FAITH for HEALING

INTRODUCTION

In these end-times, the devil is afflicting many people with all manner of sicknesses and diseases. Strange diseases are ravaging people all over the world. But the will of God for His children is good health and not sickness. To be in a state of good health, we need faith. Faith will make us to believe what God has said in His word. This book teaches us the principles of faith that we can key into and remain healthy.

CHAPTER ONE

FAITH FOR HEALING

Faith is very important, as far as divine healing is concerned. It is so easy to talk theory, but it is the practicality of it that matters. In Mark 9:18, a certain man was complaining to Jesus about his son. He said,

"And wheresoever he taketh him, he teareth him and he groaneth, and gnasheth with his teeth, and pineth away; and I spake to thy disciples that they should cast him out; and they could not." -Mark 9:18

That was his complaint to Jesus. In verse 23, Jesus gave him an answer.

"Jesus said unto him, If thou canst believe, all things are possible to him that believeth. And straightway the father of the child cried out, and said with tears, Lord, I believe, help thou mine unbelief."

-Mark 9: 23-24

What he was saying was this, "If my faith has been battered by problems, and has become low, help me." This passage exposes the faith problem which troubles many Christians. Actually, the problem is not the presence or absence of faith, rather, it is a struggle between positive faith and negative faith; between belief and unbelief.

The truth is that everybody has faith, the difference is how the faith is used. If you do not have faith, you will not buy a tin of milk from the market without asking them to open it. You believe that when you take it home you will see milk inside, so you have faith. The fact that you sit down on a seat without checking whether you will fall down or not means that you have faith. So faith is like the gear in your vehicle, which can be shifted forward or backward. It depends on where you are shifting your own. When you shift it forward, you are exercising positive faith and when you shift it backward, it does not go anywhere.

What does that mean? It means on Monday, you have powerful faith, by Tuesday, the faith is gone, by Wednesday, you have a large one again, and by Thursday, it is gone. Friday, you have it, Saturday, it is gone, Sunday, you have it, forward and backward. Such a person will not go anywhere. That is why the Bible says that a doubter is like the waves of the sea, tossed here and there. It then made a very fearful pronouncement: "Let not such a man think that he can receive anything from the Lord." You do not have to draw up more faith or try and pump it up until it is a very big size.

Faith simply means, believing what God has said in His word and that He will do what He has said. It is having the confidence that God will keep His promises. Negative faith has many forms:

- **1. Fear:** Fear is a forerunner of calamity, the creator of bad things. It brings captivity, confusion, frustration, inner conflict, tension and defeat. It is the favourite weapon of the enemy It is negative faith. You have faith, no problem, but you are exercising it in the reverse direction.
- **2. Doubt:** Another form of negative faith is doubt. This one is cruel and destructive. When there is trouble, a doubter blames God. When there is blessing, a doubter will fear whether it will last. As you are reading this book, you have sufficient faith to heal you of any sickness. It depends on whether you are going forward or backward, or whether it is negative faith or positive faith. The Bible says that faith without works is dead; meaning that you must act on the word of God and do what God asks you to do. Faith must be expressed in action.

You do what God tells you to do and then expect Him to do His own side. It was Noah that built the ark, but it was God that flooded the earth. It was Moses that stretched out the rod, but it was God that parted the waters. It was Joshua and his people that marched around Jericho, but it was God that felled the wall. It was Elijah that smote the water, but it was God that parted the water. It was Elisha that threw the stick into the water, it was God that made the axe head to swim. It was Naaman that dipped himself into the water seven times, but it was God that healed his leprosy. So you do your own part and He will do His own part. Do not come to a meeting expecting nothing to happen. You come with expectation, believing that you will receive what God has promised in His word.

Many people confuse feeling with faith. Feeling has nothing to do with faith. Our healing is not dependent on how we feel, but what God has promised and what His word declares. There may be no immediate sign of healing when you pray to be healed. But as soon as you are exposed to the healing power of Jesus, your healing has come. When you begin to say, "God has healed me, and by His stripes I am healed", His healing power will be released. It is now your turn to set your faith loose. Activate your faith so that you can touch the hem of His garment. You may ask, how can I activate my faith to be able to drink the medicine from above? I will tell you.

Know that the Bible says that God has given to every man some measure of faith. The fact that you have picked up this book shows that one way or the other, you believe that there is power in the Lord Jesus Christ. That is sufficient to get you through. But if you are going to expect something dramatic to happen before something supernatural happens to you, then you will be hindered.

HOW TO ACTIVATE YOUR FAITH FOR HEALING

1. See yourself the way God sees you. You should say like Apostle Paul: "I can do all things through Christ which strengthens me." That is how God

sees you. You may be looking at yourself some other way. Paul could see what God was seeing. God does not see you being hospitalised, He does not see you roaming about with infirmities and diseases. He sees you as a person who can do all things. You need to see yourself the way God sees you. God can see a person one way and the person could picture himself another way. One of the outstanding statements of God was to Saul. He said, "Though you are small in your own eyes, but I have exalted you to be the king of Israel. I made you king and blessed you." See yourself the way God sees you.

2. Replace every fear with love and power.

"For God hath not given us the spirit of fear but of power, and of love, and of a sound mind."
-2 Timothy 1:7

Replace the thoughts of fear with thoughts of love and power. That is, replace every thought of sickness with thoughts of health. Replace every thought of death with thoughts of life. Visualise your healing, see yourself strong and well. See yourself absolutely whole, from the top of your head to the soles of your feet.

- **3. Take your burdens to the Lord and leave them there.** Take those burdens to the Lord today and leave them there. Believe that He alone can best handle your situation.
- **4. Confess your healing with your own mouth.** You speak it with your own mouth. Confess what the Lord has done in your Life with your mouth. Say it to anybody who will care to listen. This is how we can light up our faith.
- **5. Be obedient.** There is something called, the obedience of faith. When God says, "Do this," just do it, do not rationalise or analyse His word. Do not even think about the history of the problem, because if you do, you will reduce the effectiveness of the power of God in your life.

"The Spirit of the Lord is upon me, because he hath anointed me to peach the gospel to the poor; he hath sent me to heal the broken-head, to bring deliverance to the captives, and recovering of sight to the blind. To set at liberty them that are bruised. To peach the acceptable year of the Lord." -Luke 4:18-19

It is exciting when a blind person sees. But know for sure that there are many kinds of blindness. There is no blindness as bad as spiritual blindness. Take your burdens to the Lord today and leave them there. No matter the hard blows you have received, His power sets at liberty them that are bruised.

The first thing to sort out is spiritual sicknesses. If you do not do that, the physical healing will not come. Therefore if as you are reading this book you are not born again, that is, you have not given your life to Jesus, it is time for you to do so. You have to do so as a first step towards enjoying God's divine blessings.

PRAYER POINTS

CHAPTER TWO

HEALING FROM CHRIST

Beloved, the Bible is a healing book. It teaches without doubt that God wants to heal you. Whenever healing prayers are being said, do not take anything for granted because in so many lives, the seed of infirmity has already been planted. It may not have grown to a level where you can recognise it. But if you kill it at the seed stage, it will not develop into anything. Although a serpent is very dangerous, a small boy can destroy it at the egg stage. But once it becomes a big python, then it becomes a problem. Therefore I healing prayers are both preventive and curative.

THE HEALING BOOK

The Bible is a healing book, it depends on whether you believe it or not. God has said in His word that He would heal you, do you believe His word? If you believe God then you have to co-operate with Him for your recovery. This is why some people say, "God said it, I believe it, I receive it."

TERRIFIC POWER

There is terrific healing power in the word of God. The Bible says,

"My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh."

-Proverbs 4:20-22

Another version of the Bible says, "... And medicine to all their flesh." You find this spread out through scriptures. That was in the Old Testament. Now, we have a better covenant.

In fact one out of every seven verses in the gospel is about healing. Jesus Himself devoted, two-thirds of His time ministering to the sick, all kinds of sicknesses, ranging from spiritual leprosy, which is a sin, to physical sicknesses. Look at these powerful scriptures,

"How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him." Acts 10:38

"When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick: That it might be fulfilled which was spoken by Esaias the prophet, saying, himself took our infirmities, and bare our sicknesses."

-Matthew 8:16

"And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people."

-Matthew 9:35

"But when Jesus knew it, he withdrew himself from thence. And great multitudes followed him, and he healed them all." -- Matthew 12:15

THE HEALING BOOK

God's word is filled with healing, from cover to cover.

"And said, If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee."

Exodus 15:26

This was a life-saving guarantee to the Israelites. This promise was so effective that many years later, David could say,

"He brought them forth also with silver and gold: and there was not one feeble person among their tribes." Psalm 105:37

None of them was sick.

Prophet Isaiah declares, as follows:

"Is not this the fast that I have chosen? To loose the bands of wickedness, to undo the heavy burdens, and to let the oppressed go free, and that ye break every yoke?" Verse 8 says, "Then shall thy light break forth as the morning, and thine health shall spring forth speedily: and thy righteousness shall go before thee; the glory of the Lord shall be thy rereward." Isaiah 58:6

DEATH IS INEVITABLE

If Jesus tarries in coming, all of us will have to die one way or the other. It is very sad sometimes when you see some people doing things that can shorten their lives. When you warn them against it, instead of repenting, they say, "Please leave me alone, one will surely die of something." If somebody has to die of something must you speed up the death? Remember that life does not belong to you.

As a believer, even if it is time for you to die, you are supposed to depart in peace because His servants must depart in peace. I do not believe that a child of God has to be rolling on the floor, crying in pains, or going all over the place suffering before he dies. If you die out of persecution for Jesus, fine. You do not have to be terribly sick before you die.

The best way to die is for you to close your eyes here, and open them in heaven. So disease is not necessarily for death. A righteous person can lie down to sleep and wake up in heaven. That is why the Bible says,

"Thou hidest thy face, they are troubled: thou takest away their breath, they die, and return to their dust." Psalm 104:29

Money cannot buy you health. It may buy you drugs, but cannot buy the medicine from above which God gives free of charge. Unfortunately, there are more sick people in the world today than ever before in history. At a time when there are more doctors, more medicine and more hospitals, yet more people are sick.

A GREAT NEED

There are more hospitals, more clinics, better medical equipment, better techniques, both in developed and under-developed countries, yet, there are more sick people. I never would have believed that a day would come in

developed countries when the hospital beds would be so full that patients would be arranged on the corridor, and the doctors would not be able to diagnose the problem of the majority of the people.

In the past, people used to think that only people from countries that are over-crowded and poor, or where they are very superstitious, suffer from diseases and sicknesses. Now things have changed. Even comfortable people who are very rich have their own diseases, such as heart disease, overweight, cancer, etc. There are various grades of sicknesses. One of our pastors abroad told me that one day, a pilot phoned him and said "Hello sir, are you the pastor of MFM?" "Yes," the pastor answered. He said, "Anything you know how to say, begin to say it now because I have a gun, and I'm about to blow my brain out." God helped the pastor, and he was able to convince him not to kill himself. That is another kind of sickness. It is not a Nigerian one; not many Nigerians would want to shoot their brains out.

SETTLED

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; ad with his stripes we are healed." Isaiah 53: 4-5

The above passage is in the past tense because it is a settled case. God wants to touch you and heal you everywhere you are hurting. That is His will.

Many years ago, a certain man was celebrating his 60th birthday. People brought cakes, wonderful cards and many other gifts. He was a multimillionaire, but was on a wheel chair. After sometime, the people gathered round him, and started to sing a song to wish him a happy birthday. Then one of the guests said to him, "Sir, make a birthday wish." The man said,

"What good is it to be rich if I am forever going to be on this wheel chair? I want to get out of this wheel chair." There are sicknesses, and there are sicknesses.

CHAPTER THREE

IMMUNITY SCRIPTURES

Prevention in the spiritual world is better than cure. Some people say that it is because they were living in a particular town that made them to have a particular problem. But when they move to another town, the problem continues. Some even when they move to another accommodation, witches would still be pressing them down on their beds. Such people should realise that it is because the enemy has entered inside them. The evil dreams are being played from inside.

A man may sleep and another world opens up to him. Sometime ago, we were praying with somebody and a whole human being wearing rags waked out of him. We all saw the thing leave. It waved at the man, and he waved back. For the first time in his life he had a financial breakthrough. It would have been better not to allow the spirit to enter into him than for it to enter and he had to go on seven days dry fasting.

IMMUNITY SCRIPTURES

Many believers find it very hard to memorise scriptures. Some will tell you that their brains are getting older, whereas unbelievers spend quality time memorising incantations, which they use against the children of God. The

word of God says that we can build a hedge around us which the enemy cannot penetrate.

There are some passages in the Bible that believers should know by heart if they want prevention and protection and do not want the enemy to shorten their lives. We call them immunity scriptures.

- 1. Exodus 15:26: says, "If thou will diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and will give ear to his commandment, and keep all these statutes, I will put none of these diseases upon thee. Which I have brought upon the Egyptians for I am the Lord that healeth thee."
- 2. Deuteronomy 7:15: "And the Lord will take away from thee all sicknesses, ad will put none of the evil disease of Egypt, which thou knoweth, upon thee, but will lay them upon all them that hate thee."
- 3. Isaiah 43:2: "When thou passest through the waters, I will be thee, and through the rivers, they shall not overflow thee, when thou walkest through the fire, thou shalt not be burned, neither shall the flame kindle upon thee." This is talking about immunity against the waters of tribulation, immunity against the rivers of trouble and immunity against the fire of affliction.
- 4. Isaiah 54:17: "No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shall condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord."
- 5. Psalm 46:1: "God is our refuge and strength, a very present help in trouble."
- 6. Psalm 27:1-2: "The Lord is my light and my salvation, whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid?.

When the wicked, even mine enemies and my foes came upon me to eat up my flesh, they stumbled and fell."

