

## **The Plummet Line & Rapture Express Dream 11-1-25@1-11 AM & 5-52 AM**

Hi, this is Vicki Goforth Parnell. I have come to share a dream but also a short word. I released yesterday 10 31 25 at 7 0 6 p.m. titled You Have Failed the Plummet Line Standards Again Babylon.

He had me, the Lord Jesus Christ had me to release this short word on telegram, on the YouTube channels, on the community post. I released it on Facebook. I think I maybe even placed it in, it's on the website also already.

You Have Failed the Plummet Line Standards Again Babylon 10 31 25 at 7 0 6 p.m. and then the dream is titled The Plummet Line and Rapture Express Dream 11 1 25 at 1 11 a.m. and 5 52 a.m. I questioned the Lord last night why did he not want me to do a video and I realized now when I have the dream they go together. So please try, test, and discern this as you're called to do. We're all called to do that if we confess Jesus Christ as the Lord and Savior.

This is what this word says. First Thessalonians 5 21 Prove all things fast, hold fast to that which is good. See, hold fast to the Holy Bible.

Hold fast to that which is good. 1 John 4 1 Beloved, believe not every spirit, but try the spirits, whether they be of God, because many false prophets have gone out into the world, whether they be of God. Is that singer, are they of God? That prophet, that pastor, that evangelist, that friend, that co-worker, all these things were called to do.

Let's pray. Now I have prayed some already, but I'm going to pray some more just so you know. When I get behind here, I've already prayed, but I'll pray again because the Lord wants me to do that until he says otherwise.

I shall continue to do it. So, Father God, I come to you in the name of Jesus Christ. I submit to you, sweet Holy Ghost Spirit.

The word of God says in Proverbs 3 5 6, trust in the Lord with all thine heart and lean on to the understanding. In all the ways, acknowledge him and he will direct your path. I'm depending on you to uphold your word, Father God, as Isaiah 55 11 says you will do.

I come before you in the name of Jesus Christ. John 13 14. Whatever I ask in your name, Jesus Christ, you will do.

Whatever I ask in your name, you will do. So, Father, I'll be glorified. And that means when you search it out, when my life is living, I'm living a pleasing life to you, Father God, Jesus Christ, not perfect, but pleasing.

I'm trying to be obedient. I'm trying to do all that I can do with your help. Can't do it alone, but

with you, I can do all things through Christ who strengthens me.

I thank you, Lord. I thank you, Philippians 4 13. Now, there'll be absolutely no retaliation, no backlash in the name of Jesus.

My notice is going to finish right now. We know absolutely no backlash, no interference, no spying, no monitoring, astral traveling or any such like thing ever for this video and what I'm doing to glorify Father God unless Father God allows it. In Jesus Christ's name, I make this a holy decree standing on Job 22 28, which says when you decree a thing, it is established and will light your path.

And I do this in the authority of Jesus Christ being an heir of God and joint heir with Jesus Christ in the authority of his name, his power. And he lives inside of me. That's what authority and that's what authorizes me to be able to do this in the kingdom of darkness to pay attention and to obey.

It's Jesus Christ in me. I've already repented of all my sins, presumptuous sins, secret faults, Lord Jesus Christ. If I have any kind of agreements known or unknown that I made since the last time I prayed, I command them to be broken and I bind all interferences that would try to hinder.

I bind doubt, unbelief, disbelief, alert, alarm, fear, lying, spying, manipulation and such like inside this firmament. I bind delusions, delusions, mirages and such like in the name of Jesus Christ. Every trap, trickle, booby trap and such like I seal in the blood of Jesus Christ while also dismantling all demons and any kind of charms, bewitchments and such like things.

I blind the enemy. I make them deaf in Jesus Christ's name. One verse, it says in Psalms about stopping the ears of the adder.

I stop the ears of the enemy and I blind them and ask that scales would come upon their eyes. Father God, spiritually and physically, if applicable, but spiritually upon their eyes like Saul when he was struck down on the road to Damascus by that glorious light of Jesus Christ, Lord, blind the enemy. I ask the perpetual confusion be sent out to them everywhere, Father God, according to Jeremiah 20 11, lines of perpetual confusion.

Father God, like Babel, Lord, I ask that you would just disperse them like Babel, all the communications, Lord, all the communications of the enemy. Take it down, disperse it, confuse it, Father God, to where they cannot come in unity, that they cannot get their supplies. And also, Lord, you pointed something out also, it divided the people.

A kingdom divided will fall, a house divided will fall. Let Babel go forth, the weapon of Babel, and divide the kingdom of darkness in Jesus Christ's name everywhere possible, Lord, so that they will fight among themselves. And I pray and ask that the rumor of the Lord be sent out and that the tale bearer be sent out, Lord, in Jesus Christ's name.

