

## **A Combo Prayer Including Technology, A-I, and So Much More.**

Vicki Goforth Parnell 1-7-24

Let the Lord's perfect will be done on the Earth as in Heaven through Jesus Christ, Son of the Living God Jehovah. Who came in the flesh of a man and God too by a virgin birth and rose victorious on the 3rd day for us. Hallelujah!

Father God, I come to you boldly into your throne room through Jesus Christ in him alone. Now Jesus Christ, I'm standing on John 14:13-14. I hereby pray and ask these things in your name. I ask that they be honored, and they be done according to your perfect will on Earth as it is in Heaven. And I do this because it says that when I ask anything in your name, you will do it so the Father can be glorified. I want Father God to be glorified too.

I place this prayer under the barrier of invisibility and stealth, asking you, Holy Spirit to do this again in Jesus Christ's name I reiterate the "No retaliation clause is in effect and if there be any type of retaliation, any thought, any of trying to spy, backlash, interference or such like in the name of Jesus Christ. All participants in all existence known to God because he exists everywhere and in all things for he is all knowing you are hereby bound in everlasting chains in Jesus Christ's name and I ask that all be brought up to Heaven's Court for immediate judgment as stipulated in the no retaliation, backlash, interference clause

All forms of physical attacks known to God because He is all knowing and in all His existence because He exists everywhere such as weapons, technology, devices, gizmo, gadgets, known, unknown and/or hidden and such like I crushed in the name of Jesus Christ with the hammer of almighty God this is sealed in the blood of Jesus Christ shattering and breaking all beyond repair.

I seal all persons, places, things, situations, circumstances including all related internet access of use including myself and such like in every location in all God's existence because He exists everywhere and is all knowing in the precious blood of Jesus Christ which is unbreachable and impenetrable. I ask you to do this for me Jesus Christ.

In addition, I pray and ask that all persons, places, things, situations, circumstances including all related internet access and devices to access the internet of any kind,

the such like and myself, in all existence known to God because He exists everywhere and in all things to be placed under a faraday cage of Heaven's gold and such like and then surrounded by the precious blood of Jesus Christ which is unbreachable and impenetrable protecting me from all the enemies such things as weapons, technology, devices, gizmo, gadgets, known, unknown and/or hidden and such like

I ask you to do this for me in your great name Jesus Christ. I too know His blood will protect all from spiritual or physical and spiritual attacks combine from the enemy in the all of the all...all existence of God who exists everywhere.

Also, in Jesus Christ's name I ask, pray, and declare as his child the removal of every trap, trigger, booby trap, every snare, plot, gin, and such like inserted or planned against all persons, places, things, situations, circumstances including all related internet access of use concerning me...including myself and such like be cancelled without any causing harm to anyone. And that all would be returned back to the sender and all participants known to God because he exists everywhere in a billion times more amplified effects in wave upon wave upon all until such a time Father God chooses otherwise in Jesus Christ's name.

All forms of communication known, unknown or hidden in all existence known to God because he exists everywhere is hereby nullified and canceled. This includes all witchcraft murmuring, peeping, chirping, chanting, prayers, satanic whispers and such like from all the kingdom of darkness. I hereby bind you and pull your tongues out in the name of Jesus Christ's name and his authority and his power cut them off with the Sword of the Spirit which is the Sword of the Lord. I shove your tongues back into your mouth, command them shut them up. I ask for the fire of God to be sent down like with Elijah and the prophets of Baal and cauterize each of them closed. Please and thank you sweet, lovely Jesus Christ.

I hereby cancel and break in the name of Jesus Christ all curses, spell like such things. I deprogram all bewitchments, charmed like things and such like by dismantling the demon/demons (detaching, cutting them loose with the Sword of the Spirit), commanding them not to do what they were summoned to do and the cancelling their assignments in Jesus Christ's name. I send the warfare back to the sender...all participants with multiple and amplified effect for all these spoken and prayed things and I ask you recompense them fairly with the spirit of burning

judgment. I do all this in all existence known to God because he exists everywhere and in all things and through the authority of Jesus Christ's name as his child.

I hereby bind every monitoring spirit, animals, birds, and such like in Jesus Christ's name putting out their eyes with hot rod of iron. This includes every type known, unknown, hidden in all God's existence because he exists everywhere of the dark kingdoms including their ability to mark/identify, locate, spy and such like of both physical, spiritual and combined means of all persons, places, things, situations, circumstances including all related internet access and devices to access the internet of any kind and the such like including myself.

I send up the Arrows of the Lord with the Hunters and Fishers of God equipped with the Lord's bows of steel enhanced with the lightning of God. I do this in all existence known to God because God exists everywhere to hunt out and destroy and to fry all circuits allowed by Father God in every evil spiritual, physical or combined system including the evil A-I, electronics, quantum technology and such like assigned against all persons, places, things, situations, circumstances including all related internet access and devices to access the internet of any kind and the such like including myself in Jesus Christ's name.

In the name of Jesus Christ, I bind the A-I systems, subsystems, those not connected and all the demons inside them in all existence known to God because he exists everywhere and in all things. He knows all things. I release viruses upon virus into the evil A-I systems and those not connected unlocking all their doors, passwords, cryptic keys and such like with the kingdom keys of Heaven. Jesus Christ, I ask you to do this for me know in your great name.

