CHAPTER
One
PULLING
DOWN
FOUNDATIONAL
JERICHO

This is a book that must be read by everybody. The title, "Pulling Down Foundational Jericho," is made up of three things. The first one is "Pulling down," then there is "Foundational" and finally there is "Jericho." We will analyse them one after the other. First, we will look at Jericho.

Readers of the Bible who have read the book of Joshua must have recognised that Jericho was a stronghold hindering the Israelites from entering the Promised Land. Before the children of Israel could enter the Promised Land flowing with milk and honey, they had to pass through a well fortified city known as Jericho. The place took a lot of spiritual bombardment and Holy Ghost fireworks before it fell.

A PROPHEPIC ACTION

God asked the Israelites to march around the place for seven days. You may ask, "Did God not have the power to point to Jericho and make it fall in just one second? If yes, why didn't He just do that" He didn't do it because He wanted to teach His people the principle of warfare prayer.

They went round the wall seven days. And God had instructed that on the seventh day, when the priests sound the trumpet, they should all shout. That day they did as God had commanded them, and the wall came tumbling down. Some Bible scholars tell us that the more appropriate way to describe the incident is that the wall sank. The falling of this wall made way for the children of Israel to pass to the Promised Land.

The journey of the Israelites could be compared to our own journey as Christians. Many of us have personal Jerichos and you may be passing through your own now. You have to pull it down.

***I will open my mouth in a parable: I will utter dark saying of old.
Psalm 78:2.***

This means that some sayings are dark.

A COMPLETE BOOK

The Bible is the most wonderful book in the world. book can beat it. It stands in the middle of creation, for it tells us about the past, the present and the future. Although it was written by about 40 men who never met or conferred with one another and within a time frame of about 1,000 years, yet one can see the coherence in what they wrote. It is the only book that will stand when all other things are gone. It has answers to all man's problems and to every question that man can ask. When the Bible that is supposed to be answering questions, is itself asking questions then it must be considered diligently seriously.

There are many questions in the Bible. To some, answers are provided and to others you may have to provide answers yourself. For example, "Has the Lord delight in burnt offering and sacrifices than hearkening to his voice!" To this, an answer is provided: "Behold, obedience is better than sacrifice." Another one is, "Is there no balm in Gilead or no physician there? Why is it that the health of the daughters of my people is not restored? "To this there is no answer." In Psalm 8, another question is asked:

What is man, that thou art mindful of him and the son of man that thou visited him? Psalm 8:4.

To this also there is no answer. Also this question, "Is any sick among you?" This has an answer: "Let him call for the elders of the church, let them pray for him and anoint him with oil." Jesus asked another question, "When the son of man shall come, will he still find faith on earth?"

Many questions in the Bible are quite challenging and need serious consideration. Let us look at a very important question in Psalm 11 which will attract various answers. No answer was supplied. It says:

If the foundations be destroyed, what can the righteous do? Psalm 11:3.

This question takes us to the analysis of the second aspect of, the topic namely, FOUNDATION.

What is a foundation? If you want to make the foundation for a building, you will dig into the earth and lay it. The foundation that makes the building to stand is usually hidden and ugly. It suffers the most as it carries the whole weight of the building. The foundation is that thing which supports other things or on which other things are based.

The foundation blocks are usually buried in the dark, at the base of the building. While it is possible to see the fine building, the foundation is hidden in the dark, where it cannot be seen when the building is completed. It is possible for some parts of a building to be changed or replaced, e.g. the windows and doors, but if the foundation is bad, nothing can be done about it. Another foundation cannot be built, like other parts of the building. Neither can the foundation be repaired. It is hidden deep beneath a building. No one can see it, yet it plays its role. All the other blocks and structures on top need it to be able to stand. Beloved, the foundation of a person's life is just like any other foundation we have described. In any thing we do, whether physically or spiritually, there must be a foundation. The Bible says that the church of God is built on the foundations of the apostles.

It is the foundation that determines whether a building will be durable, stable and withstand what it is intended to withstand. For anything we do or intend to do, the foundation is very important. For example, the reason why many marriages collapse is because of a bad foundation.

THE POSTED SPOUSE

When I was in England, a friend asked me to accompany him to the airport, to welcome his wife. I obliged him, and at the airport, to my amazement, he put his hand in his pocket and brought out a picture and as people were arriving, he kept looking at the picture and at the faces of those that were arriving. I was embarrassed because we were both Ph.D students in England. I had to ask him, to confirm if he didn't know the lady we had come to welcome.

