

Babylon, I Bring You Melting Fervent Heat 5-7-25 @ 10:33 AM

“I would talk with you, Daughter. The hour is come, Daughter, the trials by fire. A purging, a purification of the sin and its seeds sown into the foundation, once pure, of your world. A cleansing from the Hand of its Creator, My Father, I command. He speaks and I move. I obey, for We are One. A time of great heat and sorrow, as plagues erupt from the melting fire that shall devastate your land of America, once called the Land of the Brave, the Free, but Babylon she is to Me. Tell Me, Daughter, how much bravery and courage does it take to traffic human souls, human people to become sex slaves? How much bravery and courage does it take to molest and rape your own children? Babylon is the worst of all other nations. For this great evil, happening so common now in your world and once great nation, that it's accepted as if it's going to happen and is normal behavior of people in your world and ungodly nation. Daughter, it is NOT normal behavior for what I have created by Father's command. This is a result of demon possession for some, while others are nephilim born and human agents deliberately fracturing by hurt, abuse, and trauma of the innocent, both young and old. And it's evil. I see no bravery or courage in such acts of these, O evil Babylon you are to Me. The very heart of your nation, Daughter, is black now, like that of Lucifer's, the first fallen one that fell to sin though he was not always called at first by this name.

Your sins have been found out, your skirts have been removed and you, O Babylon, are now naked and bare before your enemies. I would have protected you. I would have sheltered you under My wings, yet you chose to be unfaithful to Me, your Savior, your Deliverer, your Redeemer and Lord, and played the harlot with many lovers in your world. Hear Me now, O evil Babylon: I bring fire...Great Fire. Melting fire of judgment upon you now, and no one can stop Me. I have commanded it. It shall be so.

As the arrows of time click down until the last few seconds of this remaining hour, until the next begins which brings to your world 7 years of Tribulation, I shall begin purging Babylon. Bringing her internal destruction by melting heat, devouring fire created by man's own evil hands. A reward of technology granted by the fallen ones for a lifetime of pledged loyalty and the right to take, unwilling, My created people, by force, for experimentation. So you could further produce more technology, further enslave the world's governments, and their continual reliance for greater technology granted to them to also be maintained. Again I say, Babylon, America, you are the worst of all nations, so evil are your ways to allow so casually many of your own nation's people you've sworn to protect into the evil hands of the demons, nephilim, and fallen ones.

Tell Me, America, where is the honor and glory for this great evil and injustice you do to your own people? Where is the bravery and courage when you also hide and cover such things you were party to? Declaring it in tabloids “Alien Abductions”? You're evil, Babylon. Your innards are as black and polluted in your mind, your heart, as all the fallen ones, combined. Your filth is that of a lewd woman, whose lewdness knows no bounds. So I purge you with melting fire by the hands of your very own government, who are sworn to protect you, both the present and from the past administrations and legislative bodies of your ruling governments, and armed forces, including your local law enforcements, also.

I see it all, you loathsome snake. Just like the serpent beguiled Eve in the Garden, and Adam, and she fell into sin, you have beguiled this world with seducing words of false promises, sorceries, and brutal force while waving your flag you sometimes call “Old Glory”. I say there’s no glory in evilness. You are not brave, but weak, because you trust in the ways of the fallen ones of Lucifer, of Satan, instead of Me, your Holy God. I gave you a land of plenty. I gave you grace, beauty, and protection.

I gave you power so you could reach out and be My hands and feet, and help weed out the evil in this world. Instead, you bonded with it. You embraced it fully like a woman of ill-repute with no regards for the holiness and godliness of our holy union. I, as your Lord and Savior became your Husband, your spiritual Husband, Protector, and Provider when your nation as a whole accepted Me, Jesus Christ, and followed in My holy ways. I have divorced you already for your evil, filthy, disgusting ways of sin, as I once did Israel’s people. Even though I have continued to cry out to you to repent from your evil wicked ways, and remind you the end result is death...both physical and spiritual. Yet you paid little attention to My words of warning, except a few. These few are My jewels, My treasures; those who really love and faithfully serve Me as their God, their Lord, and Savior. Some shall die in the purging, melting fire, and others shall rise up to meet Me in the air. Either way, they will be taken out of your evil wicked hands.

Daughter, I say this to you now and to all who choose to hear and understand. You’re in the last seconds of the remaining hour, and before you enter into the next hour, O World and Babylon, I burn Babylon with melting heat and fire. Not once, but 10 times. Daughter, you’re living in the 58th second before the next hour begins, bringing My Great Day and the Tribulation of 7 years. The 58th second, Daughter, of My time, not man’s, nor can any man or fallen angel compute My time, for I am the Creator of time by My Father’s command. Nor can the kingdom of darkness manipulate this time. I forbid it, and My command will be obeyed throughout time and space and in all creation, including inside your firmament, Daughter, you live in. The removal of the time manipulation technology and devices, this forbidden knowledge taken from Heaven with the angels that fell, is already in the process of being removed. I have heard the prayers of My children and their petition is granted, but it is being removed in My timing which will be the best for all My children.

Daughter, I say this to you now. I have kept My word. I have sworn by Myself, for there is none greater. This shall come to pass before the ending of the changing of the Moon has fully transpired. It will be the day the 10 suitcase nukes hidden in your nation, in your rotten, evil nation, begin detonating one by one until all 10 have gone off, melting your nation as an example to other nations, with fervent heat and fire. Yet also being the catalyst that launches your world into nuclear war.

Putin IS ready to fire, but he patiently waits to determine before he proceeds if your President Trump’s Quantum Phase Generator and Time and Space Fluctuator will still be in operation, wherein he can replicate space and change the outcome of all his hard planning and schemes. This is why now, when he drops the Satan 2 on Ukraine’s land, and America, Babylon, is too weak from their inner attacks by the 10 hidden suitcases, he will know this device has been removed from President Trump’s hand. The knowledge has been lost to your country. This is only

another added incentive to strike Ukraine as the prearranged war continues between his country and the Ukraine.

I say to those with listening ears that seek My truth: As the melting fervent heat begins spreading over Babylon's land from the hidden devices within her own land, this is My children's time to run inside and shut the door. This is your Isaiah 26:20-21 moment. When you see or know of the last hidden suitcase device having detonated, I warn you now children, there are only hours of your time remaining until I descend upon your world, the coming 3 Days of Darkness, and it will be within the quarter of the Moon as I have declared it. Repent, for Judgment's hand of melting, fervent heat has fully arrived upon your world, as Mercy's restraining hand now has been lifted."