And every coven, every evil gathering that's formed against me, my family, this ministry, my brothers and sisters in Jesus Christ were applicable. I command you to disperse and not to ever regroup in that same form and way ever again inside this firmament in Jesus Christ's name. Again, no retaliation.

Now, Lord, I dismantle the demons inside these charms and witchcrafts and such like thing, and any kind of attack of witchcraft, garbage, any physical attacks that would represent technology, devices, weapons, and such like, you know, a Father God, spell books, all these things. First, I'm going to dismantle all the demons and deprogram the charms and bewitchments. Also on them, Lord, their protection, on their spell books, all these things.

I dismantle the demons, cut the cords, command them not to do what they're called to do in the mighty name of Jesus Christ. There'll be no interruptions, there'll be no visitors. This place is sealed by the blood of Jesus Christ.

Lord, I give you praise. And I thank you, Lord, because it says in Psalms 24, who will enter the gates? The King of glory. The Lord, strong and mighty, mighty in battle, who is the King of glory? That is who enters these gates.

That is who has the lock, the kingdom key lock to my home, my place. All of our possessions, this ministry, the ministry funds, the ministry sites, the key is in Jesus Christ's possession. The Lord, I give you praise.

Now I do dismantle the demons, cut the cords, command them not to do what they're called to do. I burn up the cords, Father God, in 1 Kings 18, when Elijah prayed, that fire came down. You are a consuming fire, Hebrews 12, 29.

Lord, I give you praise for your word that rises up in me. I love you. I love your word.

Jesus Christ, you are the word made in the flesh, John 1, 1, John 1, 14. I give you praise. I give you praise for hearing us, for hearing your children, so that when we cry, when we pray, all of heaven pays attention.

And you bend down your ear, and as we pray in faith, believing not against your will, those angels are sent out, holy angels of God, immediately. They're dispatched, bam, bam, bam, bam, that's what you show me. And I give you praise.

We don't always see it. We don't have to. It's a walk of faith.

My deliverer is coming, Jesus Christ, I give you praise. I give you praise. Now, Lord, I send this out in Jesus Christ's name.

Jesus Christ, you gave me this dream. I tried, tested it. I deserved it.

I've had other people do it too, again, not knowing the content. And I woke up saying, Lord, this reminds me of another dream I had. And I pulled the other dream, and sure enough, it's

similar.

So I give you praise. I understand what you're saying, though. This time, the other dream was from 22.

You are good, and you are righteous, and you are just, and you are fair, but you're also justice. You're called the avenger. Vengeance is mine, thus saith the Lord, I will recompense.

Your children can fall upon the altar and grab the horns to the altar and cry out for mercy. But those that are not yours, you don't have to give mercy. Lord, I deliver this for your glory, Father God.

In Jesus Christ's name, open the ears of my brothers and sisters in Jesus Christ. Open our eyes to what's going on, Lord. So many times when you're talking to us, you're showing us these things.

So many people I know of, when it turns to be something painful or something they don't want to see, they want to bury their head further and try to ignore it or pass it off as the enemy trying to deceive them. And a lot of times you're saying, red flag here, red flag here. Look, look, look, look.

Because then we have to deal with it. Give us the courage and strength to do all we need to do for your glory, Father God. Because when we're called to a higher position, meaning when we're called as those that knows they're called to be 144 and whatever, we have to get our lives in order.

And guess what, children of God, you're going to be part of that holy bride. You got to get your life in order. You got to get your heart in order.

You got to get yourself cleaned up. You got meaning. You got to get rid of that sin.

You got to repent. You got to live holy with Jesus Christ's not perfect, but holy. When you're perfect in him, it's walking in the ways of righteousness, but none of us are perfect with Jesus Christ as far as what our ideal perfect is.

I send this out north, south, east, west. Your will be done, Father, in Jesus Christ's name I pray. Amen.

Hallelujah. Hallelujah. Excuse me.

Just a moment. My tag is itching. Jesus.

Should have got it out. Lord, praise the Lord. He's good in all things.

You're not going to bother me anymore. Hallelujah. Again, I was talking to the Lord last night and I kept hearing this.

Kept seeing part of it. So I'm going to deliver this in Jesus Christ's name. All right.

You have failed the plummet line standards again, Babylon 10, 3125 at 7.06 PM. You say you love me, but you sell your children to Lucifer by an agreement for a trick or a treat. Then ask me to save them, to rescue them.

And because I am love, I will still reach out to them. But you, my children, are to blame for the devil's involvement. You welcome into your family and children's lives for a moment of a trick or a treat.

You have failed the last plummet line, Babylon America. The plum line standards, my holy standards, testify against you. Now I move against you.

Now it's done. Daughter, it's time for Babylon to be destroyed. The plummet line standards have failed again.