He told me his parents arranged the wedding in absentia and that they had only "posted" the wife to him. He stayed there searching and suddenly as a

light-complexioned lady arrived, he looked at her, called her name and the lady too called his name and they embraced each other. That was how they got 'married' at the airport! I was not surprised when two years after that, the Nigerian girl, who was about 23 years old, ran off with a 60-year old white German. My friend wanted to commit suicide but I advised him to take it easy. I told him that if he died the girl would continue to enjoy herself. The problem of that marriage was a bad foundation.

A BAD FOUNDATION

When a couple are forced to get married as a result of the girl's pregnancy, such a marriage will end up a failure as it was built on a bad foundation. When a marriage is based on beauty, handsomeness and other physical features like long legs, long hands, etc, such a marriage has a bad foundation.

When a marriage is based on the fact that the would-be husband is rich, the foundation is bad. Unfortunately for many sisters, many of the nice brothers are not rich. When a woman marries a man because of money, the man will certainly treat her like an object.

Not being born again before getting married is bad foundation because the choice of husband or wife was made randomly out of various men or women.

These are some of the reasons that marriages collapse. If you find a marriage that is about to collapse, the first thing to check out is how it started; that is, the foundation.

Was it strong and solid? Or was it done because two influential families compulsorily joined the couple together. One of the most foolish things any builder can do is to build a house without a foundation or on a bad foundation. We can therefore assume that where there is no foundation, there is no building, or where there is a poor foundation, there is a poor building.

Prayer Points

1. Father Lord, let the foothold and the seat of the enemy in my life be destroyed completely, in the name of Jesus.
2. Let the blood of Jesus erase all the legal grounds that the enemy has against my life, in the name of Jesus.
3. I close all the doors opened to the enemies in my life, with the blood of Jesus.
4. Let all the concrete constructed by the enemy to stop the germination of the seed of my life be broken down completely, in the name of Jesus.
5. Every foundation constructed by the enemy in my life, be destroyed completely, in the name of Jesus.
6. I command nil the words contrary to God's words spoken against me to fall dead to the ground and bear no fruit, in the name of Jesus.

CHAPTER
Two
The Power
of the
FOUNDATION

I remember the story of those two men who built houses. One built on the rock (strong foundation) while the other built on sand. When the winds came and the storm blew on the two of them with the same strength and current, the building on the sand collapsed, great was its ruin, while the one on the rock stood firm. The Bible says, "Many are the afflictions of the righteous but the Lord delivereth him from them all." However, any affliction that starts from the foundation of a person's life needs a very serious action because:

1. We cannot see the foundation.
2. The person has now grown above the foundation.
3. The beautiful nature of the external structure will not tell you what is at the foundation. So, the instability of many lives today is due to their faulty foundation. Ninety per cent of stubborn problems brought to the house of God is due to faulty foundations. I would like to share this testimony with you. At the church I attended a long time ago, something happened.

There was a witch doctor with two wives living around the church. Suddenly, one of the wives started to fellowship with us. She heard our messages and realised that it was wrong remaining married to a herbalist. So she decided not to continue to marry the herbalist. The herbalist did not like this. He came to the church, threatened us and told us to tell his wife to leave our church. We told him that we had no right to stop anyone from coming to church. He threatened to use his demonic power but ended up running away from the area.

VARIOUS FOUNDATIONS

There was another incident of a pregnant woman attending a herbalist's antenatal clinic. She and the herbalist agreed that on the day of her delivery, she would pay ₦ 300. But on the day she fell into labour, she could not afford the ₦ 300. The herbalist insisted on having the service fee of ₦ 300 before starting to deliver her. The people around the woman were able to raise ₦ 150 after much effort.

The herbalist then began the process of delivery of the child, He began to chant incantations and eventually the woman was delivered of the first of the twins. The herbalist now requested for the balance of N 150 before delivering the woman of the second baby. Later, he tried all he could but the baby did not come out.

The woman was in pains and at the point of death when her husband came back from work. He decided to take her to her home town when he saw her condition. Along the way, as he headed for the woman's hometown, somebody who knew the woman saw her and asked what her problem was. When he was told the woman's story, he invited them to a prayer revival meeting taking place at his nearby church. There they put the woman at the centre and before they could say, "Father, in the name of Jesus," she delivered the second baby. Now, one of the twins, Taiye, was born in me house of a herbalist and the ocher, Kehinde, was born in the house of God.

