

Israel, You Shall Be Surrounded On All Sides 11-15-25@8:46 AM

O' Israel, O' House of Israel, your sins are many, yet you refuse to come back to Me your holy God. My fury, I pour out upon you like melting fire. Hot, furious wrath, because you have denied your God, for your molten images of false gods, and your idol of money. Woe has come to you, O' House of Israel, woe has come.

Surrounded you shall be on all sides. Who will help you when the eagle has fallen? Will your iron dome protect you from My wrath to come? Will your superior technology, not yet revealed to the above world of man, keep you safe, when I have foretold this time, this day would come? Your sins are many, too many to count, like the sand shores by the seas, if man were to try to count them all. Your time is come O' House of Israel.

Benjamin Netanyahu is a snake! A seed of evil born of the ways of the serpent, like the type which beguiled Eve in the garden. Netanyahu, in the shadows of the darkness, portrays those living inside of Israel's borders. His fork tongue and double speaking shall soon be revealed. Then all inside My beloved land Israel's walls, shall know that his heart is led by greed and prestige. As he prepares Israel to embrace, the people to embrace, not one, but two false messiahs, with the last one being the man of sin. The antichrist who has been revealed, as it is written he is to be, before My bride leaves the earth when I return for her. Search out the Written Word of God My children, and start with the book titled 2 Thessalonians, chapter 1, in verses 1; 2 & 3, which I had Paul to write when I called My Holy Spirit to move upon him to do so in his letter.

The eagle shall be taken down, her wings clipped, and her neck broken, so when the time comes America-Babylon, the eagle shall not offer you any aid. The world shall rise up against you as Netanyahu's and others hidden within Israel's walls, her land activities come to light. Israel shall stand alone, besieged on every side. Then I shall come and fight for the land of Israel, My holy land and I will not be fighting alone.

When My feet hit the Earth, one foot shall be on one side of the Mount Olivet, the other foot on the other side, it will be in great power. As I fight for the land of Israel, then they will know that I am God. I am their Messiah. Their Savior. I am the Son of God. I am Jesus Christ, Yeshua Ha' Mashiach whom they rejected. Then I shall reclaim the land of Israel, and Israel's people will repent. They will accept Me into their hearts as Lord, and return in true hearts to My Father, and not just in words and deeds.

But until this time, you face My wrath and fury that shall be poured out upon you as melting fire. Not the melting fire of a nuclear sort that your sodomite sister America-Babylon shall receive, but furious melting fire that purges nonetheless. Weep and wail, O' House of Israel, weep and wail, for I shall not spare My hand of judgment, nor relent until My fury is spent, and you cry out in true repentance of heart. This I have spoken, this it shall be. For I am God, God's Son, and there is no other power in Heaven or Earth that can stop what I have commanded to be. For I am God's Son, We are One, yet We are also separate.

Repent now O' people of Israel, and those still spread out across the world's borders and dividing walls of nations. Repent now O' world, because when righteous fury and judgment is poured out, its effects shall be felt across your whole world and inside this created firmament. Repent O' Babylon-America, for your fall is soon to come with purging melting nuclear fire.

Can't you see the proof now, that you denied when I first began sending warnings out of love beforehand by My sons, daughters, My prophets and prophetesses? Yes, you can, because it's shouting at you right in your face now to where you can no longer ignore it. Because you chose to laugh and scorn at My words of warning, many are ill-prepared. This shall cause many to die and to face severer hardship, than if they had paid attention and prepared. Like Noah did when he was warned it was going to rain, and the Earth will be flooded. Or Joseph, when I sent warnings by a dream to Pharaoh of 7 years of plenty, that was to be followed by 7 years of famine.

I do nothing without first telling My servants, the prophets out of love, so those who are Mine with listening ears to hear the truth, and with discerning eyes to see it, will seek Me further on how to prepare. All I do is motivated by love. Even the distribution of holy, righteous anger, or the world would be destroyed by one command, or one blow by My righteous fist, My arm of judgment.

Israel, O' Israel be warned! Netanyahu is a snake! Do not embrace his ways. Return to your holy God! Accept Me, Jesus Christ into your hearts, and be reunited with the Father. Yahweh, Elohim who calls you His chosen people. Repent, and do it now, for when you see Babylon-America smoldering in nuclear fire, you're next with a burning of another sort. Repent, I say repent.