- 7. Psalm 91:1: "He that dwelleth in the secret place of the most high shall abide under the shadow of the Almighty." This Psalm tells us about immunity against the power of the night. It might interest you to know that most people do not sleep at night. The Psalm also talks about the arrow that flies by the day. It tells us about immunity against the pestilence that walks about in darkness. It tells us about the power that causes destruction at noonday. It talks about power against the lion and the dragon. It talks about immunity against evil in all its ramifications.
- 8. Psalm 105:14-15: "He suffered no man to do them wrong, yea he reproved kings for their sake, saying, Touch not my anointed and do my prophet no harm."
- 9. Zechariah 2:5: "For I saith the Lord will be unto her a wall of fire around about her and will be the glory in the midst of her." Verse 8: "For thus saith the Lord of hosts, after the glory hath he sent me unto the nations, which soiled you for he that toucheth you toucheth the apple of his eyes."
- 10. Psalm 34: 7: "The angel of the Lord encampeth around about them that fear him and delivereth them."
- 11. Proverbs 3:24: "When thou liest down, thou shalt not be afraid; yea, thou shalt lie down, and thy sleep shall be sweet."
- 12. Mark 16:18: "They shall take up serpents and if they drink any deadly thing it shall not hurt them, they shall lay hands on the sick, and they shall recover."
- 13. Luke 10:19: "Behold I give unto you power to tread upon serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you."

SPIRITUAL IMMUNITY

My prayer is that your spiritual immunity shall not break down in Jesus' name. We have many wonderful promises that God will protect us, but if we break certain laws, this immunity will break down. If you do not know what to do, or you do the wrong thing, your immunity can break down. Many things can break down the immunity, for example, wrong attitude. If somebody hurts you and you harbour resentment in your heart against him, the enemy can see the dark cloud in your heart and that will break down your immunity.

Following the fashion of the world is another way, through which you can break down your immunity. When someone lets you down, or disappoints you and you begin to broadcast it to the whole world, your immunity will break down. When you pay evil for evil, when you decide to pay people back in their own coin, your immunity will break down.

WHEN IMMUNITY BREAKS DOWN

When you are very angry and you throw tantrums at people, your immunity will break down. Calling people insulting names, gossiping and not forgiving those, that have hurt you will make your immunity to break down. All the demonic jewelries that people put on make their immunity to break down. Demonic herbal concoctions, and other terrible things that people swallow make immunity to break down.

"For the life of the flesh is in the blood and I have given it to you upon the altar to make an atonement for your souls, for it is the blood that maketh an atonement for the soul."
-Leviticus 17:11

For you to be healthy and be moving about without any sickness, your blood must be immunized. All the diseases that are available actually drink people's blood. If a person loses a lot of blood and nothing is done to restore

it, he will soon die. Malaria is a terrible disease because it sucks people's blood and uses it to produce more of its kind. Surely every sickness came as the result of the failure of Adam and Eve.

Somebody had a fever in the Bible. Let us see what Jesus did.

"And he arose out of the synagogue, and entered into Simon's house. And Simon's wife's mother was taken with a great fever and they besought him for her. And he stood over her and rebuked the fever and it left her and immediately she arose and ministered unto them." Luke 4:38

It means, that you can talk to the fever, or to your blood. You may say that this is madness. That would not be strange, after all, people said, that Jesus and Paul were mad.

But, when you learn to pray the following prayer points, you give yourself immunity:

- 1. Let the blood of Jesus be transfused into my blood, in Jesus' name.
- 2. I render my blood untouchable to any disease, in Jesus' name.

When you pray in this manner, any disease that comes in contact with your blood will die. There are so many other things that you can do. For example, you can anoint your body, or put the anointing oil in your cream. You must be careful the kind of food you eat. You must always pray on your food and your water. Make sure you do not over eat.

The children of darkness often fortify and prepare themselves because they know that they can be attacked. But sometimes the children of God are so foolish that they do not fortify themselves. In the light of this, I want you to pray the following prayer points, aggressively.

PRAYER POINTS

- 1. (Lay your hands on your head): I challenge my body with the fire of God, in Jesus' name.
- 2. Every evil internal enemy, come out by fire, in the name of Jesus.
- 3. O God, establish your kingdom in every department of my life, in the name of Jesus.

CHAPTER FOUR

THE MYSTERY OF SHORT LIFE

In this chapter, we shall examine the general causes of short life.

1. Disobedience to parents:

"Children, obey your parents in the Lord: for this is right. Honour thy father and mother; which is the first commandment with promise. That it may be well with thee and thou mayest live long on the earth." -Ephesians 6:1-3

If you do not honour your father and mother, the reverse will be the case, and that is untimely death. You may say that your parents are very bad, but any assignment that the Lord has given to you, you must do. We are not taught to hate any human being, but if there is any evil spirit within them walking against our destiny, we must contend with the evil spirit.

The Bible says,

"For we wrestle not against blood and flesh, but against principalities, against powers, against rulers of darkness of this world and against spiritual wickedness in high places" Ephesians 6:12

Also the Bible says that he who does not look after his family is worse than an infidel. You may say, "But anytime I give them money, they use it against me." Anoint the money and send it. A lot of young people are dying today because they decided not to listen to their parents' cry. Some will go out with their fathers' cars after they have been warned several times not to drive the cars. They decide to do otherwise and their corpses are brought home.

2. Not walking in the way of the Lord: Failure to walk in the way of the Lord will bring short life.

"Ye shall walk in all the ways which the Lord thy God had commanded you, that ye may live and that it may be well with you, and that he may prolong your days in the land which ye shall possess." -Deuteronomy 5:33

When you walk in the part of righteousness, the Lord will prolong your life. The Lord has no obligation to protect you when He knows that your life is a disgrace to Him.

3. Failure to teach the word of God at home: If you fail to teach the word of God at home, it leads to short life.

"And ye shall teach your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up. And thou shall write them upon the doorposts of thine house, and upon thy gates. That thy days may be multiplied, and the days of your children, in the land which the Lord sware unto your fathers to give them, as the days of heaven upon the earth." -Deuteronomy 11:19-21

4. Not fearing the Lord:

The Bible says,

"The fear of the Lord prolongeth days; but the years of the wicked shall be shortend." -Proverb 10:27

Please note very well that nothing happens by chance; everything is programmed in the spirit. There is nothing like a stray bullet, or somebody using cutlass on you accidentally. It has been programmed in the spirit. What will make these seeming accidents not to happen are the kinds of things we are talking about in this book.

The fear of God is rapidly jumping out of the house of God now. People are not afraid of God any more. They dress anyhow, talk anyhow, and insult the men of God without knowing that they are inviting curses upon themselves. When you insult a man of God his anointing will fight you, the blood of Jesus will fight you, the angels will fight you, anything can fight against you.

The fear that people had when they got born again in those days is fading out. We need to bring that fear back into the house of God. You need to fear the Lord from the bottom of your heart and know that there are certain things you cannot do. It map be convenient and comfortable for others, but you cannot do them. There are certain things that a Christian does not touch at all because of the fear of the Lord.

It is these days that people come to the house of the Lord with chewing gum in their mouth. Sometimes it seems as if the Lord is not quick in punishing us. But we must not take that for granted because the devil will be doing a deeper harm.

Do you fear the Lord? If you do, then your days will be long, but if you do not, your days will be short. Some people talk to the Lord anyhow. For example they say, "I am sorry Lord that I committed that sin, this is not the first time. Anyway you wrote that even if my sin is as red as scarlet, it will become as white as snow, so forgive me for I am a human being." They command God to forgive them without fear.

In those days people used to cry at the altar, showing godly sorrow for their sins. There is no fear of God again, believers fall into fornication and all kinds of sins and still smile, saying that there is a limit to human endurance. These are the causes of short lifes. When arrows are fired in the spirit world, it goes around looking for loopholes. If they see that there is no fear of God in your life, although you are coming to the house of God, they will enter into your life.

5. Failure to control the tongue:

The Bible says,

"For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no quile." -I Peter 3:10

One of the greatest causes of short life is the tongue. If it were possible to padlock the mouth of human beings, a lot of people would not have died when they died. Many have gone into bondage because of their tongues. It is not everything that we have to say. Sometimes you just have to keep quiet. Most of the time, it is better to listen.

If your tongue has no control, and you speak 200 words per minute, then you are writing an invitation to short life. Some people can talk and abuse an angel of God, without knowing that the fellow that they are talking to is an angel of God, and they end up inviting curses, because angels do not operate like us. They do not tolerate indiscipline, and they can be easily provoked. That was why God warned the Israelites: "I will place my angel before you to go on the way that you will go, but take heed that you do not provoke him. If you do, he will not pardon you."

Do not provoke him, because he does not understand the word "please". The angel did not forgive Zechariah when he doubted him and said, "Can these things be? I am old and my wife is advanced in age." The angel said, "I am Gabriel, I came from the throne of God to give you this message, and you are talking rubbish. For that you shall be dumb." He had to close his

mouth and send him on a compulsory holiday. The tongue has killed many people. I pray that the Lord will deliver us from the trap of the tongue in Jesus' name.

6. Pursuing evil:

"As righteousness tendeth to life: so he that pursueth evil pursueth it to his own death."

-Proverbs 11:19

If you are pursuing an evil agenda, you are doing so at your own hurt.

- **7. Forgetting the laws of God:** This leads to a short life.
- 8. Allowing an evil weight on your heart:

"The merry heart doeth good like medicine but a broken spirit drieth the bones." -Proverbs 17:22

When you allow an evil weight in your heart, or when you allow a spiritual wound in your heart, you will waste away. Whatever is in your heart, whether it is envy, anger, cruelty, fear, immorality, it will affect your body, soul and spirit. Many people do not understand that what goes on in the heart determines whether the body, soul and spirit will be healthy or not. Many sicknesses can be directly related to the attitude of the heart.

"A sound heart is the life of the flesh: but envy the rottenness of the bones."

-Proverb 14:30

When a heart is polluted with bitterness, anger, malice, or is filled with sin, it will shorten the life span of the person. If all you are thinking about is sin and lust, it means that you want to die young. Eventually you might develop high blood pressure.

- **9. Wounded heart and negative emotions:** This can cause all kinds of sicknesses. It means people are being cruel to themselves.
- **10.** Lack of knowledge of spiritual prevention: This also shortens life. An English adage says that prevention is better than cure. God wants the totality of our being to be in good health and not for us to be seeking for healing. It is better to be immuned than to have a disease and start taking drugs. The word of God shows clearly that Christians are supposed to have some immunity. To have immunity is better than having to evacuate the enemy anytime he gains entrance. We have to clothe ourselves with the fire of God and the blood of Jesus so that the enemy will not gain entrance.

CHAPTER FIVE

SECRETS OF LONG LIFE

In the last few years, we have witnessed or heard about a lot of tragedy. People that were expected to be alive died. A lot of young people died and some of them were not born again. Is it God's will? No. We must also realise that the devil has some powers to kill, but the strongest power is the power of God. Just as the Bible has principles for long life, it also outlines what could cause short life.

God's original plan for man was life not death, health not sickness, energy not weariness, and radiance not dullness. If Brother Adam had not sinned, he would have lived forever. The Bible emphasises that God is not interested in short life. One man of God said that it was a tragedy for a plant to die at the seed stage because it would not become a plant. A situation where young people are dying shows that a lot of things are going wrong.

"Now these are the commandments, the statutes, and the judgments, which the Lord your God commanded to teach you, that ye might do them in the land whither ye go to possess it. That thou mightiest fear the Lord thy God to keep all his statutes and his commandments which I command thee, thou, and thy son, and thy son's son, all the days of thy life; and that thy days may be prolonged." Deuteronomy 6:1-2

FULL AGE

Here we can see that God is not interested in short life. The Bible says,

"Thou shalt come to thy grave in a full age, like as a shock of corn cometh in his season." Job 5:26

"My son, forget not my law; but let thine heart keep my commandments. For length of days, and long life, and peace, shall they add to thee. Let not mercy and truth forsake thee, bind them about thy neck; write them upon the table of thine heart."

Proverbs 3:3:

"For by me thy days shall be multiplied, and the years of thy life shall be increased." Proverb 9:11

"The fear of the Lord prolongeth days: bat the years of the wicked shall be shortened." Proverbs 10:27

God is not interested in a short Me span for His children.

"The hoary head is a crown of glory, if it be found in the way of righteousness." Proverbs 16:31

That is, if your hair is grey, it is a crown of glory if you are in the way of righteousness.

"The days of our years are three score years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow. For it is soon cut off, and we fly away." Psalm 90:10

THE MINIMUM

This verse is a curse and not a blessing. It is the minimum which a lot of people now claim, whereas they should not claim it. But even this minimum which is a curse is difficult for a lot of people to attain.

"With long life will I satisfy him, and shew him my salvation." Psalm 91:16

"They shall not build, ad another inhabit; they shall not plant, and another eat: for as the days of a tree are the days of my people, and mine elect shall long enjoy the work of their hands." Isaiah 65:22

The Bible is telling us that it is a tragedy for somebody to sweat to gather, but before he would begin to reap the fruits he dies.

"There is an evil which I have seen under the sun, and it is common among men. Amen to whom God has given ribbes, wealth and honour, so that he wanteth nothing for his soul of all that he desireth, yet God giveth him not power to eat thereoff, but a stranger eateth it, this is vanity, and it is an evil disease." Ecclesiastes 6:1-2

SIX MAJOR WAYS BY WHICH PEOPLE DIE ON EARTH

1. A person can die by his own hand: This is when a person just destroys himself, for example, by personal execution, personal murder, or assassination. It is possible for a person to eliminate himself. Sometime ago a man fainted in the street, and people rushed to help him. By the time a doctor that was passing by got there, he found a packet of drugs in his pocket which he might have taken. As a medical personnel, he found out that they were hard drugs which he ought not to have taken. But he went to the chemist store bought it and swallowed it. He decided to kill himself.

