BREAKING BAD HABITS

I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me. Gal 2:20

For that which I do I allow not: for what I would, that do I not; but what I hate, that do I. If then I that which I would not, I consent unto the law that it is good. Now then it is no more I that do it, but sin that dwelleth in me. For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not. For the good That I would I do not: but the evil which I would not, that I do. Now if I do that I would not, it is no more I that do it, but sin that dwelleth in me. I find then a law, that, when I would do good, evil is present with me. For I delight in the law of God after the inward man: But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my

members. O wretched man that, I am! who shall deliver me from the body of this death? I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin.
Rom7: 15-25

Life is filled with habits some of which are good and some of which are bad. Man himself is a creator of habits. In the course of our development we have managed to acquire a lot of habits. Many habits are innocent and of little consequences to our lives. However when we get born again we renounce a life of sinful activities. But many Christians find it difficult to forget the old habits and forsake former patterns. A habit can range from facial mannerism to something as deep as character weakness. It can involve something as simple as putting the left shoe on first to something as serious as drug addiction.

The purpose of this booklet is to examine the secrets of breaking bad habits as well as offer steps to freedom. What we have said so far is that man has habits and some of them are dangerous while some are innocent. Some can be referred to as destructive habits.

THE POWER OF HABITS

A habit is a pattern of behavior acquired by frequent repetition. A person continues to do a particular thing over and over again until it becomes part and parcel of him. A habit is an established practice or a manner of behavior. It is something which you have planned to do unconsciously and often compulsively. A habit is an addiction, a custom and an attitude. It is an inclination to something.

The bottom line is the fact that there are habits in our lives which can constitute a weakness. Human beings are born with some traits and behaviours. Some of these traits are good while some of them are bad. These traits and behaviours are generally inherited and they can destroy a human being unless it is disciplined and directed.

Many Christians have been put under spiritual chains because of their failure to manage these traits. The Bible says:

For we know that the law is spiritual: but I am carnal, sold under sin. For that which I do I allow not: for what I would, that do I not; but what I hate, that do I. If then I do that which I would not, I consent unto the law that it is good. Now then it is no more I that do it, but sin that dwelleth in me. Romans 7:14-17

These traits which we have inherited in one way or the other brought consistent weakness in our lives. If you will move forward, you need

to identify and deal with these things.

REASON FOR BAD HABITS

But the joy of it all is that all these habits and weaknesses can be changed. Satan knows our major weaknesses and he will use his power to defeat us if we continue in those weaknesses. Satan is very happy when he sees a believer defeated, everyday, by one particular habit. One of the tragedies of the Christian faith is that many Christians do not see a complete transformation of their behaviour before they die. Although they might be born again, attend Church services frequently, read their Bibles faithfully, yet they have not conquered those habits.

When you get born again you will receive a divine nature which has the capacity to cause old things to pass away. But because many Christians don't abide in Christ and many Christians don't like to live a principled life, they never get transformed completely all their lives. Many try to hide this eternal weakness and put up a bold face before men but it does not work out that way.

For I know that in me (that is, in my flesh) dwelleth no good thing: for to will is present that which is good I find not. For the good that I would I do not: but the evil which I would not, that I do. Romans 7:18-19

If you decide to probe Into your *own* life to identify the weakness there, God is ready to go places with you. That is why somebody said if, by the grace of God you are able to control your appetite, temperament, words and desires, God can take you to any length.

BAD TRAITS

Many people are very restless. They find it very difficult to sit down and read the Bible. One demonic power which the black man has to fight is the spirit of restlessness. A white man can sit on a chair, cross his legs, pick up book and for the next three hours read that book but very few black people can do so. Our concentration rate and our concentration range is very low. But most people can dance for over two hours non stop. These are the problems of the black man.

Restless people never find God. You need to move from where you are to where God wants you to be.

The Bible says:

Surely every man walketh in a vain shew: surely they are disquieted in vain: he heapeth up riches, and knoweth not who shall gather them. Psalm 39:6

You cannot go from where you are presently to where God wants you to be without a change. Some get easily excited as this is the spirit of restlessness. Some people find it very hard to meditate on anything for a long time. This is a very bad and destructive habit. Some move from one thing to another without really settling down on anyone. This is a very bad habit.

