In addition these physical attacks can be sent with witchcraft attached. If it's a curse, hex vex, and such like or it can be charmed, bewitched, have familiar spirits, chaos and such like attacks which means once the attack is launched the demon/demons sent with it doesn't return but stays with the target. They are then able to pollute the atmosphere, cause havoc and chaos to that area,

person, family and such like in all areas of the person's life. These attacks usually affect all related directly, indirectly and randomly.

Any device, attack and such like that have the higher witchcraft attacks such as charms and such like, these attacks will need to be deprogrammed/dismantled. See instructions below:

Here's how in Jesus' Christ's Name you deprogram/dismantle charms and such like:

1. I dismantle your demon/ demons by cutting the cords. (This means you are detaching the demon/demons attached to it. (Also you can say I cut the cords in Jesus Christ's Name.) Psalms 129:4
2. I declare in Jesus Christ's Name the demon/demons will not have access or do what they were summoned and sent to do. Job 22:28; Luke 10:19
3. I cancel their assignments and bind the demon/demons in Jesus Christ's Name and then cast them into the abyss. Job 22:28; Jude 6; Matthew 18:18