- **2. A person can die by the hands of another man.** It may be robbers, witches on wizards etc.
- 3. A person can die by fear, especially the fear of death.
- **4. A person can die by breaking natural laws.** For example, if a person decides to jump down from the top of a 25-storey building, he will die. Or if a person knows that he cannot swim but decides to go and swim it could lead to his death.
- **5. A person can die, by succumbing to the aging process.** When everything in the body is old, the system may stop working.
- 6. A person can die by sickness or disease.

PRAYER POINTS

- 1. I break every covenant blocking my moving to higher ground in the name of Jesus.
- 2. My enemies shall become stepping stones to my higher ground in Jesus name.

CHAPTER SIX

THE POWER OF THE EMPTIER

In you are a Christian in this environment and you know nothing about spiritual warfare, nothing about sending back evil arrows, and nothing about amputators, you may die of ignorance. You will not go to hell fire, but just die of ignorance. Sometime ago, at one of our spinsters meetings, one sister came forward and asked a question: "Sir, why is it that my fiancé said we would be getting married in three months time, and when it was one week to the wedding, he said it would be in another three months time, and when it was one week to the wedding again, he postponed it?" I told her that is what you call the power of the emptiers. She said she did not understand what I was talking about. I asked her how long she had been coming to MFM, and she said that was her first day. Then I understood why she could not understand me.

THE EMPTIERS

The emptier is somebody that would allow you fill a cup to a stage and then pours it away. You will go through the trouble, gather the money, gather everything without any problem, but when you get to a stage, everything is poured away.

When a Christian is just going to church and does not know all these things, he is wasting his time. If all he knows to do is to sit down and sing canticles and psalms, and does not have the correct knowledge of what to do, there will be problem. If all you know is reading psalms, and you are still unrepentant, and you are reading the psalms with anger, and bitterness in your heart, it will not work. A believer who goes to church, but does not know how to apply the blood of Jesus lacks vital knowledge which may eventually lead to death.

The last enemy of man called death is seen by many as very irrational. It does not make sense to many of us that it kills babies and teenagers, that it kills people at the prime of their lives, that it will remove the only bread winner from a family and leave all the poor people around, that it will render children orphans. Why? It is because it is not under the control of God although, god has the final "yes" or "no".

The spirit of death tried to kill Shadrach, Meshack and Abednego, but God said no. So it could not kill them. It tried to kill Daniel. Its agent made sufficient attempts.. Those who threw him into the lion's den definitely wanted to kill him, but God said no. But if Daniel lacked knowledge he would have died. Many of the present-day believers in his shoes would have been eaten up by the lions within the first five minutes, because fear would have killed them even before they got there. Imagine somebody going to pray for a sick person in the hospital and is already shaking at the door. How can he pray?

I want you to listen to this basic truth. Death did not overcome Jesus, He laid down His life. The passage we read in Corinthians says that death is swallowed up in victory.

"I am he that liveth and was dead, behold, I am alive for ever more. Amen. And have the keys of hell and of death."

- Revelation 1:18

Therefore believers should not fear death because their Master is holding the key. Believers should also not blame God for any death because the devil also kills people. A believer must take a quality decision because if you want to die the death of the righteous, you must also live the life of the righteous. A believer must also recognise that some people's death is useless before God.

"Precious in the sight of the Lord is the death of his saints." -Psalm 116:15

Same deaths are useless before the Lord, but the death of His saints are precious in his sight. Therefore to be afraid of death is to demonstrate that your salvation is questionable.

How do you recognise that you are in the grips of death and her strange children?

You can determine by asking yourself some questions.

THE GRIPS OF FEAR

Do I experience constant fear? If the answer is yes, you are in the grips of fear and must be loosed. Do I feel lifeless sometimes and get sick of living? If the answer is yes, you need to pray. How long do the members of your family live? At what age did your father and mother die? How old were your uncles? If you notice that they were cut off at the prime of their lives, you need to pray. If you take it for granted, it just stays there. Do you have a family shrine, or a family altar? If you do, you have to pray seriously. They might have donated you to it, and at the appropriate time when it wants to eat you, you will die. If there is no discernment of spirits, you will not even know what to pray about.

Have you ever participated in a sacrifice to demons or in ritual before? You may actually be killing yourself when you are slaughtering that ram for

sacrifice, so you have to pray seriously. Do you have any sickness that defies medical diagnosis? Then you really need to pray. Have you undergone surgical operation more than once? Then you should pray seriously.

Have you ever been addressed as the re-incarnation of somebody? Are you respected and called honourable names because it is believed that you were somebody before? Then you really need to pray very hard. Or does your own father prostrate for you because he feels you are his mother that died? Have you ever been involved with somebody who asked you to bring certain things and a dress, and he took you to the forest where you undressed, and he took the fine clothes away, while you put on something else. He then says, "Today you have said bye bye to death. You no longer have familiar spirit."

The Bible says, "In the name of Jesus, you shall cast out demons." It does not say you will do so by buying fine clothes and dropping it in the forest. If you have experienced such a thing, you are probably in the grips of a strange child, and you need to release yourself.

SUDDEN DEATH

Have you ever used charms to protect your life, or you have a blessed picture, or used blessed soap, sponge, cream, or perfume? You need to pray. You are probably in the grips of something. Were you terribly sickly when you were very young, and they carried you all over the place, and eventually they took you to a place where they said, "Okay, we shall preserve his or her life?" You need to pray. Have you ever been in a fattening room because you want to get married? Do you see things that other people do not see? Do you hear voices that others do not hear. Or you perceive some odours that others do not perceive? You need to pray.

Are you the kind of person that can be described as being very stubborn? The problem with stubborn people is that they die suddenly, just like Pharaoh. Are you addicted to alcohol, tobacco and sex? Then you need to

pray. Are you the kind who always experiences terrible menstrual period, and you have tried medicine to no avail, and doctors have advised you to keep boyfriends? You need to pray. Do you experience sleepless nights? Do you experience dizziness often? Then you need to pray. Are you getting leaner and leaner in spite of the fact that you are the greatest eater in your family? Do you get moody and angry without any cause? Do you have unnatural heat or something moving all over your body? If such a thing is there, do you want to wait until it gets to your heart and grips it?

SPIRITUAL ATTACKS

Do you discuss with voices within you and you know that the voices are not the voice of the Holy Spirit? Do you sometimes sense an invisible presence of evil when you are alone? Or do they press you down on your bed? Are you the kind who wakes up in the morning with scratches and incisions on your body? Have you ever dreamt of discussing with dead relatives and eating with them? If your answer to some of these questions is yes, the truth is that you are under the grips of either the spirit of death itself or its strange children. Whether you like it or not, you shall be released in Jesus' name.

If you have any sickness, I do not see why you will continue with it after reading this message unless you are not serious. The Bible says that whosoever asks receives. If you keep quiet and make no request, or you are playing the gentle man before the enemy, may God have mercy on you.

PRAYER POINTS

- 1. Spirit of death and strange children, release me, and release my home, in the name of Jesus.
- 2. Spirit of death and hell, hear the word of the Lord, release me in the name of Jesus.
- 3. (Put one hand on your head, and the other hand on your stomach, and pray like this): Every plantation of the strange children, be uprooted

now, in the name of Jesus.

- 4. Put one hand on your head, and the other on your stomach, and say: Spirit of infirmity, depart from my blood, in the name of Jesus.
- 5. I release myself from every ungodly grip, in the name of Jesus.
- 6. O Lord, lay your mighty hand upon me now, in Jesus' name.

CHAPTER SEVEN

THE GREATEST FEAR OF MAN

The greatest fear of man is the fear of death. The fear of death does a lot of things to people.

"And deliver them who through fear of death were all their lifetime subject to bondage." Hebrews 2:15

The fear of death can put a person in bondage forever. When you see men running away from dangerous animals, it is out of the fear of death. If you see people avoiding lunatics on the streets, it is out of the fear of death.

If you see people being careful with electricity roaming about witch-doctor's houses for protective charms, or hanging charms in their cars, it is out of the fear off death. The major reason people join cults, lodges, or go into all kinds of occult things is the fear of death. Unfortunately, even many Christians are under the grip of the fear of death. There are many pastors and ministers of God who are afraid of death.

Beloved, one of the reasons many people die before their time is fear. Once the fear of death grips a person, he will sometimes behave like a mad man. When the fear of death grips a person, he could open doors to several other things. These things know that they cannot kill you. They just come to see if they can instill fear in you, and if you allow the fear to grip your heart, then you open the door through which they can operate. It is when the first strange child grabs a person that the other strange children will move in.

This is what the last enemy does. He wants to remove your attention from God.

CEMETERY OF FAITH

Fear paralyses your faith. Fear will bury your spiritual growth. Not only that, it can distribute your home address to other strange children, such as discouragement, sickness, etc.

FEAR OF DEATH

The fear of death does not recognise any academic qualification. In fact the most fearful people are those who are well-read. Death has another evil strange child.

"So when this corruptible shall put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law." I Corinthians 15:54-56

THE STING OF DEATH

Another strange child of death is the sting of death. If you refuse to play with the strange child of death, which is sin, it cannot sting you.

WHAT IS THE ORIGIN OF DEATH?

Death was tied to a tree in the Garden of Eden.

"But of the tree of the knowledge of good and evil, thou shalt not eat of it; for in the day that thou eatest thereof, thou shalt surely die."

Genesis 2:17

This was man's first introduction to the word death. Therefore by simple implication, man was meant to live forever. The word death came from disobedience.

"Wherefore, as by one man sin entered into the world, and death by sin, and so death passed upon all men, for that all have sinned." Romans 5:12

Undoubtly death came into the world through Adam's disobedience to God's word. God's pronouncement then came upon him: "Dust thou art and unto the dust thou shalt return". The devil is the author of sin in the universe. He gave a share of the sin to Adam. Since Satan is the author of sin and sin brought death, Satan became the controller of death.

Although God has the overruling power to say yes or no, Satan controls death through his department of death. But I tell you something, my name is not in that department.

"For as much then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is the devil." Hebrews 2:14

THE MYSTERY OF INIQUITY

The Bible talks about the mystery of iniquity Somebody knows that what he is doing will hurt him. He knows that the thing is bad. After the thing has harmed him, he says, "I won't do it again." But the next moment, he is at it again. That is the mystery of iniquity. For example, a man drinks alcohol to

drown his sorrow and when he wakes up in the morning, he develops a headache and suffers from indigestion and cannot go to work as a result.

He has what you call hangover. Then he says, "I am not going to drink again." But behold, as he passes by the street, somebody invites him for a drink and a chat. He goes in again and starts the same thing that almost destroyed him. That is the mystery of iniquity. Or somebody knows that something has been telling him or her that his or her patience as a husband or as a wife is not good enough. He or she takes a decision not to get angry again, or allow himself or herself to say harsh words. But after sometime, the same thing starts again. That is the mystery of iniquity.

Sin is a sting of death, and the wages of sin is death. Sin is the greatest instrument of death. A sinner dies but, for the saint, God calls him home. Once you are born again and you have given your life to the Lord, you become a saint. For the Christian, death is a special sleep or rest.

The first question to ask is, who is the last enemy?

"The last enemy that shall be destroyed is death." I Corinthians 15:26

The second question is, who are the strange children?

"Send thine hand from above; rideme, and deliver me out of great waters, from the hand of strange children." Psalm 144:7

This is the psalmist praying his usual warfare prayers.

"Rid me, and deliver me from the hand of strange children, whose mouth speaketh vanity, and their right hand is a right hand of falsehood." Psalm 144:11

Man through disobedience has given the devil ample opportunity to kill him like house flies, and this he does through the department of death. Lecturers in that department include sickness, accident, murder through magic, suicide and poisoning. Therefore another strange child of the last enemy is sickness, or the spirit of infirmity They sometimes render medical science powerless. The spirit of infirmity could sometimes hide in a person's life and quickly kill the person at a time of spiritual weakness. So sickness is another strange child.

ACCIDENT PRODUCERS

Another set of strange children are accident producers. These are strange powers that manipulate vehicles and drivers to cause accidents. They confuse the driver and distract his attention. They cause mechanical faults. They make motorists to drive under the influence of alcohol. They attack drivers and pilots, blocking their visions and thereby cause all kinds of problems. Believers should not travel without prayers. Believers should not just jump into vehicles, and start going.

The other strange children are drinkers of blood, and eaters of flesh. There may be conscious or unconscious wizards in your vehicle which will kill the careless and the unprotected. They also use idols to kill people. They use candles and pressing of sand to eliminate people. They dig into a person's background to see the doors through which they can enter. This is why we must send God's fire to the root of our lives. We need to pull down what I call foundational demonic strongholds. When a demonic foundation has been built in a life, even before the person was born, a palace has been built in the person's life. When the person gets born again, the enemy will confront him. If the enemy checks a person through and sees nothing, he will check the mother and father. He digs deep into a person's background.

When you pray that all these foundational demonic strongholds should be pulled down, they will be pulled down. They will not have any place to hide. Another strange child is the spirit of murder. This spirit instigates murder in cold blood. Sometimes people just kill others senselessly. When you ask them why they did it, they say, "One voice told me to do it."

Another strange child is the spirit of suicide. Many people hear voices asking them to kill themselves. The devil engineers a problem which he knows will eventually get a solution, but he makes it to look like a giant so that the victim will say, "I will kill myself." Some swallow poison because they want to die. If you have ever made such an attempt on your life, you need special prayers urgently.

THE CURSE OF FAMILY DESTRUCTION

Another strange child is the curse of family destruction. You will notice that members of some families die in horrible and mysterious ways. The spirit enters a family and kills each member before he or she is 40. It is the spirit of family destruction. It kills according to certain patterns. In some families, the members will first run mad, or sometimes it is only the males that are affected.

