

Heaven's Courts & the 4 Suddenlies Dream 11-3-25@12:02 AM

I dreamed I was sitting in my living room where I had been praying and reading the Word of God. Suddenly there was a bright light that filled the room and I heard a voice say, "Daughter of Heaven's Court, of earth's representative, please come with us." I looked up at the bright light and saw there were two Holy Angels dressed in white inside of it. "Oh," I exclaimed in surprise! "What's going on?" I asked. "This is the first time I've ever been taken to Heaven's Court this way." One of the Holy Angels replied, "This is a matter of utmost urgency, the King of all glory, Jesus Christ the Risen Lamb has requested your presence in the Courts of Heaven in your official role as Witness, Earth representative, Daughter of Heaven, and Daughter of the Earth. A title and position you received upon the first visit that the Angel Gabriel came to visit you on October 31st, 2021." I stood up quickly, and I noticed they had dimmed the brightness of the holy light around them, so I could see them clearly. One is a dark headed angel I haven't seen before, while the other Holy Angel is the Angel Seth. I have met him in previous times before. The dark haired angel, whose name I didn't know, held out his hand and said, "Come." I grabbed his outstretched hand and the scene changed.

I found myself in Heaven's Court once again, and beside me was my lovely Jesus Christ, all dressed in solid white with a gold band around His chest. His hair is long and snowy white and seems to always have a constant, gentle breeze blowing on it. His eyes are blue, yet filled with holy fire. He looks at me intently in righteous holiness, but I can still see His love for me in them. That holy agape love that man cannot fully comprehend yet, in our mortal bodies. "Jesus Christ, my love, why am I here? You don't need me, Your God's Son." He replied, "No daughter, I don't need you, but I want you here." My heart overflowed with holy love for my Savior and Lord. He began speaking again. "This meeting of Heaven's Court has been called forth, because the enemy has petitioned, indirectly, to know the starting of the detonation time for the 10 hidden suitcases. I have removed that power and time out of their hands and placed it into My Holy Angels. The enemy has put forth an argument that is fair and just, with many accusations against My children included. I have already spoken and declared that the kingdom of darkness is not to know the time of My 3 days of darkness, that it shall come upon them suddenly and they will not be fully prepared. This I still uphold because it is in answer to many of My children's prayers. After reviewing all matters and weighing them in the balances, My Father and this Court have come to a unanimous decision. And I wanted you to be here when that announcement is made so it can be taken back to those of My children that I love so much."

"What kind of announcement could cause You to send down an angel escort to bring me up to Heaven's Courts" I asked? My lovely Jesus Christ took me by my hands and looked me straight in the eyes. He is so holy, and I am not. I wanted to drop my head from His piercing eyes, but then I began to see His love for me within them again. "Daughter," He said, "I am truth. I do not hold within My Being, nor My Father even the ability to lie. When We speak, when I speak, it is truth. And that is the truth of how things shall be, unless I speak again, and create a new truth. Because My voice creates. What that means is what I have spoken prior is still always the truth, until I speak again, and a new truth is created. This is seen many times in My Holy Word, but your world calls it changing one's mind. I call it, creating new truth, for I am Holy and Just, not like man. In the book of Amos chapter 7, which I pointed out to you before daughter, I came to Amos. I and My Father are One, and I spoke to him of how I was going to bring judgment upon

Israel. I spoke of the judgment of grasshoppers, which I showed Amos by vision. He prayed and petitioned for Israel. The truth was when I spoke to him, I was sending grasshoppers to Israel, but after My beloved son Amos appealed to Me, I told him I wouldn't destroy Israel that way. So, when this happened, I spoke and created a new truth. The judgment now coming for Israel was burning by fire. Again, Amos entreated for the people of Israel. Each time I spoke with him, it was the truth and each time when I changed it from one to the other that new judgment became the new truth. Now, we have arrived at this time again. When I spoke last to Amos, though it's not all written, I said I would hold Israel to the plummet line and they failed, so therefore they went into captivity, war, famine and so much more. This is all found written in My Holy Word and throughout your world history. Daughter, I cannot lie, but I do create truth when I speak.

