

How I began most prayers in Jesus Christ's name

Psalms 144:1 Blessed be the LORD my strength which teacheth my hands to war, and my fingers to fight:

I myself begin my prayers asking the sweet Holy Spirit to cover me under the barrier of stealth and invisibility, hiding me under his wing (Psalms 91:1) so the enemy cannot hear my prayers and try to form attacks against my prayers or hinder them in any way in Jesus' Christ's name. I also decree there will be no retaliation, backlash or interference by the enemy in any way known to God's existence because God exists everywhere. (Job 22:28) If they even try to think of a little thought of retaliation I also ask for them to be immediately taken to Heaven's court, the evidence brought forth, all participants to be judged and for holy justice to be administered to them in Jesus Christ's nameHeaven style.

Next I began by sealing the whole situation...person, place and things under the blood of Jesus Christ in all existence known to God, because He exists everywhere. I next began dismantling and breaking all traps, triggers, bombs, booby traps, trip wires, nets, gins and such like stating they shall be removed and not be set off in Jesus Christ's name. I break all spells and curses and such like then begin deprogramming all charms and such like.

I say "such like" because there is still so much we don't understand or know about the attacks of our enemy and Paul used this phrase. (Galatians 5:21) But what we do know is the power found in the name of Jesus Christ takes care of them all. Hallelujah!

Charmed things have demons attached by a spiritual cord that keeps them connected to the charmed item/spell and such like even after it's been activated allowing them to cause evil havoc wherever they have been sent. Here's how in Jesus' Christ's name I have been led to deprogram charms and such like:

1. Dismantle all demons attached (Detaching and cutting their cords) in Jesus Christ's name.

2 Declare in Jesus' Christ's name the demon/demons will not do what they were summoned and sent to do. (I personally like to declare to them, "You've failed in Jesus Christ's name.)

3. Cancel their assignments, bind them (I prefer to do so in everlasting chains dipped in the glorified blood of Jesus whose holy blood is very painful to them and with heavy loads and grievous torments) and cast them into the abyss/outer darkness.

4. If you choose to do so, you can send the warfare back to all participants who sent these attacks in the mighty name of Jesus Christ. (Another good, Lord willing, reason to invoke the no retaliation clause)

Then I continue with the sweet Holy Spirit's leading for whatever else He leads me to pray.

I pray this helps you in this warfare for lost in Jesus Christ's name.