I know a family of four girls and three boys. The four girls got together, and through witchcraft powers ate the three boys. This strange child causes health problems that defy medical solutions, and in some cases, chooses some age groups. This is the strange child of the last enemy.

ANTI -DELIVERY SPIRITS

Another strange child is the anti-delivery spirit affecting pregnant women. It causes problems for women during pregnancy and during child birth. Sometimes it gives rises to long and tormenting labour. Sometimes it involves abnormalities in the exit of the baby from the womb. Sometimes it leads to excessive bleeding during labour. The Bible does not say that believers should die during childbirth. In fact it says:

"Not with standing she shall be saved in child bearing if they continue in faith and charity and holiness with sobriety." 1 Timothy 2:15

SECTION 2

PRAYERS FOR GOOD HEALTH AND LONG LIFE

INTRODUCTION

ods original plan for man was life, not death, health, not sickness, energy, not weariness, and radiance, not dullness. But today many are dying without fulfilling the number of their days. This book unravels the mystery surrounding death and gives us biblical principles and prayers for long life.

CHAPTER ONE: CAUSES OF SHORT LIFE

CHAPTER TWO: THE STRANGE CHILDREN OF THE LAST

ENEMY

CHAPTER THREE: THE MYSTERY OF DEATH

CHAPTER ONE

CAUSES OF SHORT LIFE

In this chapter, we shall examine the general causes of short life.

1. Disobedience to parents:

Children, obey your parents in the Lord: for this is right. Honour thy father and mother; which is the first commandment with promise. That it may be well with thee and thou mayest live long on the earth. Ephesians. 6:1-3.

If you don't honour your father and your mother, the reverse will be the case, and that is untimely death. You may say that your parents are very bad, but any assignment that the Lord has given to you, you must do. We are not taught to hate any human being, but if there is any evil spirit within them walking against our destiny, we must contend with it.

The Bible says,

For we wrestle not against flesh and blood, but against principalities, against powers, against rulers of darkness of this world and against spiritual wickedness in high places. Ephesians 6:12.

Also the Bible says that he who does not look after his family is worse than an infidel. You may say, "But anytime I give them money, they use it against me." Anoint the money and send it to them. A lot of young people are dying today because they decided not to listen to their parents' cry. Some will go out with their father's car after their father had warned them several times not to drive the car. They decide to do otherwise and their corpses are brought home.

2. Not walking in the way of the Lord: Failure to walk in the way of the Lord will bring short life.

"Ye Shall walk in all the ways which the Lord thy God had commanded you, that ye may live and that it may be well with you, and that he may prolong your days in the land which ye shall possess." Deuteronomy 5:33.

When you walk in the path of righteousness, the Lord will prolong your life. The Lord has no obligation to protect you when He knows that your life is a disgrace to Him.

3. Failure to teach the word of God at home: If you fail to teach the word of God at home, it leads to short life.

And ye shall teach your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up. And thou shall write them upon the doorposts of thine house, and upon thy gates. That thy days may be multiplied, and the days of your children, in the land which the Lord sware unto your fathers to give them, as the days of heaven upon the earth. Deuteronomy 11:19-21.

4. Not fearing the Lord.

The Bible says,

"The fear of the Lord prolongeth days; but the years of the wicked shall be shortened." Proverb 10:27.

Please note very well that nothing happens by chance; everything is programmed in the spirit. There is nothing like a stray bullet or somebody using cutlass on you accidentally. It has been programmed in the spirit. What will make these seeming accidents not to happen are the kinds of things we are talking about in this message.

The fear of God is rapidly jumping out of the house of God. People are not afraid of God any more. They dress anyhow, talk anyhow, and insult the men of God without knowing that they are inviting curses upon themselves. When you insult a man of God, his anointing will fight you, the blood of Jesus will fight you, the angels will fight you, anything can fight against you.

The fear that people had when they got born again in those days is fading out. We need to bring that fear back into the house of God. You need to fear the Lord from the bottom of your heart and know that there are certain things you cannot do. It may be convenient and comfortable for others but you cannot do them. There are certain things that a Christian does not touch at all because of the fear of the Lord.

It is these days that people come to the house of the Lord with chewing gum in their mouth. Sometimes it seems as if the Lord is not quick in punishing us. But you must not take that for granted because the devil would be doing you a deeper harm.

Do you fear the Lord? If you do, then your days will be long, but if you don't, your days will be short. Some people talk to the Lord anyhow. For example they would say, "I am sorry Lord that I committed that sin, this is just the first time. Any way you wrote that even if my sin is as red as scarlet it will become as white as snow, so forgive me for I am a human being." They command God to forgive them without fear.

In those days, people used to cry at the altar showing godly sorrow for their sins. There is no fear of God again, believers fall into fornication and all kinds of sins and still smile, saying that there is a limit to human endurance. These are the causes of short life. When arrows are fired in the spirit world it goes around looking for loopholes. If they see that there is no fear of God in your life, although you are coming to the house of God, they will enter into your life.

5. Failure to control the tongue:

The Bible says:

"For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile." I Peter 3:10.

One of the greatest causes of short life is the tongue. If it were possible to padlock the mouth of human beings, a lot of people would not have died when they died. Many have gone into bondage because of their tongues. It is not everything that we have to say Sometimes you just have to keep quiet. Most of the time it is better to listen.

If your tongue has no control and you can speak 200 words per minute, then you are writing an invitation to short life. Some people can talk and abuse an angel of God without knowing that the fellow that they are talking to is an angel of God, and they end up inviting curses because angels don't operate like us. They don't tolerate indiscipline and they can be easily provoked. That was why God warned the Israelites: "I will place my angel before you to go on the way that you will go but take heed that you do not provoke him. If you do, he will not pardon you."

Don't provoke him because he does not understand the word "please". The angel did not forgive Zechariah when he doubted him and said, "Can these things be? I am old and my wife is advanced in age." The angel said, "I am Gabriel, I came from the throne of God to give you this message and you are talking rubbish. For that, you shall be dumb." He had to close his mouth

and send him on a compulsory holiday. The tongue has killed so many people. I pray that the Lord will deliver us from the trap of the tongue, in Jesus' name.

6. Pursuing evil:

As righteousness tendeth to life: so he that pursueth evil pursueth it to his own death. Proverbs 11:19.

If you are pursuing an evil agenda, you are doing so at your own hurt.

- 5. Forgetting the laws of God.
- 6. Allowing an evil weight on your heart.

The merry heart doeth good like medicine but a broken spirit drieth the bones. Proverbs 17:22.

So when you allow evil weight in your heart or when you allow a spiritual wound in your heart, you will waste away. Whatever is in your heart, whether it is envy, anger, cruelty, fear or immorality, it will affect your body, soul and spirit. Many people do not understand that what goes on in the heart determines whether the body, soul and spirit will be healthy or not. Many sicknesses can be directly related to the attitude of the heart.

A sound heart is the life of the flesh: but envy the rottenness of the bones. Proverb 14:30.

When a heart is polluted with bitterness, anger, malice or is filled with sin, it will shorten the life span of the person. If all you are thinking about is sin and lust, it means that you want to die young. Eventually you might develop high blood pressure.

7. Wounded heart and negative emotions: This can cause all kinds of sicknesses. It means people are being cruel to themselves.

8. Lack of knowledge of spiritual prevention: This also shortens life. An English adage says that prevention is better than cure. God wants the totality of our being to be in good health and not for us to be seeking for healing. It is better to be immune than to have a disease and start taking drugs. The word of God shows clearly that Christians are supposed to have some immunity. To have immunity is better than having to evacuate the enemy anytime he gains entrance. So we have to clothe ourselves with the fire of God and the blood of Jesus so that the enemy will not gain entrance.

PRAYER POINTS

- 1. Every instrument of death, fashioned against my life, catch fire.
- 2. Wicked elders, programming evil into my life, die in the name of Jesus.
- 3. Blood pollution, water pollution in my body, catch fire, in the name of Jesus.

CHAPTER TWO

THE STRANGE CHILDREN OF THE LAST ENEMY

The first question to ask is: who is the last enemy?

"The last enemy that shall be destroyed is death." I Corinthians 15:26.

The second question is: who are the strange children?

Send thine hand from above; rid me, and deliver me out of great waters, from the hand of strange children. Psalm 144:7.

This is the psalmist praying his usual warfare prayers.

Rid me, and deliver me from the hand of strange children, whose mouth speaketh vanity, and their right hand is a right hand of falsehood. Psalm 144:11.

THE GREATEST FEAR OF MAN

The greatest fear of man is the fear of death. The fear of death does a lot of things to people.

And deliver them who through fear of death were all their lifetime subject to bondage. Hebrews 2:15.

So the fear of death can put a person in bondage forever. When you see men running away from dangerous animals, it is out of the fear of death. If you see people avoiding lunatics in the streets, it is out of the fear of death.

If you see people being careful with electricity, roaming about witch doctor's houses for protective charms or hanging charms in their cars, it is out of the fear of death. The major reason people join cults, lodges or go into all kinds of occult things is the fear of death. Unfortunately, even many Christians are under the grip of the fear of death. There are many pastors and ministers of God who are afraid of death.

Beloved, one of the reasons many people die before their time is fear. Once the fear of death grips a person, he will sometimes behave like a mad man. When the fear of death grips a person, he will open doors to several evil things. These things know that they cannot kill you. They just come to see if they can instill fear in you and if you allow the fear to grip your heart, then you open the door through which they can operate. It is when the first strange child grabs a person that the other strange children would move in.

This is what the last enemy does. He wants to remove your attention from God.

CEMETERY OF FAITH

Fear will paralyse your faith. Fear will bury your spiritual growth. Not only that, it will distribute your home address to other strange children such as discouragement, sickness, etc.

FEAR OF DEATH

The fear of death does not recognise any academic qualification. In fact the most fearful people are those who are well-read. Death has another evil and strange child.

So when this corruptible shall put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. I Corinthians 15:54-56.

THE STING OF DEATH

Another strange child of death is the sting of death or sin. If you refuse to play with the strange child of death, which is sin, it cannot sting you.

THE MYSTERY OF INIQUITY

The Bible talks about the mystery of iniquity. Somebody knows that what he is doing will hurt him. He knows that the thing is bad. After the thing has harmed him he says, "I won't do it again." But the next moment he is at it again. That is the mystery of iniquity. For example, a man drinks alcohol to drown his sorrow and when he wakes up in the morning, he develops headache and suffers from indigestion. He cannot go to work.

He has what you call a hangover. Then he says, "I am not going to drink again." But behold, as he passes by the street, somebody invites him for a drink and a chat. He goes in again and starts the same thing that almost destroyed him. That is the mystery of iniquity. Or somebody knows that something has been telling him or her that his or her impatience as a husband or as a wife is not good enough. So he or she takes a quality

decision not to get angry again or allow himself or herself to say harsh words. But after sometime, the same thing starts again. That is the mystery of iniquity.

Sin is a sting of death and the wages of sin is death. Sin is the greatest instrument of death. A sinner dies, but for the saint, God calls him home. Once you are born again, you have given your life to the Lord, you become a saint. For the Christian, death is a special sleep or rest.

WHAT IS THE ORIGIN OF DEATH?

Death was tied to a tree in the Garden of Eden.

But of the tree of the knowledge of good and evil, thou shalt not eat of it; for in the day that thou eatest thereof, thou shalt surely die. Genesis 2:17.

This was man's first introduction to the word death. Therefore, by simple implication, man was meant to live forever. So the word death came from disobedience.

Wherefore, as by one man sin entered into the world, and death by sin, and so death passed upon all men, for that all have sinned. Romans 5:12.

So death came into the world through Adam's disobedience to God's word. God's pronouncement then came upon him: "Dust thou art and unto the dust thou shalt return." So the devil is the author of sin in the universe. He gave a share of the sin to Adam. Since satan is the author of sin and sin then brought death, satan became the controller of death.

Although God has the overruling power to say yes or no, satan controls death through his department of death. And I tell you something, my name is not in that department.

For as much then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is the devil. Hebrews 2:14.

Through disobedience man has given the devil ample opportunity to kill him like house flies and this he does through the department of death. Lecturers in that department include sickness, accident, murder through magic, suicide and poisoning. Therefore another strange child of the last enemy is sickness or the spirit of infirmity. They sometimes render medical science powerless. The spirit of infirmity could sometimes hide in a person's life and quickly kill the person at a time of spiritual weakness. So sickness is another strange child.

ACCIDENT PRODUCERS

Other strange children are accident producers. These are strange powers that manipulate vehicles and drivers to cause accidents. They will confuse the driver and distract his attention. They will cause mechanical faults. They make motorists to drive under the influence of alcohol. They attack drivers and pilots, block their visions and thereby cause all kinds of problems. So, believers should not travel without praying. They should not just jump into vehicles and start going.

Other strange children are drinkers of blood and eaters of flesh. There may be conscious or unconscious wizards in your vehicle which would kill the careless and the unprotected. They also use idols to kill people. They use candles and pressing of sand to eliminate people. They dig into a person's background to see the doors through which they can enter. This is why we must send God's fire to the root of our lives. You need to pull down what I call foundational demonic stronghold built in your life even before you were born. When a person gets born again, the enemy will confront him. If the enemy checks a person through and sees nothing, he will check his mother and father. He digs deep into a person's background.

When you pray that all these foundational demonic strongholds should be pulled down, they will be pulled down. They won't have any place to hide. Another strange child is the spirit of murder. This spirit instigates murder in cold blood. Sometimes people just kill others senselessly. When you ask them why they did it, they will say, "One voice told me to do it."

Another strange child is the spirit of suicide. Many people hear voices asking them to kill themselves. The devil would engineer a problem which he knows will eventually get a solution, but he makes it to look like a giant so that the victim will say, "I will kill myself." Some swallow poison because they want to die. If you have ever made such an attempt on your life, you need special prayers urgently.