Weep and wail, you children of men. Weep and wail for more sorrow is what you shall receive from this time forth. For those who do not accept me into their hearts as Lord.

Here are the verses that he had given me for this. Ephesians 5, 11. First Corinthians 10, 21.

Second Kings 21, 13. Lamentations 2, 8. Isaiah 28, 17. Jeremiah 31, 39.

Amos 7, 7 through 8. First John 4, 8 and 16. Again, that is already on the My Love is Jesus ministry website. If you want the transcript, it can be free, be used in a godly way.

God bless. Thank you, Lord. Here we go.

This dream is titled The Plummet Line and Rapture Express Dream 11125 at 1 11 a.m and 5 52 a.m. The dream that was similar even I think mentions Rapture Express. The Thanksgiving dream 10 31 22 at 12 58 a.m and 5 55 a.m. I had this one twice and journaled at 9 18 a.m. All right, here we go. Lord's will be done in all things being the Lord Jesus Christ.

Jesus Christ, my love, I dreamed again the same dream two times last night. The first time 1 11 a.m and the second at 5 52 a.m. This dream reminds me in some ways of the Thanksgiving dream you gave me on 10 31 22. I have discerned this as well as others that this is from you, my lovely Jesus Christ, and it is to be shared.

Holy Ghost Spirit in Jesus Christ's name, don't let me write one word that's not from my lovely Jesus Christ. I pray and ask in his name. I won't, daughter Zion.

Now write, please. I found myself looking at a string, a very straight string. It's white, but everything else is black.

I felt compelled to look down and I saw there was a heavy weight, metal weight with a pointed end on the bottom. I recognized what it was immediately. It's a plumb line, also called a

plummet line in the word of God.

They're used to ensure when lining something up next to it that the thing is straight and not crooked. The Holy Bible, excuse me, the Holy Bible talks about the plummet line in more than one location where it's held up to Israel and because their ways were evil and crooked, no longer walking in the straight and narrow path of unrighteousness, the path of righteousness, they failed the plumb line test. When this happens, the time of warning from Father God and Jesus Christ is over and judgment begins falling wherein none of the wicked are spared.

I gazed at the plummet line, the plumb line hanging in a straight line with everything around it still black. Jesus Christ, my love, last night you spoke to me of America and other lands failing the last plumb line test of holiness because of all the evilness and participation in the pagan holiday of Halloween, even many churches. Not long ago you mentioned another plumb line that Israel and the world had failed after the ending of the holy time of the feast of trumpets.

People all around the world the next day were participating in the October festivals, October fest festivals that is celebrated with the core meaning behind it was to honor beer. How is this related? I asked out loud. Suddenly I saw a light shine around the bottom of the weighted plummet line.

I can tell it's starting to be lowered. I heard my lovely Jesus Christ voice speak. I knew it was his because I recognized it immediately.

Daughter of mine, yes, this plummet line is connected to what I have shown you and spoke with you about last night. Your world has been judged. Mercy was granted in times past for the three days of darkness to be delayed during the season of Purim.

During this granted time of mercy, the call went out heavy across your world to repent as warning after warning was sent out to your world out of my great love for its people. Inserted into this time of granted mercy were two plumb lines, although they affected the whole world. One for the land of Israel, I call mine.

The other for America, now Babylon to me, who once was mine too. Both nations have failed the plummet line tests. Each nation's heart is wicked and evil, though I love them still yet as your creator.

But the time of warning is over. I shall no longer spare these nations from righteous judgment. Now because judgment was coming and you did not repent, I shall not spare my hand nor hear these people's crying until I have laid out righteous judgment hot, harsh, and heavy and true repentance is found.

Now daughter, I showed you by dreams and visions words spoken to you in a long times how October 3 for Oktoberfest 3 marked the first plumb line for Israel and October 31st for America, Babylon. The judgment foretold for your once great nation is symbolic of the exploding pumpkins you have been seeing. In addition, if repentance had been found, there would have

been a lessening of the severity of all that is to befall Babylon.

This time has passed. No mercy will be given to wicked, evil Babylon as I unleash my furious fire and anger upon her. Then the whole scene before me lit up.

I saw that a nail scarred hand had been holding the plummet line. He let go of it and I looked down to see what was going well to see what it was going to hit. Beneath it was a flat map of the United States.

Right before the plumb line weight made contact, the map changed into a huge pumpkin. The plumb line weight made contact with the pumpkin and when it did, it exploded into many, many pieces. I shall not spare Babylon, he said, nor Israel.

And then the scene changed. Excuse me. Thank you, my love.

In the room, excuse me, I'm in a room I don't recognize right away speaking on a cell phone, which is strange because those who know me know I don't chat or make calls on the phone. To say otherwise of me would be an error. I'm the one speaking.

