

The Dangerous Mind Demons By Pastor D. K. Olukoya

JULY 8TH, 2020.

****Note: My personal recommendation is to say/pray “Jesus Christ” in these prayers and not just his name Jesus because many fake “Jesus’ are in the world today.”VGP*****

Proverbs 4:23 – “Keep thy heart with all diligence; for out of it are the issues of life.”

A man is a spirit, living in a body and having a soul. There are demons that torment the soul; that torments the mind.

There is a destructive spirit that has downgraded and demoted many destinies. The headquarters of this spirit is in the mind. It attacks concentration; thereby creating difficulty in paying attention. It is a very clever spirit.

The principle of clear profitable thinking and meditation is practically unknown to many because of this problem. It is true that meditation brings revelation. And revelation brings success. But when your attention span is being taken away by the enemy, then you have a serious problem indeed.

Inability to pay attention, inability to concentrate and inability to meditate are very serious spiritual problem that many who has it will not tell you. Herein lies some of the greatest problem of man: only few do profitable thinking.

Although thinking is a dangerous occupation but those who have this demonic spirit, to them thinking is a more dangerous occupation.

One of the greatest enemies of spiritual life is a wandering heart; somebody whose heart is vagabond. A prayer warrior is somebody who can concentrate on an issue and focus spiritual energy on that issue until it bows, break or die. Therefore, a wandering heart cannot be a prayer warrior.