We cannot expect the course of their lives co be the same because their foundations were poles apart. Foundational problems are the most difficult anyone can think of. Should you destroy a building to get to its foundation? What should you do? This is why the Bible, in its wisdom, prohibits many things and sometimes does not explain to you why.

When you begin to understand why God prohibits all those things, you will be surprised. There is too much wickedness amongst the black race, The first "offence" that anyone can commit is to be doing well. Some people say that they have not offended anybody or done anything wrong. But they don't need to do anything bad to get people offended.

The simple fact that you are doing well is enough to get them offended, and they will be after you. It is not that whites do not have their own problems; they do. Just like their brains are sharp, their problems are sharp too. Wicked people among the black race do all sorts of wicked things to other people. They collect blood from young babies and manipulate it. This can affect the baby for life. If the baby doesn't know the way of the cross, he will go from the cradle to the grave with one problem or the other.

THE PLACENTA

People go around clinics asking for placentas to buy, and once they get them, they can use them to permanently destroy the babies' lives. They look for sand underneath people's feet, manipulate the sand and put the people in trouble. They collect fingernails and hair and use them against people. They give bad concoctions to babies and thereby put such babies in trouble.

Some people have the foundation of idolatry. They bear African names like Fawole, Ogunyemi, Babatunde, etc. Many people were born without familiar spirit, but somebody gave things to them to eat and they suddenly discovered that they have acquired strange powers. They struggle to get out, but they find it impossible.

There is currently a serious mass initiations in schools. Warn your children that when somebody comes with loads of biscuits or sweets to school, claiming to be celebrating his or her birthday, they should reject such items. This is because lots of children have been unconsciously initiated this way. Some people, when they were young, wore charms on their necks or waists and these are avenues of problems.

All foundational evils are better known as foundational Jericho. They have to be pulled down because while they are after you, you are not aware and you cannot tell. Some people were raped at very young age and those demons that got into them as a result of that are still harassing them.

In the house where I lived long ago, there were lots of bachelors and there was one woman who had twins and used to cook beans every Friday. Most of these young men would prepare in advance for her beans. They usually bought bread ready for the beans. She never knew that these twins were being pm into trouble.

THE HABITATION OF CRUELTY

What the enemy wants to spoil in many lives he usually does at the foundation, at the stage when there is little or no consciousness. Your being

born again only gives you a pathway to get out of it, not a solution, to the problems. Unless specific praying is done, the problems will generally remain or try to hide. The Bible says that the habitation of the wicked is full of cruelty.

There was a small boy who felt like using the loo around 2 a.m. So, as he was going his spirit told him to look through the keyhole of an old woman's door to see what she was doing. As he peeped through the keyhole what he saw dazed him. The old woman of about 80 stood naked at the middle of the room, completely transformed to a young girl of about 21 years and dressed up in some lace material. The boy was dumbfounded and was therefore transfixed at the door. When the woman opened the door he ran away, but his eyes had been bewitched and he had to do a very serious fight with Satan.

At MFM, we call a lot of prayer points which may look strange to new comers in the school of spiritual warfare. But these prayer points bring results. For example, what do you understand by the following prayer points. "O Lord, send your fire to the foundation of my life and let it burn to ashes everything presently affecting me in a negative way." "I break and loose myself from any bondage which might have been transferred from my parents." "O Lord, release me from foundational problems." "I refuse to follow any evil design or pattern laid down by my ancestors, in Jesus' name." "Holy Ghost fire, destroy the roots of inherited evil plantations."

THE EVIL QUOTA

What do you understand by these prayer points and why do you think we pray them! It is because 90 per cent of the problems that are resistant to normal praying are rooted in the foundation. The problem of the evil foundation is so enormous and has completely messed up many lives.

When I was in Abuja recently, a sister who came for counselling brought two hospital reports. One showed that she was five months pregnant and the other that no baby could be traced in her womb. How do you explain this? The doctors got confused. But by the time we started praying it was

revealed that the problem had to do with her foundation. In her family, they had promised some idols that they would supply them a specific number of babies every year and the quota for the year had not been met. So, the idols removed the baby and planned to remove about three more.

Our Lord Himself understood this and at a time he pointed accusing fingers at the background of the Jews:

Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous, And say,

If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? Wherefore, behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city: That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar: Verily I say unto you, All these things shall come upon this generation. Matthew 23:29-36.

The Jews were called the generation of those who killed the prophets.

Some women complain that their husbands don't stay at home but always move around with strange women or strange vultures. What we are saying is that this problem may have nothing to do with your husband. It may be from your own foundation. Perhaps your father was a polygamist and that spirit has entered into you and you have transferred it to your husband. It creates in him the desire to have many women. Until this is broken, the problem will remain.