THE CURSE OF FAMILY DESTRUCTION

Another strange child is the curse of family destruction. You will notice that members of some families die in horrible and mysterious ways. The spirit enters a family and kills each member before he or she is 40. It is the spirit of family destruction. It kills according to certain patterns. In some families the members will first run mad or sometimes it is only the males that are affected.

I know a family of four girls and three boys. The four girls got together and through witchcraft powers ate the three boys. This strange child causes health problems that defy medical solutions, and in some cases chooses some age groups.

ANTI-DELIVERY SPIRITS

Another strange child is the anti-delivery spirit affecting pregnant women. It causes problems for women during pregnancy and during child birth. Sometimes it gives rise to long and tormenting labour. Sometimes it involves abnormalities in the exit of the baby from the womb. Sometimes it

leads to excessive bleeding during labour. The Bible does not say that believers should die during childbirth. In fact, it says,

Notwithstanding she shall be saved in child bearing if they continue in faith and charity and holiness with sobriety. 1 Timothy 2:15.

PRAYER POINTS

- 1. My destiny is attached to God, therefore I decree that I can never fail, in the name of Jesus.
- 2. Every bondage that I am subjecting myself to by the spirit of fear, I break you, in the name of Jesus.
- 3. All negative doors that the spirit of fear has opened in the past, be closed now, in the name of Jesus.

CHAPTER THREE

THE MYSTERY OF DEATH

Death is a subject many people would like to avoid. But God does not want us to be ignorant at all. The following are the general ways a believer may die.

- **1.** By laying down his life for the cause of the gospel: Like brother Stephen in the Bible did. All the old apostles were like that. The Bible says that when they were being beaten, they were smiling and praising God. Beloved, how wonderful would it be when somebody is being beaten with horse whips and the person would still be smiling and saying: "Praise the Lord. They are beating me because of Jesus, I enjoy it. I know that I will have a better reward."
- **2. Old age:** Try and know this very well: It is impossible to kill a Christian.

For ye are dead, and your life is hid with Christ in God. Colossians 3:3.

You are dead and your life now is first of all hidden in Christ, then it is hidden in God. So whoever wants to get at you has an impossible task. First of all he has to remove Christ from inside God and put Him down.

He will put his hand inside Christ and take you out. Then he will put his hand inside you to remove the Holy Spirit, then he will get at you. But that is impossible. A Christian may die at old age after living the fullness of his days on earth.

The days of our years are three score years and ten, and if by reason of strength they be fourscore years, yet is their strength labour and sorrow, for it is soon cut off, and we fly away. Psalm 90:10.

So the minimum life span is 70 years. If you want more than that, you can always ask God for it.

Not only that, godly men and women always have their youth renewed.

Who satisfieth thy mouth with good things; so that thy youth is renewed like the eagles. Psalm 103:5.

As a Christian you should be looking younger not older. If some people can stop worrying their souls and stop being afraid, they will look younger. If some people can stop getting angry, they will look younger. If some people can smile often rather than screwing up their faces all the time, they will look younger. If some people can do more fasting and prayer, they will look younger.

Fasting does not make people to age, it makes them look younger. Sometimes when we say, "observe seven days dry fast," some people will say, "What?" I told a nurse to do three days dry fast and she said that there would be no supply of sugar to her brain. Look at Moses, he was always in the presence of God.

And Moses called unto Joshua, and said to him in the sight of all Israel, Be strong and of a good courage: for thou must go with this people unto the land which the Lord hath sworn unto their fathers to give them; and thou shalt came them to inherit it. Deuteronomy 31:7.

Moses handed over to Joshua.

Moses was a hundred and twenty years old when he died: his eye was not dim, nor his natural force abated. Deuteronomy 34:7.

And now, behold, the Lord hath kept me alive, as he said, these forty and Five years, even since the Lord spake this word unto Moses, while the children of Israel wandered in the wilderness; and now, lo, I am this day fourscore and five years old. As yet I am as strong this day as I was in the day that Moses sent me: as my strength was then, even so is my strength now, for war, both to go out, and to come in. Now, therefore give me this mountain, whereof the LORD spake in that day; for thou heardest in that day how the Anakims were there, and that the cities were great and fenced: if so be the LORD will be with me, then I shall be able to drive them out, as the LORD said. Joshua 14:10-12.

So as long as you ask for, claim and believe the promises of God, nothing can snatch you away before your time. That is the basic Bible truth.

3. By personal desire: One can die by personal desire. Jesus was not killed. He laid down His own life. He said:

Therefore doth my Father love me, because I lay down my life, that I might take it again. No man taketh it from me, but I lay it down of myself. I have power to lay it down, and I have power to take it again. John 10: 17-18.

This commandment have I received of my Father. A Christian may die before 70 by personal wish.

For I am in a strait betwixt two, having a desire to depart, and to be with Christ; which is far better. Nevertheless to abide in the flesh is more needful of you. And having this confidence, I know that I shall abide and continue with you all for your furtherance and joy of faith. Philippians 1:23-25.

So Paul said, "I prefer that place but I am in a strait between two. But for your sake I will stay." So if he wanted to go he would have gone.

But People like David refused to die. He said, "I shall not die but live to declare the works of the Lord." Elijah too at a stage wanted to die and when he said so God translated him to heaven. People like Hezekiah said, "I don't want to die, I want more years," and God said, "Take 15 more years." But a believer should not sit down and say: "Well, I want to die because I don't have money. I want to die because my colleagues in school are riding big cars and I don't have a bicycle."

4. Ignorance or lack of knowledge: A believer may die out of lack of knowledge.

My people are destroyed for lack of knowledge. Hosea 4:6.

People of God can die out of ignorance. Failing to reject death is lack of knowledge. Lack of knowledge has made a lot of Christians to fall prey to the enemy. If you ignorantly collect a clinical or demonic prophecy, you may lose your life.

If you are a Christian in this environment and you know nothing about spiritual warfare, nothing about sending back evil arrows and nothing about amputators, you may die out of ignorance. You won't go to hell fire but just die out of ignorance. Sometime ago, at one of our spinsters meetings, one sister came forward and asked a question: "Sir, why is it that my fiancé said we would be getting married in three months time and when it was one week to the wedding, he said it would be in another three months time, and

when it was one week to the wedding again, he postponed it." I told her that that is what you call the powers of the emptiers. She said she did not understand what I was talking about. I asked her how long she had been coming to MFM and she said that was her first day. Then I understood why she could not understand me.

THE EMPTIERS

The emptier is somebody that would allow you fill a cup to a stage and then pours it away. You will go through the trouble, gather the money, gather everything without any problem but when you get to a stage everything is poured away.

When a Christian is just going to church and does not know all these things he is wasting his time. If all he knows to do is to sit down and sing canticles and psalms, and does not have the correct knowledge of what to do, there will be problem. If all you know is reading psalms and you are still unrepentant, and you are reading the psalms with anger and bitterness in your heart, it won't work. A believer who goes to church but does not know how to apply the blood of Jesus lacks vital knowledge which may eventually lead to his death.

The last enemy of man called death is seen by many as very irrational. It does not make sense to many of us that it kills babies and teenagers, that it kills people at the prime of their lives, that it would remove the only bread winner from a family and leave all the poor people around, that it would render children orphans. Why? It is because it is not under the control of God although God has the final yes or no.

The spirit of death tried to kill Shadrach, Meshack and Abednego but God said no. So it could not kill them. It tried to kill Daniel. Its agents made sufficient attempt. Those who threw him into the lions' den definitely wanted to kill him, but God said no If Daniel lacked knowledge, he would have died. Many of the present-day believers in his shoes would have been eaten up by the lions within the first five minutes because fear would have

killed them even before they got there. Imagine somebody going to pray for a sick person in the hospital and is already shaking at the door. How would he pray?

I want you to listen to this basic truth. Death did not overcome Jesus, He laid down His life. The passage we read in Corinthians says that death is swallowed up in victory.

I am he that liveth and and was dead, behold, I am alive for ever more. Amen. And have the keys of hell and of death. Revelation 1:18.

Therefore believers should not fear death because their Master is holding the key. They should not blame God for any death because the devil also kills people. A believer must take a quality decision because if you want to die the death of the righteous, you must also live the life of the righteous. A believer must recognise that some people's death is useless before God.

Precious in the sight of the Lord is the death of his saints. Psalm 116:15.

So some deaths are useless before the Lord but the death of His saints are precious in his sight. Therefore to be afraid of death is to demonstrate that your salvation is questionable.

How do you recognise that you are in the grip of death and its strange children? You can determine by asking yourself some questions:

THE GRIP OF FEAR

Do I experience constant fear? If the answer is yes, you are in the grip of fear and must be loosed. Do I feel lifeless sometimes and get sick of living? If the answer is yes, you need to pray. How long do the members of your family live? At what age did your father and mother die? Your uncles, how

old were they? If you notice that they were cut off at the prime of their lives, you need to pray. If you take it for granted, it just stays there. Do you have a family shrine or a family altar? If you do, you have to pray seriously. They might have donated you to it and at the appropriate time it wants to eat you, you will die. If there is no discernment of spirits, you will not even know what to pray about.

Have you ever participated in a sacrifice to demons or rituals before? You may actually be killing yourself when you are slaughtering that ram for sacrifice, so you have to pray seriously Do you have any sickness that defies medical diagnosis? Then you really need to pray. Have you undergone surgical operation more than once? Then you should pray seriously.

Have you ever been addressed as the re-incarnation of somebody? Are you respected and called honourable names because it is believed that you were somebody before? Then you really need to pray very hard. Or does your own father prostrate for you simply because he feels you are his mother that died? Have you ever been involved with somebody who asked you to bring certain things and dress and he took you to the forest where you undressed and he took the fine clothes away while you put on something else. Then he says, "Today, you have said bye bye to death. You no longer have familiar spirit."

The Bible says, "In the name of Jesus, you shall cast out demons." It does not say you will do so by buying fine clothes and dropping it in the forest. If you have experienced such a thing, you are probably in the grip of a strange child, you need to release yourself.

SUDDEN DEATH

Have you ever used charms to protect your life, or you have a 'blessed' picture, or used 'blessed' soap, sponge, cream or perfume? You need to pray. You are probably in the grip of something. Were you terribly sickly when you were very young and they carried you all over the place and eventually

they took you to a place where they said, "Okay, we shall preserve his or her life?" You need to pray. Have you ever been in a fattening room because you want to get married? Do you see things that other people don't see? Do you hear voices that others don't hear or you perceive some odours that others don't perceive? You need to pray.

Are you the kind of person that can be described as very stubborn? The problem with stubborn people is that they die suddenly, just like Pharaoh. Are you addicted to alcohol, tobacco or sex? Then you need to pray. Are you the kind who always experiences terrible menstrual pains and you have tried drugs to no avail and doctors have advised you to keep boyfriends? You need to pray. Do you experience sleepless nights? Do you experience dizziness often? Then you need to pray. Are you getting leaner and leaner in spite of the fact that you eat more than everybody in your family? Do you get moody and angry without any cause? Do you have unnatural heat or something moving all over your body? If such a thing is there, do you want to wait until it gets to your heart and grips it?

SPIRITUAL ATTACKS

Do you discuss with voices within you and you know that the voices are not the voice of the Holy Spirit? Do you sometimes sense an invisible presence of evil when you are alone? Or do they press you down on your bed? Are you the kind who wakes up in the morning with scratches and incisions on your body? Have you ever dreamt of discussing with dead relatives and eating with them? If your answer to some of these questions is yes, the truth is that you are under the grip of either the spirit of death itself or its strange children. But whether you like it or not you shall be released, in Jesus' name.

If you have any sickness, I don't see why you will continue with it after reading this message unless you are not serious. The Bible says that whosoever asks receives. If you keep quiet and make no request, or you are playing the gentle man before the enemy, may God have mercy on you.

PRAYER POINTS

- 1. Spirit of death and strange children, release me and release my home, in the name of Jesus.
- 2. (Put one hand on your head and the other hand on your stomach and pray like this:) Every plantation of the strange children, be uprooted now, in the name of Jesus.
- 3. (Put one hand on your head and the other on your stomach and say:) Spirit of infirmity, depart from my blood, in the name of Jesus.
- 4. I release myself from every ungodly grip, in the name of Jesus.
- 5. O Lord, lay your mighty hand upon me now, in Jesus' name.

SECTION 3

TO ACTURATE MOTOR TO ACTURATE

INTRODUCTION

There are many sicknesses in the world today, even those that people never heard of before. People also go about the issue of healing in several ways, some even go to the devil for healing. God is the authentic healer and He wants to heal us. But we must have faith that He can heal us. Whether we get healed or not depends on the depth of our faith. You now have in your hands an indispensable manual to activate your faith for healing.

CHAPTER ONE: FAITH TO ACTIVATE YOUR HEALING

CHAPTER TWO: JESUS THE HEALER

CHAPTER THREE: INNER HEALING

CHAPTER FOUR: THE GREAT PHYSICIAN

CHAPTER FIVE: HINDRANCE TO HEALING

CHAPTER ONE

FAITH TO ACTIVATE YOUR HEALING

ne out of every seven verses in the gospel is about healing. Jesus Himself devoted two thirds of His time ministering to the sick, healing all kinds of sicknesses ranging from spiritual leprosy, which is sin to physical sicknesses. Look at the powerful scripture in Acts 10: 38. It says, "How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; God was with him." Matthew 8:16 says, "When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick: That it might be fulfilled which was spoken by Esaias the prophet, saying, himself took our infirmities, and bare our sickness is." Matthew 9: 35 says, "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and very disease among the people." Matthew 12: 15 says, "But when Jesus knew it, he withdrew himself from thence. And great multitudes followed him, and he healed them all."

