

## **The Clarion Call Dream 10-15-22 @ 11:31pm &10-16-22 @ 5:05am**

I had been dreaming when my son woke me up needing something at 11:31pm on 10-15-22. I soon laid back down after spending time with you my lovely Jesus only to be awakened again soon after by you and having the same dream again. I prayed and asked when I had it the first time if it's not from you then in your holy name, remove it out of my mind. Although my son had awakened me the first time, it still ended the same way the next time as before.

The thing I found unusual though is that after I laid back down after the first time I dreamed it, the second time it was as if it was somehow on continuous repeat. It kept playing over and over until I awoke this last time. So, then Jesus by knowing the power of your name and blood, in addition to your holy word, 2nd Corinthians 13:1 in particular that says, "This is the third time I am coming to you. In the mouth of two or three witnesses shall every word be established," I know this dream is from you.

Now I feel I should describe it in more detail and journal it fully with Holy Spirit's help. "I'm here daughter of faith. I've got you. Take heed and follow my lead." "Yes, I will. Holy Spirit my dear friend, thank you! I appreciate and love you." "As I do you, little daughter of mine, of ours."

In this dream I remember I was sitting down at an elegantly decorated dinner table in what looked like a grand banquet hall. There is a beautiful crystal chandelier hanging from the ceiling. To my surprise the dinner is at the White House, and I felt it is of great importance. Everyone is richly dressed in formal attire including myself.

I found myself dressed in a royal blue formal long evening dress that to me was very unusual. I feel the need to describe it so Lord willing Jesus my love I will. The dress I'm wearing reaches my ankles and when standing falls loosely flaring out around me. It has long sleeves and a rounded high neck.

I wore no jewelry, and my hair was hanging loose upon my shoulders with an ornately decorated matching blue headband with rhinestones or diamonds upon it. It was not clear which they were in this dream.

There is a pattern on my dress that is important I feel and unusual. On my right side is a half-circle which reminded me of a sun with the other half of it on the backside. The only seams in this dress were from the circle on my side. There is not even seams around the neckline, sleeves or the hem.

The reason I call it a sun is because coming from the circular seams in lines are jewels. Either diamonds or rhinestones that were placed in a pattern as if they were the rays of the sun. There is some gathering at the seams whereon the lines of sunrays of jewels were attached to. Again, I am not sure if they are diamonds or rhinestones. It was never made clear to me in this dream.

Dinner had already begun with all the guests sitting down and eating. I realize these are not your ordinary everyday people. They are mostly well-known public figures, and most are high ranking in their positions of power.

As I'm sitting here among the high profile and high-ranking people, I realized I did not feel any inferiority at all even with the fine china, golden elaborately decorated plates, bowls, containers and eating utensils even though I felt this was the first time possibly I had been at such a fine dinner. I felt comfortable with no sense or feeling of intimidation.

To the right of me sits Boris Johnson of the United Kingdom. There are leaders and rulers of other countries...dignitaries. We are eating what I think is either Cornish hen or pheasant covered in a light-colored glaze which I feel is orange flavor in part.

"Holy Spirit is there anything else I need to write about the dinner?" "The potatoes daughter!" "Oh, yes." There were what I knew were steamed, stewed little red potatoes that had been cooked with a green flaky herb which I felt was possibly Parsley we had been served prior to the Cornish hen or pheasant. I feel now it may be the Cornish hen for some and roasted pheasant for others. I recall also we had been served a creamy white soup before the meat dish too.

At the head of the table is Donald J. Trump sitting at the long expensively decorated table. To his right is his wife Melania Trump then his son Baron beside her. This is as if I am looking from the opposite end of the table. Some of the people I knew their positions, but not their names such as sitting next to Baron Trump was the leader of Ireland and next to him his wife. Michelle Obama is next to the leader of Ireland's wife with Barack beside her. I can't help but wonder at the variety of people here at this formal elegant dinner.

The retired actress Sally Fields is sitting next to Barack and on her other side is Boris Johnson of the UK who is sitting by me on my right. To my left is an older Asian man with gold rim glasses. He is Joseph Wu, Foreign Minister of Taiwan, Vice President William Lai Ching-te of Taiwan and on his left also of Taiwan President Tsai Ing-Wen. I knew in this dream there is at least one more person that I can't see at this end of the elegant dinner table.

Seated on the left side of President Trump is a powerful man named George Sorso. Next to him is Elon Musk. The man sitting next to Elon I didn't know his name, but I knew he is of great wealth and importance.