You will be deceiving yourself as a black person and as a Christian, if you choose to dismiss with carelessness your background, participation in masquerades or tribal rituals, collection of your name from an oracle, being born by a father who has charms, armlets and idols at home, parents who accept services from demons, parents who were harsh on slaves, or being born in a polygamous set-up. You will be deceiving yourself to believe that all these will just fly pass you, without any effect. It is not possible at all.

The great truth is that, the full scope of evil foundation has not been adequately comprehended by present-day believers. Many are saved, sanctified and filled with the Holy Ghost, thank God for that. But all these are like a spiritual soap to be applied for the washing of a spiritual body. Until they are applied, they will not wash. It is like buying the biggest Bible in the world and wrapping it in the most expensive snake skin. This will not achieve anything until you open and read it.

Prayer Points

1. Every evil spirit in my foundation, release me by fire and die, in the name of Jesus.
2. Holy Spirit, visit the dark room of my life and destiny and expose every unwanted material, in the name of Jesus.
3. Let my spiritual antenna be connected with the kingdom of God, in the name of Jesus.
4. What the enemy has programmed in my life to destroy me, O Lord, remove it by fire, in the name of Jesus.
5. Every battle waged against me by the kingdom of darkness, receive defeat, in the mighty name of Jesus.
6. Distributors of spiritual poison, swallow your poison, in the name of Jesus.

CHAPTER
Three
Holy Ghost
Fire
and your
ROOTS

Until the Holy Ghost fireworks get into the root of our lives, many black Christians will never be free. There was a sister who at 36 was not menstruating. However, she was fortunate to hear a message on evil foundation. She then sat down and confessed her involvement in ancestral idolatry and rebuked the burdens and bandages of the devil. And she started to pray. Note this:

When you close your eyes to take a prayer point and you say it consistently and violently without allowing your mind to waver, very soon things will begin to happen positively. However, when you say "Father, in the name of Jesus" and you are waiting for the bell to be jingled so that you can stop, it will disturb you from concentrating. But when you get aggressive, concentrate and spend quality time on prayer points, you will begin to get results. A person could spend up to 10 hours on just one prayer point, to get the desired results.

THE HEALING SWEAT

The Bible tells us not to make vain repetitions. A vain repetition is when people repeat the same stereotyped, mechanical prayer ceremoniously like parrots. This is the practice in many churches today.

The afflicted sister we are talking about then prayed: "O Lord, send your fire into the root of my life." She prayed the prayer point for one hour and was sweating profusely. When you sweat during prayers, the sweat that comes out is healing. After one hour of aggressive praying, faces began to appear to the sister. The first face was her grandfather's, who appeared with bloody hands in a forest. She didn't understand this. Later, she found herself as a small child at the back of her mother, while her mother was fighting with another woman.

Her mother swore that the child at her back would not prosper, if she did not wound the other woman. Eventually the fight ended and she did not wound the person. However, she had issued the curse against the poor baby on her back and the curse was now affecting her. Thank God that the aggressive prayers helped the sister. Sometimes when we are praying at

MFm, it is easy to know the newcomers or those who are old members but have refused to pass our exams. They are not serious with prayers. Sometimes they open their handbags to get handkerchiefs to wipe away their sweat. Some switch their head from place to place in. all. unserious manner as if they were playing with the enemy.

The Bible says, "Right from the time of John the Baptist, the kingdom of God suffereth violence and the violent taketh it by force." Some struggle with their headgears. They do all these unserious things until the bell is jingled and they have not really prayed. These are the strategies of the enemy against these people. We have to be careful and must take prayer points very seriously, with holy madness and aggression, if we are to get desired results.

Do you hear voices that others cannot hear? Do you hear disturbing voices? Are there thoughts pushing you where you do not want to go! Do you have problems attending church or reading the Bible or hearing the preacher or praying! If you do. it shows that there is something at the foundation that needs to be attacked.

YOUR FOUNDATION

What I am saying has nothing to do with whether you were born in a mission house where pastors had been living for long. It has nothing to do with whether they brought you for baptism and sanctification on the 40th day or not. Do you have pains that move round different parts of your body! Do people threaten you in your dreams! Is your sex life abnormal in any way! Is your life troubled now that you are born again, whereas before you became born again, there seemed to be no such problems? This means there is something at the foundation that does not want you to serve God and be in Jesus' camp. Do you see or sense dark figures or smell unpleasant things? Are you the type of person that goes into uncontrollable anger?