There was a time earlier in this year of man that I granted mercy. Inside that mercy granted, I changed the darkness from coming, the 3 days of darkness to that of a later time. But also I granted as part of this time of mercy, the changing of the lineup of the 4 suddenlies in which Ukraine because of My children in Russia and Ukraine had pleaded with Me to spare them from having to go through a nuclear attack and then into the 3 days of darkness. During this time I also stated, I would not move the nuclear attacks coming inside of the 10 hidden suitcases of rogue nature out of mercy for Babylon-America and they would still come before the 3 days of darkness because Babylon-America is wicked and evil. This was the truth at this time. Now with these petitions from the kingdom of darkness to know the time of the detonation of the 10 hidden suitcases, it's their round about way of trying to find out the time of the start of the 3 days of darkness and most importantly My return. This cannot be allowed, because My Word says, "No one may know the hour or the day. But it also says, for My children, it shall not come as a thief upon them but. Those not watching, those that are not Mine, those who cannot spiritually discern My Word with My Holy Spirit, they do not have the right to know. All the evidence has been presented to Heaven's Court. Now Father is going to issue the judgment and you as our Witness and Earth's Representative have been called here to receive it also and then to deliver to your world in the form of this dream. You are to try, test and discern this as your call to do in all things, daughter. And then you follow My instructions from there once you have discerned the content and the Spirit behind this." "I will Jesus Christ with your help." "My help is given, little daughter."

I heard a commotion to the right of the room and Jesus Christ, my love and I turned to see where the noise was coming from. I saw two heavenly cherubims escorting lu lu, the devil. He too apparently has been summoned to appear in the Courts of Heaven. There is a sly look on his face, one of cunning, as if with great delight he was going to receive something that would give him the upper hand over the children of God. I could tell he thought he had manipulated Father God and Jesus Christ into a position where they could do nothing but legally give him what he petitioned for. The two cherubims brought him to stand behind a podium on the right. Jesus Christ my love and I are on the left as we stand before Father God. On the right of Father God sits 3 rows of angels in a separated area. I noticed a look of surprise on lu lu's face when he saw me standing next to Jesus Christ, but he shook it off, and smiled again as he turned to look toward Father God. I started to say something, but Jesus Christ looked at me and said, "The proceedings are about to start, daughter, please remain quiet."

I heard Father God say from His high podium, with His face appearing as a glorious bright light, "Lucifer, you have been brought here to receive the answer to your petition concerning the time of detonation of the 10 hidden suitcases with rogue nuclear devices that will detonate in Babylon-America. In your petition you have brought forth evidence that it's still your operatives that will still need to be the ones that in the world of man will be used to detonate them. You have petitioned that since they are legally part of and belong to your kingdom of darkness, you bear the right to know what your own people are doing. Your petition has been granted. You will now know the time when My Son sends out our holy angels to move upon your men to activate these devices." My mouth fell open and I let out a small gasp of surprise. I could feel lu lu's evil eyes looking at me, and when I looked over in his direction, I saw a sly, coy smile appear on his face with a look of triumph in his evil black eyes. Then he turned back to Father God and said, "May I ask why the Witness is here in the Courts of Heaven for this ruling, when this has nothing to do with her?" He said in a nasty, evil voice. Father God replied, "That's none of your business Lucifer. All I will tell you is she is called as the Witness, to witness these things as Earth's representative. Your request, your petition has been granted, all has been weighed in the balance. You will be given the information upon your departure. Now go, leave My Heavenly Courts." I watched as lu lu, lucifer smiled another smile and he straightened himself with great pride. He starts to leave, but then suddenly the two cherubims come around and surround him. He stiffened and I could tell it's in resentment, but kept the smile pasted upon his face. Then he was escorted out of the courtroom.

