

## A prayer concerning monitoring birds/animals/spirits

Vicki Goforth Parnell

Lord willing, If you will study what a fowler does then you will have some understanding of what the kingdom of darkness' monitoring birds/animals and spirits do.

A fowler is a professional birdcatcher that studies his prey and could take months before he ever launches an attack. Same for a professional hunter.

The reason for this is that they're gathering all the information as it relates to their prey so that whenever they decide to launch their highly calculated attack they will be successful at all attacks. This is why the scripture clearly says that only God can deliver us from the snare or trap of the Fowler. (Psalms 91:3)

Monitoring birds, monitoring animals and monitoring spirits (also known as familiar spirits at some instances) operate much like the professional fowler and hunter but will also torment you in the process.

Birds and spirits are more common than animals but all are deadly enemies of a true Child of God. But there is power in Jesus Christ's name to defeat all power of the enemy no matter what form they choose to use. Hallelujah. Thank you sweet Jesus Christ.

Here is the prayer I have been led to share.

I ask you Jesus Christ in your holy name to hear and answer my prayer.  
(John 14:14):

Father God in the Name of Jesus Christ, I thank You for giving me authority over the dark kingdom. I thank You that whatever I bind here on earth is bound in heaven and whatever I loose is loosed. (Matt. 18:18) This day and forever, O LORD, I declare my authority over the devil, his agents, satan and the whole kingdom of darkness in all existence known to God, because he exists everywhere and in all things.

In the power of your name Jesus Christ and through the Holy Spirit fire, I disconnect the demon's power that will cut the silver cord/cords of the person/person that gave them the ability to astral project into the monitoring birds/animals to spy, monitor and/or to cause me harm (my family & others). Now you are forever trapped inside the body of the bird/animal you have projected yourself into never to return to your dead body. I bind the demons in everlasting chains that were cut loose, that were detached and throw them into the abyss and do all this in Jesus Christ's name.

In Jesus Christ's name I now shoot an arrow of the Lord into the monitoring bird's/animal's head and chest and command you/them to die and for you/them return to the time of day where your/their covenant was made with the kingdom of darkness allowing you/them to fully pass away. This is whether it was made during sunlight or moonlight hours with no ability of being revived. In doing this while trapped you/they will not be able to further assist the kingdom of darkness by any means in all existence known to God because He exists everywhere and in all things.

I cancel all covenants/agreements and such like things you/they made with the kingdom of darkness for your/their spirit/spirits to ascend to an astral plane or anywhere else after death so you cannot still cause havoc or be summoned by evil to attack the Children of God in the authority of Jesus Christ's name.

From this point forward, I hereby bind and banish all evil messengers and monitoring spirits/animals/evil birds from lucifer, from satan and

the kingdom of darkness to the abyss that were assigned or will try to be against my life/family/others and such like things in all existence known to God because He exists everywhere and in all things. I also command these types of spirits not to be sent against me/family/others while standing on Luke 10:19; James 4:7; Luke 9:1-2 & Philippians 2:9-11 in Jesus Christ's name. I give you all my praise Jesus Christ in all things and thank you for hearing and swearing my prayers. (John 14:13)

Monitoring spirits can also be classed with familiar spirits and are included in the prayer points.