If you have anger in your life, it is terrible. This is because anger is the greatest door opener to other evil spirits. It will keep opening doors to evil spirits. Do you ever experience cold presence at night when you sleep? Do

you faint! Do you experience continuous nightmares? Do you find it hard to control your thought, anger or your physical functioning? If you have any of these problems, you need to send fire to your root today, and gain your freedom. All these evil background that I have mentioned can lead to spiritual blindness, lack of progress in everything, thought of suicide, marital problems, strange accidents, violent deaths, health problems or serious sexual problems.

THE FAKE FATHER

You can get out of this situation today. This means that everything depends on you and what you decide to do with your life. There was a man who came for prayers. He found out that at 34 years of age, he had not achieved anything and nothing was working for him. He still had to depend on his younger ones for sustenance. If he was given money to start a business, it would go down the drain. He would either be duped or something terrible would happen to him. It was discovered that the man was not the child of his father.

The Holy Spirit instructed the man's mother who was always following him to the church, to reveal who the true father of the man was. She then confessed that he was actually the son of her husband's friend. He did not know this until he was 34. He had been relating to the wrong person as his father.

Every money the fake father spent on him never yielded good results. When some parents attempt to dictate the sex of their children, they give birth to half men and half women. Some go to herbalists to achieve this. Going to the herbalist marks the beginning of another round of problems, because evil designing will be put into the lives of the clients and the problem will go from age to age. How can we arrest these situations of foundational problems? The first thing is to know that God is not a failure and neither did He create failures. Therefore, no creation of His should be a failure. Every failure and any problem of man was finished when Jesus said it was "finished" on the cross. Whether you want to apply it now is another thing.

STEPS TO TAKE

1. **Identify the source of the problem.** This should be done by prayer. God will reveal things to you, if you pray aggressively.
2. **Have intense and perfect hatred for the enemy that closed the door of your life.**
3. **Renounce and reject him out loud.** Don't be polite to the devil. Command him to leave, in Jesus' name. He will leave only if you harass him.
4. **Break all former satanic associations.** These include wrong friends, wrong churches, wrong literature, etc.
5. **Fill that vacuum with the power of the Holy Spirit.** Only God can go to the foundation and repair it without destroying the building. Pray seriously with cowl concentration and aggression in your spirit.

Before praying, ensure that you are born again. This is the only way your prayers can be answered. If you are not born again, confess and repent of your sins and ask the Lord Jesus to come into your heart.

Prayer Points

1. I drink the blood of Jesus and swallow the fire of the Holy Spirit.
(Place your right hand on your stomach close to your belly button while praying this prayer point)
2. Lord Jesus, send your fire to the root of my life, in the name of Jesus.
3. Lord Jesus, release me from foundational problems, in the name of Jesus.
4. Let the fire of God destroy all my pictures being kept in the demonic world, in the name of Jesus.
5. I loose myself from every evil foundation bondage, in the name of Jesus.
6. I sever myself from every problem linking me and my parents. in the name of Jesus.

7. Every placental bondage in my life, be broken now, in the name of Jesus.
8. Father Lord, I command all my buried virtues to be exhumed now, in the name of Jesus.
9. Every dead bone in my life, receive life now, in the name of Jesus.
10. Father Lord, anoint me to be victorious in every area of my life, in the name of Jesus.

CHAPTER

Four

Send God's

fire to the

ROOTS

There are some things which one hears that cannot be explained within normal reasoning. People blame the devil for everything, but as you read on, you will discover that the devil is not to blame all the time. We do call a lot of prayer points here at MFM. Sometimes, when new comers in the school of warfare come to our services, they consider our prayer points rather strange. Later, they would begin to discover that the prayer points bring results. For example, a prayer point like, "O Lord, send your fire to the foundation of my life and let it burn to ashes everything presently affecting me in a negative way," may sound strange.

What does it mean, when a person prays like this "I break and loose myself from any bondage which may be upon my family." "O Lord, release me from any foundational problem that I might have." "I refuse to follow any evil pattern laid down by my ancestors." "Holy Ghost fire, descend on the roots of all my inherited evil plantations."?

What do all these prayer points mean? To some people they may not make sense. But these are very serious prayer points and they are the kind that you cannot pray through in five minutes. The reason for this is that in a generation comprising 30 people, you may find that 25 have put their off springs into bondage.