CHARACTER WEAKNESSES

Some people have very weak will. They are easily bent to do the wrong thing or the right thing. Anything in their mind is so easily bent. Their will is so weak. The power to say no, many years ago, has led to what they are suffering presently. If you have a weak will you need to know that it is a very terrible habit.

Some people also have total internal indiscipline. They have no control over their hearts at all. Their heart just wanders about. This is a destructive habit and such people never grow. Some people are very good at formulating ideas. They are very good at rushing to start many things but for them to finish is a problem. They have a finishing fever.

POOR FINISH

Many years ago when I was a young boy and we were in a football team we had a brilliant forward player at that time. The name of the boy was Okanlawon. He played at the centre. Once Okanlawon got the ball from wherever he got it he would begin his dribbling exercise and people would be clapping. And as he was dribbling on people would be shouting his name stylishly. He would dribble everybody but when he got to the front of the goal post he would rust blaze the ball over the bar. There are some people like that who start things but they never finish well.

If you keep on pampering yourself you will not move forward. Many people pamper themselves and are even looking for ministries that would pamper them. Some of them are sometimes pampered out of the way of life into the way of destruction. If you have a finishing fever, you will start something but end up not finishing it. You need to know that such is a destructive habit that needs to be dealt with ruthlessly by you.

If you love to please people and you prefer to do what everybody would like and not what God wants, it is a very bad habit. If you know that you cannot do anything or finish anything unless there is serious pressure on you, it is a very bad habit. This habit has pulled many people down. A lot of people do not operate until pressure comes. Acting as a result of pressure is purely a bad habit. You must

get rid of such habits today. Allow the Power of the Holy Ghost to break the strongholds of unhealthy habits.

Chapter 2

IDENTIFYING BAD HABITS

I taught Biology for many years in a secondary school. On a particular week, I happened to be one of the masters on duty whose work was to ensure that the school resumed and closed on time and that all students were in class when they were supposed to be there. It was also part of my duty that week to check the toilet and ensure that no one was hiding there. That day, as I was going around I saw the head of somebody inside the toilet. But when I looked below I did not see his legs. I was surprised.

I tried to open the door but it was firmly locked. Then when I took a proper look I discovered that the boy was standing on the toilet and stooping on it and was reading a letter. He was so engrossed in that letter that he didn't see me. I put my hand inside the toilet and took the letter. At that point the boy screamed my name out of shock and jumped down from the toilet. I had not started reading the letter .when he started crying. Then I discovered that he was reading a love letter written to him by his girlfriend. In fact he was a class ahead of the girl.

STRANGE BEDFELLOWS

I instructed him to go and bring the girl which he obeyed and brought her to me. Then I asked to know who wrote the letter and she told me she was the one. Then I asked her if that was what she was sent to do in school. Then she told me that the boy was also writing love letters to her and she was going to bring them to show me. Then she brought the ones the boy wrote to her and showed me.

I discovered that the content of his own was far worse. I told them I was going to report them to the principal. On hearing this both of them began to roll on the floor and started begging me not to do so. Then I told them that I was not going to take the matter to the principal on the condition that they were going to show me their last report card. They brought the report card. Then I discovered that the boy writing 'Ocean of love and garden of love' was promoted on trial. The girl too was not doing very well.

DESTRUCTIVE HABITS

Then I told them that I would not take up the letter on one condition which is the fact that they should be amongst the first five best people in their respective classes. They thanked me and told me that it was a deal and they left. At the end of the term, the boy who was

writing rubbish came third while the girl came fifth. Are you like these people?

Do you discover that you don't really move until something is pursuing you? It is a terrible habit which you need to change. Some people do not pray until the Devil comes in; some don't read until there is an examination the next day.

Are you undependable? Do you find it difficult to keep to time or meet deadlines? Or you have become a habitual late comer? It is a habit, a very terrible one which must be changed.

SELF DESTRUCTIVE HABITS

Do you like to dominate others? Anywhere You are, if you are not in charge you lose interest. It is a bad habit. If you pray dangerous prayers, for instance, if you are asking God to give you a husband but the type that would strictly obey your instructions and the type that does not have a mother, it is a habit which you must break.

Have you discovered that anywhere you are and there is a conversation, you would want to dominate the conversation? You need to destroy such habit. Do you talk more about yourself and give unnecessary deep details about yourself? It is a bad habit. If you are

never far from tears and you are easily discouraged, you need to break that habit.

