

House of Israel & Babylon, I Speak to You 11-7-25@9:43 AM

I call you to try, test, and discern this, and I call you to try, test, and discern the spirit within me. And I can say Jesus Christ is my Lord. And I will say this in the Name of Jesus Christ, I command my declaration to come forth without deception. Jesus Christ is my Lord. He is my everything and it's through His Blood I have been redeemed. I'm finding out so many ways the kingdom of darkness can manipulate and deceive and make it appear like they're making that confession. Even stage scenes, I'm seeing this and it's through deceptions. It's through illusions. It's through witchcraft where you hear different than what really is going on, because no one can say that without deception of the enemy, "Jesus Christ is my Lord," except those who have accepted Jesus Christ into their heart as Lord and Savior. But it does say this is a time of strong delusion. And it does say the thief comes to kill, steal, and destroy every way possible. I was telling somebody today, I'm not used to trying to think devious and evil. And they are. Unless the Lord Jesus Christ reveals these things, I always want to think the good, because I know as long as Jesus Christ is in this world, there's hope. But I'm finding a lot of rotten pumpkins just saying.

The Word:

O' Israel, beloved land of Mine, your people that abides, have failed to line up with My holy standards of Heaven's plummet line. I whet My sword, My glittering sword of judgment, and raise it against you, O house of Israel. There is a soon coming day when you will recognize and acknowledge that I, Jesus Christ, Yeshua Ha' Mashiach, was and is in fact your long-awaited Messiah and Savior, Redeemer of this world. O' house of Israel, evil, wicked politicians, and Sanhedrin of your days, your sins have not gone unnoticed by Me, your God and Creator. Even while you refuse to acknowledge who I am. I'm still who I say I am. I am, I AM. I am the Son of God of Yahweh, Elohim, and to the Gentile nations, Jehovah, among other names. In you, O' Israel, I see the bribery, the forsaking of My holy ways for those of the world. I watch as you perform My chosen feast days I shared with you in feigned love and ritualistic motions. You don't fool Me. I look upon the hearts. I watch as your promiscuous ways make even the harlots blush at the ways of your doings. You have shed innocent blood in the name of advancement for your nation, when I would have led you to greater heights under the shadow of My wings. Yet you follow the path of your ancestors before you.

I say to you now, O' house of Israel, My righteous sword is furnished and is ready in anticipation for the sore slaughter I bring to your land. O Israel, I would have covered you with My arms and protected you. Your diviners will not save you. Your prognostics won't save you from My wrath. And when I'm done, you will know that I, the Lord, am God! And in your time of desperation, I shall remember My promise to the land of Israel. I shall turn My face once again to you and not My back. I shall rise up and fight for you, beginning with Judah, the tribe from whence I came from the line of the twelve tribes. But until this time, My holy judgment has reached your land, O' house of Israel. And just like your sister land of America, Babylon, you shall burn by fire, the same but different. Destruction and continual war shall be at your door with a moment of false peace, before more war again.

Now for Babylon, America, I shall burn you with nuclear fire, a melting fire that shall cover many places. She is a polluted and defiled city, a land that sheds innocent blood. Your prophets proclaim peace and safety, when I send to you war and destruction. Your false prophets declare America shall be great again, the land of plenty overflowing with milk and honey. "Famine and starvation shall not be her lot," I say it is. A famine so fierce you shall find, you shall feed upon the young and aged first in desperation just to survive. Is it not written? This curse and others shall come upon those who forget Me, their holy God, and do not keep their covenant with Me? Yes, it is. Do not think because I have created a new truth and moved the burning of Babylon to come after the 3 days of darkness that My anger and fury has lessened upon you, O' evil, wicked nation, because it has not! It only increases each day with each action, each atrocity, each word you speak. You reap what you sow, and I administer judgment fairly for all.

Now I say for those of mine with listening ears and true hearts not swayed by emotions or others, hold true to My righteous plummet line. Inside the 3 days of darkness are hidden mysteries to be revealed. Inside the darkness you will face the reality and truth of those who have betrayed you, belonging in reality to the enemy with no place to go as you're enduring the 3 days of darkness. Others will face the truth and betrayal of unfaithfulness in their marriages, in friendships, and so much more. All truth that's been hidden shall come forth inside the 3 days of darkness. If you hold bitterness or resentment that I have brought to your attention, but you refuse to address it, or denied its presence in your life, you will face it inside the darkness that has come. No one wants to believe someone they love could betray them, yet it happens every day. Even I was betrayed by Judas. Even I was betrayed by My own friends when My disciples fled while I was being arrested. If I am your example, what makes you think the enemy has not risen up for betrayal in your lives? Inside the darkness, the truth of betrayals and so many others, you will face My children. So prepare in Me. I stand at the door, and so does my darkness for 3 days.

Take this to Jesus Christ in prayer,, try, test, and discern it.