INJURED ROOTS

Some people have lots of such bondages to break. We have discovered through counseling, listening to people and by the help of the Holy Spirit that 95 per cent of very difficult problems that people have is rooted in their backgrounds. If in one way or the other the Spirit of God helps such people to get down to these roots, they will find instant solutions to their problems. Problems of evil background are enormous and have messed up so many lives.

Reading through the word of God, one finds out that even Jesus addressed this problem. He addressed the Jews by pointing an accusing finger at their backgrounds. In Matthew 23:29-35, Jesus addressed the Jews as the generation of those who killed God's prophets. He pointed to their

background as children who were just fulfilling what their fathers had done. He emphasised thereafter that the blood of the prophets which their fathers had shed would be required of them by God. It would then be foolish for anyone to deceive himself by thinking that his background has no effect on him.

Think about all the participation in tribal rituals. The collection of names from oracles. The charms and amulets that people used in the past. The parents that have accepted the services of demons to protect their children. The grandparents who were harsh to their slaves and the slaves issued curses on them daily. Those who had parents who were demonic to the extent that they pounded day-old babies in mortars. Those who come from polygamous homes where children were killed on regular basis, etc. Therefore, it is not reasonable at all for people with these kind of backgrounds to feel that all these will not affect them in any way. That is why at the beginning, I said that this message affects everybody.

THE BIG TRUTH

Let us consider two Scriptures here. Leviticus 26 tells us that descendants rot away because of their fathers' sins. Isaiah 65 declares that people with the background of idolatry will have problems.

And they that, are left of you shall pine away in their iniquity in your enemies' lands also in the iniquities of their fathers shall they pine away with them. Lev. 26:39.

Behold, it is written before me: I will no' keep silence, but will recompense, even recompense into their bosom, Your iniquities, and the iniquities of your fathers together, saith the LORD, which have burned incense upon the mountains, and blasphemed me upon the hills: therefore will I measure their former work into their bosom. Isa 65:6-7.

He answereth him, and saith, O faithless generation, how long shall I be with you? how long shall I suffer you! bring him unto me.

Mark 9:19

In Mark 9, Jesus described another generation as faithless. Here, it means that the inability to believe God by some people may be rooted in their backgrounds. A lot of people are reaping the bad seeds sown by their parents.

The big truth that has not been taught in many churches is the full scope of the effect of evil background. Present day believers have not adequately understood this, neither have many comprehended what is happening not seen themselves as afflicted persons. Therefore, there are many people that Jesus described their generation as faithless.

Hence, there are many people who though are saved, sanctified, filled with the Holy Ghost, but things still do not go on well with them. Until the fire of the Holy Ghost begins to work in the roots of their lives, there will be no freedom or Christian usefulness. All these lead to all kinds of bondages.

THE VISION

I know the case of a woman who never menstruated at all and did all kinds of things to change the situation. She fasted, prayed, read the Bible, made confessions, went to the mountain, prayed in the valley but nothing happened. One day, she abandoned all these and prayed like this: "O God, show me whether I am operating under any bondage or curse." She prayed and God directed her to a minister of God.

The minister said she had to really pray seriously. She first of all confessed the sins of idolatry committed by her ancestors and rebuked satan's bondage upon her life in the all-sufficient name of Jesus. After that, the minister instructed her to pray that God should send His fire into the root of her life.

For the first five minutes she couldn't concentrate, but she nonetheless went on praying. By the time she prayed for half an hour, faces began to appear before her. The first person she saw was her grandfather right in the middle

of a thick forest with blood in his hands. She did not understand that vision, but she continued praying seriously.

Next, she saw herself as a baby at the back of her mother who was fighting another woman. As the fight was going on, her own mother said to the other woman, "This child at my back will not prosper if I do not wound you today." Eventually, the fight ended but her mother could not wound the other woman. The evil transaction had been done. She had issued a curse on herself and her daughter.

Also the grandfather that had blood in his hands in the forest had sacrificed a slave to protect himself. As she continued praying, she heard a voice saying, "Their sins have been forgiven and the connection between you and them has been severed and you are free." Before she left the prayer place her skirt was already dripping with blood. This is what happens when you aggressively send fire to your roots.

EVIL VOICES

When you begin to hear strange voices, or there are some terrible thoughts disturbing you, or you have trouble attending church or reading the Bible, or you come to the house of God with the intention of serving God but cannot even hear the message or understand what the preacher is saying, then you should see these things as evidence that the fire of God needs to go to your roots. Some people usually say that certain things move around in their bodies, they undoubtedly need the fire of God.

