jesus Christ leads you. God bless. Stay under his blood always.