THE HEALING CAPSULE

Beloved, the Bible is a healing book. It teaches without a doubt that God wants to heal you. Whenever healing prayers are being said, do not take anything for granted because in so many lives, the seed of infirmity has already been planted. It may not have grown to a level where you can recognize it. But if you kill it at the seed stage, it will not develop into anything. Although a serpent is very dangerous, a small boy can destroy it at the egg stage. But once it becomes a big python, then it becomes a problem. So, healing prayers are both preventive and curative.

The Bible is a healing book, it depends on whether you believe the Bible or not. God has said in His word that He will heal you, do you believe His word? If you believe God, then you have to co-operate with Him for your recovery. This is why some people say "God said it, I believe it, I receive it."

Isaiah 53:4-5 says,

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

The above passage is in the past tense because it is a settled case. God wants to touch you and heal you everywhere you are hurting. That is His own will.

Many years ago, a certain man was celebrating his 60th birthday People brought cakes, wonderful cards and so many other gifts. He was a multimillionaire but was on a wheel chair. After sometime, the people gathered round him and started to sing a song to wish him a happy birthday. Then one of the guests said to him, "Sir, make a birthday wish." The man said, "What good is it to be rich if I am forever going to be on this wheel chair. I want to get out of this wheel chair." There are sicknesses and there are sicknesses.

MEDICINE FROM ABOVE

Money cannot buy you health. It may buy you drugs but it cannot buy the medicine from above which God gives free of charge. Unfortunately, there are more sick people in the world today more than ever before in history. At a time when there are more doctors, more medicine and more hospitals, yet more people are sick. There are more hospitals, more clinics, better medical equipment, better techniques both in developed and under-developed countries, yet there are more sick people.

I never would have believed that a day would come in developed countries when the hospital beds would be so full that patients would be arranged on the corridor and the doctors would not be able to diagnose the problem of the majority of the people.

In the past, people used to think that only people from countries that are over-crowded and poor, or where they are very superstitious suffer from diseases and sicknesses. Now things have changed. Even comfortable people who are very rich have their own diseases such as heart disease, overweight, cancer, etc. So there are various grades of sickness.

One of our pastors abroad told me that one day, a pilot phoned him and said, "Hello sir, are you the pastor of MFM?" "Yes," the pastor answered. He said, "Anything you know how to say begin to say it now, because I have a gun and I'm about to blow my brain out." God helped the pastor and he was able to convince him not to kill himself. That is another kind of sickness. It is not a Nigerian one; not many Nigerians would want to shoot their brains out.

NONE OF THESE DISEASES

The only way out is through God's word which is filled with healing from cover to cover.

Exodus 15:26 says,

"And said, If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee."

This was a life-saving guarantee to the Israelites. This promise was so effective that many years later, David could say in Psalm 105:37, "He brought them forth also with silver and gold: and there was not one feeble person among their tribes." None of them was sick.

Prophet Isaiah in Isaiah 58: 6 declares as follows:

Isaiah 58:6

"Is not this the fast that I have chosen? To loose the bands of wickedness, to undo the heavy burdens, and to let the oppressed go free, and that ye break every yoke?"

Verse 8 says,

"Then shall thy light break forth as the morning, and thine health shall spring forth speedily: and thy righteousness shall go before thee; the glory of the Lord shall be thy rereward."

There is living healing power in the living word of God. Proverbs 4: 20-22 says, "My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh." Another version of the Bible says, ". . . And medicine to all their flesh." You find this spread out through scriptures. That was in the Old Testament. Now, we have a better covenant.

THE CHRISTIAN OPTION

If Jesus tarries in coming, all of us will have to die one way or the other. It is very sad sometimes when you see some people doing bad things that could shorten their lives. If you warn them against it, instead of repenting, they say, "Please leave me alone, one will surely die of something." If somebody has to die of something must you speed up the death? Remember that that life does not belong to you. As a believer, even if it is time for you to die, you are supposed to depart in peace because His servants must depart in peace. I do not believe that a child of God has to be rolling on the floor, crying in pain or going all over the place, and suffering before he dies. If you die out of persecution for Jesus, fine. His servants must depart in peace if it is time. So you do not have to be terribly sick before you die. The best way to die is for you to close your eyes here and open them in heaven. So disease is not necessary for death. A righteous person can lie down to sleep and wake up in heaven. That is why Psalm 104: 29 says, "Thou hidest thy face, they are troubled: thou takest away their breath, they die, and return to their dust."

THE POWER OF FAITH

So far, we have settled the fact that it is God's will to heal. The next thing is the issue of faith. It is so easy to talk theory but it is the practicality of it that matters. In Mark 9:18, a certain man was complaining to Jesus about his son. He said, "And wheresoever he taketh him, he teareth him and he groaneth, and gnasheth with his teeth, and pineth away; ad I spake to thy disciples that they should cast him out; and they could not." That was his complaint to Jesus. In verse 23, Jesus gave him an answer. "Jesus said unto him, If thou canst believe, all things are possible to him that believeth. Verse 24: And straightway the father of the child cried out, and said with tears, Lord, I believe, help thou mine unbelief." What he was saying was this, "If my faith has been battered by problems, and has become low, help me." This passage exposes the faith problem which troubles many Christians.

Actually, the problem is not the presence or absence of faith, rather, it is a struggle between positive faith and negative faith, between belief and unbelief. The truth is that everybody has faith, the difference is how the faith is used. If you do not have faith, you will not buy a tin of milk from the market without asking them to open it. You believe that when you take it home, you will see milk inside, so you have faith. The fact that you sit down on a seat without checking whether you will fall down or not means that you have faith. So faith is like the gear in your vehicle, which can be shifted forward or backward. It depends on where you are shifting your own. When you shift it forward, you are exercising positive faith, and when you shift it backward, it does not go anywhere.

THE TERMITE OF FAITH

What does that mean? It means on Monday, you have powerful faith, by Tuesday, the faith is gone, by Wednesday, you have a large one again, and by Thursday, it is gone. Friday, you have it, Saturday, it is gone, Sunday, you have it, forward and backward. Such a person will not go anywhere. That is why the Bible says that a doubter is like the waves of the sea, tossed here and there. It then made a very fearful pronouncement: "Let not such a man think that he can receive anything from the Lord." You do not have to draw up more faith or try and pump it up until it is a very big size. Faith simply means believing what God has said in His word and that He will do what He has said. It is having the confidence that God will keep His promises.

NEGATIVE FAITH

Negative faith has many forms:

1. Fear: Fear is a forerunner of calamity, the creator of bad things. It brings captivity, confusion, frustration, inner conflict, tension and defeat. It is the favourite weapon of the enemy. It is negative faith. You have faith, no problem, but you are exercising it in the reverse direction.

2. Doubt: Another form of negative faith is doubt. This one is cruel and destructive. When there is trouble, a doubter blames God. When there is blessing, a doubter will fear whether it would last. As you are reading this bulletin, you have sufficient faith to heal you of any sickness. It depends on whether you are going forward or backward or whether it is negative faith or positive faith. The Bible says that faith without works is dead. Meaning that you must act on the word of God and do what God asks you to do. That faith must be expressed in action. You do what God tells you to do and then expect Him to do His own side. It was Noah that built the ark, but it was God that flooded the earth. It was Moses that stretched out the rod, but it was God that parted the waters. It was Joshua and his people that marched around Jericho, but it was God that fell the wall. It was Elijah that smote the water, but it was God that parted the water. It was Elisha that threw the stick into the water, it was God that made the iron's head to swim. It was Naaman that dipped himself into the water seven times, but it was God that healed his leprosy. So you do your own part and He will do His own part. Do not come to a meeting expecting nothing to happen. You come with expectancy believing that what God has said in His word you will receive it.

FEELING OR FAITH

Many people confuse feeling with faith. Feeling has nothing to do with faith. Our healing is not dependent on how we feel but what God has promised and what His word declares. There may be no immediate sign of healing when you pray to be healed. But as soon as you are exposed to the healing power of Jesus, your healing has come. When you begin to say, "God has healed me, and by His stripes I am healed", His healing power will be released. It is now your turn to set your faith loose.

Activate your faith so that you can touch the hem of His garment. You may ask, how can I activate my faith to be able to drink the medicine from above? I will tell you. Know that the Bible says that God has given to every

man the measure of faith. The fact that you have picked up this bulletin shows that one way or the other, you believe that there is power in the Lord Jesus Christ. That is sufficient to get you through. But if you are going to expect something dramatic to happen before something supernatural happens to you, then you will be hindered.

HOW TO ACTIVATE YOUR FAITH TODAY

- 1. See yourself the way God sees you. You should say like Apostle Paul: "I can do all things through Christ, which strengthens me." That is how God sees you. You may be looking at yourself some other way. Paul could see what God was seeing. God does not see you being hospitalized, He does not see you roaming about with infirmities and diseases. He sees you as a person who can do all things. So you need to see yourself the way God sees you. God can see a person one way, and the person could picture himself another way. One of the outstanding statements of God was to Saul. He said, "Though you are small in your own eyes, but I have exalted you to be the king of Israel. I made you king and blessed you." So see yourself the way God sees you.
- **2. Replace every fear with love and power**. 2 Timothy 1:7 says, "*For God hath not given us the spirit of fear but of power, and of love, and of a sound mind.*" So replace the thoughts of fear with thoughts of love and power. That is, replace every thought of sickness with thoughts of health. Replace every thought of death with thoughts of life. Visualize your healing, see yourself strong and well, see yourself absolutely whole from the top of your head to the soles of your feet.
- **3. Take your burdens to the Lord and leave them there.** Take those burdens to the Lord today and leave them there. Believe that He alone can best handle it.
- **4. Confess your healing with your own mouth**. You speak it with your own mouth. Confess what the Lord has done in your life with

your own mouth. Say it to anybody who will care to listen. This is how we can light up our faith.

5. Be obedient. There is something called the obedience of faith. When God says, "Do this," just do it, do not rationalize or analyze His word. Do not even think about the history of the problem because if you do, you will reduce the effectiveness of the power of God in your life.

Luke 4: 18-19 says,

"The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken-hearted, to bring deliverance to the captives, and recovering of sight to the blind. To set at liberty them that are bruised. To preach the acceptable year of the Lord."

It is exciting when a blind person sees. But know for sure that there are many kinds of blindness. There is no blindness as bad as spiritual blindness. So take your burdens to the Lord today and leave them there. No matter the hard blows you have received, His power sets at liberty them that are bruised.

The first thing to sort out is spiritual sicknesses. If you do not do that, the physical healing will not come. Therefore if as you are reading this message you are not born again, that is, you have not given your life to Jesus, it is time for you do so. You have to do so as a first step towards enjoying God's divine blessings.

CHAPTER TWO

JESUS THE HEALER

An has always had his own way of treating sicknesses. God too has His own method of treating sicknesses, and the devil has his own method. When you accept the devil's treatment it is like accepting treatment from a quack doctor. There are many quack doctors who treat people the wrong way. Going to the devil for treatment amounts to the same thing. When a person accepts the devil's treatment many other problems will follow. It does not matter for how long you have received the treatment.

The Lord Jesus Christ is the perfect doctor of both spiritual and physical diseases. If we can remove all the spiritual diseases, nobody will be sick again. But as far as men are getting spiritually sick and are going to physicians of no value for treatment, trouble will continue to happen. If you study the people that Jesus healed in the Bible, you can group them into about eight classes.

THE TRUE HELP

In the story of Jacob, we see that the only person who could save Jacob made every effort to get away from him. He said to Jacob, "Let me go, for it will soon be daylight." But Jacob said, "I will not let you go unless you

bless me." Let us also look at two New Testament Scriptures to buttress our point.

"And he saw them toiling in rowing; for the wind was contrary unto them: and about the fourth watch of the night he cometh unto them, walking upon the sea and would have passed by them." Mark 6:48

This was Jesus. He saw His disciples troubled in the sea. In spite of the fact that He knew they had problems, He set His face as if He was going to pass by and the Bible says that He would have passed. But then, they saw Him and cried out. Then He stopped and they laid hold on Him.

"And they drew nigh unto the village, whither they went: and he made as though he would have gone further." Luke 24: 28

This was Jesus again. He was talking to His people and when they got near where they would stay, He kept His face as if He was going further. Is it that God wants to avoid us? No. But through what looks as if He is going to avoid us, He ignites a fire in us or stirs up enough action in us. For us to be like Jacob who said, "unless thou bless me I will not let you go," there has to be a stirring. When we are stirred up like that, then we will look for God with all our hearts. Please pray again like this: "Power to lay hold on God like Jacob, fall upon me so that God will not pass me by, in Jesus' name."

"But ye are forgers of lies, ye are all physicians of no value." Job 13:4

We have to cry like this to the Lord because in the Bible, although Jesus never refused anyone who came to Him, yet He did not proclaim healing or universal liberty to all captives. The truth therefore is that some captives may die in their captivity even though they have encountered the Liberator. Some sick people may die in their sicknesses even though they have encountered the Healer.

Jesus never proclaimed resurrection for all the dead. For example, the Bible says that when He was at the pool of Bethesda, there was a multitude of impotent folk, the blind, the hurt and the withered. But He just passed by them and picked only one man out and healed him. When Jesus was at the grave of Lazarus, He called Lazarus to come forth. The rest of the dead still remained there. Also though Jesus came to set the captives free, He left His own cousin John the Baptist to stay in jail until his head was cutoff.

WHAT IS SICKNESS?

Sickness is a state of bad health; when things that are meant to be functioning well are not doing so. The Bible makes us to understand that there are different kinds of sicknesses.