The Bible says:

Even so the tongue is a little member, and boasteth great things. Behold, how great a matter a little fire kindleth!
James 3:5

EMOTIONAL HABITS

If you are emotionally unstable, sometimes you get really mad and angry and later you now cool down and people would wonder. if you were not the person who got angry and flamed up just now and would be surprised. So when you are approaching people they never can tell whether you are coming to shake their hands or slap them. It is a very bad habit.

Some people may do terrible things and later go back to be broken. As Christians they repent over and over again over the same issue. Some people also have very deep problems with lust and they are easily tempted, they frequently get into temptation and later put up a bold face.

There are some people who like to give orders and instructions. All these are habits and weaknesses which we need to break. We need to pin point and deal with it.

YOUR HABITS AND YOUR CHARACTER

Jacob was a deceiver. He was a supplanter and a very manipulative person. If Jacob thought that he was a manipulator, when he met Laban he met more than his match. Laban dealt with him thoroughly. Jacob ran away from Laban, confronted the Angel and they started fighting. The first place the Angel touched was the hollow of his thigh so that the long leg with which he deceived people could be broken. It is significant that it is that place that got broken which meant that God was pin pointing deception in his life.

And Jacob was left alone; and there wrestled a man with him until the breaking of the day. And when he saw that he prevailed not against him, he touched the hollow of his thigh; and the hollow of Jacob's thigh was out of joint, as he wrestled with him. And he said, Let me go, for the day breaketh. And he said, I will not let thee go, except thou bless me. And he said unto him, What, is thy Name? And he said, Jacob. And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed. Gen 32:24-28

Your habits characterize your character; your character is an accumulation of the totality of your habits. All these negative things that you don't control will eventually become terrible habits. Habits can push or pull you down.

Although to overcome habits can be very difficult, we need to wage war against them and see that they bow to the blood of Jesus. There are some habits that are in the heart such as anger, arrogance, criticism, disrespect, envy, fear, greed, jealousy, lust, materialism, prejudice, deceitfulness, selfishness, stubbornness and worry. These are habits inside the heart that cannot read outside. There are also some hidden habits like time wasting gossiping, gambling, forgetting important things, competing, arguing, and procrastination etc, these are habits that can destroy completely.

Many times we try to use a very big stick to kill a very small thing. Unfortunately, many of us think that every problem can only be solved by hot prayer and fasting, hot confession and hot deliverance, but this is not so.

THE POWER OF SELF CONTROL

Many Years ago a woman went to a native doctor and told the native doctor to give her a very powerful juju which would make her

husband to like her. The herbalist told her that he was going to give her the most powerful juju which he had but that she should promise him that she would obey the instruction and she promised him she would. The herbalist gave her a stone and instructed her that when she got home and her husband started talking she should quickly dash to where the stone was, put it in her mouth and hold it firmly there without saying a word until her husband finished talking.

She went home and did as the herbalist instructed her to do. Her husband rained abuses on her and her parents but she did not answer. Each time she was about to answer she would rush for the stone and put it in her mouth. After one week her husband discovered that he was shouting like a mad man and no one was replying. He said to himself that his wife had changed and he needed to apologize to her. He apologized. That was the end of the quarrels and the fighting. The woman went back to the native doctor with a huge amount of money thanking him for his juju. But to her surprise the herbalist rejected the money and told her that to be quite honest with her he didn't give her any juju but what he did was to teach her how to keep her mouth shut. She was taught an unforgettable lesson on self control.

Have you identified some bad habits in your life? Have you discovered why such habits have gained ground in your life? Have

you discovered steps to freedom from bad habits? You must experience total freedom today.

Chapter 3

DEALING WITH DESTRUCTIVE HABITS

When a habit is going to destroy somebody and such a person seems not to be able to deal with it, it has destructive powers. It can pollute, defile and limit the presence of God in such a person's life.

There are some people to whom compassion is foreign; they have no mercy for anybody. They don't care about people who are dying or perishing. They have no caring heart. It is a bad habit. Some people are never sympathetic towards others. Any time they feel that something has gone wrong is when it affects them personally. Some people have violent anger and they can even destroy their own property.

A woman came to tell me that she was packing out of her matrimonial home because whenever her husband got angry he would go to the door and start knocking his own head against the door. She said sometimes the man would hit his head on the door so hard that his head would be bleeding. After he has done then he would handle her; it was trouble.