I don't celebrate Thanksgiving anymore, I said, and then continued. I have made it clear to all about the pagan origins, even how the first original pilgrims before those on the Mayflower had to eat some of their own to survive. I won't participate in this, so why contact me? The voice on the other side of the phone was speaking and I could hear what they were saying.

You don't have to participate in the meal, just come for the gathering, the female voice said. No, I will not participate in any part of it. The voice on the other end of the phone spoke again.

We can move it up to the 16th. Please come be with us. I answered quickly, but still in kindness.

I'm here to do the work of the Lord Jesus Christ, and you're not understanding the situation. I will no longer be available for public meetings after the 14th of November. I'm preparing now for the coming things and will no longer be in this area.

I'm sorry, you wanted me to come for a time of fellowshiping. That's not what I'm called to do. I'm called to reach the lost or to help in spiritual warfare.

This is neither situation, but even if it was, even if you moved it to the 16th, I would not be able to make it. All speaking engagements will not be booked beyond the 14th. Then the scene changed.

I'm standing outside a hotel and realized this was where I had been when I had spoken on the phone with the person prior. How much time has passed, I'm not sure, but it didn't seem like very much at all. When you're busy working for the Lord Jesus Christ, time seems to fly by fast.

I looked down to see a suitcase laying, excuse me, suitcase by my feet. I smiled slightly as I picked it up and looked at the nearby car which I knew I had rented. I'm alone now for this trip.

The others who sometimes accompanied me had caught an earlier flight. I looked at my watch and realized it's time for the plane to leave. They had left before dawn to catch the early flight.

I heard the smooth sound of an airplane that had taken off. The hotel I knew was close to the airport. I looked into the sky and saw what I knew had to be their plane because it was magnificent and made out of solid gold.

On the side of it had the name Rapture Express. I knew I had chosen to stay behind this time and work more while I was still able for our lovely Jesus Christ. I smiled as the plane flew higher and I began walking to the car.

Then I noticed something had begun falling from the sky. It's snow, lots of snow, but wait, it's dirty like ash. This is not regular snow, this is fallout.

I exclaimed, this means the tin suitcases have already detonated and now the dirty snow has finally fallen back down. I knew somehow I had nothing to fear of the dirty snow because I was protected by my lovely Jesus Christ. I hurried to the car remembering that dirty snow can fall fast and arrive in about 15 to 30 minutes or take longer time or can take a longer time because the higher the blast and debris it can cause it to take longer to fall.

Excuse me, I wrote the word twice. Oh Jesus Christ exclaimed, that means Putin's first strike on America won't be far away but will come as a surprise just like the attack on Pearl Harbor was. And then I awoke.

Thank this is Jesus Christ and prayer. Now this connects a lot of dreams and visions I've had but I'm not going to go into that. Thank you, Lord.

It's up to you to pray and seek Jesus Christ on it. But this just kind of cemented everything in place for me. Here are the verses John 3 16 through 17 Ecclesiastes 1 9 1 Thessalonians 4 16 through 17 Hosea 12 10 Amos 3 7 2 Kings 21 12 through 14 Isaiah 28 16 through 23 Amos chapter 7 Zechariah 2 1 through 2 Isaiah 1 21 through 24 Zechariah 4 10 Luke 21 28 Proverbs 16 18 Philippians 3 18 through 19 Matthew 24 37 through 39 1 John 5 19 Romans 6 23 1 Thessalonians 5 1 through 24 Psalms 21 9 Jeremiah 51 58 Luke 21 24 James 2 13 Nehemiah 9 31 Luke 19 41 through 44 Micah 7 18 2 Corinthians 12 9 Proverbs 28 13 Isaiah 55 7. Take this to Jesus Christ in prayer.

Dry test and discern it as we're all called to do. Now my understanding of the dream Octoberfest and exploding Trump pumpkins that was on October 3rd. The recent dream I just had on there was another one in between it.

No, the exploding pumpkin dream with the boy and then the one I just had recently about the pumpkins, the pumpkin patch dream. I'll talk about the exploding pumpkins, which we failed the plummet line. So it's coming.

It's just it's coming. It's not going to. Yeah.

Study what happens with the plumbing line. No more warning. Judgment is coming, but children of God, Jesus Christ is coming to.

He is a love like no other. I pray daily. I pray almost up.

I do pray daily. Lord Jesus Christ, come get your bride. Come get your bride.

Come get your bride. They're ready to go as far as the attacks. But if you're not ready, you got to be held up to Jesus Christ standards.

You get ready through his help. Repent and quit sinning. That's a big step.

All right. God bless. Stand in the blood of Jesus Christ always.

That's all I've been told to do. Bye bye for now.