Some of these people had their names displayed above them in a white bubble while others I see their faces and recognize them from other dreams and visions such as the black African man beside the unknown businessman who happens to be King Muhammed VI.

The next two seats on the left of the African king are occupied but I can't see anything about these people. Next to them is Gloria Copeland and her famous evangelist husband Kenneth. I see sitting beside Kenneth Copeland is a lady I know only as "Wife of Oil Tycoon." Her husband, the oil tycoon, is sitting next to her wearing a large light-colored cowboy hat. Beside the Oil Tycoon is Megan and Prince Harry from England but again who is after this at the end of the table further down, I can't see for some reason.

Wow what a dinner! I looked down at the pristine white, elegantly designed tablecloth and I could tell it was made from the finest of linens. No cost had been spared in preparations for this grand dinner here in the banquet area of the White House and to think I was actually participating in this elegant dinner. Even talking to the people around me.

I seemed to be the only person by the world's standards who is a nobody! No wealth! No famed position. No earthly title. But O' I bear the honorary title of "Child of God!" Child of the Most High King of all glory! I'm good with this!

Dinner is progressing nicely when suddenly I jump up, push back my chair and place my right well-worn but sturdy, scuffed army clad boot firmly upon the chair. My royal blue evening dress had raised up enough on my leg to see my boot clearly, yet I'm still decently covered.

From out of nowhere I pull out a shiny but dented horn. It's a trumpet. I threw my head backward, raised the trumpet to my lips and began blowing it fervently. As I am sounding the trumpet, I hear these words "The Clarion Call." The trumpet sound was loud, precise and clear short blasts followed by a longer one that was being held out. It was during the last long note sounding of the trumpet that I awoke from this dream.

### **Bullet points**

1. Bible definition of Clarion call: Appeal, urgent call to action.
2. In times past, a Clarion Call was a blowing of a trumpet to call followers to a holy assembly; to warn them of impending danger or to announce the arrival of a king. It was a summons that was not to be ignored.
3. I know by the trumpet I am sounding, and the words "clarion call" I heard that I am giving warning of something we need to know and understand in this dream.
4. The trumpet I'm blowing reaffirms to me that I am a watchman and must continue to sound the warning cry of all our lovely Jesus tells me to do.
5. The potatoes are important since Holy Spirit reminded me specifically of them. Upon prayerful research with some friends, we found that the symbolic meaning of potatoes in reference to these Bible scriptures "Genesis 3:13 & Jeremiah 17:5-6" refers to the works of the flesh and/or a heart full of earthly treasure. (Matthew 6:19)
6. The potatoes are possibly also in reference to the Irish Potato famine which is symbolic of the famine in our world that's already begun.
7. Upon researching the creamy soup, we found soup is symbolic of fleshly sellout as found in Genesis 25:29-34 wherein Esau sells his birthright for porridge/soup.
8. Ironically, the sun design on the front and back of my dress looks close to the COP27 logo.
9. The sun design could also be symbolic of belonging to Jesus because the evening gown was seamless much like the one Jesus wore except for the sun circle seams. In addition, the blue color of the dress represents holiness, royalty and heaven.

10. The combat boots I see so often in my dreams represents to me my preparedness to fight on the battlefield with my armor on and to share the gospel of Jesus Christ. I am in a state of readiness.
11. The 2 people at the table I couldn't see we feel are symbolic of 2 people whose roles at this time haven't fully come yet for what is really going on at this dinner.... this gathering of people.
12. I feel like the Copelands represented the religious sector of our world.
13. The Oil Tycoon and wife are symbolic of the position and wealth of the powerful people behind the oil sector.
14. Sally Fields, the actress is symbolic of the entertainment world.
15. George Sorso member of the hidden society is representative of the rest of the elite group that rules our world from the shadows.
16. I feel Elon Musk at the dinner is symbolic of the technological and electronic sectors of our world. But he could also be representing the technology that makes the mark of antichrist possible.
17. Baron Trump's presence with his stature, his tallness may be symbolic of the Nephilim giants who work in the hidden places of our world.
18. These people in this meeting are not only representatives of their walks of life but I felt they were willful participants of this elaborate dinner.
19. Donald Trump sitting at the head of the table is symbolic of a position of authority and power and that position is the president of the United States because of the dinner being held at the White House.
20. Although I was part of this dinner, I was different from the rest. Even down to the combat boots instead of matching shoes which is symbolic to me that even though I'm part of this world, I am also different which is because of my love for Jesus.
