

Netanyahu Is A Snake 4-14-25@ 11:56 AM

"Daughter, great evil lies hidden within My land, Israel. It will be purged. It will cause war; war must come forth. The stage is set for Antichrist to arise, and for Netanyahu to embrace him fully in the open. Do not let how appearances are... make you believe otherwise. Netanyahu is a snake that brings poison to My people. Those of true birth of Jewish descent, I say Daughter, those are being suffocated and are being led in lies. Not only from the truth of who I am, but the truth about many things as they push even further the Noahide Laws, embraced by your President Trump. Did I not say he is not a savior? Did the people listen? He was called to be placed into the place of presidency, yes, but when you worship him and when you elevate him and you call him, he is called the savior of this nation, of this world, then you have erred into idolatry. You have erred into idol worship. You have placed a man, a nephilim, above Me, your God, your Savior.

The Jewish people will see that I am the Messiah. They will see that they missed it for centuries. When you see Israel surrounded, when you see the Gog Magog War come to pass, I will step forth, Daughter, just like the dream I showed you, and set My feet upon Mount Olives, and I will allow My people to escape, those that are left. But first I'm purging. I'm purging Israel. This is what it means. I've got to purge those loyal to the hidden secret society and the fallen ones, so that those who realize I am the Messiah when I return, when I come to fight for them, will leave and will not be in the mixture of those to die."

"So what is next, Lord?" "Macron places himself as an opposition to Israel by endorsing the Palestinian State. That is to throw the focus off of him being the Antichrist, because Bible scholars know that Israel will embrace the Antichrist. They will embrace many false. I told you, there is a false prophet that will arise and that they will think he is the Messiah. And they will cast him aside for Antichrist when he starts doing his signs and miracles and "Peace, peace"... his plans. All these things are written... and all these things are written. They are iron clad; they cannot be broken. I have spoken as My Father commanded. I spoke, I moved, I created. For it's by His power alone these things are done for His glory, Daughter, for His glory. All that I do glorifies My Father.

My true Jewish people, many of them are still scattered, Daughter. Many of them are still scattered, because when Israel became a state recognized among your world, yes, many returned. So did the enemy. Why does Israel stand alone with an ally like America, Babylon to Me? She will be powerless to defend Israel (talking about the Gog Magog war). This is why, Daughter. This is why. Babylon is wicked and evil; she's barely standing, Daughter. Soon all trade will stop, but a few. She has fallen already financially, economically; now she'll fall physically. Just as I said. And that wicked evil nation, that wicked evil city of Manhattan...these places will never rise again. In the end, I will submerge them with water. I will submerge this land. But before I do, I'm removing Mine." "Is that all, Lord?" "Yes, Daughter."