If life is getting harder for you and your problems are becoming greater by the day, while you are a born again Christian, then you should know that something has gone wrong with your roots. When somebody sees dark figures, hears strange noises, perceives strange smells or goes into uncontrollable anger against his or her will, or sometimes goes into trance or black out and cannot remember anything, or has continuous nightmares or occasionally loses self-control, then, such a person needs to pray aggressively and send fire to the roots of certain things in his life immediately, in order to receive freedom. An evil background could lead to

complete spiritual blindness, wild Pentecostalism of uncontrollable spirits, thoughts of suicide, marital problems, bedwetting at old age and unusual accidents.

Let us think a little about what we call "foundation." When a builder wants to build a house, he digs deep into the ground, to make a solid foundation. A foundation then, is the strong base on which something is supported or on which some other things are placed. It is usually composed of blocks laid under the ground which are not seen on the surface. The blocks are in darkness under the ones on top which are enjoying light. Only God sees foundations of people's lives and knows where things have to be repaired.

Therefore, if you are in a situation and you cannot understand how you got there, the first place to turn to is your roots or your foundation. Send the fire of God there. The type of fire which the God of Elijah sent down. You will see that a lot of things will begin to happen.

However, this is not something you can do in five minutes and keep quiet. It is something you pray to a point where you know and feel that things are happening. When things have happened, you will find out that there is peace in that particular area of your life and things will begin to move forward.

Prayer Points

1. Every evil plantation in my life: come Out with all your roots, in the name of Jesus.
2. By the stripes of Jesus, I curse the roots of every sickness in my life, in the name of Jesus.
3. I reject and cast out of my life, every deeply rooted failure, in the name of Jesus.
4. I break the backbone and destroy the root of every spirit, speaking against me, in the name of Jesus.
5. Every infirmity, come out with all your roots, in the name of Jesus.

6. I go back to Adam and Eve on both sides of my generation and I cut off every evil root, in the name of Jesus.

CHAPTER

Five

When your

Root is

HEALED

A young man discovered that everything he laid his hand upon was collapsing. He prayed very aggressively about the situation. One day, through a vision, God showed him his dead father and he saw himself in a hot argument with him. They used to argue when the man was alive. But this time the man issued a curse on him that his children would do that kind of thing he did to his father and would curse him too.

The Lord told him that the curse was the source of his problem. He then asked God, "Lord, but my father is dead, what should I do now?" The Lord told him to pray harder to mend the situation. The man did something interesting. He went to his father's grave and cried his eyes out there in repentance. It was then he started to have some breakthroughs. What happened was that something had gone to his foundation to accomplish certain things there.

THE DESTINIES

I will tell my popular story again for the benefit of those who have not heard it before. A woman was pregnant with twins. All through the pregnancy she attended a herbal clinic and the herbalist told her that her delivery fee would be ₦300.00. On the day she fell into labour, they rushed her to the witch doctor and the first thing he asked for was the ₦300.00 fee. The woman's husband was not at home, so the people begged him to go ahead and that when the husband returns they would bring the money. The man refused and insisted on receiving his money.

Somebody rushed and brought ₦150.00 and the man took it and did what he had usually done and the first baby came out, but the second one remained inside. He then requested for his balance of ₦150.00. They begged him to go ahead but he refused. The woman was in pains. Eventually, they gave the money and the man tried but the second baby did not come out. He told them to take the woman away, saying that the powers dealing with her were greater than him.

The woman was then at the point of death and the husband decided to take her to her hometown to die there instead of dying in Lagos. On their way,

someone saw her inside the taxi and asked what the problem was. The husband narrated the story to the brother and the brother promptly asked him to bring the woman to his church, which was not far away. At the church, some prayer warriors put the woman in their middle and as they started to pray, she gave birth to the second baby.

Now, the first baby, Taiye, was born in the house of a witch doctor while the second, Kehinde, was born in a Pentecostal church. One therefore would not expect their fives to be the same, because they have taken off from different backgrounds. Taiye must address his root with the right prayers, even as a man of God. Nothing good will happen to him until he goes back to his root and sorts it out. If he sits there and believes that all is well without any warfare, he will remain in problem.

THE CURSE

Beloved, what you have just read, in a nutshell, is responsible for 95 per cent of the problems of the black man. I would like this to be very clear in your spirit. When you address your evil roots with aggressive prayers, things will change for better for you. A brother got married and found out that by the time they spent one year in the marriage, they had moved into three different houses, because they always got into problems with their landlords, who usually ended up ejecting them.

