

BREAKING ANCESTRAL COVENANTS/CURSES

What Is Ancestral Covenant/Curse? This is a covenant/agreement contracted by the forefathers (Great grandparents, grandparents, your parents etc) with evil spirits and is legal and binding on everyone in the lineage of the family whosoever is part of the family blood bond. This is one of the hidden sources of people's spiritual problems. Warfare prayers are needed to be launched to destroy every evil covenant contracted in the past. This type of covenant/curse can only be broken when the last person in the bloodline dies or by the power of Jesus Christ when someone accepts them into their heart as Lord and Savior. Hallelujah!

(Ancestral covenant is also called a generational curse.)

I myself begin my prayers asking the sweet Holy Spirit to cover me under the barrier of stealth and invisibility, hiding me under his wing (Psalms 91:1) so the enemy cannot hear my prayers and try to form attacks against my prayers or hinder them in any way in Jesus' Christ's name. I also decree there will be no retaliation, backlash or interference by the enemy in any way known to God's existence because God exists everywhere. (Job 22:28) If they even try to think of a little thought of retaliation I also ask for them to be immediately taken to Heaven's court, the evidence brought forth, all participants to be judged and for holy justice to be administered to them in Jesus Christ's nameHeaven style.
