

Breaking the curses upon your life in Jesus Christ's name.

Proverbs 26:2 As the bird by wandering, as the swallow by flying, so the curse causeless shall not come.

A curse does not come without a purpose or cause and that cause is meant for ill-intent when sent by an enemy. Curses are uttered, muttered, prayed by those in witchcraft and other occultic practices. When being purposefully sent, there will always be a demon attached to it to bring it to pass. Curses have long-lasting effects and can go from generation to generation. A curse that lights. That stays after sent gives satan, lucifer and all the kingdom of darkness legal ground to operate in.

A curse can be issued by your words of negativity and doubt spoken upon your own life, situations, others and such like. Even the ones you love the most. This is another reason why we should guard out tongues and pray about everything in Jesus Christ's name.

A curse can come from God as a result of disobedience and the first one came from him. He was the first person to place a curse in the Holy Word of God in Genesis chapter 3 on Adam and Eve, on the ground, and then on the serpent. All disobedience is sin and invites curses from God that only He can remove. You can ask God to remove them in prayer through the power of Jesus Christ's name.

If there is a curse actively working in your life, then the cause may be from unrepented sin in your life. It can be placed upon you by your enemy or God. (Deuteronomy 28) Sin grants satan, lucifer, the kingdom of darkness legal access into your life no matter who send the curse.

You can also come into agreement with a curse unknowingly such as an illness.

Example: An enemy utters a curse of the sickness bronchitis. If at the first symptoms of this curse posing as an illness is not rejected in Jesus Christ's name and you accept the sickness, you have just come into agreement with it giving the curse a place to legally land in your life.

The enemy is not only clever but sneaky, deceitful, and sly. This is why it is so very important to pray about everything and discern the spirits in Jesus Christ's name.

1. Unless a curse is broken it will be in operation in a person's life.
2. A curse is a spiritual problem. It can only be solved by prayer and repentance in Jesus Christ's name.
3. Where sin remains, the curse remains.
4. There must be complete repentance for complete deliverance.

5. Demons enforce and propagate curses.
6. You find you always make the wrong decisions and failure follows.
7. Your heart will become polluted and unexplainable sorrow will begin.
8. Strange thoughts and desires will come into place; you go from one problem to the next.
9. There are unconscious, self-imposed curses. (Like speaking negative words about yourself or others without realizing it.)

Proverbs 18:21 Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.

10. Touching items dedicated to satan, lucifer and such like which are considered unclean to God and can bring curses. Mental or physical illness can be a result of this action.... corruption of reproductive organs, chronic sickness, bad reputation, and oppression are all part of an accursed life.

- A curse is present when at the moment of a breakthrough to occur, it fails. Then this repeatedly occurs, and you make very little progress in life.
- Curses can cause you to not be able to overcome or master something leaving you constantly in a state of defeat.
- All curses come from the sin of disobedience in some form. A curse cannot stay if you are living in obedience to God.
- Curses cause chronic frustration and repetitive problems.
- Curses can be attached to possessions, people, even events or happenings. (like a wedding for example)
- Curses can pass from generation to generation and from parents to children.
- Curses can cause everything you touch to fail.
- Curses can cause repeated failure of ever day necessities like vehicles, electronics, appliances, and such like.
- When a person leaves their spouse and marries another, a curse is accrued.
- Curses come when you treat others unfairly.
- Curses come through sexual immorality: adultery, fornication, sodomy, bestiality, pedophilia and such like.
- Ill-gotten wealth will cause curses.
- Bribery or stealing wealth from the dead will invite a curse/s.

- Purchasing second-hand materials sometimes have curses attached, especially stolen items.
- Bringing false accusations (Bearing false witness) against an innocent person will cause you to be cursed.
- curses can be placed upon you from someone's ill-wish and speaking about you.
- Murdering someone including by witchcraft will cause a curse to come upon you.

And such more not listed.

**Prayer to break Curses and agreements that causes them:**

Galatians 3:13 Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:

Isaiah 54:17 No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of me, saith the LORD.

To remove a curse the first step is repentance. Even for such things as bitterness or unforgiveness because if have these sins in your heart for anyone including yourself, you have to let it go. You must forgive them and/or yourself. There's no condemnation when Jesus Christ forgives you (Romans 8:1) Unforgiveness and bitterness will keep you in bondage to the kingdom of darkness and is an access point for the enemy to return.

Jesus Christ, I ask you to please forgive me of any known or unknown sins that I have committed. Wash me in your blood. I'm sorry. I know I am living under your covenant of grace, and I thank you for this. In your mighty name Jesus Christ, I now break all evil curses known or unknown and such like placed upon my family line including myself made by my ancestors all the way back to Adam and Eve on both sides of my family line and the agreements/covenants kingdom of darkness that brough such curses into my life and my family's. I do this in all existence known to God because you, God exists everywhere and in all things. I ask you Jesus Christ to cover each contract, agreement, covenant, known or hidden and such like things with your blood making them null and void.

I break every curse that's been uttered against me in every form of communication known to Father God because he exists everywhere and know all things in the authority of your invoked name Jesus Christ. Even for those I might have caused upon my own self by ill-spoken words and doubt. I ask too Father God that you please remove any curse/s that you might have placed upon me because of disobedience to your Holy Word. I ask for blessings in place of any curses in Jesus Christ's mighty name.

I renounce every legal right the kingdom of darkness has to my life (and my family line) because I now abide under his blood covenant as I have accepted you Jesus Christ as my

Lord and Savior. Father God, I close all doors and shut down all new opportunities from being formed in the mighty name of Jesus Christ asking him to use his Kingdom keys and keep all doors locked. I pray this be done according to your will in Heaven and be performed on Earth in every area of my life. I shut down all access the kingdom of darkness may try to gain into my life and family. My life belongs to you. I am your beloved child!

Your word says that light should have no part with darkness. This is my official divorce notice to the lucifer, satan and the whole kingdom of darkness Wash me clean and anew each morning with your precious blood and let your grace, and mercy be ever in my life. I love you, my lovely Jesus, Father God and sweet Holy Spirit! I surrender every part of my life to you once again. Not my will, but thine own be done in all things in your precious holy name, I pray in your name Jesus Christ.

In addition, I renounce all contracts known and unknown with any familiar spirits, evil soul ties, false religion, spirit spouses, reject all failures, poverty, defeat, family break-ups, bad reputations and such things from curses and I destroy all evil and polluted materials in my body, my home and such like in Jesus Christ's name. Holy Spirit please reveal and direct me if there are any items I need to remove from my home, life, office, church, and such like in Jesús Christ name.

\*\*\*I recommend you pray over your house and anoint it with oil but pray and let the sweet Holy Spirit lead you in all such things. \*\*\*\*

Next, cast out the demons behind the curse, sending them bound into the pit, the abyss in Jesus Christ's name.

Example: I command every demon/s attached to the curse/s to be bound and cast out of my life, home, and such like right now in Jesus Christ's mighty name. I cast you bound into the abyss where you will not be reassigned but stay until your day of judgment in Jesus Christ's name.

If the curse was against your body in the form of an illness, you can cast out the demons from the curses the same way but then pray and ask Jesus Christ to release his healing into your life in his great name as Isaiah 53:5 and 1 Peter 2:24 tells us we can be healed.