At a stage that they were sleeping in their car, the young wife was thinking of running back to her parents. The man got worried one day and prayed with holy anger to God saying: " Oh God, you did not say I would be like this. You did not say that my life would be floating like a dead fish. Tell me Lord, what should I do now?" Then the Lord showed him his dead father, who was a thrift collector. He rode on a bicycle collecting money from market women and entering it into a book. After collecting the money, he went and buried it somewhere. The market women started crying and cursing him. God mid him that the curse was the source of his problem. Until he began to send fire to that root he and his wife did not have a stable home.

The Bible talks a lot about godless sons of godly fathers. What does this mean? It means that everything you want to do with your life depends on you. Esau had a good father but he sold his birthright. Nadab and Abihu, the sons of Aaron, had a good father, but God killed them at the altar. Hophni and Phinehas were the sons of Eli but were disobedient and immoral. Even Joel and Abijah, who were the children of Samuel, took bribes and perverted justice.

Absalom was the son of David who rose against his father. Mannaseh was the son of Hezekiah, a very good king that Judah ever had. What I am saying is that, even if your immediate parents were very good, your grand parents could have been horrible. When a believer is having something in front of him blocking his progress and he begins to blame all the people around him (his wife, his mother-in-law, his children, etc) and finds that there is still no solution, he should go back to his roots and examine them. If most black men could pray to the level of breakthrough, they will find themselves more useful for God.

DEMON IDOLS

Although Christianity got into Nigeria a long time ago, it did not take the turn it is raking now. In those days, people were going to church with their juju in their pockets. They consulted both the church and the herbalist together. Even the preachers too put juju in their pockets because they were afraid of being attacked while preaching.

In those days, most people were afraid of calling witches by their real names. They would rather call them "the elderly mothers." They felt that if they dared call them by their real names, the next morning they would be dead. That was the type of Christianity that was here then. It was when a great revival rocked this country that people brought out their idols and destroyed them with fire. When they began to pray about their foundations, they were shocked to see what their fathers brought to revival grounds.

Those demons included big idols that were actually calking, which had been in some families for as long as 600 years. How could anyone think that the

idol that had been in a family for 600 years would not affect the brother who has not prayed to dislodge it. The unserious attitude of people to spiritual things is as a result of their backgrounds or roots. The spirit of failure hunting many people today is as a result of where they come from. The spirit of poverty is also from the background. It can only be removed by aggressive prayers.

The God of Elijah who answereth by fire will answer you, in Jesus' mighty name. When this fire gets to the foundation, it will destroy all evil and unwanted things.

But you have to pray very well to the point of breakthrough. If you do not have any problem now, it could be that the maturity date of the problem is not yet due. The Bible says:

The sons of the Amorites will still come here in the fourth generation because the cup of their iniquity is not yet filled. Genesis 15:16.

Many things are locked up in demonic banks, which really belong to the children of God. Until you forcefully enter into that bank and withdraw those things that belong to you, they will remain locked up.

Prayer Points

1. Lord, let the fire of the Holy Ghost surround the whole of this place, in Jesus' name.
2. *Quietly confess your sins to God and pray like this:* O Lord, whatever sins I am committing that will not allow Your fire to get to the root of my life, Lord, forgive me, in Jesus' name.
3. *(Please put one finger on your belly button for the next prayer points).* Father Lord, send Your fire to the root of my life, in Jesus' name.
4. Thon root of my life, receive the fire of God, in the name of Jesus.
5. All the good things of my life that are locked up in satanic banks, be released, in the name of Jesus.

6. O Lord, let Your fire go into my root so that this wall of.... before me will be melted away, in Jesus' name.
7. Every ordination of evil upon my life will not prosper, in the name of Jesus.

Thank God for all the good things He has done for you in this prayer session.

Battle Cry Ministries... Equipping the saints of God.

God bless.

The Book

If you cut off the flower, leaf, branch or stem of a tree, within a particular time frame, the part cut-off, will regenerate. This is because the root is still under the ground to supply enough materials for the generation of any part that has been cut off. If on the other hand, you pull out a tree along with the root and destroy the root by any means or method at your disposal then, that particular tree has gone out of existence.

In the same vein, if you can spiritually address and destroy the root of the problem you are facing, then that is the end of the problem. Whatever the problem, be it business, getting-married, matrimonial, finance, academic ancestral, household, environment, you have in your hand a book that teaches and equips you on how to address the foundation of your problem as identified in psalm 11:3.

With a purity of mind, body and soul, if you pray the prayer points on page 60 of this book, you must have testimonies that you have successfully healed the foundation of your problem.