My mouth is still hanging open in shock, but I dare not speak until I know I could ask my questions, which were many. I looked back to my lovely Jesus Christ who was staring at me and He said softly, "Yes, daughter, beloved daughter you may speak now." "What just happened? I asked. Why was he giving the time of the suitcase detonation?" Jesus Christ smiled at me and said, "Yes he was given the time of when the 10 suitcases will be allowed to detonate in America-Babylon, but daughter what he doesn't know and what his kingdom does not know until you release this dream, is I've changed that too. I've created a new truth for them to begin." "What," I exclaimed in surprise! He grabbed my arm and directed me to look at Father God again. I heard Father God say from His holy podium, "Beloved daughter of Mine, I am Holy and Just, I see all, hear all, and know all and I can not be manipulated at all. The kingdom of darkness may have appeared, by looks to have won this victory, but I say they have not. My Son has already been interceding on behalf of His children that these things not be delayed. That His return not be delayed. The day of the 3 days of darkness to descend is already set and is unchangeable. So since the darkness of 3 days cannot be changed now, nor can the kingdom of darkness know when My Son is to return, I have hereby granted My Son's request on behalf of His children. He has advocated for the 10 hidden suitcases to no longer be the start of the 4 suddenlies. Although, once they were placed in the beginning of the 4 suddenlies when a new created truth of time occurred, after Ukraine was moved from being in its first position for Putin to fire the Sarmat 2 nuclear missile upon them, now I have moved again the time of the 10 hidden suitcases' detonation until after the 3 days of darkness has lifted and My sSon has returned for His bride. This time though, I will not give the position in which I shall allow the judgment of the 10 suitcases to be known to the world of man or the kingdom of darkness. This is just and fair for all." My mouth dropped open again as I turned again to look at my lovely Jesus Christ in surprise.

Before I could speak, I heard Him say, "I'm ever interceding on the right hand of My Father for My children. I never stopped petitioning for them. Just like you daughter, you should never stop petitioning for your brothers and sisters in Me. The truth of the matter is when I speak, I create. Just as My Father, for I am One with Him, but separate. Therefore when I commanded the 4 suddenlies into existence, they became a created truth. They do exist, but also when I speak, and again, move the suitcases' positions, a new truth is created. This is not a lie and I did not lie. I am incapable of the evilness of lying, for lying is a sin." "So, what does this mean for America, for Babylon and its people," I asked? He looked at me in seriousness but also with a slight smile on His face, then He spoke again. "It means, Daughter of Mine, since judgment has been passed in favor of My children the 4 suddenlies order of happening has changed again. The kingdom of darkness' petition was granted and they have received their information, the truth at that moment of time, because We cannot lie. But they can never know the time of the 3 days of darkness when it descends, nor can they be allowed to know when I return. This would contradict My Holy Word since the 2 events are connected. So now the 3 days of darkness shall take them totally by surprise as I have spoken. They will not be prepared, and it will arrive unexpectedly. The only clues they will have is to watch for the auroras, like My children, though the enemy tries to continually hide them by their cloud manipulations. This daughter is why you're here.

You're here daughter to explain to My children to no longer expect the 10 hidden suitcases to detonate before the 3 days of darkness. Those who are truly Mine will take this to Me in prayer, line it up with My Holy Word as you say at times daughter. They will also try, test and discern these things. Those who are not will call this a lie and call you a false prophet saying that God does not change His Words. God cannot lie. They are ignorant, unlearned and they do not understand because they do not seek out My Word in its full entirety on a matter. I did not lie when I sent Jonah to tell Nineveh you're going to be destroyed in 40 days, that was the truth. Within 40 days you are going to be destroyed... that was spoken truth. But when they repented with the king himself, and the people humble themselves in the whole kingdom, crying out for mercy, then I created a new truth and pardoned them. I granted them mercy. The new truth was, "You're not going to be destroyed right now." Now I say again, this is not mercy granted to Babylon-America when these suitcases go off at a later time. It is to ensure that My Word is fulfilled as it is written and for the better of My children. Even in this decision it does also help My children who would have to endure the nuclear explosions of these suitcases which is judgment on the evil and unrepented, before going into the darkness." "Yes it does my love," I replied, "yes it does."