- 1. Spiritual sickness: This is the sickness of the spirit. Once the spirit is sick, it can lead to other problems in the body and in the soul. Such sicknesses are generally caused by sin. Spiritual sickness will result in spiritual weakness or lack of appetite just like somebody who is sick physically. A person may have spiritual Kwashiorkor, meaning that his spirit is poorly fed and is suffering from bad nutrition and cannot contend against the enemy of the soul.
- **2. Emotional sickness:** This is sickness caused by the hurting or damaging of the emotions. It is common with people who are easily upset.
- **3. Mind sickness:** This is when the mind, the will and the intellect begin to behave abnormally. Dirty minds, weak wills, ungodly imagination, unprogressive thinking, blindness of the heart and blankness of the heart are signs of a sick mind. They cannot be seen physically. They manifest through people's attitudes.
- **4. Sickness of the body:** This is when the body is not functioning well in one part or the other. Many people understand the sickness of the body. If you understand the sickness of the body, it is not difficult

to understand what it will look like if the spirit is sick. If you have ever had malaria fever, imagine how you felt at that time, then imagine how you would feel if your spirit were to have fever. When the enemy knows that the spirit is sick, he comes in and strikes. This is the major cause of sudden death, weak spirit falling under the sledgehammer of the enemy.

- **5. Demonic sicknesses:** In these cases there is nothing wrong with the body but certain spirits are hiding there causing trouble and confusion. These are diseases sponsored by bad spirits.
- **6. Sicknesses unto death:** These are sponsored by the spirit of death and hell.

SOME OF THE THINGS THAT FOLLOW THE DEVIL'S TREATMENTS ARE:

- **1. Multiplication of sorrows:** The Bible says that the sorrows of those who run to other gods shall be multiplied.
- 2. Selling yourself to the devil for nothing as pointed out

The Bible says,

"For thus saith the Lord, Ye have sold yourselves for nought and ye shall be redeemed without money." Isaiah 52:3

- **3. Engaging in primitive spiritual trade by barter:** Since the devil has the power to put sicknesses in people, he also has the power to withdraw some of the sicknesses so that the victim would be confused and will eventually be captured and thrown into hell fire.
- **4. Exchange of destiny:** This happens when you go to the hospital of the enemy for treatment.

5. The entire body of the person could be exchanged by a wicked spirit: People whose containers called "the body" have been exchanged are not difficult to recognize. They suffer heaviness, drowsiness and are very vulnerable to spiritual wounds because they are carrying a body which does not belong to them. Once you have a body that does not belong to you, you cannot get married in that state because no husband or wife will marry a fake body. The hospitals can never find out what is wrong because when you get there, the evil powers will quickly replace it with the normal body and the doctors would not see anything wrong and when you are out, they quickly put the bad one back. These days they do that a lot.

The bodies of many people are under remote control. The bodies really do not belong to them and that is the reason the bodies are opposed to their spirits. The bodies are acting in opposition to their spirits. This is why some people experience unexplainable hatred. Some people who are meant to help them just hate them. All these happen when you go for treatment in the hospital of the devil.

6. Unconscious spiritual transportation: Ten years ago, a little girl of seven was brought to me. The person who brought her said, "Tell the man of God what you have been doing." She said, "I used to carry my mother to witchcraft meetings. Although she is not a witch but I carry her there." I asked for her mother to see me, and she was brought in. The woman who was supposed to be in her 30s looked like a woman of 60.

During the journey to the witchcraft meetings at night, she received wounds. Her head was hit against things, even her spirit too, as she was carried all over the place. Physically, she suffered constant sicknesses, including suicidal tendencies bothering on insanity, and she felt things moving about in her body. This was because one day, the woman went for treatment in the hospital of the devil, and from there, her case file was transferred to her daughter who started to use her as a horse to go to

witchcraft meetings. If you are like that and you are reading this, you shall be set free in Jesus' name.

7. When you go for treatment in the camp of the enemy you put yourself in the cooking pot of the enemy: This is why some people complain about heat and peppery feeling all over the body. Such people are tied down so that they keep going back to consult the evil powers until they are finished with them. Your lot will not be like that in Jesus' name.

When a call goes out in the world of wickedness to get a person, the dark powers will first of all check their records to see if they have anything on the person. Once the person has consulted them or has been to their saloon, he or she will be in trouble. When a believer goes to a hairdressing saloon called "mermaid salon," or a barbing salon called "Hot-head" he or she is looking for trouble because they did not mince words on their notice board. What they do there is well spelt out. So do not be surprised if the person's head is messed up. They will use the hair collected from the person for evil. The same goes for those who have kissed their agents. They will use their saliva for evil. They can also use their clothes, photographs, etc. They start working on people from these points.

The answer could also be "Oh no, we have no materials on this person and the blood of Jesus has removed even the former ones." When that is the case, their agents are instructed to try and find something from the person's body. They look for materials which they can use to hunt for the person. Such a person keeps worrying, "Oh why am I having this? What is happening to me? I cannot sleep."

If you carry your body to satanic agents, they will remove all they want and keep them in their bank. With incisions, they gain access to people's blood for future manipulations. Such people are also marked. All the stylish things people put on their stomach and hands, for example, tattooes, are bad marks which need to be cleaned up by the blood of Jesus. When they put incision on your body, you form the strongest covenant on earth called the blood covenant. If they have treated you with incisions before, you need to get

hold of the Great Physician now. All those who say they heal through incisions are physicians of no value.

May be you have been asked to carry sacrifices. All they have done is to convert you to the devil's caterer. You have fed wandering spirits at the crossroads. You cook food for them and now you expect them to leave you alone. No, they will multiply your problems so that you will bring more food. All those who have their bath with charm soap are busy washing away their virtues and transferring them to somebody else. Using strange perfumes on the body will result in chasing away the good spirits that would have helped you.

Eating herbal concoction is the same thing as feeding from the devil's table. There is a book called, "Demons, Doctors and Medicine." It reveals the secret of satanic agents who are doctors or nurses. According to the book, they don't treat patients but kill them softly. All these are physicians of no value. Bathing at the river at the prescription of a herbalist or fake prophet leads to evil initiation to water spirits. They are making you a disciple of the mermaid.

When because of one problem or the other somebody has sex with a herbalist or a so-called man of God, all he or she is doing is signing off his or her own marriage and inviting stubborn spirit husband or spirit wife. Some people would be told that before they can get out of a problem, they have to go under the bridge and have sex with a mad woman or mad man. What they are doing to them is initiation into spiritual madness.

The Bible says that when you join yourself to a harlot you become one body. The person becomes one body with madness. Such people need deliverance. A certain woman was seeking for a child and was told by a herbalist to buy a young goat, carry it on her back and walk to a market place. What the herbalist did was give her a goat for a child. The child was already a child of hell fire even before he was born.

These are the methods of the physicians of no value. They have caused people a lot of terror and havoc, especially in the black man's world. Their cures are uncertain, indefinite and unreliable. But when the cure is from the Lord Jesus Christ, it is certain. The Bible says that all that come to Him, He will in no wise cast out. He cures all that come to Him. Jesus can also cure instantly. He cures perfectly, permanently and most importantly, He cures without charging anything.

If you have ever paid anybody for giving you spiritual service, know for sue that the service you paid for was not from God. He says, "Freely are you given, freely you give." When somebody charges you money because he wants to bless anointing oil for you, know for sure that the power inside the anointing oil is not from God. Somebody came to me and said that a prophet charged him N4000 for anointing oil which should cost only N25.

CHAPTER THREE

INNER HEALING

Recently, the Lord showed me a vision bothered me. Different groups of people were preparing to go to heaven.

- 1. The first group was praying seriously.
- 2. The second group was reading their Bibles with full concentration.
- 3. The third group was just singing praises and waving their hands unto the Lord and was in the attitude of worship.
- 4. The fourth group was making hot Bible confessions.

All of them were heading towards a beautiful mansion. But when it remained a little for them to get there, there was a diversion and the signboard said "hell fire." I thought they would continue on the way to the beautiful mansion but they did not. Instead they took the diversion. I said, "O Lord, what is wrong? What is happening?" Then He said, "I traded with them and I lost. They were practicing these things but they were bankrupt in love."

MY CONCERN

When the vision cleared, I was worried because I saw these people praying, reading the Bible, praising God, confessing the word of the Lord and were heading towards a beautiful mansion and then diverted into hell.

When I was a young Christian we had one evangelist who subjected his counselees to seven days dry fast and they would be struggling to pray, but he would go home and feed himself well before coming for the prayers. He was bankrupt in love. The Corinthians in the Bible had a wrong view of true Christianity. They thought it was just prophetic knowledge the ability to speak in tongues or miraculous power. But they ignored the key point of discipleship which is love.

If you do not enjoy good relationship with anybody, you need prayers. If you have no friend, you are a loner and you lock yourself up, there is problem. Some people are like that and when you tell them to change, they would say no, that they do not want trouble. The question I normally ask them is "If we all lock ourselves up like that, would there be fellowship?"

Is 53:1-11

Who hath believed our report? and to whom is the arm of the LORD revealed? For he shall grow up before him as a tender plant, and as a root out of a dry ground: he hath no form nor comeliness; and when we shall see him, there is no beauty that we should desire him. He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised, and we esteemed him not. Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed. All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on him the iniquity of us all. He was oppressed, and he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, and as a

sheep before her shearers is dumb, so he openeth not his mouth. He was taken from prison and from judgment: and who shall declare his generation? for he was cut off out of the land of the living: for the transgression of my people was he stricken. And he made his grave with the wicked, and with the rich in his death; because he had done no violence, neither was any deceit in his mouth. Yet it pleased the LORD to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of the LORD shall prosper in his hand. He shall see of the travail of his soul, and shall be satisfied: by his knowledge shall my righteous servant justify many; for he shall bear their iniquities.

The Bible tells us that God is love. His own love is unconditional, impartial, ever-lasting, infinite and perfect. Love is never wasted. The love that expects positive reactions or results is not true love. Love that expects something in return is not the true love that the Lord wants His disciples to have. Love never makes any demand. Love only gives, it does not stop giving because others do not reciprocate.

CHRISTIAN CHARITY

Love your God and love your neighbour. Love sums up the whole Christianity and it is the distinguishing mark of a true Christian. Without love, spiritual gifts are useless. Take away love from the earth and what you have is a graveyard. The problem we have in the house of God today is that there are lots of Christians who do not love one another.

So, if you are going to fight, fight to win. Do not fight to lose.

A loving person will control all his unloving attitudes with his will power. You can be saved without spiritual gifts. You can make heaven without receiving the gift of word of knowledge or the gift of prophecy, but you

cannot be saved without love. All the tools and talents that are not motivated by love are a waste of time. That is why the whole of the Bible is bound up by one word - Love.

There is a lot of malice and unforgiving spirit towards one another. Those who have such attitudes are not the disciples of Christ. They may be coming to the church but they are not true disciples. They may be doing all sorts of activities but they are not true disciples.

PERFECT LOVE

The perfect lover will devote himself to others. Jesus did that. He gave Himself to us but what did He get from us? We crucified Him. The most outstanding thing that our Lord Jesus did was to love the unlovable, but many of us are quick to write off anyone who offends us even if he really does not know what he does. We retaliate at the slightest offence.

If you are going to fight;

- 1. Fight for the relationship and not against it.
- 2. Fight to improve not to destroy.
- 3. Fight for reconciliation and not for separation.
- 4. Fight to preserve the relationship and not to destroy it.
- 5. Fight to win your wife and not to lose her.
- 6. Fight to win your husband and not to lose him.
- 7. Fight to save your marriage and not to break it.
- 8. Fight to solve the problem and not to salvage your self- pride.

So examine yourself now. Is there anybody you do not greet? Is there anybody that you do not feel happy hearing his voice? Then you are not a disciple. You need to sit down and readjust. It is amazing to know that sometimes some husbands and wives come to church but they do not talk to one another. They come to the church and do not sit together. Something is

wrong with such couples. They are bankrupt in love and that is a serious situation.

WHEN LOVE IS ABSENT

I know many people who can speak in tongues and I can call fire prayer points but they do not have one atom of love. There are wicked husbands who beat I up their wives even though they come to church. The Bible says, "By this shall all men know that you are my disciples when you love one another."

When love is presented before you, you can chose what to do. You can decide to love yourself. You can love your God and your neighbour. The Bible tells us that the man who loves his brother dwells in light but if he hates his brother, he is in darkness. So there are only two kinds of love. Either you love yourself or you love others and your God.

When you concentrate all your attention on yourself, then you are a selfish person and do not have the kind of love we are talking about. Selfish love can be described as poison that a person absorbs everyday. It will prevent a person from being a true disciple.

Are you the kind of person that is still fighting with people? How long will you stay in that kind of school? While others are collecting power and are moving forward you are still busy wasting time with unforgiving spirit and unloving attitudes. Examine your heart now. It is important that you sort this out before the Lord.

A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another. John 13:34-35

CHAPTER FOUR

THE GREAT PHYSICIAN

The Lord is the great physician who does not need to carry out laboratory test, and does not need to give you hospital card. He can heal you without touching you. He can decide to heal you without touching you. He is the great physician. I pray that the great physician shall pay you a visit today and your life will no longer remain the same in the name of Jesus.

Many know the story of the Pool of Bethesda but it has no effect on them. Why does the Angel have to trouble the water? What effect does that troubling have? There are many lessons to pick up from it.

THE HIDDEN TRUTH

If those people who were gathered at the pool had somebody to give them some wisdom lectures, instead of somebody struggling to get in first, with a little bit of co-operation, all of them could have joined their hands and jump in. They would all have been healed. But they did not do that.

The anointing sometimes overrules faith. God does things to people sometimes whether you believe or not.

THE ANOINTING

The ministry of Angels is still relevant. There are angels doing lots of things amongst us. May violent angels from Heaven arise and pursue your pursuers in the name of Jesus.

In spiritual things you must strike when the iron is hot.