BITTERNESS AND CRUELTY

There are some who are very vengeful. They would go to any length to retaliate anything. You need to check your life. Perhaps you are that kind of person about whom people are very happy and always rejoicing each time you are not around because of your anger and unfriendliness.

Do you harbour bitterness and wrath in your soul and you are praying with that in your heart? It is a bad habit.

***But if ye will not do so, behold, ye have sinned against the LORD: and be sure your sin will find you out.
Numbers 32:23***

Have you discovered that you don't mind being cruel to others in order to have your way? It is a bad habit. Several years ago, at a popular Lagos bus stop, there was a man who was selling fetish things. The man was well dressed and looking good but what he was selling was completely opposite to his dressing. The words he was uttering were so horrible. I was amazed to see a human being saying what he was saying. He was saying things like 'If one man's life does not spoil, another man's life will not be good.' So, if you want to move forward these are fetish materials to spoil other people's lives so that

you can move forward. He went ahead and said, "Do you notice that your wife is richer than you are; there are padlocks here to lock her up".

To my amazement Lagosians had surrounded him and started patronizing him. In fact one man wanted to buy a padlock to padlock his wife but the man told him that once that padlock is used it is irreversible. This was what halted him from buying the padlock.

CROOKED DEALS

Do you not mind resorting to any crooked means to achieve success, even if it demands you telling a lie? Would you do all these things in order to love success?

Someone was caught at the immigration in Ireland. She was dressed like a believer. Air travelers were not supposed to bring in Alcohol but she had cartons of alcohol in her luggage. When they discovered it they asked her why she brought in alcohol; but she denied it that it was not alcohol but water. They now opened it and it bubbled out. It was alcohol. The lady quickly said she was sorry that she didn't know that she had prayed for the water to become wine. This was somebody who was trying to use the scripture to have her cruel way.

Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the spirit reap life everlasting.
Gal.6:7-8

If you are very proud and stubborn and you find it so difficult or hard to apologize, it is a bad habit which has to be broken if you must move into your destiny.

Do you utter cruel, blunt and terrible statements that can harm people? You need to break yourself loose from such terrible habits.

CARNAL HABITS

If you notice that you do not appreciate any kindness that someone has done to you, you need to pray against it because the Bible says being an ingrate is a wicked habit.

Are you the type of person that looks for someone to blame each time something goes wrong. You have never pointed a finger at yourself to own up or accept the blame. It is a habit.

Do you misuse other people's money that gets into your hand? You need to pray against that habit. One man came to see me several

years ago. We prayed fervently for him and God told us that the man was a thief. I was shocked. God said that the man had stolen money from somewhere and that I should tell him to go and return it and that was why his problem had not gone.

We called him and told him. But he said that he was not a thief but the only thing he remembered was that he was the treasurer in the Cherubim and Seraphim church before he got into MFM and that all the money they gave to him to keep before he left the church he spent it. We told him to go and return their money. But he wondered why he should return their money when they were not serving God but the Devil in that church. But we insisted until he returned it.

EXAMINE YOURSELF

When you steal other people's things and you want to be wealthy with the wealth of sorrow, it is a habit which must be broken. If you are over concerned with what people say about you it is a very wicked habit.

Are you very sensitive? You are easily sophisticated and get upset with any small thing, you need to drop that habit. Are you very suspicious of people and you are so afraid of everyone and you believe that all old women and old men are witches and wizards you need to break such habit.

Have you made up your mind that things are not likely to improve? You need to go straight and face what you should face in your life instead of beating about the bush. Do you avoid taking risks because you are afraid of making mistakes and as such you don't move forward or you are always highly critical of others and their actions? You need to destroy such habits.

If the clouds be full of rain, they empty themselves upon the earth: and if the tree fall toward the south, or toward the north, in the place where the tree falleth, there it shall be. He that observeth the wind shall not sow; and he that regardeth the clouds shall not reap. As thou knowest not what is the way of the spirit, nor how the bones do grow in the womb of her that is with child: even so thou knowest not the works of God who maketh all. In the God who maketh all. In the morning sow thy seed, and in the evening withhold not thine hand: for thou knowest not whether shall prosper, either this or that, or whether they both shall be alike good. Eccl 11:3-6

Destructive habits will hamper your spiritual growth, affect your chances of well being and reduce your chances of fulfilling your destiny. Do not allow any destructive habit to destroy you. Rather

than allow certain habits to destroy you, you must destroy the habits today.

