

## Trouble on the China Sea 3-1-24@8:45AM

Trouble on the sea. Many, many, deaths! War has come. Trouble on the sea, the sea of China. Many deaths, many deaths, war has come. War has come this day, this hour. War has come again O' people of this world. REPENT!

Can't you see the devastation that has come to your world?

As armies amass in the oceans' deep no one has the upper hand of one another. Like chess pawns in the water you have become, because now is the time for war.

There is a time for everything created under My sun. There is a time for peace and a time for war. A time for love and alas, a time where hate manifests itself openly to one another of the inhabitants of the world while they secretly gather together and raise praises to satan, to lucifer.

Trouble in the sea as it begins. The releasing of the trigger that signs Babylon's death warrant for your nation little one.

Watch and see that, that which was covered is now uncovered. That which was hidden is now brought to the surface into the light. News shall break forth; it cannot remain hidden by your intelligence agencies and governments ruling your world on the surface. Mere puppets to those who rule in the shadows and darkness beneath the earth's surface. I see it all.

My eyes are not blind to the enemy's doings. My ears are not deafened to their evil whispers in the night. Their very thoughts I hear, their actions I see. I am God of all and not limited by man's understanding of what I can or cannot do. I cannot sin.

I Am that I AM. I have always been and will always be. What makes you think O' inhabitants of this world I created that you will ever be able to supersede My existence?

Lucifer tried this and failed. Lucifer who is the light bearer by name in your English little daughter, the fallen one who fell into sin. Sin is the cause of it all little daughter. Now sin is the cause behind the judgment of war upon your world and once great nation.

Trouble in the waters and oceans' deep, but trouble focuses on the China sea. Soon word shall arrive, and all will see I am a God that cannot lie. I am a God of truth. I am Truth. Watch for the news soon to come in My timeline of things. For all things are in control by My great hands, My commands.