Inanimate objects can carry the anointing and power of God. The anointing is transferable. There was anointing in the rod of Moses which he used to wrestle the kingdom of Israel from the hand of Pharaoh. Elisha also had a rod that carried the anointing. He said they should go and lay it on the head of a dead child. When God called Elijah all he did was to put his mantle upon Elisha. That mantle of Elijah carried power. By the time Elijah went away the same mantle was what Elisha used and struck river Jordan and cried out: "Where is the Lord God of Elijah, the anointing separated Jordan. The same way Jesus in John 9, made clay, mixed it with saliva and used it to heal a blind man. In Acts 5 we read about Peter's shadow healing the sick.

THREE MYSTERIES

There is a mystery about water. There are three things in the Bible that are highly mysterious. The spirit, the water and the blood. The water however is the most mysterious. There is practically nothing you can do without water. Water is a wonder. It is made up of what the scientists call hydrogen and oxygen. Oxygen is flammable. Hydrogen too burns readily. But by the time you combine the two it becomes water and you put out fire with it. Seventy five percent of the human body is water. By the time a new born baby is born eighty percent of that new born baby is water. A large portion of the earth we thread upon is water. This is why the Bible begins to talk about water right from the book of Genesis and continues to talk about it till revelation.

Water is still the most abundant liquid on earth and it is vital for human life. Water is a mystery. It is the only natural substance found in the three states of liquid, gas and solid. It is the means by which all materials move. Food must be combined with water for it to have taste in your mouth. Dry food in a dry mouth will get you nowhere. A man's body can last a long time without food but it cannot survive that long without water. In scripture you will find over seven hundred places where water is mentioned. It has a lot of significant and spiritual symbolism for water.

THE MEANING

Water speaks for physical birth as written in.

Gen 1:20

And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven.

It is also written in John 3:5 that whosoever is not born of water and of the spirit cannot enter into the kingdom of God.

Water speaks of purification and spiritual life. Water controls healing powers. The troubled people were by the troubled water called Bethesda which means "House of mercy" I pray that the Lord will show your outstanding mercy in the name of Jesus. When somebody puts water down and begins to pray on the water, you are troubling the water. When you begin to send the fire of God upon the water, you are troubling the water. When you take your scriptures and you begin to confess the word of God into the water, you are troubling the water. When you command the anointing to fall upon that water you are troubling the water. When this kind of water gets into the body, anything can happen.

There is ordinary water and there is healing water. However there is water I must tell you about which you need more desperately.

In the last day, that great day of the feast, Jesus stood and cried, saying, If any man thirst, let him came unto me, and drink. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water. (But this spake he of the Spirit, which they that believe on him should receive: for the Holy Ghost was not yet given; because that Jesus was not yet glorified.) Many of the people therefore, when they heard this saying, said, Of a truth this is the Prophet.

THE HOLY SPIRIT

That water is called the Holy Spirit. One of the symbols of the Holy Spirit is water. The Holy Spirit is the living water. When you observe the relationship between water and the human life you can now understand a great deal about the Holy Spirit. Water is indispensable to human life. The Holy Spirit is indispensable to human life. The Holy Spirit is indispensable to your spiritual life. Unless we have within us that Holy Spirit, we shall be yielding to the pressures around us.

If you have the Holy Spirit within you, you can withstand any kind of battle on the outside. Whoever you are and whatever your name is, your human spirit is a failure without the Holy Spirit infilling. What the Holy Spirit can do in one minute is more than what we ourselves can do in a life time. The greatest unused power in the world today is the Holy Spirit. He knows the geographical location where your gift will flourish and where you will be celebrated. When you begin to recognize the voice of the Holy Spirit you have the master secret of life. It is the Holy Spirit that provides spiritual power. This is why it is dangerous as a believer not to have the power of the Holy Spirit within you.

The Holy Spirit equips us with spiritual weapons so that we can fight our spiritual wars. Anybody who can do a little bit of thinking will know that there is something wrong with churches today Many come to church, no

change in their lifestyle. They keep on committing sin and they claim to be born again. When you don't have the power of God then the enemy can deal with you and mess you up. That is why sometimes they bring attacks and it succeeds. Because there is no adequate power to stand against the power of the enemy.

John 5:2-5

Now there is at Jerusalem by the sheep market a pool, which is called in the Hebrew tongue Bethesda, having five porches. In these lay a great multitude of impotent folk, of blind, halt, withered, waiting for the moving of the water. For an angel went down at a certain season into the pool, and troubled the water: whosoever then first after the troubling of the water stepped in was made whole of whatsoever disease he had. And a certain man was there, which had an infirmity thirty and eight years.

God is the Almighty. He can do anything with anybody at anytime. Nobody can cage God in a test tube. No theologian can decide for God which way to go. He does what He likes, when He wants to do it. Because He is the Chairman of creation. He is the King of kings and the Lord of lords. He is the defeat of Pharaoh. The disgrace of Nebuchadnezzar. He is the sudden death of Herod. He is the central A.C in the fiery furnace they put Shedrach, Meshach and Abednego in. He is the deliverer of Daniel from the Lion's Den. He is the seed of the woman and the Ambassador of eternity.

Heaven cannot even contain Him so the earth now becomes His footstool. He is the book of revelation. He is the earthquake which shook the prison of Paul and Silas. He is the fourth man in the fire. He was the one that visited Egypt and they had no option but to let God's people go. He was the one at whose presence the Red Sea ran away. He was the one at whose presence darkness fled into the wilderness.

The first thing you need to do is to surrender your life to Jesus. Then confess all your sins. The third thing to do is ask for that power to come

PRAYER POINTS:

- 1. I recover my blessings from any water, forest and satanic banks, in the name of Jesus.
- 2. Let all my departed glory be restored, in the name of Jesus.
- 3. Let all my departed virtues be restored, in the name of Jesus.

CHAPTER FIVE

HINDRANCE TO HEALING

Matthew 9:20-22

And, behold, a woman, which was diseased with an issue of blood twelve years, came behind him, and touched the hem of his garment: For she said within herself, If I may but touch his garment, I shall be whole. But Jesus turned him about, and when he saw her, he said, Daughter, be of good comfort; thy faith hath made thee whole. And the woman was made whole from that hour.

We have another version of that story in mark 5:25-34

Mark 5:25-34

A certain woman, who had an issue of blood for twelve years, and had suffered many things by many physicians, and had spent all that she had, and was no better, but rather grew worse, having heard the things concerning Jesus, came up behind him in the crowd, and touched his clothes. For she said, "If I just touch his clothes, I will be made well." Immediately the flow of her blood was dried up, and she felt in her body that she was healed of her affliction. Immediately Jesus, perceiving in himself that the power had gone out from him, turned around in the

crowd, and asked, "Who touched my clothes?" His disciples said to him, "You see the multitude pressing against you, and you say, 'Who touched me?'" He looked around to see her who had done this thing. But the woman, fearing and trembling, knowing what had been done to her, came and fell down before him, and told him all the truth. He said to her, "Daughter, your faith has made you well. Go in peace, and be cured of your disease."

This is a very interesting story from which we can draw a few lessons:

THE POSSIBLE HINDRANCE

1. THE WRONG CROWD: Jesus attracted the wrong kind of people and that could have been a barrier to the woman. Those who followed Jesus were people from Galilee. They were not educated people. They were not fine people. They were not the kind of people you would refer to as civilized. They were a pack of fishermen, poor, sick, despised and ignorant people.

The woman could have gone back because of this and died with her sickness.

The reason many people die in their sickness is that they allow the pride in them to make them miss their healing even in the land of healing. They choose whom to listen to by outward appearance. For example, some society men and women would prefer to go to Cathedrals on Sundays instead of a living church where the sound word of God is preached. They prefer to die in Cathedrals or society churches to receiving healing in churches they think are meant for the low class. Naaman, the captain of the Syrian army would have missed his healing for this reason but God helped him. The woman did not think about the kind of people that were following Jesus.

- **2. FEAR:** She could have said that the big crowd would make her nervous. She could have complained about the noise and the pushing as a result of the surge of the crowd. A certain sister had a problem and came to the church. As we began to pray, it was discovered that she had a stone in he stomach which the scanning machine could not detect. After praying for sometime, the stone disappeared and that was the end of her problem. Then after a few months, she stopped coming to church. Her reason was that she preferred a small fellowship where she would be popular among the people. She went to a smaller fellowship where she became popular and the problem came back.
- **3. DISCOURAGMENT:** She could have said, "Well, I have tried everything but nothing worked. So many men of God have prayed for me and nothing happened. I have gone round all the available places yet the problem remains. Why don't I just resign to fate and sit down here until death comes?" She did not do that. She did not think about the different doctors she had seen without any answer to her problem. She could have forgotten that sometimes doctors are like apprentice repairers while God is the manufacturer.. She did not begin to feel sorry for herself because all her former efforts were fruitless. She could have convinced herself that she had a good reason to be discouraged but she refused to quit. I do not know what your barrier is today but I like to encourage you to get rid of that barrier like blind Bartimaeus who threw away his garment in order to get to Jesus.
- **4. WEAKNESS OF THE BODY:** The woman could have said, "I am too weak to push through the crowd to Jesus. I am not going to make any effort." She said to herself; "I may be weak but I can take one more step." She gathered herself together and moved, and that was the final step to victory. I pray that you take the final step to victory today, in Jesus' name.
- **5. FEELING OF UNWORTHINESS:** She could have said, "Well, I am not worthy to receive anything from this man. I have committed so many sins. I have never done anything for Him so why should he help me?" She did not allow this feeling to deter her from taking a step of faith.

- **6. PAST FAILURES:** She could have said, "Well, others may be receiving from Jesus, but not me because I have called Him before and I did not see Him neither did He answer me." She believed in the promise of God which says that whosoever will, may come and receive. She did not say, "Well, I don't know this man and he does not know me, why should I go to Him?" This is why some people write prayer requests to us and include money for the prayer. We always send their money back to them and still pray for them because we do not sell prayers.
- **7. THE FEELING THAT IT WAS ALREADY TOO LATE:** She could have said that it was too late to do anything. The truth is that it is never too late with God. The Bible makes us to understand that even in cases when people were already dead, Jesus did not think it was too late. It is never too late until God says it is enough.
- **8. THE ISSUE OF GODFATHER:** She did not say, "Well, I don't have anyone to help me or introduce me to Jesus. This is the obstacle of many people today. She could have said, "I don't have anybody to carry me through the crowd. I don't know any pastor, so I cannot get help." You don't have to know anybody. You don't have to see any pastor or any General Overseer for Jesus to touch you where you are. This woman did not give up. She found her way to him and touched Him. She did not waste time looking for somebody to introduce her to Jesus.
- **9. PROCRASTINATION:** She did not say, "I know that I will be healed if I touch the Lord, but not now, may be sometime later. I will try tomorrow, not today" When you make up your mind like that, it acts as a barrier and nothing happens. This has stopped thousands from receiving their healing.

Some of these excuses that I have pointed out are the normal barriers that people come across when they come to prayer meetings where God is ready to do anything. You have to break down these roadblocks hindering your miracle. Don't say, "I have tried everything. It is no use trying again. I am discouraged. I am too weak and tired. I am not worthy." Don't make such statements. Instead, remove the roadblocks and touch the hem of His garment.

Some are going around preaching that God does not heal people again. But I believe in the word of God which says, "He Himself bore our infirmity and healed our sicknesses (i.e. He carried it on Himself,) the chastisement of our peace was upon Him and with his stripes we are healed. The stripes on the body of Jesus represent our sicknesses which He had already borne. So what he had already carried should no longer be a problem to us.

Lesson 1: The story is the simplest illustration of faith in the Bible. The woman acted, virtue came out of the Lord and a miracle took place. She felt that she did not need to bother the Lord. She believed that once she was able to touch the hem of his garment, she would be made whole. With this simple child-like faith, she went ahead and touched Him and that was it. We can say that she drew power from Jesus without permission.

Lesson 2: Longstanding problems yielded to the power of Jesus Christ. The woman had the problem for good twelve years. Meaning that no matter how long a particular problem has been in place, the hand of the Almighty can go to the foundation and dry it up in one second. This was what happened here. Many who are suffering from long-term sicknesses will be delivered if they can reach out to the Lord in faith.

Lesson 3: The doctors can only care but they cannot heal. The woman had been to many carried should no longer be a problem to us.

happened here. Many who are suffering from long-term sicknesses will be delivered if they can reach out to the Lord in faith.

Lesson 3: The doctors can only care but they cannot heal. The woman had been to many doctors, yet she did not receive her healing. She discovered that only Christ could save her. Perhaps your case is like that. As you are reading this message, the Lord shall deliver you in Jesus name. People's cases get worse when they go to satanic doctors for healing, so avoid that mistake.

Lesson 4: It does not matter if you come from behind, as long as you can touch the hem of His garment, you will be healed. You do not have to be in front to get your healing. This woman did not know about Christianity Her father was not a reverend gentleman, likewise her mother. No matter who you are, once you reach out to the Lord in faith, He will touch you.

Lesson 5: The virtue of healing comes from only our Lord Jesus Christ.

Lesson 6: The Lord insisted that the woman must make an open confession. Until she made an open confession, her healing was not complete. It was after her confession that Jesus said to her: "Daughter, thy faith hath made you whole."

Lesson 7: The woman got rid of all her obstacles to get to Jesus

Let us consider this last point.

Lesson 8: Faith can break down the barrier between a person and the person's desired miracle. There were many things that would have prevented the woman from receiving her healing but she refused to be stopped. She kept going despite all the obstacles.

Touching the hem of his garment and receiving from Him is a practical thing. I want you to release yourself and reach out so that you can touch the hem of his garment. When you touch the hem of his garment, every evil foundation will dry up. Scientists have something they call germ. Many germs are under the control of Satan. Therefore you must declare war against the spirit of infirmity by the power in the blood of Jesus.