Chapter 4

STEPS TO FREEDOM

Are you economically and pathologically lazy and you don't like to do anything that would make you sweat? It is a habit that has to be broken. Do you like day dreaming or you find it so difficult to forget an insult? It is a wicked habit which must be broken.

Are you the type of person who can destroy a thing because you don't like the person using it? You need to pray and destroy this bad habit.

Are you always the last to lend your hand when help is needed? It is a wicked habit. Are you very selfish? You think of yourself only all the time. It is a wicked habit which you need to break. Do you find it difficult to participate in anything unless you can get some financial benefits? Then it is a wicked habit that needs to be broken. Do j you bite much more than you can chew? Do you refuse to cut your coat according to your size? It is a bad habit which must be broken.

A mature person is someone who recognizes his weakness and takes mature steps to correct them. It is possible to be filled with the

spirit and manifest spiritual gifts but when there is a terrible weakness in the habit and you don't break it. It will show you need to frankly make a list of all these habits and break them.

HOW DO WE BREAK THESE BAD HABITS?

1. **Be sincere and genuine repentance,** You must be sorry for what you are doing.
2. **You must surrender yourself to the ministry of deliverance,** That is why you need to make a list of your weaknesses and work on them one by one
3. **Realize that Christ lives in us.**
4. **Strive for a change, Don't give up.**
5. **Be filled with the Holy Spirit,** There is no vacuum in nature so if you are not filled with the spirit you'll be filled with something else.

If you put an empty cup on a table, scientifically and truly speaking, that cup is not empty. There is air inside it but if you put water in it what the water will do is to dispose the air.

6. You must apply the cleaning power of the word of God

7. You must bring your habits under subjection
8. You must avoid evil company. Avoid mingling about with people who are still weak with their habits
9. Don't give up
10. Surrender your body to God

THE BATTLE YOU MUST NOT WIN

Examine yourselves, whether ye be in the faith; prove your own selves. Know ye not your own selves, how that Jesus Christ is in you, except ye be reprobates? 2 Cor. 13:5

We need to examine our lives and get rid of bad habits. Many of us have battles to fight.

One of the best sermons I have ever heard in my life was preached in 1976. The theme was The battle I will not like to win. The preacher was an unusual person. He came in that day in a very casual manner. Looking at the suit he was wearing it was clear that he had gone to borrow that suit because he knew he was coming to preach in the campus.

He said headache was challenging him but he would like to win that battle. Poverty was challenging him but he would like to win. But the battle against the Holy Spirit? This is the only battle we must not fight.

Many of us have battled against the Holy Spirit but the strange thing about the Holy Spirit is that once he begins to struggle with you and he discovers that you don't give in or surrender, the next thing that would happen is that you would get to the place where the Holy Spirit no longer strives with you. He would leave you to be on your own.

When you recognize your weaknesses and you get rid of them that is maturity. When you pamper your weakness and look for excuses to keep them, you will die as a spiritual fugitive.

You must treasure your freedom. Do not allow bad habits to hold you captive. Work on your bad habits. Get rid of them. Develop good Christian habits. let your life be enveloped by godly virtues.

Chapter 5

THE BONDAGE BREAKER

To discover areas of bondage is one thing, but to break habits which had put you under bondage is another. No matter how stubborn a particular habit is you can break it through the power of aggressive prayer and the anointing of the Holy Ghost. In this chapter we shall address what it takes to break bad habits. The prayer programme had been vomited by the Holy Ghost to enable you break free from bad habits. The strong holds of bad habits will collapse and the Holy Ghost will come into your life and introduce glorious habits which will enable you to fulfill your destiny on earth. The prayer points shall be divided into three. Each day's programme must be done faithfully. You will surely come up with a testimony.

1. I release myself from every ancestral demonic pollution, in the name of Jesus.
2. I release myself from every demonic pollution emanating from my parents' religion, in the name of Jesus.

15. Lay one hand on your head and the other on your stomach or navel and begin to pray like this: Holy Ghost fire, burn from the top of my head to the soles of my feet. Begin to mention every organ of your body; your kidneys, livers, intestines, blood, etc. You must not rush at this level, because the fire will actually come and you may start feeling heat.