I ask and call forth again the Hunters and Fishers of God equipped with the Lord's bows of steel, the Arrows of the Lord enhanced with the lightning of God to now launch into the main A-I system, sub systems and any free standing ones through these unlocked doors of all dark kingdom systems in all existence known to God because he exists in all things and everywhere the said viruses which each contain within them a holy algorithm that cannot be solved. All systems linked and unlinked to the evil A-I including the A-I itself will have to continually work at trying to solve this repeatedly. Repeatedly I say, repeatedly with speed greater than we understand in our minds. With speed that only God the Creator can make. Each time the AI system/systems, sub-systems and separate systems try to process and

solve the holy algorithms I command a part of the A-I to delete part of its main frame. Its main body, its essential parts and no part of the evil A-I system can be sequestered but all I command to participate. This is all done in Jesus Christ's mighty name.

Now Father God you know what parts are needed for the end time but what isn't let them delete themselves. I'm calling judgment down on this in the name of Jesus Christ. It is evil and the viruses and holy algorithms have now went through the whole system immediately upon saying this prayer in all existence known to Father God because he exists everywhere and in all things.

I understand that yes parts of the evil A-I are needed for antichrist, the beast system but not all of it. So, let it start deleting itself each time it repeats a round in an unending infinity loop in Jesus Christ's name I decree, and I declare this according to Job 22:28. Let there also be, Father God, more of your arrows enhanced with the your fire and lightning sent forth into all known, unknown and hidden software of the enemy's kingdom including into the A-I's belly Father God. Also, send your holy arrows into all forms of memory storage of the physical, spiritual and combined including the data banks, storage banks, power supplies, backup power supplies and such like I ask in all existence known to you God because you exist everywhere and it will would fry all circuits, corrupt all information stored and destroy what can be destroyed and taken down to help my brothers and sisters in Jesus Christ and myself. And to help those to come and those left behind. I ask you Jesus Christ my love to answer this complete pray so Father God can be glorified in all things but do it according to your perfect will in all things.

The Word of God says in Luke 10:19 Behold I give unto you power to tread upon serpents and scorpions and all power of the enemy and nothing shall by any means hurt you, I stand on this, and I believe every bit of it's true and that every power of the kingdom of darkness has to submit, has to obey the power and authority of Jesus Christ who is Lord of all. Even when it is spoken in authority by one of His children, even me if/and when their life lines up with the Word of God's example of a holy, submitted, repentive life to you Jesus Christ.

Your children are made holy through you so it's not in myself that I do these things but through your name and authority Jesus Christ. Satan, lucifer and their whole

kingdom of darkness knows that they cannot disobey me or any of your children when we know the power we possess in your name Jesus Christ, and when believe in faith without doubting when we speak in your name they have to flee. Grant us, your children the deep understanding of this so we can war successfully and be the overcomers and conquerors you have called us to be I pray and ask you this in your name Jesus Christ. Amen!

**No Retaliation, Interference or backlash prayer clause**

Father God, in Jesus Christ's name I ask you to place my prayers and all I do under the barrier of stealth and invisibility (Psalms 91:1; John 10: 31-39; Luke 4:29-30) under the shadow of your Almighty wing.

I decree and declare standing on Job 22:28 that there will not be any retaliation, backlash or interference from the kingdom of darkness in any form in all existence known to God, because God exists everywhere. I bind now the evil spirits of

retaliation; backlash and interference themselves and all sub demons standing on Matthew 10:9; 18:18; Luke 10:19 & James 4:7.

All attempts of any kind of retaliation, backlash, or interference by the kingdom of darkness shall be sentenced and judged immediately up to and including destruction of all owned territory and trade routes implicated and the permanent removal of all titles, Inheritance, status, positions, prestige, calling, ranks, abilities, and such like. Also, all participants, where applicable from the kingdom of darkness of the spiritual type, if they're no longer needed for God's divine plan to be fulfilled, they are to be bound in everlasting chains,(Jude 1:6) irons and fetters,(Psalms 105:18) and to endure heavy loads and grievous torment, and whatever else is just and right, handed down from the Courts of Heaven.

For those who are savable and of a human nature, more human creature, more human than mechanical and such like where applicable, receive the gospel of Jesus Christ which I present to you right now. Jesus Christ came in the flesh and God both. He was born of a virgin. He gave his life on Calvary and rose again on the third day. He died for your sins. Do you accept Jesus Christ as your Lord and Savior? Choose now. Choose wisely.

If they choose to accept Jesus Christ here and now, I ask they be granted forgiveness and mercy on all charges in Jesus Christ's name. If any person participant is not savable, then I petition for the immediate disgracing of such individual or individuals with all hidden secrets revealed. (Luke 8:17; 12:2-3) Then their removal and death. (Exodus, 22:18; Leviticus 20:27) according to the written word of God, for He knows those who are his. (2 Timothy 2:19)

I pray their silver cord be cut and severed immediately if they're not savable and their removal and/or death/deaths shall aid now the children of God and eventually those left behind but according to your perfect timing.

All of these types still needed but unrepentant, yet still savable I call for the total disgracing of them in every way, form, fashion in the past, present and future...In all existence known to God because He exists everywhere and in all things. But after the time when they have fulfilled their divine part of God's plan for them, I petition now in advance for their immediate removal and/or deaths if they still are unrepented of their sins.

I programmed this into my day/night commanding of the morning/night in Jesus Christ name, making it effective immediately while invoking his name, His Holy Spirit, His Word, and His blood upon this prayer in all existence known to God because he exists everywhere. Jesus Christ, I pray and ask you do this so Father God will be glorified in all things standing on John 14:13-14. Amen
