

I See 3 Moons Again Dream 12-23-24@ 12:03AM; 4:32AM & 9:01AM

“Dear Father God in Jesus Christ Your Son's Name I'm here to write the dream I had three times last night in my journal now. It is a 2 Corinthians 13:1 dream according to Your Holy Word. Each time I woke up I prayed and asked in Jesus Christ's Name after discerning and testing it was from You to let me remember it all as You have given it to me as Your Word says sweet Holy Spirit will do in John 14:26 and 1 John 2:27. I ask once again sweet friend Holy Spirit don't let me write anything that's not from my lovely Jesus Christ or my Father God in Jesus Christ's almighty Name.” “I won't daughter Zion, now please write as I show it to you once again.” “Thank you, sweet friend.” “You are welcome.”

It began as me as an observer inside the Book of Revelation being lived out upon our world. It was scene upon scene like a picture slide without any words. I saw many things I recognized from past visions, dreams, and such like. I am awestruck by all that I am seeing. It's not like all the Bible scholars and teachers said it would be. Then as the New Jerusalem is coming down, I feel myself pushed backward as if being pushed through time. I was!

I am once again outside looking up into the almost midnight sky. This is how my mind inside this dream is describing the night. Up in the sky I saw 3 moons. I exclaimed, “3 moons again! What's with the 3 moons Lord Jesus Christ?” I heard His voice audibly from the sky say, “I told you daughter 3 moons till darkness. When the third moon fully arrives you see, but don't in the sky the destroyer comes.... After the darkness for three days has fallen.”

“But what does it mean?” I asked looking up into the sky. “You know what it means My daughter. It's the world that doesn't understand,” I heard my lovely Jesus Christ speak to me in a strong loving voice. I replied softly. “You're right, I do understand why the 3 moons, but the first time when You showed 3 moons it started during cold weather. I wore a coat like I am now,” I said to my Savior, “but I walked until it began to get warmer, then saw only 1 moon remaining in the sky. Next, I saw a sprig of green grass.” “Yes, daughter that is correct but tell Me daughter what have I told you in My Holy Word that the moon was created for?”

I looked around for a moment to see if anyone was watching me or could hear my lovely Jesus Christ's voice audibly as I was but it appeared I was alone. Then I answered Him out loud also. “The moon was created to give light in the night but it's also for signs in the sky and for seasons.” I continued, “That's why I have been seeking You for more information. You have shown me 3 moons in the sky my love repeatedly and I have found their meaning with Holy Spirit's help but the green sprig of grass to me symbolizes spring, the time of rebirth. The time of spring or the time of a new beginning. In the original calendars the spring equinox was the time the new year began. Jesus Christ my love, does the warmer weather and the green sprig of grass represent a new beginning? A new start? A new day being a new time on the earth? Which would be Your Great Day of the Lord, Your Day of Wrath. Is this correct, my lovely Jesus Christ?”

I heard Him say softly from the midnight sky above, "That is correct daughter. Now tell Me daughter, what do you see before you?" "I see 3 moons in the sky Jesus Christ like before. 3 moons but now two of them look like they're hidden in the shadows." "That is a fair assessment," my lovely Jesus Christ replied. "And what does this tell you, my daughter?" He asked me. "It means the time has arrived. It's time for the 3 moons till darkness and then Your Great Day is also to begin. When the third moon has reached its peak point then that signals the destroyer of old upon our earth," I replied quickly. "Next the rest of the Book of Revelation not yet lived out upon our world begins," I said as the realization descended hard into my mind. He replied, "Yes daughter that is right."

Then I woke up. Three times I dreamed this same dream. "Jesus Christ, I understand, I understand. The Heavens were created for signs but it takes seeking You for the understanding. Please help us all. I pray in Your Name Jesus Christ.

Verses

2 Corinthians 13:1; Revelation 6:12; Jeremiah 31:35; Psalms 8:3-6; Genesis 1:14-18; Psalms 104:19; 136:9; 2 Samuel 24:10-17; Exodus 10:21-23; 11:4-7; 12:12-13; 29-30; Micah 3:6; Isaiah 8:22; Amos 8:8-10; Deuteronomy 28:28-29

My current understanding is the sprig of green grass which symbolizes what spring means...A time for something new to begin is referring to the new time era we are about to enter which begins with the Great Day of the Lord. I'm still seeking more in Jesus Christ's Name about these related dreams. Please pray, try, test, and discern this in Jesus Christ's Name according to the infallible Word of God. God bless. Stay under the Blood of Jesus Christ Always.