These are not inconsistencies daughter, in Heaven, nor is it Me as a wavering man. What you are witnessing is the process of legalities in the Courts of Heaven. I have told you before that I'm showing you what happened step by step because you have passionately pursued and requested to know My heart. To know My heart is to know My mind as much as you're humanly able. So daughter, you have been allowed to see step by step the process of these things that occur between God and man, God and the enemy, and what happens in part of the war in the spirit realm that rages. Most people don't realize, especially My children, of the power they hold when they pray and petition in My Name. The kingdom of darkness knows well the laws and rulings that were established upon creation for this firmament, for man, for the Earth, the water, the sea and the air and they utilize it to their advantage. The kingdom of darkness fights many ways against My children that few realize even now with all mans's technology. While most people,

when they receive a word, vision or dream from Heaven, many times they see the end results. You daughter, have been seeing the step by step processes through the visions, dreams and conversations with Me, all because you've sought earnestly to know My heart. Many say they want to know it, but few will pay the price, the dedication and obedience it takes to know My heart.

"I do want to know Your heart," I said to my lovely Jesus Christ as He stood before me. He smiled at me and I returned it back with joy. I looked at Father God, still a shiny bright light where His face was, then I said thoughtfully, "Let me see if I understand what You have taught me this time about Truth and how it's created. When you have a change of heart it's not really a change of heart it's you're creating a new truth because you only operate in truth." "Yes daughter, that is correct," He replied. "So, when You told Isaiah to tell Hezekiah to set his affairs in order, this sickness was unto death. Meaning He was going to die, it was the truth at that moment in time. But when Hezekiah turned his face to the wall and began crying out to You to let him live longer You agreed. You didn't lie, that was the truth, he was going to die. But because Your child cried out to You, You change the truth, by creating another truth, a new one to replace the old one. The new one was created the moment Father God and You, Jesus Christ told Isaiah to return to Hezekian telling him You were going to add 15 more years to his life. This created new truth, took the place of the old truth, while both were still the truth. Am I understanding it fully now?" I asked my lovely Jesus Christ. "Yes daughter, you are," He replied, then continued speaking in seriousness.

"Now you, my daughter, because of who you are created and called to be, you will be here to witness the detonation of the 10 hidden suitcases in Babylon-America just like when they were to detonate at the start before the 3 days of darkness. You will still have to endure the pain of all that happens that My children will be going through that were left behind. I see how so many think you have exalted yourself into the position as End Time Witness when they don't realize what it really means you will be living through the tribulation, or to be enduring these things because you're still be on the earth while My wrath falls, instead of in Heaven with the rest of My bride. You will live to see the horrors and the new levels of debauchery of sin that the lawless one brings. It's not as the movies portray, this time to be, for My 2 End Time Witnesses where you walk around totally unscathed. It's true, you will not be harmed, but you are still human. You are still enduring these things, until the moment you fully step out in your called position of End Time Witness. You have to survive and you will with My help. It takes somebody that's humble to walk around in the calling and position, you daughter, have been called in, and the other witness This is because you're going to have to spend your whole time on your knees to survive, but I will be with you. I will walk with you, and I will never leave you. Now daughter, take this back from heaven, to the world of man and let it be known this is how it stands right now from Heaven's Court. And daughter I say this, I send the darkness for 3 days, and only My children seeking after My heart will know it's the right time, and all others when the auroras descend. Remember daughter, the 48 hours of auroras is really the time dispersed over man's fake time zone lines combined together. I looked at my lovely Jesus Christ, and replied, "I will my love,"...then added, "I guess this is another big, ole surprise for the kingdom of darkness and lu lu that they didn't see coming again." Jesus Christ smiled a huge smile, and said, "Yes, daughter of Mine, and let's keep the surprises coming." Then I awoke.
