

HOW TO DEAL WITH BONDAGE OF THE PLACENTA, UMBILICAL CORD AND AMNIOTIC FLUID

Scriptures: 1 Peter 5:8, Ecclesiastes 12:6-7, Ezekiel 16:4, Genesis 25, Romans 8:31, Romans 8:31-38

This sermon is for those who have deep rooted problems with no solution in sight. It takes you to the roots and tentacles of your birth and cleanses spiritually with dramatic results.

Please feel free to post your thoughts or experiences on this discussion blog.

Tonight we deal with another very important area of deliverance again. The bondages that can take place on a child due to the support paraphernalia they were born with. There are three areas of the support system that keeps a baby while its developing in its mother's womb. All three of them are subject to evil manipulations of the Enemy.

A sister who is a medical doctor, went childless and unmarried for 50 years before it was discovered that her placenta had never been buried, but had been hung in the attic of their house on the instructions of a witchdoctor in her village.

A nurse was accosted by security guards as she was taking out of the hospital a large bag full of placentas and umbilical cords. On interrogation, she confessed that she takes them to her coven where they use it to initiate the children who own it into witchcraft. The ones whose spiritual make up is aggressive because of their praying parents, they throw into the river so that the children will be connected to evil marine manifestations.

What is the placenta and what does it do?

The placenta has been described as a pancake-shaped organ that attaches to the inside of the uterus and is connected to the fetus by the umbilical cord. The placenta produces pregnancy-related hormones, and is responsible for working as a trading post between the mother's and the baby's blood supply. Small blood vessels carrying the fetal blood run through the placenta, which is full of maternal blood. Nutrients and oxygen from the mother's blood are transferred to the fetal blood, while waste products are transferred from the fetal blood to the maternal blood, without the two blood supplies mixing.

The placenta is expelled from the uterus in a process called the after-birth.

What is the umbilical cord and what does it do?

The umbilical cord is the life-line that attaches the placenta to the fetus. The umbilical cord is made up of three blood vessels: two smaller arteries which carry blood to the placenta and a larger vein which returns blood to the fetus. It can grow to be 60 cm long, allowing

the baby enough cord to safely move around without causing damage to the cord or the placenta.

After the baby is born, the cord is cut the remaining section will heal and form the baby's belly button.

What is the amniotic sac and what does it do?

The amniotic sac is filled with the amniotic fluid. This sac is your baby's home, gymnasium, and protection from outside knocks, bumps, and other external pressures. The amniotic sac allows the fetus ample room to swim and move around which helps build muscle tone. To keep the baby cozy, the amniotic sac and fluid maintain a slightly higher temperature than the mother's body, usually 99.7 F.

At week 10, there is around 30 ml of fluid present. The amniotic fluid will reach it's peak around weeks 34-36 at about 1 liter. When your water breaks, it is this sac that ruptures and this fluid that leaves the body. Your baby's life is still being supported by the umbilical cord, and you should be meeting your baby soon!

Are the placenta, umbilical cord, and amniotic sac different when dealing with multiple births?

Identical twins often share the same placenta, usually have separate amniotic sacs, and always have their own umbilical cords. Non identical twins have separate placentas, amniotic sacs, and umbilical cords.

We can see then how important these support items to the baby and the mother. They are so close to the baby that they are like the baby in spiritual importance.

Things can happen in the womb before birth In Genesis 25: 21-24 we see what happened to one who was to become a usurper

21 Isaac prayed to the LORD on behalf of his wife, because she was childless. The LORD answered his prayer, and his wife Rebekah became pregnant. 22 The babies jostled each other within her, and she said, "Why is this happening to me?" So she went to inquire of the LORD.

23 The LORD said to her,

"Two nations are in your womb,

and two peoples from within you will be separated;

one people will be stronger than the other,

and the older will serve the younger.”

24 When the time came for her to give birth, there were twin boys in her womb. 25 The first to come out was red, and his whole body was like a hairy garment; so they named him Esau. 26 After this, his brother came out, with his hand grasping Esau’s heel; so he was named Jacob.

Ecclesiastes 12:6-7 (New International Version) says

6 Remember him—before the silver cord is severed,

and the golden bowl is broken;

before the pitcher is shattered at the spring,

and the wheel broken at the well,

7 and the dust returns to the ground it came from,

and the spirit returns to God who gave it.

The umbilical cord is like the silver cord that links the child to life. It is very important and is the link to ALL things spiritual and physical in the life of the baby to be born.

Curses and shock or trauma on the mother can transfer evil spiritual activators or open doors to demonic influences in unborn children through these support paraphernalia.

Things also happen after the baby is born from the mother. Most people are so carried away with the birth of the new born that they do not bother about what happens to the afterbirth. Christians need to be alert. According to 1 Peter 5:8 (New King James Version)

8 Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour.

Most times, the devil waits for these support systems to be delivered out of the mother and while the mother is in her weak state (the time of birth and labor is usually a mother’s weakest spiritual state), and other family members are carried away with the joy of the addition, his agents collect and then go and use them for evil activities calculated to disrupt the life, glory, stars and destiny of the unsuspecting child.

There are different ways to know when your placenta, umbilical cord or amniotic fluid have been tampered with for negative results;

- When it is like the heavens are completely blocked and there is no way out at all.

- When you keep on living a life that is identical to that which your mother lived and only the negative aspects of her life manifest in yours.
- If anything you want to do or carry out with your spouse is always known to your mother when you didn't tell her.
- When you can easily discern soul ties to your mother such that when it is time to marry, you cannot separate yourself from her apron strings either you are male or female
- When you must still borrow money from your mother before you can do the most basic things
- When you are experiencing a continuous barrage of issues and problems and it looks like it will never end.
- When you just cannot make any headway in life, keeping running around in a vicious cycle.
- When your mother gave birth to you easily, but you are having problems doing the same.
- When it is obvious that someone else is using your glory to prosper while you are living like a pauper.
- When it looks like you are tied to a post like a goat and you have limitations (can't go beyond a certain level)
- When you display an inordinate attraction for the opposite sex constantly, but not for normal relationships but for immoral or ungodly ties.

Romans 8:31-38

31 What then shall we say to these things? If God is for us, who can be against us? 32 He who did not spare His own Son, but delivered Him up for us all, how shall He not with Him also freely give us all things? 33 Who shall bring a charge against God's elect? It is God who justifies. 34 Who is he who condemns? It is Christ who died, and furthermore is also risen, who is even at the right hand of God, who also makes intercession for us. 35 Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? 36 As it is written:

" For Your sake we are killed all day long;

We are accounted as sheep for the slaughter."[c]

37 Yet in all these things we are more than conquerors through Him who loved us. 38 For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, 39 nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.

We will now pray some prayers to receive deliverance from these bondages. May God show mercy to us all in Jesus name. Amen.

We will be praying all these prayers while laying our hands on our belly-buttons.
